South Grey Prohibition Union

A few members of the Executive of this body were hurriedly called together on Tuesday, Pres. J. W. Blyth presiding. The object was to frame a resolution for presentation to Premier Ferguson, lauding him for his utterances in regard to maintaining and strengthening the O. T. A.

The following is the resolution submitted and carried:

"We, the members of the Executive of S. Grey Prohibition Union, this 10th Feb., 1925, desire to place on record as deeply appreciative of the declarations made by the Hon. G. H. Ferguson, Premier of Ontario, prior to the vote on Oct. 23, 1924, that if the O. T. A. was sustained at the polls, he would accept the verdict as a mandate to strengthen and enforce the act. We are appreciative also of his ready acceptance of the mandate, publicly announced, when the vote was known. We desire further to express our confidence that the Premier will fulfil his promise and we hereby pledge ourselves to give him all the support in our power for his manly, statesmanlike declaration.

We desire further to express appreciation of the laudable effort being made by Attorney Gen. W. F. Nickle to enforce the Act, and assure him of our readiness to co-operate with him in every way possible in securing fuller observance of the law."

Rev. W. H. Smith was appointed representative to the Prov. Convention in Toronto Tuesday next.

(Later—Tuesday evening's papers brought a story of proposed 5 per cent beer, fathered by the Premier, which would have dimmed the appreciation in the afternoon, had it been known. The Province seems to have been aroused to anger at what many call a violation of the Premier's pledges. We shall see if the Wets are all powerful.)

Mr Wm Hastie of Webb, Sask., visited his brother Walter last week.

Mr Walter Hastie, County Auditor, is this week in O. Sound, auditing the books for 1924.

The Community Circle held their weekly meeting in the basement of the Methodist Church Monday night. Though the roads were almost impassable, a good attendance was on hand. Mr R. Haas, President, walked 2 1/2 miles over the rough roads in order to take his place. The scripture reading was taken by Miss Margaret Arnold while Miss Jean Ellis took the last chapter of the 'Clash of Colours.' Rev L. E. West was called upon for a talk without notice and very ably gave the summary of the 'Clash of Colours,' which we have been studying, also interjecting some interesting items relative to the value of co-operation in the world at large.

The Township Council held their monthly meeting Monday and on account of the almost impassable roads some of the Council were unable to arrive until noon, while the session was cut short to allow them to get over the roads before dark.

Mr Husband of Knox College, Toronto, was the preacher in the Presbyterian church last Sabbath.

Rev G.S. Scott of Fenwick was in the village for a couple of days last week.

Our mail carriers were unable to make their rounds Monday owing to the soft condition of the roads.

Mr Thos. McMillan has purchased the Main Bros. farm and will take possession in March.

Mr and Mrs John Manary, Holstein, wish to announce the engagement of their youngest daughter, Anna Ada, to Albert H. Sturrock, Hopewell, Ont. Mr and Mrs George Sturrock, Hopewell, Ont., the marriage to take place at Toronto, Feb. 7th, 1925.

Antis' Have Majority of 2 in Holstein

The vote on Church Union which has been going on for the past two weeks, closed Tuesday at 3 o'clock when the ballots were counted. The result proved to be very close one—Anti Union 61, Union 59, giving the Anti-Union side two of a majority.

DROMORE

A very pleasant afternoon was spent at the Dromore Institute last Wednesday afternoon. After the usual opening exercises and business, progressive crokinole was played. The contest was very even but Mrs. Wm Hunter and Miss Janet Geddes were successful in capturing the prize, a large box of candy.

A Valentine Post Office being provided for this meeting, the mail was next distributed. At the close of the meeting a 'pink' tea was served, the tea table being decorated very prettily in pink and white. During the luncheon, each member told the funniest story she had ever heard.

The next meeting of the institute will be held in the form of a banquet early in March.

YEovil

January's belated thaw arrived in due force last week and the roads are almost impassable. The bright, sunny days were delightful.

Sympathy is extended to Mrs David Ferguson (formerly Sadie Sinclair) whose husband died last week in Denver after only a few weeks' illness. Two sons and one daughter are left fatherless. Mr and Mrs. Sinclair are with their daughter.

After only a few hours' illness, W. J. Philp underwent an operation for appendicitis on Sunday evening, Dr's Jamieson, Sneath and McLellan being present. This is Ruby's first operation case since her graduation and she is glad to be with her father. His friends hope for a speedy convalescence.

Mrs J. Troup has been confined to her bed for a couple of weeks but is hoping to resume her household duties soon.

Messrs V. and G. Alles were at Gowanstown last Thursday, attending the funeral of their aunt, Mrs. Youngblood.

