TOWN TOPICS

A splendid piano for sale. Apply at the Review Office.

A good old-fashioned tea meeting will be held in Varney Church, on Monday evening, April 13th. Admission 25c and 15c.

The sacrament of the Lord's Supper will be dispensed in the Presbyterian Church on Easter Sunday at morning service. Preparatory service Friday, April 10, at 8 p.m.

Mrs Milne of Chesley, mother of Mrs S. A. Morrison of Markdale, and Mrs (Sheriff) Wilson, Owen Sound, had her thigh broken in a fall recently.

The April meeting of Canadian Greys' Chapter, I.O.D.E. will be held at the home of Mrs G. Kearney, Tuesday, April 7th, at 8 p.m. All the members are asked to be present.

Dr. Fortune Loses Brother by Death
W. J. Fortune, a leading farmer of Elderslie Tp., Bruce Co., and member of the Township Council, died last Thursday after being for two weeks a victim of influenza. He leaves four brothers and sisters, two of the brothers being, Dr. Andrew of Walkerton and Dr. R. H. of Aytou.

Assistant Rep'tive leaving Markdale
Mr A. G. Skinner, B.S.A., who has been Assistant Representative in the Dept. of Agriculture at Markdale since Sept. 1st last, has been appointed as Assistant Representative and Superintendent of the Experimental Farm at New Liskeard. Mr Skinner was extremely popular in Markdale and the citizens are sorry to see him leave.

New Bandmen Here
A valued addition to the musicians of Durham Band, is Mr W. H. Smith, solo cornet player, of Bowmanville, who arrived this week and has taken a position in the Furniture Factory. Since the departure of Frank Bunce, and even before, the band has been a little weak in cornet lead, and the new man should materially strengthen the cornet section.

An Unusual Text
The 44th anniversary of the organization of Warton Baptist Church was held on Sunday week when Rev. A. J. Schultz of Chesley, preached at both services. The evening message was a very impressive one from the text "And thou shalt be missed because thy seat shall be vacant." To make the cap fit personally, how many would be missed from Durham churches?

Snowplough Goes Through Town
The Ontario Government's Motor snow plough passed through town on Wednesday, on its errand of demolishing the last of the snow drifts on the Garafra. It was driven up the Toronto and Sydney Highway to Owen Sound, thence proceeded south down the Garafra. It was stuck for a time north of Markdale, but today it cleared the road on Jackson's Hill north of town, and was attacking the drift on the big hill north of Orchard.

Hear Mr. Moore on April 14th.
Mr. H. J. Moore, of Toronto, noted lecturer in Horticulture, who gave an address here last December under auspices of the Horticultural Society will speak here again on April 14th. Everyone who heard Mr. Moore before will want to hear him again. Come and bring your friends with you. A small charge will be made to defray local expenses. Don't forget the date, April 14th.

Jno. McFayden's Home has close Call
Thunder and lightning storms in March are doubtless a part of the season's program, making way for the balmy days we hope are to follow and which are certainly due us. But when they strike close home as did the storm of Thursday night last, at least one family of 2nd con. of Glenelg, will not care to welcome them too often. After a beautiful mild day, Thursday last became cloudy towards evening, and as the midnight hours approached, thunder and lightning developed to severe proportions. Mr John McFayden and his sisters, Misses Mary and Kate, had all retired for the night, when suddenly the latter had occasion to jump to her feet on a crack of lightning that was sufficiently sharp to warrant something close by suffering. Nothing could be seen however that night. The next morning Mr. McFayden having occasion to use the phone, found it out of commission, and upon closer investigation to the front of the house, found the large shade tree, close to their verandah split in twain, and also the telephone wires completely snapped in two. Mr Griff, the telephone line-man, claims that the lightning first hit the tree, running off onto the wires. Whatever way it was it could not have been closer and do as little damage.

House for Sale. Apply at the Review Office.

People read 'Review' Want Ads. We are as near to you as your telephone. Our phone No. is 6.

Miss Molly, District manager of Spirella, will be in town shortly. Watch for date of coming.
Lightning Danger
Am prepared to do all repairing or installing of Lightning Rods for the Teeswater Lightning Rod Co. 17 years' experience. Satisfaction guaranteed. Robt. Ewen.

