"LEADERSHIP"

A chance remark was made in our presence the other day and it was to this effect that what this present day and age lacked was 'Leadership.' Is this true, and if so, just how far would you care to delve into the subject and find out what is fundamentally wrong, and why this quality on the part of our young people—and older as well—should be lacking?

The world and its people at the present time need leadership, perhaps never did before. True there are leaders of political parties, fraternal orders, church organizations, etc., but how many are willing to step up and lead others, simply for altruistic motives? For that matter even the church finds it a bit difficult at times to man—or woman—its organizations with efficient and willing officers, and when the position is accepted, they act as if they were martyrs to the cause.

It would appear that responsibility and pleasure should not mix, at least at the expense of pleasure. This busy world is on an orgy of pleasure and "suffering what the day is the evil thereof." The old time spirit of self sacrifice for another man's good is rapidly disappearing, unless a pay cheque accompanies the action. Professionalism in every form has crept into the world, and the amateur spirit of "giving a lift" is becoming rare. Of course there are exceptions to every rule and beautiful examples come to us at times.

But the leadership of some years ago, that was given so gratuitously, is now chiefly to be found in a professional sense, and thus the rank and file of our young people are not in turn being trained for the qualities that leadership requires, even though these qualities may be quite marked. As a diamond is valueless in its rough state, and requires the polishing necessary to make the gem, so in many cases are the youth of our land neglected to-day for the lack of people in their midst, who lack, or at least will not sacrifice their time or talents in developing leadership.

Some years ago at Guelph O. A. C. there was a course in "Leadership," open to all who desired to benefit, but we are not certain at this late, if this course is still on or otherwise.

THE FIRE DEMON—FIGHT HIM

This week is set off by men in high places as "Save the Forest week," and it well becomes every man, woman and child not only to save the forest from fire, but to acquire the habit of preventing fire from becoming a master in town or country every week in the year.

Statistics of loss by fire show that Canada has the disreputable distinction of being about the head of all countries in this respect. Every year losses amounting into hundreds of thousands of dollars occur, and the city of it, is 50 per cent. of these fires are preventable, less than 10 per cent. it is estimated, being caused by lightning.

Railways in the past have been the greatest sinners, but a great change has come over them lately. Not only are better preventive measures being used, but a deeper consciousness is entering the hearts of the officials that destructive fires interfere very seriously with the products they handle.

The Government are stressing strongly the advantage of aeroplane supervision of forest areas, to watch for incipient fires and thus take steps to fight it before it gets out of control. This year the number of these air observers has been increased, for their work last year was of undoubted benefit.

ROCKY SAUGEEN

The U. F. W. O. met at the home of Mrs Thos. Turnbull last week end. There was a good attendance, two new members also joining at this meeting. Mrs J. W. McKechnie gave a good paper on what Co-operation has done for the people of Denmark. Also a splendid paper on the cultivation of bees, which had been chiefly prepared by Mrs Thos Young was read by Mrs T. Lauder, in the absence of Mrs Young. Both papers were very interesting and instructive. We also had the question drawer at this meeting and many questions of importance were asked and answered. It proves itself to be an interesting part of the program. Considerable discussion took place concerning the egg pool. After all the business and program was disposed of, a dainty lunch was served and all dispersed, feeling they had spent a pleasant and profitable afternoon. The next meeting will be held at the home of Mrs Fred Cuff on May 5th.

Miss Muriel Brown spent Easter week with her uncle and aunt, Mr. and Mrs. Arch. Watson of Welbeck. Mr John Braun has treated himself and family to a Ford. Mr and Mrs Neil McLean spent Sunday afternoon with Mr and Mrs. Gillen Boyd, Glenora.

Mrs Arch. Thompson has returned home after spending a week with her son Barclay at Ingleswood. After an absence of almost thirty years, Mr Neil J. McQuarrie is on a visit to his brother Duncan and sisters here.

Mr Sam Hepburn of Chesley, spent a week recently at the home of his grandparents, Mr and Mrs Sims. Miss Marguerite Alexander was a recent visitor with her sister, Mrs. Geo. Noble. Master Campbell Ewen is absent from school with an attack of the measles.

Messrs Jack Lawson and Joe Davison spent Sunday with Campbell McLean. Teachers and pupils are all back to hard work again this week. Miss Jean Clark spent her holidays with her cousins, Misses Rhena Clark and Irene and Blanch McKechnie. Mr Alex Sims, son and daughter, met with a serious accident while motoring down near Riversdale. In some manner the car turned over into the ditch and the daughter was unconscious for some time and all were badly shaken up. Happily all are now on the way to recovery. Quite a number are suffering with serious colds at present.

REV JAMES FARQUHARSON, D. D.

Last week's papers brought the sad news of the passing of the above gentleman at Pilot Mound. Many in Durham will remember him as he visited here occasionally when his well-known brother, Rev. Wm. Farquharson, D. D., was pastor here. He was 78 years of age, born in Aberdeenshire, Scotland coming to Canada with his parents in 1846, and settling with them near Chatham, where a brother, Donald R. and sister, Miss Margaret still lives. Other brothers are Alexander of Tibury, and William on duty at St John, N. B., though his home is in Toronto. These with his sorrowing wife are chief mourners.

