Miss Margaret McGirr, Durham, Literature and Library Sec'y, gave a following: good report of the work and the Schools and lumber camps.

Miss E. M. Stevenson, Holstein, Young Women's Mission Band and C. G. I. T. Sec'y gave an address on "Weak spots in Mission Band work" and was much appreciated. The 1st weak spot might be the leader, then the W. M. S. to put in a leader and not help, then not give enough time to it, need of prayer, coming late, not regular attendance, not starting on time and order.

Then Miss McGirr's talk on "How to strengthen the weak spots" completed a fine conference on the work of Mission Bands.

Mrs A. E. Armstrong, Toronto, was the chief speaker. She went as a visitor to the Foreign Field with her husband 2 years ago. It is difficult to realize the teeming millions of people in India-350,000,000. Their numbers impress you. Castes make a great distinction in the people. The Brahmin, -the highest or sacred caste, warrior, agricultural and labor castes. But the 'outcast' appealed to her. Even the children in their schools must not join other are : children but listen outside to catch the crumbs of knowledge.

Some have been educated by missionaries and have graduated in medicine and are doing good work. She described an Indian girl's life,-mar ried very young, if her husband dies she becomes her brother-in-law's slave. She took us to a school where 1000 girls were getting a Christian education.