We have received some copies of Miami, Florida, papers, sent by Mrs. Thos. E. Brown, which have some interesting features for northern people. Mr and Mrs Brown expect to be home about the middle of April.

Built Platform in Schoolroom
Mr Alex. Rutherford erected in the schoolroom of the Presbyterian church, a large platform, 16 inches in height, and which will be a great benefit in staging small concerts under church auspices. The Ladies' Aid Society of the church are financing its erection.

Markdale I.O.D.E. Officers
Officers of Markdale Chapter, I.O.D.E., Markdale for 1925, are as follows: Regent, Mrs T. H. Reburn; 1st Vice Regent, Miss H. Matthews; 2nd Vice Regent, Mrs C. R. McHugh; Secretary, Mrs C. E. Armstrong; Treasurer, Mrs J. C. Mercer; Standard Bearer, Mrs G. S. Dundas.

Property Changing
Mr John Snell has purchased the former Cotton residence, now occupied by Mr W. E. Clark, which will be occupied by Mr J. A. Rowland in July. Mrs R. E. Richardson has purchased H. D. McIntyre's home on Countess St., Mr McIntyre having moved to his recently bought cottage on Bruce Street.

Grey May Lose a Member
In the coming redistribution in the Ontario House, it is possible that Grey County will lose one of its three members, owing to the cities getting larger representation. Centro Grey, for which Hon. D. Carmichael is sitting member, will likely be wiped out.

Will Go to Europe.
Mr Geo. A. Bothwell, Reeve of Sydenham township, and president of the United Farmers' Co-Operative Association of Ontario, is making arrangements for an extensive trip abroad in the interests of the work of the latter organization. Mr. Bothwell has been delegated by the directors to make this trip for the purpose of studying co-operative activities as they are practiced in England with such marked success, and also Denmark, and other European countries. He is arranging his business affairs at home so that he will be able to get away the first week in May, and expects to be gone about six weeks or two months.

REV. JOHN LITTLE BACK WITH HIS FORMER PARISHIONERS
Rocky Saugeen, Dornoch and Williamsford Presbyterian churches were indeed pleased to welcome to their pulpits Sunday last, a much esteemed and respected former pastor, Rev. John Little, now pastor at Rockwood, Eramosa Township, Wellington Co. Mr. Little is always assured of a good audience and hearing when he comes and in spite of the unpleasant weather, there were a large number of old friends out to greet him and shake his hand once again. Though twenty five years have elapsed since his pastorate of Rocky and Dornoch charges, yet his old time pulpit eloquence and power is still a feature of his gospel discourses. He also gave a number of reminiscences of his stay among the people of the district and recalled the pleasant times he spent in each charge.

Mr. Little was the guest of Dr. J. L. Smith, over night while up for this occasion.
TWO OLD FRIENDS MEET IN NORTH BATTLEFORD
Mr Joe Burnett, Regina, was a caller at the "News" sanctum Tuesday. He is an old timer of the West, having come to Western Canada years ago and after a short stay, returning East for a while, then moving westward again, and anchored himself on the prairies for good. For the last number of years Mr. Burnett has specialized on telephone contracting work and has made good at it. He formerly belonged to Durham where he received his schooling and later went into business. For a few years he taught school, having guided the destiny of the old Brick School, two miles north of Dornoch. He knew North Battleford in the early years. It is over twenty five years since we saw this Durhamite and right glad were we again to meet him and rehearse with him every thing of importance on the old Garafra between Owen Sound and Durham.—North Battleford News.

Discussed Township Road Building Problems

To a representative gathering of municipal officers, (Reeves, Councilors, Clerks, Treasurers and Road Supts.) of Bentinck, Glenelg and Egremont Townships, also others interested in road improvement, Mr J. H. Dawes, District Engineer of the Dept. of Public Highways, Toronto, gave a half hour address in the Library on Wednesday afternoon, mainly explaining the Government's plans and requirements for township road work, in the townships where statute labor had been abolished. Such townships receive a 30 per cent government grant and Bentinck being the only township thus qualifying, his address was more timely to its representatives than to those from other townships.

