**Stole Brick from Porch**

**Death of Infant at Allan Park**  
Sympathy in the loss by death of their infant son, Harry Wilfrid, aged 9 mos., 15 days, is extended to Mr. and Mrs. Allan Park, Allan Park. The little child took sick on Saturday morning last, and on Monday at 6.30 a.m., passed away, intestinal flu being the trouble. The parents have one little daughter left, Lillian, aged 9 years, to comfort them in their time of sorrow. The funeral took place Tuesday to Hanover cemetery, Rev. A. T. Latter of Hanover United Church officiating.

**Successful Garden Party**  
Trinity Church Garden Party Tuesday evening on Mr. A. Crutchley's fine lawn, drew large crowds. The morning rain and heavy clouds were not reassuring, but after dinner Old Sol was in better humor and decided to let Trinity Church go ahead with their function. Three times last year was this Garden Party called off and to some extent was this fact expressed in practical sympathy when they turned out in such large numbers on Tuesday night. The booth did a good business and Durham Band provided an excellent musical program. Miss Bertha Elliot, electionist, pleased the audience with her rendition of several humorous numbers and Piper David Robinson roused the Celtic strain in bagpipe selections. Little June Moorhead, a visitor from Toronto, contributed a cute recitation and Rev. W. H. Smith added a few words. The gross proceeds were about \$190, and after expenses are deducted will clear about \$125.

Mrs. Peter Reid, Jr. of town was taken to Durham Red Cross Hospital Monday night, where she underwent a serious operation for a growth of some nature.

The Mission Bands of Knox United Church, under the chaperonage of Miss Margaret McGill, held an enjoyable picnic Saturday last.

## County Council May yet Pass Paving By-law

**Pedlars' License Shelved for Two Months Longer**  
At Monday's Town Council session two Councillors, McDonald and Noble were absent.

Coun. Croft presented a request from the Provisional Com. of the Continuing Presbyterian Church, asking that the rent of the Town Hall for their Sunday School in the morning and service Sunday evening be reduced from \$4 to \$2 per day. Coun. Bell objected that Town Hall was not paying upkeep expenses at present, and if at \$2 a service, the Town was making a little in summer by saving in fuel, it was much more expensive to maintain in winter. The Mayor thought a reduction might be granted till Oct. 1st. Coun. Croft moved, sec. by Coun. McFadden that the church be granted a \$2 per day removal fee for Sunday or week night meetings from April 15th last till Oct. 1st. The motion carried. Reeve Calder, Coun. Croft, McFadden and Hunter voting in favor. Coun. Bell a dissent. It means that the town will furnish the church with building and seats, caretaking, light and fuel for \$150 per year.

**Caretaker Nicholls** asked for increase in salary with church caretaking added and it was raised \$1.00 per month, on motion of Calder—Croft.

Accounts totalling \$568.42 were presented by Finance Com. and ordered paid.

Coun. Bell reported a petition for a street light on Lambton St., west of overhead bridge, and also recommended one at J. & J. Hunter's on Main corner. Held over till next meeting.

Reeve Calder said paving had been a burning question at Co. Council. The Co. fathers had turned it down in the towns because of \$85,000 expense. A deputation from town inquired had interviewed Hon. G. S. Henry, Minister of Highways, June 29th, and he strongly favored paving at once. Acting upon his suggestion Warden McKenzie has called a special meeting of Co. Council Friday, July 10, to reconsider the question, when a representative from the Highways Dept. will attend.

A check of \$15.25 was passed for Reeve Calder's expenses incurred, and pedlars' by-law passed now but the Reeve suggested to leave it over. Coun. Croft—McFadden moved that it be thoroughly dealt with and disposed of at Sept. meeting. Carried. For motion—Croft, Calder, McFadden, Murdoch. Against—Hunter, Bell.

Mayor and Treasurer were authorized to borrow \$2000 for town finances.

Coun. McFadden reported the retaining wall in front of Queen St. church giving way, and the whole Council agreed to inspect it next night, to ascertain repairs needed.

