Elected District Director At the Convention of Fall Fairs held recently in Toronto, Mr S. B. Clarke, Sec'y Treas. of Hanover Fair was elected District Director for Dist. No. 10, comprising counties of Grey and Bruce. These counties have more Fall Fairs than any other four counties in Ontario—Bruce 17 and Grey 20, a total of 37.

Died in Acton Many Durham friends will sympathize with Mr and Mrs Jas Chalmers, who were residents here for two or three years in the death of their five-year-old son, Jimmie, at their home in Acton. The little lad died Monday of last week from acute bronchitis. One brother and five sisters survive, Katie in O. Sound and Robbie, Mary, Margaret, Orel and Audrey at home.

Funeral of Miss Christina White The funeral of the 10th inst. of Miss Christina Ann White of Toronto, was held from the home of her father, Mr Thos. White and was a silent token of respect and love for the deceased lady. She was in her 37th year and her father's companion and house-keeper since the death of her mother some years ago. High blood pressure was the direct result of death and had been ill only a week. Miss White was a grand-daughter of Mr John McArthur of the Glen and at her funeral on Wednesday last in Toronto, her uncles and aunt, Mr and Mrs A. B. McArthur and Mr Angus McArthur were present, also deceased's only sister, Mrs. J. J. Ross and her husband from Detroit. The services were conducted by Rev. Mr McEachern of Bonar Presbyterian church, Toronto, amid many tokens of floral sympathy. The Review wish to add their measure of solace to the bereaved father and family.

Loses his Mother by Death The friends of Mr J. A. Rowland, of the Royal Bank, will sympathize with him in the death of his mother, Mrs. Jas. Rowland, who passed away at Newcastle, Ont. Friday, Feb. 13th, at the age of 78 years. Deceased lady while unwell for the past two years, suffered a slight stroke of paralysis some time ago, followed by a more serious one lately and from which she never regained consciousness. She survives her husband by about ten years, and five sons and two daughters will mourn her demise. Mrs Rowland has practically been a life long resident of Newcastle and district, and about six years ago moved into the town. The funeral was held Monday at Newcastle, and at which Mr J. A. of town was present for the last rites.

Paying for your Newspaper Newspapers have continually to notify subscribers that their subscription is due. Weekly newspapers have the same problem as their brothers in the daily field. The London Advertiser points out in a review of this problem of the newspapers, that every paper has the unpleasant experience of having subscribers stop their subscription because a warning is sent out that the paper must be paid for, or discontinued. There is not a paper in existence that does not regret the departure of an old subscriber, not so much for what the connection means to the paper in the way of one subscriber, but because it breaks a longstanding friendship between paper reader, and the paper is practically powerless to pursue any other course when it insists on payment of the subscription.

Hanover Players Present Comedy

In the Town Hall Monday night last, a small attendance greeted the Hanover players in their comedy, "This is the Life" and which again goes to show that a troupe coming to town under no auspices has a hard time making it go. The play is produced by Wm Lovell, late stage manager of the Winnipeg Theatre, and with him had a good caste of performers. The play was highly developed as to plot, but the humor running through it was of a doubtful nature and evidently found their audience not as enthusiastic and appreciative as they might otherwise have been.

Presbyterian Missionary Society

After the usual opening exercises Mrs A. Jackson gave the Bible reading "I am the Way." The Bibles and correspondence being disposed of, Miss Margaret McGillivray gave from "The Planting of the Faith" and the "Clash of Colour," the first of our studies for this year. She touched on the Geography of Central India, its people, seasons, etc. She emphasized the condition of the women, which prevents India from being and doing what it might, believing that a nation cannot rise above its women. Mrs Allan read the missionary story, the prayer hour of the W.M.S. Misses Margaret McGillivray and E. Scott were appointed visitors to the sick and shut ins for the coming month.

Town Hall Improvement Again Under Discussion

Every good movement has a beginning somewhere, sometime and someplace. For that matter the origin of the Layman's Missionary Movement had its birth in a hay mow in a primitive stable in the States, and while this movement is far removed from that which Canadian Greys' I.O.D.E. had in securing co-operation with the Town Council, it cannot be denied that the object in doing so was also worthy.

On Thursday evening last, six members of Canadian Greys, viz: the Regent, Miss Weir and Mesdames Clark, Calder, McIntyre, Henderson and Miss Eleanor Kress, met with the Property Com. of the Council, Messrs Wm. McDonald, S. D. Croft and O.S. Hunter at the Town Hall, to discuss, suggest and arrange for a better looking building than we at present possess. The desire was not where to begin but rather where to end, for it is no secret that our chief municipal building has seen rosiest days. The Daughters of the Empire are anxious to assist and cooperate with the Council financially in acting on many needed reforms. Both the Council and Daughters are mutual in agreeing on two things: (1) That a new furnace that will adequately heat both upper and lower halls is necessary and thus do away with the present unsightly piping; (2) That re-decorating the Hall in some manner is of paramount importance and feel that paint and kalsomine will be the better agencies in standing extremes of heat and cold than the present manner with wallpaper.