As some ratepayers in townships which voted to retain statute labor believed the former 20 per cent government grant would be continued, Mr Hawes made it clear that this was now entirely cut off. A municipal council may yet vote to abolish statute labor, but it is unlikely Glenelg or Egremont would do so after the adverse vote of the ratepayers.

Mr Hawes, who is District Engineer for Hutton, Wellington, Dufferin and Grey Counties, impressed upon the township officials the necessity of having some definite program in view and urged them to get away from the old hit and miss system, which never got them any place, and suggested that their program cover a period of years. He also suggested to them that they inaugurate an organized system of patrol work, as it was only by such a system that the roads could be properly and adequately maintained. He outlined the duties of the township officials with regard to the details of the work, how to keep in touch with the work, keep an accurate account of all the expenditures, etc., and how to make their annual returns to the Dept. of Highways at Toronto.

He said that the Dist. Engineers would spend a great deal of their time this year in getting the townships started on this work and that his services would be available any time they were wanted. Pamphlets will be issued from time to time from the offices of the Department, in order that all may be kept in touch with what was going on, and full instructions would be given in them.

New Body Truck Factory will be Kept Busy

The Voker Bodies, Ltd., are getting well squared away in their new factory here and now have about a dozen men at work on machines already in the building. New machinery is yet to arrive. The management are also re-painting two or three local cars.

All truck bodies are made piecemeal and assembled on somewhat the same principle as cars in the large factories. For some orders shipment is made knock-down, to be assembled at destination. Mr J. F. Parker, one of the members of the firm, is now here to look after the production end and Mr A. Forsyth, another of the firm, is also here at present. Mr Parker assured the Review that both the Toronto factory and local one would be rushed turning out orders now on hand and more large ones were anticipated. In a couple months they hope to have forty to fifty employees on the payroll.

It is the intention later to build a switch line from the C.N.R. track south of the river, direct to the factory. The building here is a little larger than the Toronto factory, and considerable re-modelling of the interior has been done.

THE ROLL CALL

MRS. JOHN WELLS

In the death of Mrs John Wells, who passed away Friday last at Durham Red Cross Hospital, one of the early residents and pioneers of the district passed "over," at the age of 74 years. For the past seven months Mrs Wells has been an inmate of the hospital where she was tenderly cared for by matron and nurses. About two weeks ago she suffered a fall, hurting her leg somewhat, and it is thought was instrumental in hastening her death.

Deceased's maiden name was Margaret Charlton, born in Weston, and daughter of Mr and Mrs Jas. Charlton. When quite young she married Mr John Wells, and the greater part of her married life has been spent in Bentinck Tp., where she raised a family of eight children, seven of whom are living and respected today. With the bereaved husband, the family surviving are: Mary (Mrs.

Harry Stevens, Chesley); Maggie, (Mrs Dawson, Toronto); James, of Hanover; Carrie, (Mrs Swift, Hanover); John in Bentinck; Robert in Durham and Will in Craik, Sask. Another son Alex., gave his life for Freedom's sake in the Great War. Also three brothers and one sister survive Mrs Wells, viz: John and Robert Charlton of Chatham; James Charlton of Bentinck and Mrs Chas. Trafford, Chesley.

The funeral was held Monday from the home of her son John in Bentinck, and a large concourse of old friends and neighbors gathered to pay the last respect to the departed. Rev. J. E. Peters conducted the burial service at house and grave, the pall bearers being the three brothers and three sons of deceased, James, Robert and John.

Relatives and friends from a distance at the funeral were her two brothers and their wives from Chatham, John and Robt. Charlton; deceased's sister, Mrs Trafford, Chesley; Wm., Thos. and Miss Eliza Walker, Sullivan; Wm. Corlett, Sullivan. The sons and daughters were also all present with the exception of the son Will.

The Review wishes to add its measure of condolence to the family.

ADA WILSON

Word has come to Mr John McQueen of town, of the death in Middleton, Sask., of Miss Ada Wilson, youngest daughter of Mrs Noble Wilson, formerly of Boothville. Deceased young lady has been in lingering health for some time and her death while a cruel separation to her people, was a happy release for her. She was about 25 years of age.

