

PRICEVILLE AND VICINITY

Death of Mrs. David Hincks

It is our sad duty to chronicle the death of Mrs. David Hincks, 2nd con. Artemesia, on Thursday, July 22, at the age of 53 years.

Mrs. Hincks had a long illness, lasting over a year, but bore her sickness with the greatest patience and fortitude that was an example to all of us.

The greatest tribute that can be cherished to her memory is her splendid family of four boys and five girls. The family tenderly cared for and watched over their mother through the trying times of her suffering and considered it the greatest blessing to have her with them.

We extend the deepest sympathy of all far and near, to the bereaved husband and family, but more especially to Mr. Hincks, who feels the need of his 'helpmate' keenly.

The members of the family are: Andrew, who lives on a farm a mile west of the home; Willie and Gladys at home, Ida, teaching near Singhampton; Alfred just engaged in the home school; Clifford and Beth attending high school and Almeda and Jean, attending public school.

Mrs. Hincks was a daughter of the late Mr. and Mrs. Wm. McLeod of Glenelg, and a sister of the late Mrs. Arch. McCuaig, the late Jno. McLeod of Stayner, Neil McLeod of Swinton Park, Archie, Carman, Man, and Wm., a short distance east of the old home in Glenelg.

The funeral services held at her home, July 24th, were conducted by her pastor, Rev. A. Sutherland, at which he read the 23rd Psalm, which singularly happened to be the portion of the Bible that her daughter Gladys chose to read to her the evening before her death.

The pall bearers were deceased's two brothers Neil and Wm. and four cousins, Alex and Francis McLeod, Neil McQueen and Neil Clark. The funeral undertaker and director was Wm. G. Watson, Priceville.

The funeral was largely attended, those from a distance being: Mrs. Mary McLeod, Alex McLeod and daughter Marjorie and Mr. and Mrs. Donald McQueen, all of Stayner and Mr. and Mrs. Francis McLeod, Collogwood, besides many friends from Proton, Egremont, Durham and Bentick.

The floral tributes were very beautiful, being as follows: a pillow from the family; sheaves from the McCuaig family, Mr. and Mrs. Douglas

Passing of Priceville Nurse

There passed away on Friday last, Miss Lydia McKinnon, in young womanhood, after little more than a year of suffering, borne with Christian faith, hope and courage, universally beloved by all who knew her.

Deceased was the daughter of Mr. and Mrs. Farquhar McKinnon, and trained in the Royal Alexandra Hospital, Ferguson graduating in June 1918. She did private nursing around home, going to Toronto in the spring of 1920 where she nursed for a while before going to New York to take a post-graduate course in Mount Sinai Hospital.

After finishing it she remained on the staff there for some time, returning home to nurse her mother. Later she was night supervisor at the Mount Sinai Hospital, Toronto, but spent most of her time in service around Priceville, as she loved so much to be near home. She also relieved Miss Fettes as matron of Durham Red Cross Hospital. She had just taken the position as superintendent of the new Brampton Memorial hospital, to be opened in February (having been down making arrangements regarding equipment of Hospital, etc.) when stricken with scarlet fever. The Hospital Board, wishing to retain her services, secured another nurse for two months, but at the end of that time Lydia was not able to take the position and resigned.

She was a member of Rev. W. A. Cameron's church, Bloor St. Toronto but later transferred her membership to Flesherston Baptist church.

With rare thoughtful consideration for others, she sometime before, expressed her desire as to the kind of casket to be used, to be dressed in her nurses uniform with badge, the hymns to be sung, No. 19, 612 and 620, and the offertory by Mrs. H. B. McLeon. "He shall wipe the tears from every eye"; her pall bearers, and the minister to preach her funeral sermon, (Rev. Mr. McCarter). The latter gave a fine comforting discourse to sorrowing ones and all others, who filled the church to its utmost capacity. A fine tribute was the formation of 18 young ladies, headed by Miss McFarlane and Miss Jelly, teachers who each carried a portion of the sprays and flowers, forming up in two lines, through which the remains were carried at the church steps.

