TOWN TOPICS

The June wedding season will soon be here. Let the "Review" print your wedding stationery.

Flesherton High School ball teams, both boys and girls, will play Durham on H.S. grounds this Thursday afternoon.

Mr. Homer Jukes, Hanover's well known baritone, is now singing and teaching in Hollywood, California, the home of the movie stars.

The Ladies of Trinity Church Guild will hold a 25c tea in aid of the Red Cross Hospital in the A. Y. P. A. Rooms, Friday, May 29th. Tea served from 4 to 6 p.m.

The Ladies' Guild of Trinity Ch. were unfortunate in running against a bad day last Saturday for their Spring sewing sale. Despite this fact however the articles were well disposed of, homemade baking also being sold and afternoon tea served. \$65 was realized.

Fertilizer.
We have a stock of Fertilizer arriving this week. Call or phone your order. Phone 114. J. W. Ewen & Son, McKechnie Mills

Again Changed Hands.
After being in possession of the bus and dray business, which he purchased from "Riley" McKechnie, for about a month only, Albert Livingston sold it out last week to Bob Campbell who took possession on Monday. Bob has been in the business for five or six years as an employee, so is well qualified to assume the management.

Swinton Park Voted Anti-Union.
St. Andrew's Church, Swinton Park was the last in this locality to vote on church union, the voting closing last Thursday night. There were 16 in favor, 39 against, a non-concurring majority of 23. As Pricerville voted a tie, 60-60, and thus enters union, it may result in a regrouping of the churches.

Auxiliary Entertained at Manse.
The Young Ladies' Auxiliary of the Presbyterian church, with some friends, numbering thirty, were entertained pleasantly at the Manse on Monday evening. Needlework, games and music, not to mention the music of the tongues, were instrumental in making the function a success. At the close of the evening a dainty lunch was served.

Held the Fishing Championship.
All the one and a half and two lb. trout being pulled out of the Saugan this week were completely overshadowed by Dr. Brad Jamieson's record catch last week. Along with Manager P. Gagnon of the Furture Co. he was on a business and fishing trip to the Co.'s timber limits in Hastings County, and while there the Dr. landed a mammoth grey trout weighing 15 lbs. They motored home, arriving shortly after six Friday morning, and soon quite a number of the neighbors and anglers enthusiastic surrounded them to view the magnificent fishy specimens.

Bought Drug Business in Walkerton.
Mr. Melvin Greig of town, for some time back connected with Tamblin's chain drug stores in Toronto, has purchased the drug business of Mr. H. A. Zilliox, of Walkerton and is already in possession. Melvin graduated from the Ontario College of Pharmacy in 1922, and since that time has had much practical experience. Mr. Zilliox, his predecessor, enjoyed a large trade, and friends in Durham know that Melvin's happy and jovial personality will retain same. Mr. Zilliox's decision to sell out in Walkerton was prompted by ill health and will recuperate for a time with Mrs. Zilliox, at his early home in Listowel. Walkerton musical circles regret the departure of Mrs. Zilliox from their midst, as she was a talented contralto singer, and previous to her marriage, trouped Canada and the States with a couple and of which five members are still doing vaudeville work on one of the leading stages in New York.

Buried Amid Much Respect.
All that was mortal of the late Geo. K. Morton, was laid away last Thursday afternoon in Durham cemetery beside his wife, who predeceased him some years before. The services which were conducted by Rev. W. H. Smith, at the home of his sister-in-law, Mrs. Thos. Morton, and at the graveside were largely attended by many old friends and neighbors. Mr. Smith took for his text Genesis 25: 8, "Then Abraham gave up the ghost, and died in a good old age, an old man and full of years and was gathered to his people." The pall bearers were Dan McArthur, Duncan McLean, Jas. P. Hunter, John Mills, Thos. Torry, Dan McLean. A beautiful wreath lay on the casket, a tribute from the Morton family at Aberdeen. Deceased's nephews, George and Alex. Morton, leave again this week end for Innisfail, Alta., to wind up the estate of their late uncle.

Just Arrived—A carload of Solway Domestic Coke. Order early. J. N. Murdock, phone 85.

A largely attended meeting of the Continuing Presbyterian Church met at the home of Mrs. And. Derby, on Friday last, and organized a Women's Missionary Society. Officers were elected for the year and a delegate appointed to attend the Presbyterian in June.