Many other ideas and suggestions were also broached, but were held over in the meantime. With a 55 mill tax rate on the town the Council are naturally shy in cutting too wide a swath. On Thursday evening of this week, Can. Greys' I.O.D.E. will meet and go into detail as to how much they care to put into the building improvement line and present it to the Town Council at their March meeting, when they also can go into committee and some agreeable settlement made as to the extent of reforms suggested.

Old Durham Road Team Took 2nd Debate fr. E. Hill

Last Friday night a sleigh load and several cutters from Edge Hill accompanied their debaters to Old Durham Road school, three miles east of Pricerville, to compete a second time against the "Onward" Club of that section. "Onward," a second time won the decision of the judges, and their motto will now be "Onward to Markdale" in June, to conquer No. 7, Normanby team, the other group winner, in the finals in S. Grey Debating League.

The subject of debate was "Resolved that inventions have benefited labour." Edge Hill's pair, Archie McDonald and Clarence Robinson had the affirmative and "Onward" Club the negative. Miss May Muir and Farquhar Oliver were debaters for the victors. The judges were Rev's Sutherland and Curran of Pricerville and Barrister Middlebroe of Durham.

Both sides had excellent material, but the Old Durham Road pair excelled in delivery and effectiveness. Miss Muir, the leader, being exceptionally good. A splendid lunch and program was also provided, the latter being featured by step dancing by Mr Alex. B. McDonald, Pricerville, and by Mr McDonald.

Listowel Tied Durham Here and Won Round 7-6

Biggest Crowd in Years Witnessed Snappy Hockey

Durham's semi final hockey ambitions were dashed Tuesday night before a crowd estimated at 800 or 900, when Listowel's stalwart octette held the score to a 3-3 tie, and as they defeated Durham 4-3 in Listowel, they won the round by the closest possible margin of one goal, and meet Gederich in the next Northern semi-final round.

It was a heart breaker to the local team and crowd when Listowel scored the tying goal three minutes before full time on a lucky long shot from near centre ice, thus breaking the tie on their own. Durham has lost only one game this season, that only by one goal, and yet that game happens to be the one which put them out of the running. Four goals is the highest scored against Durham in any game this winter.

Listowel brought only three or four supporters with them, but two dozen came from Hanover and the town and surrounding country turned out en masse, until stable accommodation for horses was not obtainable. The crowd was rewarded by one of the fastest and hardest fought battles ever staged in Durham rink, and the smaller, but agile Durham lads made many new fans by their brilliant and game play against buskier and more experienced opponents. Listowel has an older and well trained team, and will average at least 15 lbs per man heavier than the local boys, while in speed the teams are well matched. It was system which enabled visitors to tie the game, as they attempted more definite team play, and their experience made them adept in taking advantage of the "breaks" of the game.

Unlike the Listowel match, this one was quite clean and only three penalties were meted out to each team by Referee Ike Masters of Kitchener. Durham served 8 minutes, and Listowel 7. Masters kept the game well in hand at all times and made a better job of it than in Listowel.

Creighton, the visitors centre, was their most brilliant player, and his offensive work was always dangerous. Goalie Johnston was also a star, while Kemp and Kelly were the pick of the rest of the team. The locals were re-inforced by Will St. Snell, who came home from college for the game, and made a very effective sub, putting punch into the wing attacks. Every Durham boy gave his best, but Vollett and Schutz were most agile in eluding the visitors in puck-carrying rushes. McGillivray was a bear-cat in his back checking, and was ever alert to retrieve the puck out of a scramble. Even if Ernie McDonald led three past, the team and town can thank his wonderful net-minding for holding the game a tie, for he blocked many hot ones all through, and on the average Listowel had more steam behind their shots than the Durham sharpshooters.

The match opened at 8.15, with Durham first handling the puck. McGillivray made a good try but Johnston blocked. In 7 min. Schutz scored Durham's first, and Vollett repeated 2 min. later. Kelly took first penalty Durham's first, and Schutz later got a 2 min. rest. McGillivray eluded the whole team in a rush, but Johnston deflected his shot. Play swung more in Listowel's favor and after McDonald had blocked two hot ones, Creighton beat him for Livingston's first and Cavell made it two 1 min. later. Buschlen was off for tripping Kelly, when latter goal was scored and first ended 2-2.

The second session was featured by swift team work and many rushes to break the tie, but both defences were too strong and it finished scoreless. Creighton served a penalty but on the whole Listowel had a slight edge.