Rev. Reeve Ferguson had a pleasant surprise last week when his brother Alexander, whom he had not seen for 40 years, came to visit him. He was M.P. in Dakota but has returned to his fine 800 acre farm.

Miss Tough, on account of ill health has resigned her school, and expects to leave Saturday for her home in Bayfield where she will soon recover her usual good health.

SOUTH BEND

Mr Chas. Rosenbury, Guelph, was a recent visitor at J. Dowling's and Hunt Bros.

Jessie Stevenson spent the week end with her cousin, Maggie Halliday and their grandparents in Normanby.

Mrs Marshall Wright attended the Normal School At Home in Stratford last Friday, remaining over for the week end with friends there.

The Community Circle this month spent their social evening at the home of Mrs Will Cowan, Mt Forest. The chief feature of entertainment was a debate, subject: "Were people in rural districts happier fifty years ago than they are to-day." Affirmative, Miss Edith and Mr Hubert McDoonall; negative, Miss Marie Cowan and Mr Eric Sharpe. The negative won by a few points. There was the usual games and community singing. Mr Eckett, Mt Forest, gave some extra music in the violin which was appreciated. Mrs. Cowan on that instrument in lovers of music proved to be a charming hostess, receiving a hearty vote of thanks for her hospitality.

The long looked for thaw came at last, no small affair either. We think the water supply will be sufficient now but it was getting very low in the wells. People that have a spring on their farm are very fortunate. The roads are in a bad condition and no mail on Monday for the first time this winter.

DEATH OF ARCH'D MCPHEE

The death took place Thursday last in Normanby of Archibald McPhee, aged 63 years, 7 mos. He was a son of the late Malcolm McPhee and for the last six or seven years has lived on the homestead with his sister, Miss Nellie McPhee. Previous to that he had spent many years in Rainy River, Dist. and in Sask., and on his health becoming impaired came home. A brother, Mr Donald A. McPhee of Chicago, arrived Saturday. The funeral took place on Monday under difficulties owing to the bad condition of the roads.

Mr Hugh Fulton had his radio installed last week. That makes the fourth on the 18th. Who will be next?

Tourist traffic in Canada this year is likely to constitute a new record, in the opinion of the Commissioner of Parks. No estimate has been compiled as yet but the figures for 1923, which were carefully estimated at \$136,000,000, indicate the value of this traffic to the Dominion.

Up to the end of October, 1924, more than 1,000 circulating libraries were in operation in Saskatchewan, as compared with about 800 at the same time in 1923. The average number of families reading each book is 17. More than half a million volumes were circulated by these libraries during the year.

The little lad died Monday of last week from acute bronchitis. One brother and five sisters survive. Katie in O. Sound and Robt. in Mary, Margaret, Orel and Roy at home.

Funeral of Miss Christina White
The funeral on the 10th inst. of Miss Christina Ann White of Toronto, was held from the home of her father, Mr Thos. White and was a silent token of respect and love for the deceased lady. She was in her 37th year and her father's companion and housekeeper since the death of her mother some years ago. High blood pressure was the direct result of death and had been ill only a week. Miss White was a granddaughter of Mr John McEachern of the Glen and her funeral on Wednesday last in Toronto, her uncle and aunt, Mr and Mrs A. B. McArthur and Mr Angus McArthur were present, also deceased's only sister, Mrs. J. J. Ross and her husband from Detroit. The services were conducted by Rev. Mr McEachern of Bonar Presbyterian church, Toronto, amid many tokens of floral sympathy. The Review wish to add their measure of solace to the bereaved father and family.

Loses his Mother by Death
The friends of Mr J. A. Rowland of the Royal Bank, will sympathize with him in the death of his mother, Mrs. Jas Rowland, who passed away at Newcastle, Ont. Friday, Feb. 7th, at the age of 73 years. Mrs Rowland has practically been a life long resident of Newcastle and district, and about six years ago moved into the town. The funeral was held Monday at Newcastle, and at which Mr J. A. of town was present for the last rites.

Paying for your Newspaper
Newspapers have continually to notify subscribers that their subscription is due. Weekly newspapers have the same problem as their brethren in the daily field. The London Advertiser points out in a review of this problem of the newspapers, that every paper has the unpleasant experience of having subscribers stop their subscription because a warning is sent out that the paper must be paid for or discontinued. There is not a paper in existence that does not regret the departure of an old subscriber, not so much for what the connection means to the paper in the way of one subscriber, but because it breaks a long standing friendship between paper reader, and the paper is practically powerless to pursue any other course when it insists on payment of the subscription.
