May be a Candidate

G. F. McFarland, of North Toronto and formerly commanding Officer of the Grey 147th Battalion, will seek nomination as Conservative candidate in North East Toronto, as standard bearer in the coming Dominion election.

Last Saturday, Mrs. Wm. Hunter, Sr., of the 20th con., Egremont, broke a small bone in her foot which will lay her up for some time. Dr. Sneath bound the foot in splints, which at present is very painful. Her daughter, Mrs. Jas. Mathew of town, is waiting on her.

D. I. Grant, K. C., of Toronto, has been appointed to the Ontario High Court Bench. He is one of four lawyer sons of Rev. Dr. D. N. Grant, for many years in charge of the Presbyterian church at Orillia. The late Robert Grant, son-in-law of Mrs. J. H. Hunter of "The Hodges," was one of the four lawyer brothers of the new appointee.

Admission, adults 40c, children 25c.

In connection with the Red Cross Community Garden Party, held on Aug. 21st, the Committee regret that they overlooked thanking the local orchestra, which supplied such fine music for the round dancing that evening. These were Mr. Phipps, of the Durham Stone and Sand Co., and Mr. and Mrs. Earl McDonald. The Com. wish to thank all who assisted in any way.

Robbing Room Wanted

The Judge at the recent sittings of Division Court asked the town—through Reeve Calder—to provide before Nov. 10th, a suitable witness box to be placed at south of platform to the left of the Judge. Also in keeping with the dignity of the Court, it is desirable to have a screened off enclosure of some kind for the Judge to don his gown. This also is requested before Nov. 10th.

Unique Gift to Wasaga Church

A unique gift was made to the community church at Wasaga Beach by Dr. Conboy of Toronto, when he presented a pair of collection plates to the church, made from wood taken from the sternpost of the recently discovered hull of the gunboat Nancy. This is one way in which the memory of that gallant fight of a handful of British soldiers, will live in the minds of the people through these plates. It was a thoughtful gift of Dr. Conboy.

Near Drowning of Hanover Girls

Two young ladies, Misses J. Maxwell and Verna Peppier, both of Hanover, were saved from drowning while in bathing in the Sauguen river, near Allan Park, by Olaf S. Wendorf of Hanover. Other members of the party had gone fishing and bathing in another stream nearby. Mr. Wendorf was some distance away when he heard screams and, rushing back to where the girls were bathing, he found them struggling in mid-stream, locked in each other's arms. He swam out and after much effort was successful in bringing both girls to safety. The party, a picnic and corn roast, was conducted by a group of young people employed by the Hanover Converters, Limited.

Two Hanover Rinks Won Scotch Doubles Tournament

Last Thursday the bowlers in Durham were at home to many visiting rinks in a Scotch Doubles tournament, and 24 rinks participated, coming as far as Arthur. The day was an ideal one and the sport was carried on till 11 a. m. Friday. That there are some good bowlers in Durham is evident from the fact that two local teams kept the prizes right with them. Prizes were given for three events: Trophy, Association and Consolation. It was 'Hunter day' on the green on Thursday for Jack Hunter came 2nd in the main event with Mr. Logan of the Good Roads as partner, while W. S. Hunter and P. Gagnon were runners up in second event. The Consolation fell to Hawkins and Small of Arthur, who won in finals from Dr. Pickering and B. Lambertus.

NOTES

Three rinks of local bowlers participated in a Scotch Doubles tournament at Mount Forest Labor Day.

Another rink, comprising T. Henderson, Rev. J. H. Whealan, J. S. Irlath and R. Aljoe journeyed to Walkerton the same day, and were runners-up there.

A junior rink, skipped by Dr. Bell, with C. C. Middlebro as partner, went fine in the tournament and almost reached the semi-finals.

Dr. Smith with R. Aljoe as partner skipped for the first time in a tournament. They made some of the opposing rinks travel before they were disposed of.

Mr. T. Henderson catered very satisfactorily to the bowlers. Tom is as good a bowler as he is a caterer, with Frank Gardiner as partner.

