Unusual Case
Colin McArthur, son of Mr and Mrs. Neil McArthur, Paisley, underwent an operation recently for appendicitis. The case was a very unusual one, as the appendix instead of being pointed downwards as is usually the case, was located upward and back toward the right kidney, causing considerable pain in that region. The appendix was unusually long and at its farther end was contained three stones very similar in size and shape to gall stones.—Paisley Advocate.

Birthday Tea Pleasant Affair
The annual Birthday Tea of Canadian Greys' L.O.D.E., was held in the A. Y. P. A. rooms on Friday last, and while the receipts were not as large as usual, it was none the less a pleasant affair. The tea table was a picture with a large centre of corn colored iris, and surrounding it golden candlesticks and dainty silver and china. The refreshments were equally delectable and attentive waiters saw that nothing was left undone that was possible in their power. Miss Florence McIvride contributed Henry Drummond's "The Corduroy Road" in a pleasing manner and a duet was rendered by Mrs. T. M. McFadden and Miss Alice Ramage. Following the social tea, a business meeting of the Chapter took place and among other business it was decided that the annual picnic of the Chapter be held some time around the close of July.

Installation of Officers
Durham Masonic Lodge, held their installation meeting Thursday night last in their lodge rooms, when their was a good attendance of the local brethren. Present from a distance were Past Worshipful Master S. D. Croft and Rev. Mr. McDermid from Goderich. As a little mark of remembrance to this lodge, Mr. Croft presented the craft with a Masonic emblem in the form of markers and which his brethren appreciate. Dr. J. F. Grant, as Past D.D.G.M., installed the new officers, which are as follows: W. M., George Yirs; I.P.M., S. D. Croft; S.W., F. McIlraith; J.W., C. Moffat; S.D., W. H. Hunter; J. D., Dan McCallum; I. Assessment Sustained
As the Court of Revision granted no reduction in the assessment on the Central Drug Store property and the Voker factory, Mr. W. Calder had the judge here Tuesday to decide on these. The drug store is assessed at \$2300 and Voker Bodies building at \$2520. Judge Sutherland however, considered the assessments reasonable and declined to lower them.

Third Motor Coach for Route
So successful has been the operation of the Owen Sound-Guelph Motor Coach Line that G. T. Cripps, the manager, has purchased a third coach, which made its first appearance through here last week. The new coach will be an auxiliary to the two cars now on the route and will be used to provide double head ends for holiday trips and also to make special trips. It is a new DeLuxe coach, similar in appearance to the other cars on the route, but the upholstery of the seats is in green plush. The new coach has seating capacity for 24, with individual chairs for each passenger.

Cleanings from Gen. Council

Rev. W. H. Smith gives interesting Personal Touches on Sunday Morning

On Sunday morning last, Rev. W. H. Smith, instead of taking a text from Scripture, related to his congregation impressions formed and facts revealed at the great gathering in Montreal, which came to a close last week. In some respects, he said, it was the greatest Council of Protestant body in 400 years and he esteemed it a great privilege to have been present. There were thrills in it—it was the greatest city in Canada. Physically there were many wonderful visions in and around Montreal and the great assembly from all parts of Canada, furnished a spiritual vision greater than the physical. The sessions were held in the American Presbyterian Church, in itself suggestive of Union. There was a stirring message from the retiring Moderator, Rev. Geo. C. Pidgeon and an enthusiastic reception to the new one, Rev. Dr. Endicott. Not another name was mentioned and the choice of the Missionary Moderator was an earnest of greater activity in the church.

Rev. Mr. Smith made it clear that the United Church were not conducting a defensive campaign but an aggressive one. A defensive campaign alone would surely lead to a decadent church. He instanced a church in India which kept up a struggling existence till it came in contact with modern missions and having absorbed its spirit, was making progress. There was a new world program before the church. No fewer than 187 ministers were out of a church a year ago and now this was reduced to 18, and even these could be absorbed in the West, but for age or infirmity preventing. Forty nine new stations have been opened in the past year, and he had warmest commendations for the faithfulness of Mission workers, which was a challenge to those at home. Over 55 per cent of the children in the Western provinces were of non-English descent as were 46 per cent of the whole population. Great areas were yet isolated from the gospel and modern conditions. He told of an area of 60 square miles where 64 had died and 170 were born and only four times had a doctor been called.