A mighty cheer arose when after 4 min. of the last period Mack Saunders working the puck up the boards, scored a back shot from right wing and again tied the round. Then Schutz beat everyone but the goalie, who rushed out and fell on the puck, and saved his goal. Later Snell after a nice pass, carried the puck to mouth of goal, but it was diverted. After 17 min. play it looked as if Durham had game won and round tied, when a long Listowel shot from just past centre, hit Saunders on leg, was deflected on the goal and hitting McDonald, it rolled in, tied the game, but lost the round. Durham tried desperately for another, but couldn't connect. Durham 3, Listowel 3.

Durham: goal — McDonald; defence—Erben Schutz, Bill Vollett; centre—Clarence McGillivray; wings—Erben Elvidge, Cliff Buschlen; subs.—Mack Saunders, Willet Snell. Listowel: goal — Johnston; de-

Referee — Kelly, Rucker; centre — Creighton; wings—Cavell, Pepler; subs—Kemp, McIntyre.

Report of game in Listowel on page 8

Referee Masters who has officiated at 22 intermediate and senior games this season, states that Ernie McDonald in Durham nets, is the pick of the goal tenders he has seen in action.

Some of the management got busy the day before game here and constructed a box enclosure at centre of north side of rink, for time-keepers, sub players and those penalized something that has been required for years.

In the Durham game the local players appeared in their classy new sweaters of white and blue and red trimmings, which they covered with old sweaters during play, as they were somewhat similar to Listowel's. The eight new ones are beautiful and like the stockings, are the gift of Mr Harry Hunter to the team.

The gate receipts of \$430 were the largest ever in Durham rink, though at Chesley and O. Sound games here ten years ago, the crowd was slightly larger. The hockey club will close this season well ahead financially.

The Durham team of 1925 are all young, clean living and playing bunch of athletes, who gave their best in every game, and were each and every one in the game for the love of the sport. This explains why they were accorded the enthusiastic support of the citizens generally. If together next winter, they will go even farther in the race than this year.

HYMENEAL NOBLE—MARSHALL

An extremely quiet wedding was solemnized at the Rectory, Durham, early Wednesday morning, Feb. 18th, when with Rev. J. H. Whealan officiating, Mr Reuben Chester Noble, of Bentinck, son of Mr and Mrs George Noble, Durham, and Miss Iva Esther Marshall, daughter of Mr and Mrs Albert Marshall, Normanby, were joined man and wife.

There were no attendants, only the bride's sister Miss Mary and groom's brother Wes, witnessing the ceremony. The bride was attractively gowned in a dress of black velvet, with coat and hat to match, and carried a bouquet of carnations and maiden hair fern. The groom's gift to his bride was a string of pearls.

Immediately after the ceremony the happy couple boarded the C.N.R. for Detroit where they will honeymoon for a week with relatives there. On their return Wednesday night next, a reception will be tendered them at the home of the bride's parents in Normanby Tp.

The young couple will take up housekeeping on the Noble home-stand at Hutton Hill, and here the Review, along with many friends of both bride and groom, will wish for them much health and prosperity in the future.

McKECHNIE—VICKERS

A quiet but pretty wedding took place at the Methodist Parsonage, Hanover, on Wednesday, Feb. 11th, at 3 p.m. when Miss Jennie Derby, eldest daughter of Mr and Mrs S. C. Vickers of Bentinck, became the bride of Mr Archie McKechnie, a popular young man of Durham, and the groom's gift, a gold bar pin with diamond setting. After the ceremony a fowl supper was served by the bride's parents to a number of intimate friends and relatives. In the evening a reception was held in honor of the bride and groom. The many costly and beautiful gifts received testified to the popularity of the young people.

Many interesting and informative addresses were given along horticultural lines, dealing with the vegetable and flower garden, care of lawns and civic beautification. A fine banquet was tendered the delegates at the King Edward. All thoroughly enjoyed the trip and brought home lots of enthusiasm to put in action some of the good things heard. A membership drive will be put on shortly at which it will beat last year's record, the best in the history of the Society in Durham.

MEN'S CLASS

Next Sunday we shall continue the discussion of "Anger." It is found to be one of the vital elements of religion, one of the basic passions of men, one of the characteristics of deity. The part it ought to play in building character and reforming society is the big problem.

Do not forget the fellows are planning for a banquet on Thursday, February 26th, and expect to have as the speaker of the evening, Rev. D. M. Solandt, who will explain the working of the Industrial Disputes Act of the Manitoba Government.

Mr Solandt was Sec'y of the Board for several years when it proved a great success in settling labor problems and disputes.

We count on you to make it a great success.

When a man really has religion his pants wear out at the knees before they do at the seat.

Dr. Bennett of St. Thomas in Town