The pall bearers were Andrew Hincks, Elmer Watson, Gordon McLean, Archie McKechnie, Gorrie McTaggart, Bert Aussum.

Beautiful floral tokens were: Pillow from family; wreath from Mrs. Tom Watson and family; sprays from Grandma, Mr. and Mrs. Jno. Ferguson and family, Mrs. Jno. F. Macdonald and Mrs. Robt. McPhaden, Mollie and Sarah Ferguson and Mr. and Mrs. Fred Runciman, McDonald family, Ottawa; Colin McLean and family, Miss C. Fettes, matron Durham Hospital; Olive McLean, Bert Aldcorn, R. N., Victoria McMillan, Dr. and Mrs. Carr, Owen Sound; Baptist W.M.S., Flesherston; Mr. and Mrs. A. O. Hutchison, Fergus; Young People St. Columba United Church; Beatrice Jelly, Laura McFarlane, Mrs. Wm. Watson and family, Evelyn Osborne, R. N., Toronto; Mrs. K. Blanchard, Toronto; Mr. and Mrs. Elmer Watson, Miss J.S. Cameron and girls (Mary's office).

Friends from a distance at the funeral were: Mr. and Mrs. Shuttleworth, (aunt and uncle) son and two daughters, Toronto; Mr. and Mrs. H. Osborne, Mrs. Osborne Sr. and Mr. McCauley from Ripley; Mr. and Mrs. James Hindman and Mr. and Mrs. Albert Connell from Gorrie; Mrs. S. J. Standin (nee Anna Belle McLeod) Stratford; Rev. Mr. Curran and his daughter from Sprucedale; Dr. Bell, Durham; Dr. Sneath, Dromore, and Nurse Fettes of Durham Hospital; also friends from Dundalk, Mt. Forest, Holstein, Dromore, Durham, O. Sound, Shelburne, Markdale.

Mr. W. G. Watson was funeral director, using his green crash cloth at the grave side.

Donated a Piano The Priceville Presbyterian church have been the recipients of a very fine Nordheimer Piano, donated by ex-Priceville Presbyterians in Toronto and elsewhere. We appreciate this sincere expression of sympathy, interest and co-operation in this, our time of need, and wish to thank the two Toronto girls who began the fund and those who so generously and kindly contributed toward it.—Com.

CARD OF THANKS

Mr. David Hincks and family desire to thank their many friends and neighbors for kindness and sympathy shown, during the illness and death of the wife and mother, and for the beautiful floral tributes.

CARD OF THANKS

We desire to express our warm appreciation of the kindness of our friends and neighbors, and all others who showed their sympathy in our great loss of daughter and sister Lydia. Mr. and Mrs. Farquhar McKinnon and sisters.

PRICEVILLE & GLENELG

The seasons are passing; the shades of time are on the move; flowers are in full bloom; the apple orchards are barren; the wild fruit is in abundance; the aged veteran feels the effects of the swiftness of the passing of the years. His thoughts often go back to the years of his activity when at the busy season of the year, as at present, an indulging in the fields by pitching hay or using the old hand mower. Now his time has come that he can only walk about with an old walking stick, looking at the younger generations at hard work pitching hay in the field. So the time of his activity is past.

Rev. Mr. Taylor preached a good sermon on Sunday for Baptists and Presbyterians in his own church. Quite a number went to Dromore on Sunday from Durham and vicinity.

Mr. S. Pust, Durham, is busy putting up a wire fence for Hector McDonald, Edge Hill.

We are pleased to hear that Mr. Arch. McCuaig is getting around a gain after his recent illness.

All kinds of crop are growing well and promises a good harvest in general. Those reporting from the West predict 50 bus. of wheat to the acre. Take care Westerners, not to be counting your chickens before they are hatched.

Alfalfa in the vicinity of Edge Hill went a ton and a half to the acre and more in some places. Corn appears to be a failure this summer and is backward. Potatoes are doing very well, also potato bugs.

