Egremont Fall Fair at Holstein was Best Yet Held

"The best ever" was a remark we heard yesterday applied to the annual Egremont Agricultural Society's Show in the progressive village of Holstein. The crowd was there, equalling if not exceeding last year. The weather was a trifle cool but dry above and below and enjoyable. The exhibitors numbered 117 and were told that the exhibits in nearly every class were abundant in quantity and excellent in quality. There was over 100 sheep in the sheds and there must have been many pure bred and grade cattle strung along the fence. Pigs and poultry were much in evidence. No fewer than 71 entries in single drivers. Some six lady drivers and other horse classes were well represented. The Hall exhibits were most notable and excellent. Here we felt like agreeing with the remark that "the show was such as to delight the heart of Pres. Neil Calder and Sec'y Andrew Hunter, as it did the gratified spectators." Space compels us to hold the prize list for next week.

NOTES

Candidate Campbell moved among the crowd. Smith Bros. showed off a powerful tractor. Forest and Holstein boys staged a softball game on the grounds east of the Park, in which Holstein came from behind and pulled out an 8 to 6 victory. Roy McLean pitched, with Geo. Brown catching for Holstein. Durham Band won many compliments for the fine music played during the afternoon. They also provided a musical program on Main St. in early evening. The ladies of the United Church served good meals in the basement of the church, which were liberally patronized.

THE CONCERT

A record was created for the concert, in that every seat in the hall and a row in aisles, was sold out on Tuesday evening. Altogether the concert event. This is the first occasion on which Mr Bert Brebner has staged one of his amateur plays for show night. So uniformly good have they been that to advertise one means a full house every time, but Wednesday night many were disappointed in being unable to secure seats and the play is being repeated to-night, Thursday, to give everyone an opportunity to attend.

"Her Brother's Keeper," is fully equal to and surpasses several previous Brebner productions, having its touches of pathos, tragedy, villainy, and humor, with an uplifting moral tone pervading it throughout, the moral being that success and true happiness are the reward of energy, loyalty and honesty.

The scene is laid in a prosperous rag dealer, Abel Benton's (George Brown) office in which were employed two clerks, Dick Karns (Louis Woodyard) and Matt. Allen (Gordon C. Koch). The latter and his sister, Rachael Allen (Miss Davidson) were orphans adopted by Benton several years before. Bert Brebner is an old honest rag picker who had not got ahead in the world. Mrs Rife depicted Aunt Betsy, Benton's sister; Miss Floyd is Abel, Benton, the daughter, and Roy McLean is Jack, the son of Abel Benton. Skillfully the parts were enacted and the plot unravelled much of the humor being supplied by the old rag picker, who, deaf in one ear, was usually "on the wrong side," especially to listen to anything undesirable. His courting scene with Aunt Betsy sent the audience into a gale of laughter. As "Her Brother's Keeper," Miss Davidson had the most difficult role and her handling of the tense situations was an outstanding feature of the play. As every actor handled their part well, the thread of the play was easy to follow and the audience was delighted with the dramatic work displayed.

Between acts Miss E. Sharp and Mr Koch supplied pleasing piano duets. The proceeds were over \$200, leaving with the Ag. Society, outside of expenses, with part of proceeds, the Society are paying for the new curtain, which draws to sides to open, and for new stage settings, which enhance its appearance, and give greater effect to the play.

ORCHARD

Egremont School Fair Growing Bigger Each Year

The annual School Fair of Egremont Township is becoming a formidable rival to the fall fair, and at present rate of increase, will soon equal it in attendance. There were hundreds at grounds and hall in Holstein last Thursday who enjoyed the afternoon in competing in or watching sports and viewing exhibits. It was the school children's day and with nine schools competing, there was keen rivalry, both in parade, races and exhibits. The nine were No. 2 (Allan's), No. 3 (Holstein), No. 4, No. 6, No. 10, No. 11, No. 12, No. 14. The most coveted award, first in parade, went to S.S. No. 6. No. 11 came 2nd and No. 2 third. There were 7000 were four contestants in Miss McPhail's public speaking contest. Susie McDonald of No 14 made a brilliant and clear speech, winning 1st, while Isabel Hastie of Holstein, was 2nd. Holstein took first in both boys and girls' speaking contests. Robt Christie and Billy Arnill were 1st and 2nd in boys, Geo. Calder of No. 11, 3rd; Lizzie McKenzie (3) and Rosy Switzer of No 11 were the girl winners. The lower hall was filled with exhibits and so great was the congestion when first opened about four o'clock that it was difficult to move to view them. In some lines the exhibits were ahead of last year and in a few, hardly as good.

The opening services in connection with the United congregation, were held in the Hall Sunday, Sept. 27th, and were very successful. The weather was most unfavorable, rain falling most of the day. The Hall was well filled, both morning and evening and all listened to powerful discourses from Rev. W. H. Smith of Durham. These sermons will not soon be forgotten. Special music by choir and solos at each service by Miss Nellie Gardiner, Dundalk. Tasteful floral and evergreen decorations were pleasing.

SOUTH BEND

The school fair is over and the children have now settled down for hard study until Christmas holidays. This school did very well. They didn't take part in the marching but won a lot of prizes and will feel encouraged to work for more next year.

Wednesday of this week will see most of the people in the township at the World's Fair in Holstein if the weather is favorable. It is a great day for old and young, meeting so many old friends. We expect the exhibits will be better than ever and a good concert in the evening is assured and with the ladies providing for the wants of the inner man, there should be nothing left to think of but a day full of pleasant memories.

The rain prevented some from attending the S. S. Rally Day services, but those who went enjoyed the meeting. Letter Breen has a good Sunday School and the children all ways do their part well.

Rev. Mr. and Mrs. Mootie have been making calls on the people around

there the last week. He was pleased with the number that came out last Tuesday evening and hopes more will become interested in these meetings, which will continue as long as the roads are in fit condition to go.

Had colds seem the order of the day. Just now every person is suffering more or less from one.