Of a large family of brothers and sisters, she is the eighth to pass away from the same trouble. With her sorrowing mother, there also remain four brothers and one sister to mourn her demise, viz: James, Arthur, Jack, Joe and Lizzie (Mrs Geo. Lawrence).

The Review wishes to add its sympathy to that of the many old friends in Egremont, who will mourn over the demise of this young lady.

Lacrosse to be Revived Here

The snow's disappearance and mild weather recently has inclined the thoughts of Durham sport-loving fraternity to summer sports, and there is a strong desire to see lacrosse re-established here. Last year Durham players joined with the two Hanover teams. Seven of them were the backbone of the Hanover Juniors, and they were good enough to reach the O. A. L. A. finals. These last year's Juniors along with some of the stalwarts of several years ago, who carried Durham into the semi-finals, should round out an excellent intermediate team. No organization, but a meeting would be called before Good Friday, when the annual O. A. L. A. meeting takes place. Last year no one was sufficiently interested to take up the management, with the result that lacrosse was left to slide, and the local fans had to flit elsewhere to witness the games. This condition may be avoided by early organization.

Another promising outlook is the organization of a local juvenile team. There are plenty of lads in town between 14 and 18 to form an aggressive line up and a few subs, as well. Some are already out with sticks getting into shape. Among the prospects are Martin Laufer, Bill Wilson, once Elvidge, Fred Volter, Clarence Elvidge, Leonard McComb, Oscar Moon, Alvin Snell and others not in mind at present. All the lads require is management and some older players to coach and develop them. Walkerton is entering Juvenile and Midget teams. Dr Lynn Grant, a Durham boy, is taking an active interest in reviving the game there. Hanover will doubtless, have teams entered in all the series as usual.

Robt. Wilson Has a Nasty Crushed Hand

While assisting at a sawing at Mr Wm. Finnigan's on the Gravel Road, Mr Robt. Wilson, who lives at McClintock's Corners, met with a nasty accident Wednesday, April 1st, and which lost him the index finger of his right hand, nearly severing the thumb, and the back of the hand in otherwise bad shape. It required 30 stitches to dress the wound properly. The patient is now resting at Durham Red Cross Hospital. Dr's Bell and Jamieson were in attendance.

Won't Help Peter Smith
Even if Miss Macphail's prison-reform proposals were to be accepted by Parliament, Peter Smith could hardly have time to earn his \$100,000 fine at prison labor.

PERSONAL MENTION

Mrs Nelson Harding, Wallaceburg, and Mrs Roy Pearce and daughter, Ottilie, Stratford, are visiting their parents, Mr and Mrs E. W. Limin.

Mrs John Aldred visited her daughter, Mrs Wm Kennedy, Shelburne, on Thursday and Friday last. Mrs Albert Livingstone entertained the Young Ladies' Auxiliary of the Presbyterian church on Monday evening last, when work connected with the Auxiliary was done amid a social atmosphere. Mrs Livingstone served a dainty lunch at the close of the meeting.

Mrs Wilfrid McDonnell and her cousin, Miss Eleanor Kress entertained their friends of both sexes, to a large and pleasant bridge party in the A. Y. P. A. rooms Wednesday evening.

Mrs Ada Douglas accompanied her niece, little Marjorie Morris, back to the latter's home in Woodstock on Saturday and will remain a week with her sister there.

Mrs W. H. Moffatt is recovering slowly from a severe attack of the flu which left her heart in a weak condition.

Mrs J. P. Whalen and daughter, Miss Norma, Hamilton, visited Mr W.'s mother, in town Sunday week. Sunday evening in the Methodist Church, the audience listened with pleasure to a solo by Norma, "Dear Lord and Father of Mankind." Mr Edgar Henry returned to Durham Tuesday after spending the winter in carpenter work near Miami, Florida. He is at present at his home in Egremont. Messrs Edgar Brown of town and Colin McArthur, Egremont, who returned to Toronto with him, are now in Detroit.

Mr John A. Ferguson, Dep. Reeve of Egremont, was a guest of Mr and Mrs Jno McQueen Wednesday night, and called also on Mr John A. Graham. He had been attending the Good Roads Meeting.

Miss Viola Smith of Loree, Collingwood Township, is a new probationer nurse at Durham Hospital. Mrs Alex. Dodds of Fairbairn, visitor her daughter at Durham Red Cross Hospital last week.

