Total Assets in excess of \$700,000,000

J. McKECHNIE

Walls With Character

ANY room of yours can gain a new and lasting loveliness, a distinctive character and charm from even the least expensive of the superb new Wallpapers we are now showing.

Then, again, we specialize in STAUNTON SEMI-TRIMMED PAPERS which can be accurately and quickly trimmed without the need of a straightedge and knife or a pair of scissors. They save time and trouble and eliminate half the disorder in the home when re-papering is in progress.

Let us show you our new samples for those rooms of yours that need attention

J. McKechnie

Invest your Savings in Good Bonds

Why not earn from 434 to 7 per cent on all your money, with perfect safety? We can supply you with bonds of \$50, \$100, \$500 or \$1000 denominations, all maturities. Odd amount bonds yielding high interest, for those with small amounts to invest.

We can sell your bonds and get your cash for them at any time you may desire.

Information and prices cheerfully supplied regarding any kind of Bonds.

Write, Call, or Phone NOW.

Wants a Man to Work 300 Acre Farm on Shares

DEPARTMENT OF AGRICULTURE

Nitro Culture Free

A letter from the Division of Bacteriology, Ottawa, has just been received, stating that one bottle Nitro Culture would be given free to any applicant. The Dept of Agriculture, Markdale, would be glad to re ceive any applications up to May 1st of this year. As each clover or alfalfa requires a different kind of cul ture, the kind of seed must be stated in making application.

Nitro Cuture is a preparation used on various kinds of Clover and Alfalfa Seed which will assure a stronger growth and greater development. It Dept. of Agriculture, Markdale.

Spray Service The Spray Service announced at the time of the Fruit Growers' Convention at Thornbury, and again in the local papers of the fruit district. is being taken advantage of by large number of growers. The Dept. of Agriculture, Markdale, have these on file and as soon as the roads op-