Gradually even in Europe Protestant doctrines were making way. This was seen in the West and he gave evidence of the value of native workers. So devoted are they, that once established, they will refuse larger salaries rather than leave. He made a stirring appeal to all to help their church by regular, prompt payments. The church had found that the money paid in interest on loans was sufficient to employ 300 new men. Hence there was a movement to economize by prompt payments to avoid borrowing and paying interest. Thus could the great area available for missions be supplied. He told of the many fields in all continents now covered by Missions of the United Church and growth was being made. In India, even Ghandi's influence was with them as shown in his slogan: "Live like Christ, preach only truth, exercise Love." The discourse was instructive and inspiring and conveyed a strong Missionary appeal.

Died in Michigan in Prime of Life

Sad Death of Milton McNiece, a Normanby Boy

A particularly sad death took place in Ann Arbor Hospital, Michigan, last Thursday, when Milton, youngest son of Mr and Mrs. Thos. McNiece, 2nd con., Normanby, succumbed after an illness from colic. The aged must pass away, but Milton was in the prime of young manhood, as in fifteen days he would have reached his thirty-fifth birthday.

Since New Years, he has been in poor health, but between times, was able to resume work. Three weeks before his death, he was taken from his adopted city, Detroit, to Ann Arbor Hospital, Mich., where an operation proved unavailing to save life. His mother spent a few days with him when ill in April, and both his parents went to Ann Arbor last Monday, the 21st, and were with him in his last days.

Milton was born on the home farm in Normanby and spent the first twenty nine years of his life here, with the exception of a few months in the West. In the home locality, he was widely and popularly known, and was a young man of exemplary character and fine physique. Six years ago he went to London where he was employed for three years, and the past three years he has been engaged as street car conductor in Detroit.

Besides his sorrowing parents, bereft of their only son in the East, two brothers survive: John in Vancouver and Bird in Saskatoon. The latter brother, with his wife and two daughters, was home for a few days over the funeral.

The remains were brought to his home in Normanby on Friday, the funeral taking place Saturday afternoon to Maplewood cemetery. His pastor, Rev. Jas. Taylor, Durham, conducted the service, amid a large concourse of sorrowing friends.

Feral tokens were given by Durham Baptist church: Wm Grierson and family, Bentinck; Alex Grierson and family, Bentinck; Margaret and Dorothy McNiece, nieces; and the family.

Among friends and relatives present from a distance at the funeral, were Dr and Mrs Nathan Grierson, Galt, a cousin; Dr and Mrs R. J. Marshall, Toronto, also cousins; Mr and Mrs Jno. McCool and son Brian, Walkerton; Mr and Mrs Richard Tanner, Paisley.

To the bereaved parents and relatives, the sympathy of the entire community goes out.

Fallaise - Poynter

First Ave Baptist Church, Toronto, was the scene of a charming wedding on Saturday afternoon, when Florence Elizabeth, daughter of Mr and Mrs John Poynter, Hertfordshire, England, was married to Dr. Herbert Theodore Fallaise, Pickering, Ont., son of Mr and Mrs John Fallaise, and the late John Fallaise, Glenelg. The ceremony was conducted by Rev. W. T. Graham, and Miss Myrtle Slade officiated at the organ. The bride was given in marriage by Mr. W. E. Parmenter, and wore a dainty dress of shell pink georgette trimmed with rose point lace, with picture hat to match and carried a shower bouquet of sweetheart roses and lily of the valley.

The bride's attendants were Mrs. W. E. Parmenter, matron of honor, sister of the bride and Miss Violet Fallaise, sister of the groom, dressed in pastel shades of taffeta with hand painted border of roses, and leghorn hats to match, carrying bouquets of pink carnations and mauve sweet peas.