This is the first Scotch Doubles tournament arranged by the Durham Club, but it will not be the last.

The prizes in the main event were auto rugs and club bags for first and second; in the second event the prizes were the same, only reversed; and for the Consolation, two boxes cigars.

Death of Neil McQuarrie

The death of Mr. Neil McQuarrie took place on Tuesday, Sept. 8th, at the home of his brother Duncan, 2nd con., Bentinck. Deceased has been a sufferer for many years from pernicious anaemia and several months have been spent at various times in Port Arthur and Chicago hospitals in the hope of betterment. Last June he came home to his brother Duncan's and since that time has gradually grown weaker.

Mr. McQuarrie was one of a large family of Mr. and Mrs. Donald McQuarrie, who 20 years ago or more, went on before. Deceased was born on a farm where he died, which is now 50 years ago. He was unmarried.

The remaining brothers and sisters are: Mrs. N. Livingstone (Janet) Glenelg; Hugh, Standish, Mich.; Mrs. Poucher, (Katie) Edmonton; Mrs. Jas. Ledingham, (Mary) of Durham; Mrs. Ferguson (Sarah), Chicago; Mrs. —, (Annie) Milwaukee; Angus, Wisconsin; Mrs. L. McLean, (Eliza) of the Rocky; Duncan on the home farm.

The funeral takes place to-day, Thursday, Rev. J. E. Peters conducting services at house and grave.

Killed While Walking Down Track

John Hooper of Inglewood has Sudden Call

Messrs Abraham and Henry Hooper, Glenelg, were shocked Tuesday to learn of the sudden accidental death, that morning of their brother John, who met death by being struck down by the train, while walking on the track near his home. He lived at Inglewood, Ont., north of Georgetown.

The deceased had not been feeling well of late and was somewhat hard of hearing. He was about seventy five years of age and the son of the late Mr. and Mrs. Isaac Hooper, born in Vaughan Township, York Co., he removed to Glenelg with his parents when but an infant. Here he grew to manhood's estate and later lived for some time in Durham. Many years ago he removed to Inglewood, where he was wedded to Miss Jane Little of that place, who with three sons, survives him. Only two brothers, Abraham and Henry in South Glenelg, survive, and Mr. Angus Hooper, Glenelg, is a nephew of deceased.

After the funeral services at Inglewood, the remains will be brought to Ebenezer cemetery, Glenelg, this (Thursday) afternoon, for interment. Rev. A. Sutherland will conduct service at the grave.

Council Did Little Business

Only five members of the Town Council—a bare quorum, were present at Tuesday night's session and no important business was transacted. Those present were Mayor Murdoch, Reeve Calder, Councillors Bell, Macdonald and Noble. Without a full council board, the amendment of the hawkers' and pedlars' by-law was left over until next meeting.

Accounts totalling \$369 were passed, also a resolution authorizing the Treasurer to enforce the by-law regarding Town Hall rentals. Two months ago a motion was passed reducing the rental of Town Hall from \$4 to \$2 a Sunday for the Continuing Presbyterian Church services. This, it was pointed out by Councillors Macdonald and Bell, who moved the resolution Tuesday, was contrary to by-law, and to change the rate, the by-law would require a motion for rescinding. The by-law for a rate of \$2 per service on Sunday, half the price of week-day gatherings. This rate, the supporter of the motion claimed, was very reasonable, especially in view of the fact that the caretaker was given an increase of salary with these added services.

A petition requesting a street light between Kincardine St. and C.P.R. overhead bridge on Lambton St. was presented but action was postponed.

A Feast for Flower Lovers

Friday night last the back display room in the Middaugh House took on an unusual atmosphere of beauty when the local Horticultural Society held a timely show of flowers, cut and growing, plants, etc., proving that the good ladies of Durham have cultivated tastes in this line.

The chief exhibitors were Mrs. T. E. Brown, Mrs. Jno. Smith, Misses Margaret and Effie Hunter, Mrs. Pickering, Mrs. T. Young, Mrs. Gilbert McKechnie, Mrs. McIlraith, Geo. Shier.