This is 4.4 Week.
This week 4.4 beer is liberated and no doubt a great many people will be testing its virtues against the lack of them. Breweries of late have been busy and at places like Windsor an invasion of thirsty Americans is looked for. Now may we expect the bootlegger to go out of business and the private still closed up?

Cars Collided in Hanover.
While in Hanover Sunday evening, Max Grierson of Bentinck, accompanied by Leonard Westlake of town, had his car run into on the Main Street by a coupe driven by a Mr. Smith of Midway. Smith's car was badly disabled while the front of Grierson's was somewhat battered in. No one was injured fortunately. It is alleged Smith was entirely to blame for the mishap.

Preached in London.
The pulpit of Chalmers' Church, London, was recently rendered vacant by the resignation of its pastor, Rev. John Richardson, B.A., when the congregation voted against union. Rev. A. Sutherland, Pricerville, preached there Sunday last, with a view to a call. There are 150 members.

Little Lad Died in Hospital.
Kenneth McLean, the six year old son of Mr. and Mrs. Malcolm McLean, near Pricerville, died Wednesday afternoon in Durham Hospital following an operation for appendicitis on Sunday. Mrs. McLean is seriously ill at present and it is sincerely hoped that the mother will soon be restored to health.

Worthy Flesherton Citizen Gone.
Joseph Blackburn, a prominent citizen of Flesherton, died suddenly on Tuesday, 19th May. For many years he was local correspondent of the Globe and several local papers. For a long time he had been an invalid though this did not interfere with the command of his pen, he being an ideal correspondent, catching on to all the news of his neighborhood. He was a member of the Presbyterian church and highly respected and served his township as Auditor for some years. He is survived by his wife.

Injured Bones of Leg Snapped.
Last Wednesday Leslie Gallagher, section foreman on the C. P. R., accidentally injured his left leg by hitting it with an iron spike while laying ties. It gave him considerable pain each day, but he applied liniment to relieve it. On Sunday afternoon while on Countess St. near the C. P. R. station, he stepped on a stone and his foot going over on it, the bones in the injured leg suddenly snapped four or five inches below the knee. He was conveyed to his boarding house, Mr. Jas. Nicholl's, where Dr. Smith set the broken limb. On Monday he was taken to the hospital for an X-ray examination, which revealed a clean break in two main bones of leg. It will be at least a couple months before he can again report for duty.

REV. W. H. SMITH WILL SPEAK IN BUFFALO.
Rev. W. H. Smith left Wednesday for Buffalo, where he has been invited to address the Men's Club of North Park Church of that city. This is a mutual honor for both parties concerned, and is also a tribute to Mr. Smith's success in Men's Club work and we feel confident that they will hear something worth while. Mr. Smith had submitted a choice of topics for them to choose from, but at time of writing this article, he had not been informed of which topic they preferred, so evidently are quite satisfied that whatever it is, it will be suitable.

ROYAL BANK HEADS COMPLIMENT DURHAM.
Mr. G. W. MacKimmie, Assistant General Manager of the Royal Bank of Canada, and Mr. Norman Hillary, of Toronto, General Supervisor for Ontario Branches, made a brief call on Mr. J. A. Rowland, local manager, on Monday afternoon.

In order to become fully acquainted with the staff and at the same time to ascertain at first hand local conditions, these Executive Officials of the Royal Bank of Canada are visiting the various cities and towns throughout the Province which are served by the Bank.
Mr. MacKimmie expressed himself as being very favorably impressed with Durham and complimented the town on our main street and also on our highways.
Both officials expressed optimism regarding financial conditions over the Province.

Pioneer Citizen of Durham Dies in 92nd Year

MRS. ROBT. MCGOWAN
Tuesday evening, May 19th, the last call came to Mrs. Robert McGowan at her home here. She was 92 years old at the time, showing drooping features, but at her age it may well have been a breaking up of the machinery of life.