The mother of the groom wore a gown of black satin charmeuse, and wearing a corsage bouquet of Ophelia roses and carnations. The groom was attended by Mr. J. Whitechurch and the ushers were Mr. John Kinsella and Mr. Robt Hogarth. During the signing of the register, Miss Dorothy Parker sang "Oh Promise Me." Following the ceremony, a reception was held at the home of Mr and Mrs J. Kinsella, sister of the groom. Later in the afternoon the happy couple left for their honeymoon to the Border Cities, the bride travelling in a two-piece suit of jade green jersey silk, wearing the groom's gift, a grey platinum fox fur, with hat to match. On their return they will reside at Pickering, Ont.

Bobbled Heads vs. Anti-Bobbled
Who would have thought contests in any line of sport would be divided this way: 'Bobbled heads vs. anti bobbled'? This is how the ladies' bowling club will line up this Wednesday afternoon on the greens, in what is really their first play of the season.

Male Teacher Appointed
Since last issue of the Review, Durham High School Board have appointed to the staff of teachers, Mr H. A. McQueen, B.A., Mr McQueen is a recent graduate of Queen's University, Kingston and will be in charge of the Science and Mathematical subjects of the Lower school and likely some subjects of the Middle School.

Presbyterian W.M.S.
The W.M.S. of the Presbyterian Church held their June meeting at the home of Mrs W. J. Derby, Jr., S. Line, Bentinck. That June is the opportune time to hold a meeting of this nature in the country, was evidenced by the large number of ladies present. Mrs. And. Derby, as President, was quite at ease in her former home, and business regarding the recent Presbyterian was discussed. Mrs. Pickering contributed the Bible reading and Mrs. Thos. Turnbull the paper. This was culled from the book "Prayer and Missions" on Dr Barnardo and his Home boys. At the close of the meeting Mrs. Derby served a dainty lunch.

Worshipped in Markdale
On Sunday evening last, seven brethren of Durham Masonic Lodge were in Markdale, where a company with about 150 other brethren, worshipped in the United Church there, and listened to a splendid discourse and the pastor of the church, Rev. F. W. Bowes who is also District Chaplain. Right Worshipful S. P. Patterson of Shelburne, was in charge of proceedings in the absence of Right Worshipful Bro. Pikey, former of Knox United Church, Owen Sound, and now in Vancouver. The brethren present from Durham lodge were W.H. Whitechurch, Jas. Burt, E. A. Hay, R.E. Richardson, J. F. Grant, Hugh Riddell, H. McCracken.

Dr D. Jamieson, M. P. P. Again a Candidate

A largely attended meeting of the South Grey Conservative Association was held in Fiesherston on Monday last and again unanimously, Dr. D. Jamieson was honored with the nomination. No other name was mentioned, none were expected, and thus for the 11th time, surely a unique record, the doctor is before the people as a candidate, and will contest the riding with Dr. R. H. Fortune, but Liberal candidate, and in all probability, a U.F.O. candidate, to be nominated at their Convention on Friday.

In his speech, Dr. Jamieson disclaimed any responsibility for the juggling of Sullivan out of South Grey and putting Ephrasia in though of course he does not object to the move, which he thinks is to his advantage. He also averred that the O.T.A. was a good law, he had always supported it, and though to some extent defective had done a tremendous amount of good. There are a large number of people in S. Grey, who will find difficulty in squaring this autogism with his action in parliament when with nearly 40 others he voted contrary to the wishes of his constituents as expressed by a majority vote of a few thousand in the Plebiscite.

Hon. John S. Martin, Min. of Agriculture, gave an address reviewing past legislation and commending in warmest terms the work and personality of Dr. Jamieson as a worthy representative. We congratulate the Hon. member in retaining for such a long period, the confidence of his party.