The Gladioli of Mrs. Pickering, G. Shier and Miss Hunter were especially good. Mrs. McKechnie's and Miss M. Hunter's dahlias very fine. Mrs. T. Young had an especially fine sample of hollyhock, while other kinds of garden flowers showed up finely, which were contributed by various members.

Owing to the small debt the Society has incurred to cultivate Federal Square, the exhibition was arranged, and over \$20 was made and donated that evening, which was considered good for the wet night and change of location for exhibition.

Antirrhinum (Snap dragon) — Miss Effie Hunter, Mrs. S. Patterson. Asters — Mrs. T. Young, Mrs. Morlock, Miss M. Hunter, Mrs. J. H. Hunter.

HYMENEAL

PICKEN — STEWART

The marriage took place at three o'clock Wednesday, Sept. 9th, at Queen St. Parsonage, Durham, of Miss Elizabeth Ellis Stewart, daughter of Mr. and Mrs. Andrew Stewart, of Normanby, and Mr. James Allan Picken, son of Mr. and Mrs. Andrew Picken, also of Normanby. Rev. J. E. Peters of Queen St. United Church, performed the ceremony, the happy couple being unattended. The bride was prettily attired in a gown of sandalwood and carried a shower bouquet. The young couple are members of Knox Church, Normanby, at present without a pastor, and will take up residence on the groom's farm, adjoining his father's. The Review wishes them much joy and happiness in the years to come.

CAMPBELL — McVEAN

A quiet wedding was solemnized at Queen St. Parsonage, Durham, at 6.30 a. m., Tuesday, when Miss Eliza Mae McVean, of Normanby Township, was united in hymen's bonds to Mr. Alex. Campbell, son of Mr. and Mrs. Alex. Campbell, Durham. Rev. J. E. Peters tied the nuptial knot. They left on the 7.05 C.N.R. for a few days honeymoon in Toronto and on their return will reside here. The Review extends good wishes to the young couple.

FINCH — COLLINSON

A pretty late summer wedding was solemnized at the home of Mr. and Mrs. L. C. C. Princess Ave., London, recently, when their niece, Miss Wilhelmina Collinson, eldest daughter of Mr. and Mrs. W. Collinson, of Durham, became the bride of Rof-ton Cameron Finch, also of London.

The ceremony was performed by Rev. John Garbutt. The bride entered the room to the strains of the wedding music played by John Elms of Hamilton. She was beautifully gowned in powder blue satin and carried a shower bouquet of sunset roses and valley lilies. She was attended by her sister, Miss Adeline Collinson, who was gowned in old rose satin and carried a bouquet of Ophelia roses. Thomas, brother of the bridegroom, acted as best man.

The bride's aunt, Mrs. C. C. C. carried a nosegay of summer flowers. She was assisted by Mrs. Elms of Hamilton, who wore gray crepe with crystal trimmings. Immediately after the ceremony, refreshments were served. Guests were in attendance from Durham, Hamilton and Forest.

Graham Timmins' Barn a Prey to Flames

A bad fire sufferer is Mr. Graham Timmins, of lot 1, con. 9, Glenelg, (Glenroaden) who on Thursday night last, September 3rd, saw his fine bank barn go up in flames. No direct cause can be attributed as to the origin of the fire and the only conclusion left is that of spontaneous combustion, though everything has been in a dry state for some time previous.

Up to 9.30 p. m. there was not a suggestion of fire around the place and it was around 10 p. m. when first noticed. Fortunately nearly all the stock was out and only a horse suffered in the flames. However the season's crop has gone up with the barn and this alone is serious. The building was a large one, 40 x 60 ft., with 22 ft. posts and all saved timber. The insurance premium will not begin to repay Mr. Timmins his loss, as there was only \$1200 on barn, and \$2600 on barn, house and contents. Mr. Timmins has not been in the best of health of late, and is assisted in farming operations by his nephew, Mr. Herb. Timmins.

Durham Fall Fair

Two weeks from to-day all hands and the cook are expected in Durham to take part in or witness the exhibits in the Hall or on the grounds and the athletics of horse and man in the area in front of the Grand Stand.

