Women's Institute Meeting

The regular monthly meeting of the Women's Institute was held at the home of Mrs. P. S. Ben-tinck, Thursday, July 2nd, with over 40 present. After singing the opening ode, and repeating the Lord's Prayer, the minutes were read and adopted and a number of communications were presented before the meeting for consideration. The first, an invitation from the Holstein Br. to attend their picnic on July 13th, was accepted, and arrangements requested for providing the numbers requested for the program. The second was a request from Prov. Headquarters that the Branch join in the Canadian National Exhibition — each branch to have the privilege of sending one dress made by a member and exhibited on a living model, the model to get a free trip to the Exhibition. It was decided to hold a local competition at the August meeting and the dress receiving the highest award to be sent to the Exhibition. The third was a letter from the Sport Aides of the 'First Aiders' asking assistance in providing materials for carrying on their sports and a donation of a dress given.

ACROSS CANADA AND BACK.

The wonder trip of the coming summer will be conducted by Dean Laird of MacDonald College, to Victoria, B. C., and back.

Inspired by the success of the trip to Victoria last year on the occasion of the Teachers' Federation meeting at that point, and filled with patriotic motives for everyone to see their own country, the Dean has arranged for a special train of standard sleeping cars to leave Toronto on July 20, visiting Port Arthur, Fort William, Winnipeg, Regina, Moose Jaw, Calgary, Banff, Lake Louise, Vancouver, thence steamer to Victoria.

Returning, the trip will be via the Okanagan Valley, Nelson, the Kootenay Lakes, Windermere, Bangulow Camps, from which place the party will be motored to Banff, 104 miles over the newly completed Banff-Windermere Highway, the most charming and awe-inspiring trip it is possible to conceive, with stops at Radium Hot Springs, Vermilion River, and Storm Mountain Bangulow Camps — another day at Banff, then Edmonton, Saskatoon, Devil's Gap Bangulow Camp, near Kenora on the Lake of the Woods, steamer from Fort William to Port McNicoll, thence rail to Toronto, where the trip will terminate on August 10th.

Everything is included at the price of \$25.00 from Toronto; transportation, sleeping cars, accommodation in hotels and bangulow camps, meals in diners, hotels, and on steamers, sight seeing tours at points visited, and all gratuities.

While appealing primarily to teachers, the tour is open to everyone desiring to go. All will be welcome. Fares from other points than Toronto will be named and descriptive illustrated booklet sent on application to Iwan Laird, MacDonald College P. O., Quebec.

THE ROLL CALL

MRS. ALLAN MCKINNON
This lady, mentioned last week as being taken to Hospital as a result of stroke of paralysis, died Thursday forenoon last, without regaining consciousness. Wednesday about 4 p. m. she was in her garden picking strawberries in her usual health, when suddenly she was stricken. Five minutes before, her nearest neighbor, Miss Edith Chadwick, was talking to her, and shortly after thought she heard a moaning sound and looking over the fence saw her prostrate on the ground. In short order kindly neighbors soon got round, Dr. Jamieson was sent for, and the decision came to remove her to the hospital in the bus, which also was telephoned for, but death was in the cup and she died as above.

To add to the poignancy of the occasion, her son-in-law and daughter, Mr and Mrs Burgess took advantage of the hour to visit Stayer, who was a painful surprise for them when they reached home. A phone message was sent to Stayer, but they had left half an hour previously to the house.

Mrs McKinnon, nee Elizabeth McComb, was born in Belfast, Ireland, in 1848, and in her second year came to New York with her parents. Later they moved to Canada to Essex, Ontario, where she lived for most of deceased's school days were spent. In the early 60's of last century, they came to Glenelg, close to Rob Roy corner, and here it was she met her husband, the late Allan McKinnon, who died in November 1911. They were married about 60 years ago and lived for a time on the Durham Road, where their daughter, Mrs. Burgess was born, later to 4th con., S. D. R. Glenelg, where they lived two years, Dan and Archie were born, and still later to 21st con., Egremont, from where they moved to the Little farm, just east of town, now occupied by Mr Thos. Greenwood. After the death of her husband, she moved to town, bought her own little home, but was always under the loving care of her daughter just adjoining.

Besides her family already named, two brothers will mourn, Thos. and Samuel, McKinnon, both of whom are uncles, Wm. McComb of Rainy River and Samuel of Palmerston, with other relatives at Williamsford and elsewhere.

Deceased was a member of the Presbyterian church, a kindly, respectable friend and neighbor, devoted to her family and loved in return. Her funeral was largely attended by Durham citizens and by old neighbors from Glenelg and Egremont.

Rev. W. J. Burnett, of Egremont, conducted the funeral services, making comforting use of the verses 1, 3, 13, 14th chap. of John's gospel, stressing especially "Let not your heart be troubled." In my Father's house are many mansions, from which Relatives from a distance were: Mrs Thos. McComb, Williamsford, with her son-in-law and daughter, Mr and Mrs Geo. Stoddart, Holland Centre; Mr and Mrs Samuel McComb, Palmerston and sons, Albert, from Chicago; Mrs Neil McKinnon, son and daughter, Bobs and Ella and Mrs. Walker, from Toronto; Mr. and Mrs. Wm. Loughran, Moorfield; Mrs L. Miller, Brantford, and several relatives from Priceville and vicinity.