Grant's Store Sold

A noteworthy business change in Durham's mercantile life was the sale last week of the business and stock of the Grant store, to Coun. Alex. A. Aljoe, 2nd con., Glenelg. For fifty-five years the late C. L. Grant was before the public as a general merchant; from 1871 to 1873 as a partner in "Hastie and Grant", and since then by himself. In that time he built up a reputation for integrity and for keeping a fine stock, especially in the dry goods line. The Grant store in new hands is another link severed with the past. Stock-taking will commence next Monday and the new proprietor hopes to be open for business at the week end. It is an entirely new venture for Mr. Aljoe, but with a good trade and an experienced staff, it should prove a successful one.

Durham Club Picnics at Mimico Beach

"Pork and Beans" a favorite Supper Dish on a Cool Evening.

Toronto held a successful picnic. On this occasion, a party of about 60 on this occasion, a party of about 60 former Durhamites residing in city, gathered on the beautiful premises of A. W. Miles, a Toronto undertaker, residing at Mimico. Heavy afternoon rains delayed the picnic and many who undoubtedly would have turned out.

It was after "Five Bells" when the faithful were assembled and the ladies at once turned their attention to the tea tables. A superabundance of good things decked the tables and they later more than satisfied inner cravings. But alarm was general when it was learned that Mrs. Edward Lauder's magic bean pot had not arrived. Pork and beans, piping hot, is an annual treat provided by Mrs. Lauder and two young ladies were entrusted to bring this favorite dish. When their car was half an hour late, a degree of consternation was apparent to all the guests, but then a message came that the young ladies were held up by a flat tire and would arrive in due time. They did and rejoicing was general in the Mimico camp.

Mr. Miles' property on the lake-front is ideal for picnics and that gentleman is the soul of goodness as far as picnics go, as he has built a kitchen and pavilion for his guests, provides, tables, dishes, player pianos for dancing, donkeys and carts for kiddies and nervous young ladies to ride about in, and space for ball games, etc. Mr. Miles does this gratis while he himself plays the genial host. In fact he is so kind, one Durham gentleman declared, he would kill you with kindness for the sake of burying you for nothing.

The guests as they signed the register at the tea tables, were as follows: Mrs. Mary Crowther, Mrs. Laura Matheson, Annie Aljoe, Eva Redford, Hazel Matheson, Evelyn Matheson, Mrs. Belle McAlister, Margaret Lauder, Mary McAllister, Mrs. Wm. Scarf, Bessie Campbell, Ruth Ledingham, J. F. Wilford, R. G. Whittaker, A. Cobban, Laura Whitmore, Belle M. Weir, Mrs. F. McPherson, Mrs. Ethel Young, Mrs. Emma Donaldson and son Milfred Donaldson, Mary Donaldson, Mervyn Young, Ned Lauder, Cecil Young, Kathleen Donohue, O. Sound; Norma Whittaker, Irene Whittaker, Mrs. G. Whittaker, Mr and Mrs J. M. Latimer, Wm. S. Scarf, Mrs. R. G. Lindsay and daughter Annabel, Agnes Petty, Dr. and Mrs. Edward Lauder, Annie Russell, Vic Aljoe, Angeline Brant, Jean Brant, Mrs. Gibbons, Betty Gibbons, Mrs. F. McGraw, Mrs. Alex. McEachern and Miss Janet, Isabel and Mary McQuarrie, Margaret McKenzie, Annie C. McKenzie, Mr and Mrs McMahon (nee Inno Davidson), C. C. Ramage.

Hanover May Have Pavement

While paving will not start on the main street at Hanover this year, in all probability it will next spring, and also a street in Meaford and Markdale. Reeve Armstrong of Hanover, at County Council last week, pressed hard for the paving of Hanover main street this year and he did not let up until he had seen it passed that an agreement would be entered into with Hanover so that work could be started by June 1927. Meaford and Markdale were included in the same motion so that paving will take place at these towns next year also. There was no disagreement with Reeve Armstrong or Reeve Riley of Meaford, among the other members of the council as they realize that it must be done soon and they were willing to vote that the agreement be made.