Toronto Show is about over, but Durham Show can excel it in some things, notably on the social side, when not one or two but many friends can meet and compare notes and discuss the events of past months and the prospects for the future.

Get ready everyone with something worthy to show. "Too much trouble" says the grouch, but little is gained without trouble and it is praiseworthy to help along a worthy effort. We have not said a word about prizes, but there are prizes, and the glory of winning counts far more with most people than the mere monetary value.

Get a prize list from Sec'y Binnie or from some of the stores. Scan the many departments, you will be sure to find one in which you could worthily appear. Bring the children out and everyone come with the spirit of giving a good time and they will be sure to have a good time.

Division Court Echoes

A few cases on Tuesday last aroused some interest. Judge Sutherland presided.

The trustees of the Police Village of Holstein sued Egremont Township for \$50.00, value spent by them on Athletic ground by alleged authority of Council. Mr. Geo. Calder largely conducted the case for the Trustees. Mr. Middlebro, O. Sound, for the township, Mr. Dick Lucas (son of I. B.) for the Trustees. Mr. Calder thought they were justified in what they had done, as they had had consulted the ratepayers. The Judge said they had responsibility and must not take advice from a few ratepayers. It was made apparent that a Police Village has little or no power apart from the Council. The claim was dismissed with costs, payable in 14 days.

W. Brown v. J. Porter was a claim for \$15 for wire stretchers that had been borrowed by Defendant and not returned as they had been lost. Deft had deposited \$2 in Court as their value, but the Judge gave decision for the Plaintiff for \$15 and costs, payable in 14 days. Middlebro for Plaintiff, Lucas for Defendant.

Laidlaw v. Town of Durham: In this case dispute had been entered by the Reeve but withdrawn at Court. Judgment for Plaintiff for \$4.00 and costs.

Campbell, et al v. Voker Bodies, Limited: This was a claim for wages for eight employees, made originally to Police Magistrates' Court and Judgment being given there was transferred to the Division Court from which executions issued, and Bailiff had made seizure and sold goods, and chattels after service had been made on Deft in a legal though unusual way. The Judge ruled that a mistake had been made as between the courts, that Judgment and Execution, must issue from the same court, and the matter is left in the meantime in a somewhat obscure way.

Mr. Montgomery and Mrs. Richard McQueen of Collingwood, were visitors Tuesday at Mr. J. McQueen's en route to Detroit. Mrs. Phillips, Priceville, was also an overnight guest at same home.

September Meeting of Institute at Varney

The September meeting of the Women's Institute was held at the home of Mr. J. W. Blyth, Varney, on Thursday afternoon, Sept. 3rd, with a good attendance present.

Only one dress was entered in the House Dress Competition postponed from the August meeting. The judges however considered it quite worthy to go to Toronto Exhibition, so Miss Eliza Patterson, maker of the dress, was appointed to represent this branch in a similar competition at the Canadian National Exhibition.

Other items of business were the purchase of a coal oil stove for the use of the Branch and the holding of a booth at the Fall Fair for the sale of Basketry made by the blind. Both these matters were left in charge of committees appointed to look after same.

The Misses Fursman favored the audience with an instrumental duet. Mrs. McIlraith and Miss Scott reported the County Convention at Kilsyth and Mrs. Geddes and Miss Patterson sang a duet.

U. F. O. Political Convention Called

The South East Grey United Farmers' Political Association will hold a nominating Convention in the Town Hall, Durham, on Monday, September 14th, at the hour of 2 p. m., for the purpose of receiving nominations for a candidate or candidates to select therefrom a standard bearer to contest this constituency at the coming Federal election. JOSEPH GOODFELLOW, Dundalk, President.

A button hole contest was announced for next meeting and Messrs. Webber, Burgess and Patterson, judges for the House Dress Competition, were re-appointed to judge the buttonholes.

The meeting was closed by the singing of the National Anthem, after which Mrs. Blyth and daughters served a dainty lunch.