The deceased, whose maiden name was Jean Stewart, was born in Scotland in the year 1833, coming to Canada 58 years ago. She was married in 1869 and survived her husband by 22 years. After a stay in Montreal, the young couple moved to Hawkesbury and were there for 29 years. At Ottawa one year, then in 1892 they removed to Pricerville, where her husband established the well-known McGowan Mills. Six years later the mill was destroyed by fire, and Mr. and Mrs. McGowan and family then removed to Durham, where he purchased the historic Edge Mills, then changing the name. This he successfully conducted until his death in 1903, since when it has been in charge of his son John.

To this couple were born eight children, one daughter dying in infancy, another in 1885. The survivors are John, Durham; Robert, Detroit; Wm. A. Durham; Mrs. Tonkin (Lizzie), Ottawa; Mrs. Sawdon (Violet), Toronto; Mrs. And. Dale (Mary), G. G. Sask. A half sister resides in Glasgow, Scotland.

The deceased lady was the oldest woman resident of Durham, and took a pride in doing the work in her own household until prevented by illness. With her resides her son Robert whenever resident here, and her adopted son Rex.

Mrs. McGowan was a great reader and had a most retentive memory, not only of things of her youth, but of what she read in later years. She was conscious to the last. She has passed on but leaves behind her to those who knew her best a tender memory of love and respect.

The funeral service will be held on Friday afternoon at 2 p.m. The sympathizers of all is extended to the bereaved family.

Death of Mrs. Arch. Wilson

Much sympathy is felt for Mr. Arch. Wilson and family in the loss of wife and mother on Thursday, May 14th, 1925. Somewhat suddenly the blow came upon them for though not well for some time, she took to her bed only two weeks before the end and was waited on tenderly by her daughter, Mrs. D. McKechnie. Mr. Wilson also has been under the Dr's care and a few weeks ago the son Robert met with a painful accident to his hand, proving troubles don't come singly.

Mrs. Wilson (nee Miss Eleonor J. Calvert) was born near Brantford in 1858, and moved in early life with her parents to Allan Park neighborhood. Here she was married to Mr. Wilson 51 years ago last October and spent her early married life there. About 37 years ago they left Brantford and the spot at Edge Hill, Aberdeen, and other places near by, they passed the years until 6 years ago when they moved to the Gray farm, McClinton's Corners, where she died.

To this worthy couple were born fourteen children, two of whom died in infancy and one James was drowned at Glenora. The eleven surviving ones were all privileged to be at the funeral on Saturday last. Their names are: Mrs. F. Harrop, Stratford; Mrs. Cluny, Galt; Mrs. W. M. McCraeken, Preston; Mrs. Jos. Wilson and Thos. of Egremont; Mrs. D. McKechnie and Mrs. Wm Martin, Durham; Robert, Arthur, George and Archie on the home farm. No fewer than 22 grandchildren and one great grandchild survive. The latter is little Miss Irene Whitmore.

Others who will mourn are sisters Mrs. W. Caldwell, Durham; Mrs. Robt. Grierson, Bentinck; Mrs. V. Whitmore, Hespeler; Miss Amelia Calvert, Vancouver; and brothers Geo. in Vancouver, and Thos. in Russell, Man.

Mrs. Wilson was a woman of most neighborly qualities, hard working and industrious, a devoted mother to her large family. She took her full share with her husband of pioneer trials and triumphs and will be long remembered. She was interred on Saturday last in Durham cemetery, a large number of old neighbors and friends from Bentinck and Glenora and immediate neighborhood paying following the remains to her last resting place. Rev. Jas. Taylor of the Baptist Church conducted appropriate services at house and grave. The pall bearers were five sons and son-in-law, Jos. Wilson.

Relatives from a distance were Mrs. Wm Whitmore, son Arthur and son-in-law, J. C. Wright of Hespeler; Miss Nellie McKechnie, Montreal; Miss Ella Wilson, Toronto; Mrs. R. Putnam, Mt. Forest; Miss Mary McKechnie, Preston; Mrs. Jas Banks,

Proton, a niece; Thos. Wilson and daughter, O. Sound; Mrs. Wm Hillis, and daughter Elsie, Mrs. David Hillis, Mrs. Jos. Shipley, all of Shallow Lake; Mr. and Mrs. Jos. Wilson, O. Sound.

Amongst the beautiful flowers presented were: A pillow by the family, sprays by grandchildren, Nellie and Mary McKechnie, Hazel and Irene Sanderson; also by Mrs. Wm. Caldwell and daughter Hazel, Mr. and Mrs. Mark Wilson and Mrs. T. Grady.

