JOHN MCGOWAN

PRICEVILLE AND VICINITY

good clock to Mr and Mrs McKinnon. For two Sundays we attended public worship in Priceville, in the old Post Office, which is renewed by being made a Presbyterian meeting house. Last Sunday, Rev. Mr. Reede of Hillsburg, preached from the words, "Christ the same, yesterday, to-day and forever," in plain language, earnestly delivered. Mr. Reede must be a Scotsman for when pronouncing "Amen" he said it in good broad dialect. The Sunday previous, the pastor, Rev. Mr. Sutherland, gave an excellent sermon on "press onward towards the mark" etc. There was a crowded hall on both Sundays. Also the Sunday School there is well attended. Mr and Mrs Thos. Nichol deserve credit for the interest they take in the S. S. as well as many others as teachers.

The United Church is well attended also and the pastor always gives good services to a well filled house. The S. S. is also well attended, the veteran W. Ramage being superintendent, assisted by Allan McInnis and others as teachers. Mr R. is also leader of the praise part of the service, and by his experience of 50 years as choir leader, is well qualified to fill the office most efficiently. So summing it all up, the people of Priceville and vicinity should be in reality good citizens in temporal as well as religious duties.

We were pleased to meet so many of our old friends in Priceville. Mr. Hugh McKinnon is yet very lively and a good attendant every Sunday in the new Hall.

We are always pleased to read the Swinton Park correspondent's items. Mr and Mrs Hector McEachern visited the McDonald's at Edge Hill recently.

Messrs. Thos. Turnbull and Hector McDonald of Edge Hill are in Toronto to this week as delegates for their different U. F. O. Clubs.

Mr Thos. Nichol has finished the Good Roads to Durham last week and took all the machinery up to his own place.

Miss Annie Shortreed is attending behind the counter at Karstedt's, Priceville. Annie is a good girl for the business.

Angus McVicar has fitted up his shop in good order and doing a good business. Also the other two merchants are receiving their share of the busy season's trade.

Sorry to hear of the sudden death of Thos. Campbell of Iowa. He was an uncle of our lady M. P.

We congratulate Mr Wreaford McLean and Miss Beltry in their recent union and wish them long life and prosperity.

It is said that Glenelg is to have a deputy reeve in 1926, but it appears that the law debars women on the voters' lists to vote. Well some women have more sense than men. Is there any lady in Glenelg who would allow her to be nominated for Councillor? If so, why shouldn't she have supporters, as well as our lady M. P.?

We are not inviting a majority of the good sex to overrule the other sex, but to see we have only one of the sex in Ontario. One would do as an experiment to keep the other fellow in good manners.

Mr Angus Hooper's sale on Monday of last week went well under the hammer of Auctioneer McDonald. Mr Hooper, we understand, is to move to Durbin soon and his many well-wishers regret his removal from the old home, as he was always an obliging neighbor.

SWINTON PARK

Mr John Corbett has this morning gone to Owen Sound on the jury.

John Lann met with an accident yesterday while loading a large stone on t he sleigh. It slipped, falling on his leg and badly injuring the knee. The Dr. was called, bound it up and sentenced him to at least a week in bed. We hope it may be better as Jack is not very fond of idleness.

N. D. Clark was greatly surprised last week to be left sitting on the road and his team running for all they were worth away from him. The draw bolt had jumped out and the whiffletrees striking the horse's heels, they let out. Beyond a few sore heels, no great harm resulted.

This community was sorry to learn of the sudden death of Mr. Thos. Campbell in Iowa. Mr Campbell was born here 65 years ago and until about 10 years ago, lived continuously here. He was ever a busy man and always honorable in his work and transactions and greatly respected by all. Much sympathy is felt for Mrs. Campbell and family, in this, their great trouble.

Anniversary services last Sunday, considering roads and weather, were a success. Rev. Mr. Reede of Hillsburg, preached two splendid sermons and the home choir, assisted by Mr. and Mrs. Arch. McDonald and Miss Jelly of Priceville, were much appreciated. The church was well filled at both services. Then on Monday evening the fowl supper was a success. Although the roads kept from being present that was expected. It is gratifying that in cases of emergency, there is considerable home talent that can always be relied upon, and a pleasant evening was spent. One of the most pleasing features was the presence of those of other denominations, showing that there is union of desire prevailing in this section, and that all enjoy themselves in the usual manner at such gatherings. They made the presentation of a

all women when a fowl supper is in order.

ZION

Mr and Mrs Webster (nee Angeline Lauder) of Cleveland, Mr and Mrs Jas. Nelson, Puslinch and Mr. and Mrs. Richard Samford, Flint, Mich., were guests of the Edwards and McClocklin homes the first of the week.

Mrs J. O. Greenwood and Archie and Alva, Mrs W. J. Greenwood and Clara, spent Saturday afternoon in Owen Sound.

Mrs Kenneth Vaughan returned to her home at Arthur last week after spending a few days with her mother, Mrs M. Smith.

Mrs M. J. Davis spent last week with her daughter, Mrs R. Webster, S. Bentinck, and grand daughter, Mrs Harold Lawrence, Egremont.

Mr and Mrs A. S. Hastie, Durham, visited the first of the week at W. J. Greenwood's.

Mr Joe Edwards spent the week end with friends in Toronto.

Mr and Mrs W. J. Cook were visiting their daughter, Mrs W. J. McFadden, Orange Valley, one day last week.

Mr and Mrs Wm. Paylor entertained a large number of friends and neighbors recently to a most enjoyable evening in their newly remodelled home.

Haywards Falls Chopping Mill is running again after being closed for a couple of weeks, due to some broken machinery.

AN APPRECIATION

We were shown recently a splendid picture in the "Ontario Farmer" and an equally splendid write up of our worthy M. P., Miss A. C. MacPhail. It reminds us too of the fine telegrams of congratulations she received on that eventful night of Oct. 29th and since, and the fine eulogium columns of "Saturday Night."

But let us put the soft pedal on all the congratulations she received, (had our telegraphic system been working right she would have had far more.) The people themselves of S. E. Grey and of the Dominion, are to be congratulated as well upon having such an able, valiant and fearless member, one who has a clear mind of her own and the ability to express what she thinks and who has proved herself no subservient rubber stamp. All honor to her.