BORN

THOMPSON — In Durham, Friday, March 27th, to Mr and Mrs David Thompson, a son.
McMEEKIN — In Durham, Tuesday, March 31st, 1925, to Mr and Mrs. Geo. McMeekin, a daughter.

HYMENEAL

McCRAE-ATKINSON
At Trinity Church Rectory, at one o'clock, Tuesday, March 31st, a quiet wedding was solemnized when Miss Emma May, third daughter of Mrs. and the late Joseph Atkinson, was united in marriage to Mr Ray McCrae of Palmerston. Only immediate relatives were present, the young couple being unattended. Rev. J. H. Whealan, her pastor, officiated.
The bride was attractively gowned in blue canton crepe, with hat and scarf to match. After the ceremony the party partook of a wedding dinner at the bride's home on Countess St., the happy couple later leaving by the 3.50 C.P.R. for Toronto, where a few days honeymoon will be spent. On returning to Durham Saturday evening next, they will spend a week with her mother, thence take up residence in Palmerston, where the groom has a garage business. With many Durham and Glenelg friends, the Review joins in wishing the newly-weds much happiness.

VAUGHAN-SMITH

A quiet wedding took place at Walker Road Baptist Church, Toronto, on Wednesday, March 18th, 1925. Rev. John McNeill united in marriage Mr Kenneth Vaughan, son of Mr and Mrs Hugh Vaughan of Glenroad, Glenelg, and Bessie Horstense, only daughter of Mrs M. Smith, also of Glenelg.

The bride looked charming in a pretty gown of blue duchesse satin, trimmed with radium lace and gold beads and wore a smart grey coat with hat and shoes to match. The young couple returned to the bride's home in Glenelg on Saturday and will soon commence homemaking on the groom's fine farm in the district of Arthur. The community join in best wishes for a happy and prosperous voyage to Mr and Mrs. Vaughan.

TENDERS WANTED

Separate tenders will be received until April 4, for heating system for the Town Hall, also the decoration of the interior. Specifications can be had at the Clerk's office.
W. A. McDONALD,
Chairman of Property Committee

Stone & Sand Co. Again in Full Operation

The Men's Class closed their class meetings for the season last Sunday afternoon, after a successful and beneficial winter's study, under the leadership of Rev. W. H. Smith. The members decided to have a soft-ball team during the summer months, and appointed D. C. Town as manager.

Why not get all the young men of the town into the game and organize a soft-ball town league of seven or eight teams, and draw up a schedule? Two teams could be supplied by the Furniture Co., one by the Stone & Sand Co., by the clerks, by High School, by professional men and bankers, and possibly others besides this Men's Class team. Games could be played in the rink and a small admission fee made. Similar leagues have proved successful in other towns, and we throw out the hint, in order that local groups may get busy.

Mrs Malcolm McLean, who has been visiting her mother Mrs Hector McDonald of Mulock, and numerous other relatives this past winter, left Monday to return to Saskatchewan.

This Thursday morning Durham Stone & Sand Co. re-opened in full swing for the 1925 season with about 50 men on the payroll, and in a day or two, 60 will be at work. The first ton of material went through about 11 a.m. to-day and so heavy are the orders on hand, that a night shift may be commenced later. The opening is earlier than usual with the mild spring, and the pressure of orders, which already will keep the plant busy most of the summer, fully demanded the early start.

The Review forwards subscriptions to all daily papers at a saving to subscribers. Let us send in yours.

—As usual the legislature is rushing through legislation as the session nears its close. Monday last in one and one half hours, no fewer than 43 bills were either passed or advanced a stage. This practice, common to all parties, is most reprehensible, for it prevents proper consideration, which may bring future trouble. But "let's get through by Easter."

SENDING MONEY TO DISTANT POINTS
YOU can send any amount of money to any point in Canada at a minimum of expense by using a Standard Bank Money Order. This method is the simplest, safest and most convenient way to send remittances by mail in the Dominion: if the mail goes astray no loss is sustained. Should you desire to send money to a point outside the country, a Standard Bank Draft will serve your purpose for forwarding money to foreign places.