Sudden Demise of Mr. Michael McGrath

Sudden and startling to the whole community, when it was learned on Friday that at 9 p.m. Thursday, Michael McGrath had passed away. Tuesday previous he had motored to Williamsford to visit his son Dan, in usual health. Wednesday he was moving round till three in the afternoon when sudden sickness overtook him. Medical aid was secured and everything possible done to aid the sufferer, but death was in the cup and he passed away as above, gas around the heart being given as the cause.

He was 69 years, 8 mos. old, born in Normanby, near Mt. Forest, and married there 47 years ago to Katie McAuliffe. Forty years ago they moved to the 4th con., Glenora, where he farmed about 15 years. Then in partnership with his brother-in-law, Michael McAuliffe, he entered into the hotel business in Ceylon and remained there for one and a half years. Their success there led them to buy out the Central Hotel, Durham, and he was senior partner there until eight years ago when he retired to private life, leaving his brother-in-law in charge.

To deceased and his wife who survives him, were born six children, three sons and three daughters, one daughter dying in infancy. The survivors are John in Glenora; Dan in Williamsford; Thomas in Toronto; Mary J. (Mrs. Arch. McPhee); Nellie (Mrs. Allan Cameron), both in Toronto. All were present at the funeral and 5 great grandchildren of the deceased.

One brother and two sisters survive him: John, in Minneapolis; Mrs. Rogers (Mary), in Toronto; Mrs. O'Regan (Lizzie), in Smith's Falls. To all the mourners so suddenly bereaved we extend sincere sympathy.

Michael McGrath was of a kindly disposition, respected and loved by all who knew him and his sudden removal from life's activities, is greatly regretted. He was a consistent member of the R. C. Church and was interred under its auspices at St. John's cemetery, Glenora, on Monday forenoon last. His pastor, Rev. Father McGoeys conducted the usual services and there was present two former parish priests here, who held in highest respect their deceased brother, Rev. Father Flahavan, Tereewater, and Rev. Father Maloney, Walkerton.

There was a large attendance at the funeral of old Glenora neighbors and many citizens of the town. Deceased was a trustee of the Red Cross Memorial Hospital and the Hospital Board recognized his interest in the institution by giving a beautiful wreath. Mr. and Mrs. L. F. St. J. also sent a spray.

The pall bearers were six brothers-in-law, Messrs. John, David, Daniel, Michael and Edward McAuliffe and John Burns.

Besides the entire family, other relatives present at the funeral were Thos. Rogers, Toronto, a nephew; Mr. Arch. McPhee, son-in-law, and son J. D. of Toronto; Mr. and Mrs. Geo. Kress, a grand daughter of Toronto; Mr. John McAuliffe and daughter Miss Stella of Detroit.

Messrs. Arch. Clements and Wm. Vollett Jr. motored to Brussels on Monday night where the former played with Listowel in their first league football game. Listowel won out 1 to 0, and Archie scored the only goal of the game for his team.

Mr. and Mrs. John Campbell from Sault Ste. Marie, Mich., and daughter Mrs. Laweca, Detroit, were guests at Mr. Jno. Ray's, Dorchester. Mr. Campbell is a brother of Mrs. Ray. Mr. Lawson, his brother-in-law and wife, Mr. and Mrs. Fletcher of Detroit, motored up last week end and Mrs. Lawson returned with them.

Mr. and Mrs. H. Griff, Misses Hazel Beaton, Emma Moffat, Leah McComb, M. McDonald, Margaret Brown, Messrs. Hugh and George Thompson and Hugh and Cecil McLean are members of the local Baptist B. Y. P. U., who expect to attend the Provincial Convention of the Society in Toronto this week end.

Mr. Kenneth Kerr, Varney, left on Tuesday for East Toronto, where he has secured a position in a drug store in that district of the city and will also gain much experience in dispensing. He expects to finish his apprentice term in sufficient time to enter Pharmacy College in the fall of 1926. We wish Kenneth all success.

Among the list of graduates for deaconess work from the Methodist National Training School, Toronto, appears the name of Miss Willa Alma Patterson, Pricerville, daughter of Mr. and Mrs. Henry Patterson.