Deceased had a creditable record in the Presbyterian church as minister and missionary. He graduated from Knox College in 1881 and entered his first pastorate at Pilot Mound where he ministered with loving acceptance for twenty five years. While there he acted as Secretary of the Home Mission Committee of the West and his work in that capacity was of very great value to the Presbyterian church. When offices were opened in Winnipeg he was placed in charge, and later when all church offices were centralized he was moved to Toronto. He resigned in 1916, and at the urgent request of members of his first congregation, he returned to Pilot Mound, where he spent so many happy, useful years. He has gone to his reward, leaving a worthy record of work and worth.

GREEN GROVE

Mr and Mrs Hincks and family of Yeovil, spent the week end with Mr and Mrs Sandy McDonald. Mrs S. Ritchie and Mrs Atkinson of town, spent an afternoon with Mrs N. McCannel. Miss Jane Ritchie is spending a few days with Mrs Jas. Wilson. Mrs Hamilton and son John spent an evening recently with Mr and Mrs Murray Ritchie. Mrs Jos. Atkinson and daughter Margaret, have moved back to the farm. We are glad to have Mrs A. and Margaret with us again. Mr Ernest McGill and friend, Mr B. Tancock of Galt, and Miss Christie of Parry Sound, visited at the home of Mr John McGill Friday last. Miss Ruby Lawrence spent a few days in town, the guest of Miss Gertrude Glass. Mrs Geo. Tolchard and daughter Edna of Chesley called on friends in this neighborhood, before leaving for their new home in London.

ABERDEEN

Mr and Mrs Jno. Lynn and daughter Margaret visited the former's sister, Mrs Ed. Burnett and Mrs Chas. Rudolph in Hanover, one day last week. Miss Mary Lamb returned to her school at Nesleton Monday of this week. Miss Mae Burnett and Mr George Lynn returned to their homes after spending a few days with their cousins, Miss Stella Lynn. Mr Stanley Reay visited Sunday with Mulock friends. Mr Bert Ritchie and family of the Rocky, spent the first of the week with the Lamb family. Miss Stella Lynn entertained a number of her friends to a second dance Tuesday evening of last week. Mr and Mrs Hugh Macdonald and son Kenneth, spent the first of the week with the latter's parents, Mr. and Mrs Wm. Hones, Crawford. Mr John McDonald shipped his threshing outfit to Midway Saturday to have it repaired, ready for next fall. Misses Ruby Haslett and Stella Lynn spent an afternoon recently with their friend, Miss Pauline Noble, of Hutton Hill. Mr Alex. Fletcher and sisters, Misses Margaret and Lettie, with Mr and Mrs Jas. Macdonald, visited with friends in Priceville Monday. Miss Marion Morton returned to school duties in Mt. Forest Monday. Her sister, Miss Mary, of Durham Public School, will remain at home a week longer as a result of the mumps. Miss Bertha Hones of Crawford, is spending a week with her sister, Mrs Hugh Macdonald.

EBENEZER

With the continued cold, backward weather, seeding is progressing slowly. Miss Mary Bailey spent a few hours Saturday with Owen Sound friends. Mr Brigham Livingstone of Tilsonburg, was a recent visitor with his parents, Mr and Mrs W. A. Livingstone. Master Alvin and Foreman Lawrence, Fiesherston, spent a week with their grandfather, Thos. Lawrence. Miss Berta Bailey returned to school duties at Allan Park Monday. Sorry to hear Mr G. H. Terry is laid up with an attack of mumps. Hope for a speedy recovery. Mr and Mrs Jas. Heughan, Durham, visited recently with their daughter, Mrs Chas. Reay. Mr Chas. Michton was a visitor with Galt friends lately. Miss Pearl Wilson who spent the Easter holiday at her home in Elmwood, is back on duty again. Mr Chas Reay disposed of a fine horse at the monthly horse fair on Thursday last for a good figure.

TEACHERS' ALL EXPENSE TOUR TO THE PACIFIC COAST INCLUDING CANADIAN & AMERICAN NATIONAL PARKS

A complete 30 day All-Expense tour is being arranged from Toronto to the North Pacific coast, special train leaving Toronto via Canadian National Railways, July 9th next. Westbound, the party will pass through some of the most important cities of Western Canada—Winnipeg, Saskatoon, Edmonton, stopping over at Jasper National Park, thence to Prince Rupert and via Canadian National Pacific Coast Steamers thru the wonderful scenic seas of the North Pacific Coast to Vancouver, returning via Portland, Yellowstone National Park, Salt Lake City and Estes National Park through Chicago, thence back to Toronto. The tour is being arranged under the direction of Mr A. E. Bryson, Principal of Silverthorn School, Toronto, and Mr Martin Kerr, Principal of the Earl Kitchener School, Hamilton, Ont. Full information may be secured from Mr Bryson, 44 Silverthorn Ave., Toronto, June 25/25; or from Mr Kerr, 4 Beulah Ave., Hamilton, Regent 842.

While primarily designed for the benefit of teachers in the Province of Ontario, the tour is open to members of the general public and any who care to join the party will be most welcome. Glad to report Rev. D. Sillars was able to preach last Sunday after four

44 BEER MAY NOT BE SOLD IN PARRY SOUND

Before the 44 beer can be sold in Parry Sound, it will be necessary to establish the fact that the new beverage is non-intoxicating as claimed by Premier Ferguson. It appears that with the exception of one lot the whole town site was sold with a clause in the deed forever prohibiting the sale of intoxicating liquor on the land so deeded. This case will afford a good opportunity to test the opposition contentions concerning the amount of "kick" contained in this much-discussed beverage.
