#### THE VACANT MOON

An Englishman once asked a learned Frenchman whether in his opinion the moon was inhabited. "Unquestionably no," answered the great man; "if it were inhabited it would long since have been annexed by the British Empire."

It seems that the only successful substitute for luck is work. Every school teacher should carry as standard equipment a rear-vision

mirror.

CARD OF THANKS

I wish to publicly express my sinlere thanks to all who spoke in my behalf at the court case in Owen Ruby Knisley.
