100 Year Old Coin

While working in his garden the other day, Mr. Geo. Shier turned up a British six pence, coined in 1825. It is in fairly good preservation, though having lain there possibly since early Durham days, 70 or 80 years ago.

Holstein Pastor to Preach Here

Rev. Wallace Johnson, pastor of Holstein Pres. Church, will preach at the Presbyterian services in the Town Hall Sunday morning and evening and at Rocky Saugeen in the afternoon.

Canadian Nurses Valued

Our Canadian nurses must be valued over in Uncle Sam's domain, as recently on invitation from New York came over to a few of the nurses from London Victoria Hospital, asking them to come over and nurse in a hospital in that city, giving them free transportation. They left for New York the latter end of last week. Miss Janet Kerr of London, formerly of Varney, was one of the nurses.

1926 License Plates Grey and Black

Hon. Geo. S. Henry, Minister of Highways, recently awarded the contract for the supply of 1926 automobile markers to the Macdonald Manufacturing Co. of Toronto, the price being \$ 2.4 cents per pair. Five tenders were received. Last year's price was 10c per pair. The color of the markers for next year is to be pearl grey and black. Some 300,000 plates are being ordered at a total cost of about \$33,000.

A Midnight Intruder

Mr. Wm. Scarf had the experience of looking into the face of a burglar in his home in Toronto recently. While lying in his bed the bright rays of a flashlight in front of his eyes, woke him up, and to his great surprise, was a man facing him, holding this article. What Mr. Scarf said to him is not recorded, but it was sufficient to make the midnight visitor do the quick march. He had with a jimmy, pried open the kitchen window, and was evidently testing the soundness of the sleepers ere he commenced operations. Nothing has been heard of this visitor since.

Arson in Someone's Mind

The community of Oxenden, near Warton, is quite stirred up over an occurrence which was discovered at a recent threshing in that neighborhood. Just as a sheaf of grain was about to be fed into the machine, a bunch of matches was discovered tied with a string inside the grain. Had it gone into the cylinders no doubt a fire would have started, the cause of which would never have been known. Considerable indignation is expressed over the affair and suspicions are aroused. There was no insurance on the barn, nor contents, nor on the threshing outfit. The bunch of matches have been kept and as they are of a new variety sold in a local store, together with some other possible means of identification, the originators of the thing may yet be located.

NO GRIT CANDIDATE IN GREY

The Liberal Convention for North Grey in Owen Sound on Tuesday, decided not to put a candidate in the field, in this respect following the example of South East Grey.

Thus for the first time we think in any election we recall, there is no grit candidate in all of Grey. The candidates in the North Riding are Matt. Duncan (former Conservative member) and Col. Carmichael, well known Progressives in the North Riding. Miss McPhail, Progressive, L. G. Campbell, Conservative.

Liberal and Progressive platforms have so much in common that likely the Liberal vote, if cast at all, will go to the Progressive candidates.

Hon. E. C. Irving has accepted a nomination to North Simcoe, his own riding and is almost sure to win.

No. 9, Glenelg Won Parade at Glenelg School Fair

"One of the best School Fairs we have held this fall," was the opinion of T. Stewart Cooper, Agricultural Representative, regarding the Glenelg Fair held Monday at Edge Hill School. There were nine of the Township Schools (including the Union) represented in the exhibits, and eight of them entered the parade competition.

The schools competing were No. 1, U. No. 2, E. & G., No. 3, U. No. 3, B. & G., Sep. No. 3, Sep. No. 5, No. 5, No. 9, U. No. 10 G. & E. All but Sep. No. 3 paraded and the judges of this, the most important feature of the afternoon, Messrs J. C. Mercer and 'Scotty' Stewart, awarded first place to No. 9, Glenelg. Miss Marjorie Park is the teacher and trainer and her 30 pupils on parade excelled in marching and won by quite a margin. Sep. No. 5 with 17 pupils (Miss McGarry, teacher) took second prize and Edge Hill School (No. 3, Miss A. McKechnie, teacher) with 32 pupils, won third, only a point behind the second. No. 10 (Miss L. McCuaig, teacher) was close behind in fourth place. The various drills, exercises, marches and songs by the uniformly attired pupils of each school, were in most instances very well performed.

For Miss McPhail's prize for best address on "The Federal Gov't of Canada," three excellent speeches were given. Dorothy Robinson of No. 9, won out, with Mae McEachern of No. 9, as second. Miss McPhail was present and explained her grand prize. The township winners will (Continued on page 5.)

The Late William Firth

Just five weeks after the death of his father, Wm. Firth, of Zion, the son, also Wm. Firth, passed away at his home in Upper Town, Durham, on Sunday last, at the age of 48 years.

For eleven weeks he had been confined to bed with what was proved to be a brain tumor, and latterly paralysis of the throat added to the trouble.

He was born on the 6th con. of Glenelg, in 1877 and grew up as a farmer boy under prevailing conditions of the time. Twenty three years ago he moved to Durham and for a time kept a butcher shop. Later he found employment with his team in various quarters and was always obliging. He also owned a small farm south of the town for a number of years, where he has been engaged.