Interment took place Monday to Trinity Church cemetery, where her husband and kindred lie. The eight pall bearers were deceased's two sons, Archie and Dan, Willie and Wilkie, Sask., respectively; Samuel and Thos. McComb, John Burgess, Hugh McKinnon, Wm Smith, W. S. Hunter.

Sympathy is extended to all the mourners so suddenly bereaved.

MARGARET JULIA HOWELL

"Not as a child shall we again behold her
For when with accents wild
In our embraces we again unfold her
She will not be a child
But a fair maiden in our Father's mansion,
Clothed with celestial gear;
And beautiful with all the soul's expansion
Shall we behold her face."

These lines come to mind as we sit down to record the death of Margaret Julia, the little 5-month-old daughter of Mr. and Mrs. Clifford Howell, early Saturday morning last. Not for a long time has anything quite so sad struck the community, and heartfelt sympathy is being extended to the parents so suddenly bereaved. With the child in normal health the day before, the parents attended Rocky Saugreen U. F. O. picnic, and in the course of the afternoon the parents saw indications of illness, and they decided to take medical advice at once. On the way to town the child took convulsions and the doctor thought an operation necessary. It was found that the bowels were "telescoped", a dangerous condition, and in this case was fatal for she passed away in the operation.

Interment took place Sunday, Rev. Mr. Burnett conducting appropriate and touching services, only a week previous baptizing the little tot at the Presbyterian Town Hall services. A large number of friends were out and paid sympathizing tributes, and small tots acted in the capacity of pall bearers, viz: Helen Gagnon, Mary Moffat, Bobbie Gray and Don. Croit. The flowers were beautiful and especially appreciated from Mr and Mrs J. A. Rowland, Mr and Mrs Horace Elvidge, Mrs P. McDonald and daughter Annie, Acton; Mr. S. D. Croit and Miss Elizabeth McDonald, and Mrs Rich. Boyce, Mr. and Mrs. Edgar Boyce, Mrs. Arthur Ritchie, Master Alex. McDonnell.

Friends from a distance attending the funeral were Mr and Mrs Fred Rutherford, Owen Sodd; Mr and Mrs Geo. Twamley and daughter, B. Columbia; Mrs Turner (nee Aggie Boyce) Winnipeg.

CARD OF THANKS

We desire to express our deep appreciation of the warm, kindly sympathy that has been extended to us in such large measure in our recent bereavement.
Mr. and Mrs. Clifford Howell

Bunessan U. F. O. Picnic

The U. F. O. Picnic held in Angus McArthur's bush on July 1st, was a splendid success. The weather was a little cold and threatened rain all day, but held up till late evening, but possibly shortened the use of the fine dancing platform specially prepared for the youth with beauty and chase the glowing hours on with flying feet.

A splendid crowd was there; and enjoyed themselves to the full. Old men of 87 to the little tot whose age is measured in months, all enjoyed themselves to the full in the shade of Canada's National Emblem, the sturdy and sweet yielding maple tree.

In the afternoon a game of basketball was played, the teams being from Zion and S. S. No. 9, the first winning by a good score, although some of No. 9's team did not get there in time to take their place.

A football game was played between Priceville and Swinton Park teams and gave the onlookers a very interesting time.

Some of the young ladies from Swinton Park and Allan Park donned their uniform and played a softball game. This was perhaps the most popular item in the program, especially to the young men who were so much interested that the girls declared they came too close and interfered with the game.

There were quite a number of speakers called to the platform by Chairman Thos. Nichol, who handled the program in a happy manner. Hon. D. Carmichael, M. P. P., was the principal speaker. His riding of South East Grey has been cancelled for the next parliament of Ontario. He also condemned the action of Premier Ferguson on the U. F. O. question and the 44 business. Miss McPhail, with 'Bob' Gardner, M. P., for Bow River, Alta., arrived late and did not speak, as she had already spoken at Yeovil and Varney U. F. O. picnics that day. The others that were called to the platform were Rev. W. H. Smith, J. A. Graham, G. Binne, A. McCuaig, A. Aljoe, Jno. McKechnie, Peter McKechnie (brother of Jno.'s) from Dakota, and who with his family motored here all the way, carrying a camp outfit, sleeping wherever the night overtook them, gave a brief account of his trip and also sang a comic song that much amused the audience. W. W. Ramage sang an old-time song in his old-time voice and vigor. No evidence of decadence there. Music was liberally provided by Markdale Pipe and Drum band and Priceville orchestra.

The net proceeds amounted to about \$40.

ROCKY SAUGREEN

The U. F. O. picnic was a decided success, both as to attendance and entertainment, although the early part of the afternoon was threatening and at times showery.