Mr. and Mrs. Wm. Grant, Varney, have leased their farm to their son Gordon, and early in June will vacate same for Mt. Forest, where they have purchased the residence of Mr. Pierre Phelan, just north of the town, off Silgo St. Mr. Grant since his severe accident last fall, has left his farming days behind him, but all his friends here will regret the removal to another town. The farm he leaves was the homestead of his parents, and practically the only home Mr. Grant has known.

Mrs. J. M. Latimer, left for Toronto Saturday after a few weeks' stay in town. We were much interested in hearing of the success of her daughters, Irene and Mabel in the business life of Toronto. For some time back, Miss Irene has been chief advertising clerk of the Toronto "Globe" which carries with it considerable responsibility. Miss Mabel, also, for some time has been connected with the Presbyterian Publications and accomplishing a work which is far from common. This is the painting of slides for lantern work, turning them out by the hundreds, and her talent thus goes forth over the country. In fact she has become so adept at the work that she has put through for the C. N. R. several pictures that now hang on the walls of their waiting rooms, some of these being at Palmerston.

Her work drew the admiration of an English artist, who after looking in vain in Ottawa and Montreal who could do this kind of work, was directed to Miss Latimer.

Albert Kress returned Monday after successfully completing his first year in Arts at Western University, London. He expects to go on the boats this summer. Royden Burnett also passed the first year there and returns Thursday while Miss Eula will not be home till next week.

Dr. and Mrs. J. F. Grant and family intend motoring to Toronto the beginning of the week to visit relatives. The Dr. will attend the Ontario Dental Convention, where pyorrhea is to be specially discussed from Monday to Wednesday. They will return Thursday.

Mr. and Mrs. John Aldred motored last week to Stratford and Milverton, where at the latter place, they visited with Mrs. A's daughter.

Mr. and Mrs. John Young and daughter, Owen Sound, were guests Saturday of his brother Thos. in Upper Town.

Rev. J. E. Peters, Mr. and Mrs. A. McClocklin are in Guelph this week attending the sessions of the Hamil-

ton Conference of the Methodist Church. There will be no service in the Methodist church Sunday next.

Events Come fast for Durham in June

Durham might be said will go on holiday the first half of June if its citizens expect to participate in the many events that will take place these weeks. The various organizations responsible for these events draw all sections of the people, so there is something of interest for everyone. The Baptist Association alone expect to have nearly 400 in attendance at its sessions and the catering for the first two days of the Convention is in the hands of the I. O. D. E. and the last day the Baptist ladies themselves. There are 25 churches represented in the Association, each church required to send at least 3 delegates and providing the weather man is on good behavior this number will be greatly augmented.

The Bowlers expect around 50 rinks to participate in their tournament on the 11th prox. and the Ladies' Bowling Club cater to this event.

Durham welcomes these visitors to our town and hope that their time here will be enjoyable.

May 29—Trinity Church Ladies' Red Cross Tea.

June 2—Can. Greys' I. O. D. E. Birthday Party in A. Y. P. A. rooms.

June 9, 10, 11—Baptist Owen Sound District Association Meetings.

June 10—Joint Missionary Meetings of Methodist and Presbyterian Missionary Societies in Presbyterian schoolroom.

June 11—Bowling Tournament

June 17—Women's Institute District Meeting.

Mrs. T. McGirr Entertains W. M. S.

The Presbyterian W. M. S. met on Thursday, 14th May, by invitation, at the home of Mrs. Thos. McGirr, when thirty two ladies were present. Among other business, two or three resignations in the executive committee were accepted and others admitted; also an invitation from Mrs. Dr. D. B. Jamieson to the Auxiliary to meet at their summer home at the Lake, and gladly accepted. Mrs. McIlraith and Mrs. Thos. Allen gave a splendid report of the Provincial meeting at London. Saigeon Presbyterial again reached their objective in giving, but has not yet enlisted all the women as members of the Society. Mrs. (Rev.) Smith then spoke briefly on the need of C. G. I. T. work which was emphasized by Miss Mary McIlraith, deaconess of Toronto.

It is suggested that the next meeting be held in the church on June 10th, and that the W. M. S. of the Methodist church be invited to join with them.

The meeting closed by repeating the Lord's Prayer in unison, after which a social hour was spent and a dainty lunch served by the hostess.