Over 20 years ago he married Miss Mary J. McKechnie, (sister of Dugald in text) and to them were born a daughter, who did not long enjoy a mother's care. Later he married Miss Maud Whitmore, daughter of Mrs. Jas. Whitmore, who with two sons and one little daughter survive. Besides these as chief mourners there will also mourn, two brothers, Hugh of town and Joe of Guelph, and two sisters, Mrs. Dodds, Berkeley and Mrs. H. Traynor of town.

Mr Firth was an adherent of the Anglican Church, and was also a member of the I. O. F. Society and Vice Grand in the I. O. O. F., in line for the position of Noble Grand, which he was not fated to attain.

His death at a comparatively early age, is one of the mysteries of Providence and a useful citizenship has closed.

The funeral took place on Tuesday last under I. O. O. F. auspices, service being held in Trinity church which was crowded to the doors. His pastor Rev. J. H. Whealan had charge of the service. Rev. W. H. Smith taking the scripture reading. The pall bearers were six brother Oddfellows, John McFayden, Robt. Whitmore, B. Stonehouse, Wm. McGirr, Wm. C. Vollett, Ed. McClocklin. Interment took place in Durham cemetery.

Relatives and friends present from a distance were: Mr and Mrs F. McGrath, Toronto; Jos. and Mrs Firth, Guelph; John and Mrs Firth, Jos. Firth and daughter, (cousins) all of Riverview; Dr. and Mrs Staples, Hanover; Miss. Laura Whitmore, Toronto; Mrs. Mays, Guelph; Mrs. Dodds, Berkeley; Mr. and Mrs. Chas. McDonald, Dromore; Mr and Mrs. Gillies and daughter Laura, South Egremont.

Beautiful floral offerings adorned and surrounded the casket. The family contributed a beautiful wreath and other donors were: wreath, Oddfellow brethren; spray, Mr and Mrs Ben Mays; spray, Mr and Mrs Joe Firth; spray, Mr and Mrs R. Burnett; spray, Trinity Ch. Guild; spray, Mrs Will Jack; wreath, Mrs. Jas. Whitmore and family; spray, Mrs. Alex. McCormick; spray, Robt. and Al. Saunders; spray, Elsie and Isabel Mays; Spray, Miss Susah Timmins; spray, Mr and Mrs Will Firth. Holstein Scores another success

CARD OF THANKS

For many expressions of sympathy and helpful deeds of kindness extended to us during the illness and at the death of husband and father, Wm. Firth, we beg to return sincere thanks. We also deeply appreciate the kindness of Oddfellow brethren and the donors of the beautiful floral gifts.

Blessed With Fine Weather S. Grey Show Great Success

Many New Features before Grand Stand made the day a Memorable One.

After a series of years when the success of the Fair was marred by snow or rain, a good day came at last, and last Friday was all that could be desired as to weather conditions. The first day was gloomy and uncertain and may have deterred some exhibitors from coming out.

However there was a good exhibit, though field roots are not yet up to previous high marks in quantity. The display of flowers was as ever a thing of beauty and the ladies' work, fancy and useful, exceeded the space usually allotted to it. The culinary exhibits were also abundant and appetizing to look upon, though in bread and butter classes the entries were fewer than usual but of excellent quality.

Our natural grandstand, the grassy hillside, has not for a long time been so filled with spectators and we think no crowd was ever better pleased with the scenes before them. Pres. Blyth was in his element and the way he kept alternating the various features added much to the interest of the afternoon.

Though prizes have been offered in the prize list for school drills for several years, only this year were they contested for and they proved the big feature of the afternoon. Some little advertising of the school drills had been done, they came as a delightful surprise. Seven rural schools entered—No. 2, Bent. & Glen. (Rocky); No. 11, Bentinck (Hutton Hill); No. 2, Bent. (Allan Park); No. 8, Bent. (Crawford); No. 3, Bent. (Ebenezer); No. 3, Glen. (Edge Hill); No. 9, Glenelg. Each school was uniformly costumed, the Indian costume of pupils and teacher from Crawford, being especially striking.

After all had given their drills, the schools led by the Band, paraded on the track in front of the hill. The judges, Messrs Weir and Cresswell, and Mr J. Stedman, had no sincere. They awarded first to Rocky Saugeen School, second to Hutton Hill, third to Ebenezer and fourth to Crawford. Then there were horse races, ball games, comical outfits and judging going on at the same time; no wonder one was remarked "Just like the Midway or the grand stand at Toronto: don't know where to look!"

In the Farmers' Trot, Jas. Picken R. Morrison and Arch. Thompson won 1st, 2nd and 3rd. There was also a green horse race, for steeds that had never been marked.

Markdale and Durham High School boys tried conclusions in baseball, but the visitors were too strong for the local lads, winning by 10 to 1 in nine innings. Seaman Havens and Bill Wilson pitched for Durham, Clarence Noble catching. Durham High School girls' softball team next faced the boys, but the girls couldn't hold them and the boys slugged out a victory. Besides these a generous amount of fine music throughout the afternoon, also accompanying for two of the school drills.