**Send-off to Mr. and Mrs. Jas. Mather**  
On the evening of Friday, July 3rd, over a hundred friends and neighbors gathered at the home of Mr. and Mrs. Jas. Mather, con 3, S. Bentinck, to spend a last evening with them in their home, ere their removal to Durham, which was accomplished on Tuesday of this week. Mr. Jno. Cooper was chairman of the evening's program and at an appropriate stage called on Mr. John Milligan, who read an address to the honored couple, expressive of their high esteem, and regretting their departure from that locality.

Mr. Jno. Whiteford followed by a presentation to Mr. Mather of a handsome upholstered chair and a fernery from Mrs. Mather. Both Mr. and Mrs. Mather replied to the kindly worded address and deeds, thanking them all. Mr. Mather's lifetime has been spent in that community, as well as the greater part of his father's lifetime before him, and this breaking away of old associations, is keenly felt, especially in church work, where both have been prominent. A social time followed the presentation and later in the evening a dance was under way.

Another address from the Women's Missionary Society of Hampden Church was read to Mrs. Mather by Miss Jennie Cooper, and told its own story of appreciation. Mr. and Mrs. Mather and family are being welcomed to Durham's civic life and hope they may find it mutually pleasant mingling with us. Their daughter, Miss Bessie has completed three years' teaching at Campbell's Corner, Bentinck, while Miss Daisy who has just completed her Normal course, will take charge of S.S. No. 12, Egremont, providing she is successful in her exams. We regret that owing to demands on space, the addresses will have to be held over.

## Farm Youth Rally Most Successful Function

There was an unwonted stir around town yesterday, occasioned by the interest in the Second Annual "Farm Youth Rally" in South Grey. This Riding Rally is a kind of culmination to many smaller such rallies in various parts of this large South Grey, Osprey and Normanby shake hands, so do Sullivan and Proton and all of the nine townships are brought together in friendly rivalry, in games and sports, as well as in intellectual effort in debates, etc. Miss McPhail, M.P., who is the father (or the mother) of this uplifting movement delights to point out that there is no commercialism in it, no betting, nothing that degrades, and little wonder she remarked as she looked over the hundreds of contestants, young men and young women, "I have no fear of Agriculture in South Grey with such a bunch in charge."

Estimates of the number present ran from 800 to 1000. The day was ideal and all the events promised were pulled off. These consisted of a baseball game between Allan Park and "Onward" (Durham Road East) clubs, the former winning out. Then followed ten or a dozen softball games, four games going on at once. There were races, nail driving contests, etc., and a new scheme for plays wholesale, handled by Prof. McLaren of Guelph College. Two men went thro' the crowd numbering them 1 to 9 over and over again. All the 1's were called out and placed aside a leader, then the 2's, 3's, etc., up to the 9's were similarly set apart and each group played a variety of games requiring physical skill or alertness. It was like Toronto Show, so much going on at once you could not see it all.

Time and space forbids more notice. It was a fine function on a fine day, in a fine place. Miss McPhail, of course, was on hand, but with her cohorts well organized, she had little to do. We give below a list of a few of the events:

Eg't won from Proton 8 to 4

The advertised ball game between Allan Park and "Onward" Club was won by Allan Park 11 to 2. Osprey was declared the winner of the day in the softball matches.

About 1000 people, mainly young folks, heard an excellent program and debate in the rink at night. President Harold McKechnie of the Debating League, presided. The final debate was between Old Durham Road (aff. taken by Farquhar Oliver and Elford Waters) and No. 7, Normanby (negative taken by Wm Ford and Melville Anderson). The subject was "Resolved that Consolidated Schools will serve Ontario better than the present system." The judges, Prof. McLaren and Rev. W. H. Smith, gave the negative the decision by 77 points to 72. Time and space compel us to withhold full report till next week.

## Juveniles Won in Walkerton.

It was a tight squeeze, but Durham Juveniles won by 6 to 5 right on Walkerton grounds last week, on a team strongly reinforced by Hanover lacrosse boys. Scraps were numerous and Referee R. L. Saunders had his hands full. If Durham plays as well in the third game here, they should win handily and cinch the district.