The booths and purveyors of ice cream cones did a good business and the crowd dispersed well pleased with the day's exhibits and sports. Gate proceeds were about \$375 and with a bumper house at the concert the Society this year are on easy street compared with past years. But watch for 1926.

Among business men exhibiting in the Hall were R. L. Saunders, J. H. Harding, H. Morlock & Sons. A display of baskets, the work of the blind had been secured by the Women's Institute, to be sold in the interests of this unfortunate class, and found admirers and some purchasers.

An exhibit by F. W. Moon of a gas fixture in a stove drew much attention. The gas is eliminated from coal oil, and has both heating and cooking advantages.

We refer our readers to the Prize List to see the winners. In the stock classes, there was the best showing of horses for years and there were also a lot of good sheep exhibited. The cattle exhibit was fair.

The laurels for light cake making go to Mrs W. J. McFadden, who has captured first prize for same the past six years. For new worlds to conquer she should try Toronto Exhibition.

There were not many people on the grounds but who were sporting a Red Cross Hospital tag. They felt 10c a trifling thing in comparison to the large work the hospital is doing. \$76 was received by the Society.

"One beauty about the small fairs" says a Main Street man, "is that you don't get lost at them trying to find somebody you know."

Rev. James Binnie Gives Fine Services

Sunday last was Rally Day in Knox United Church and seldom, if ever, has there been a more successful function. There have been larger numbers—for the unfortunate recession of older folks took with them a number of the young also—but the interest taken in the exercises and the fine address of Mr Binnie, has rarely been equalled.

The printed program bore on the cover a striking conventional picture of our Saviour and under it the words: "He shall have Dominion." The topic for the address was "Loyal to Jesus," the hymns and responsive reading carried out the idea of Kingship, and the prayer by Mr W. J. Young, the remarks of Supt. John Snell and the recitations by Jimmie Henderson and Marjory Noble were all in line.

Rev. Mr. Binnie (still "Jim" to a number of friends of his youth) has lately been appointed, by Conference to an important oversight of six Northern Presbyteries, and their choice seems to have been an admirable one. For one thing he has "seen the vision" that rises from the union that has lately taken place, and the sight has moulded his thoughts and given him eloquence in his presentation.

In addressing the children on "Loyal to Jesus," and "He shall have Dominion," he told the story of how Dominion was applied to Canada. Sir Leonard Tilley was the first to see an appropriate name in the verse, "He shall have Dominion from sea to sea and from the river unto the ends of the earth." He suggested "Dominion" and it was adopted as appropriate.

To be loyal to Jesus, he reminded his young auditors that four things were necessary: they must "know" Jesus personally, they must trust Him, as the savior trusts the Light-house that is built to warn him and he gave it a local touch by telling of Adam Brown, well known here, who is light house keeper at Parry Sound.

Another element of loyalty was to "love" Him, and he instanced the kindness and gentleness of Jesus to the lonely and the outcast. Lastly we must "obey" Him, and in doing this if we should see a vision of a new and deeper loyalty.

In telling them of how the gospel was reaching into the outskirts of civilization, he related an incident that had effected him deeply: he met a little girl singing, and as he came within earshot his heart warmed to find it was the hymn with the refrain "Nothing but the blood of Jesus," and he sang the verse with fine effect.

Morton-Dunn Nuptials

A pretty September wedding was solemnized Tuesday, 28th inst., at the home of Mr and Mrs Henry Dunn, Mulock, when their daughter, Ethel Blanche, became the bride of Alexander Thomas Morton, son of the late Thos. and Mrs. Morton of Aberdeen. The ceremony took place at 4 p. m., by Rev. J. H. Whealan, the bride entering the parlor on the arm of her father, and standing with the groom under a prettily decorated arch of maple leaves, flowers and autumnal vintage. Miss Sarah Vollett rendered suitable wedding music before and after the ceremony. The bride was attended by her sister Irene and brother, while a small sister made a cute little flower girl.

The bride was attractively gowned in white silk crepe de chene, with silver embroidery encircling the skirt and carried a large bouquet of yellow mums. The bridesmaid was equally attractive in tomato red crepe also carrying yellow mums.

The ceremony and good wishes over, the company numbering about 60, sat down to a very fine wedding supper. The tables were pretty with floral decorations and was centered by a handsome 3-story bridal cake.

The evening was given over to music and mirth, all present wishing the happy couple much joy in their new sphere of life. They will commence home-making on what is known as the McIntosh farm, across the road from the bride's father.

Many guests from a distance were present, among them being a carload of relatives from Toronto; Mr and Mrs John Harkness, Mrs. Jas. Harkness and son Mitford, all of Teeswater; Mr and Mrs Thos. Morton and daughter Norma, Regina, Sask.; Mr. and Mrs. C. Grasley, Wyandotte, Mich. as well as relatives from Durham.

Many beautiful gifts were received by the young couple as evidence of their worth. The Review joins the many in extending good wishes for a happy future to the newly weds.