## Successful Entrance Students Large Barn Raising

All records in early Entrance results were broken when Principal Graham handed them on Monday, July 6th. Forty-seven passed in Durham Centre and only nine failed. Of 27 writing from Durham school 24 were successful, 2 taking honors, and two who failed. Mr. Graham did not desire to write. All he recommended passed, and we congratulate him and the pupils.

Several rural teachers are also to be congratulated on the remarkable success of their classes. Miss Pearl Wilson, Vickers, passed all 4 writing, 2 with honors; Miss Islay McCuaie had all 5 successful, 2 taking honors. Miss Mae Davis (12, Egremont) passed all 5 trying, 1 with honors. Of Hampden school, Miss Esther Petty passed all three writing in Durham, after her first year of teaching, but she has not heard how 2 more writing in Hanover, fared. All 3 passed from Dornoch Sep. School.

"H" indicates Honours, 75 per cent or over. The student who won Durham medal winner is not yet certain.

## Large Barn Raising Event at Arch. Beaton's

All South and Centre Glenelg was strongly represented, with a sprinkling of workers and visitors as well from Bentinck, Artemesia, Egremont and Durham, at the raising of Mr. Arch. Beaton's big frame barn, 3rd con., N. D. R., Glenelg, on Monday.

Some time ago Mr. Beaton sold his home place of 50 acres, and secured the property of the late Duncan McArthur, giving him 200 together. He is renovating the brick house ready for occupancy in three weeks and the barn raising was on this latter place, half a mile east of his present home. He tore down the old barn just across the road from his home, and is utilizing the timbers and other material, with considerable new timber, in the erection of the new barn.

The main barn is 40 ft. by 70 ft. with an L 40 ft x 50 ft at south east end, a total length on east side of 90 feet. The posts are 16 feet in height, with an 8 ft. stone basement. The mow at east side is 25 ft. wide and the threshing floor 15 ft. A splendid level entrance will be available at north side. Harry Gray was the framer in charge, assisted by Jim McGillivray, Duncan McNab and Jack McMillan. Messrs Logie and Schaus of Hanover, with Mr. Wepler and son Eldon, were the masons.

The raising commenced Saturday when 40 or 50 men were present, laid the floor and did other preliminary work. Monday was the big day when 100 men or possibly more were busily engaged. No captains were appointed but the work went ahead rapidly and smoothly under the direction of Harry Gray, framer, until about 4 o'clock, the purloins were all set and rafters in place.

A halt was called for supper, when two long well laden tables were surrounded, first by the men and later by as many or more ladies, and still there was abundance. The men returned to the barn and finished their work inside of an hour, just before a shower came. Many remained for the dance which took place in the vacant new home in the evening. It broke up shortly before twelve, when lunch was served and the threatening storm drove all home-wards.

Mr. Beaton also has the material ready for the erection of a driving shed 30 ft. by 50 ft. and will probably let it get under way after harvest.

Among the interested spectators was Miss Agnes C. Macphail, M.P., who enjoyed the day meeting old friends, and speaking or other duties resting upon her.

## Car Went Down Mountain.

Robt. Ewen Has Narrow Escape in Euphrasia Township

After his experience Tuesday of last week, Mr. Robt. Ewen is fortunate to be alive. Bob was up in Euphrasia on lightning rod business and returning home, about four miles east of Rockyln, not knowing the roads, he made a wrong turn. He struck a poor road and hit a log, which careened his Chev. off over the bank, it headed straight for the Beaver Valley, 200 yards below. For being still on the map to-day, Bob has to thank a tree six inches in diameter, which the car struck just after starting its downward flight, throwing him out and tearing the tree out by the roots. Farmers some distance away heard the runaway car shooting down the hillside, and Bob was picked up an hour or two later. His main injury is to his left arm, which he has been carrying since in a sling, but has no bones broken. He also hurt his back but it is no longer bothering him and he expects to be right again in another week. The car was hauled out by a team, with radiator, windshield, fenders smashed and other minor damage, but engine unharmed. His garage repair bill was about \$88, but he is assured Euphrasia Township council will meet it, owing to their neglect in having no signs posted at this dangerous roadway.