The living know that they must die, so as a reminder to all, 'be ye also ready' two funerals were held at Priceville: Mrs. David Hincks was laid to rest Saturday in McNeal's cemetery. She was formerly Mary Jane McLeod and only in the prime of life, being about 53 years of age. She suffered long but patiently awaited the call. As the local correspondent will be giving the obituary, we will not say much more but we have known Mrs. Hincks from her childhood, born at lot 32, con 2, S.D.R., Glenelg, youngest of the family of the late Wm. McLeod. To the bereaved husband and family we send condolence.

This afternoon a young lady, the daughter of Mr. and Mrs. F. McKinnon of Priceville, will be laid to rest. It could be said of Miss McKinnon that she was sent by the Great Physician as a means to save others, but herself she could not save. Miss McKinnon was a faithful nurse. We send condolence to the family in this sad bereavement.

This beautiful Monday morning, 26th July, finds everyone busy at their calling. The farmer is out early and longing for the heavy dews of the night to be dried off the field of hay cut a few days ago. As the wind is blowing from the East some will be predicting more rain soon. But He that overrules the universe, will, if it is His will, hold the elements in the hollow of His hand and man's predictions are only as vanity.

This afternoon, Durham will be busy in accommodating the many who will attend the Conservative convention, to select a candidate. This is a matter of belief to those faithful attendants that they are on the inward side of the fence and that their politics will reward them. As the old Scot said 'I have a mind o' my ain' and disappointment may be the result.

We remember when going to Sunday School a hymn 'Kind words can never die.' On a dark night we were walking on the sidewalk in Priceville and was greeted with kind words from a boy some 12 or 14 yrs of age. Down a little farther on the same side walk we met two boys of a different manner, the one saying to the other 'That's old so and so.' The first boy was the late Donald Matheson, son of Rev. and Mrs. Matheson, late of Priceville. The memory of this dear boy, who was called to his heavenly home some 12 or 13 years ago will always be green. His remains are resting in McNeals cemetery.

When on duty in the Tp. of Glenelg many years ago, travelling thru mud and slush and after retiring in a comfortable resting place, we were seized with a coughing spell. The good lady of the house hearing us coughing, rose from her bed, came to us with a hot drink, saying in a kind manner, 'I heard you coughing.' We enjoyed the hot drink but will never forget the spirit in which that Christian lady ministered to us. This was the late Mrs. Wm. Beaton of the 10th con. Glenelg where we were of ten kindly entertained. The good Christian lady has gone to her reward many years ago, so the memory of the just is never forgotten.

Later—we hear that at Monday's meeting in Durham, the well known R. T. Edwards, is to be the Conservative standard bearer, facing our lady member, Miss MacPhail. Mr. Edwards is educated to fill the office if he gets there. But it is a question for a small boy to 'make out' 'who will have the biggest vote'.

We were pleased to hear that Mr. Hugh McKinnon is getting along well from the effects of his accident. He is well cared for by his daughter-in-law, Mrs. Chas. McKinnon.

Miss Donalds McLeod is spending her holidays with her cousin, Miss Kate McDonald. Miss McDonald is home after holidaying a week with friends on the south line.

Miss Marjory Crawford nurse-in-training, is holidaying with her parents, Mr. and Mrs. Sam Crawford. Mr. Wallace Riddell and some friends from Luther, spent the first of the week at Mr. Geo. Riddell's.

Rev. D. J. Storms and family came home from their holiday trip in time to take Sunday services. His mother, Mrs. Storms came with them for her annual visit.

Last Friday evening a large number of friends and neighbors met at the home of Mr. and Mrs. Henry Christie on the occasion of their recent marriage. Bethany church presented them with a Coleman lamp, and a nice address, while several other friends showered them with good wishes and gifts. The evening passed pleasantly with games and music.

During the severe electric storm, which passed over our burg Monday, Messrs. W. and G. Shand had a fine horse killed by lightning while Jno. McEachnie's buildings had a close call, about striking the fence beside the barn.

Mr. and Mrs. Jno. Leith, Holstein, were recent visitors at W. R. Richardson's.

Last Wednesday the elements went on a rampage, and among other damage done, was that part of the west wall of the new Furniture Factory building, not long completed, blew in. It fell on the temporary flooring of plank above the basement which was resting on posts and beams not yet secured, took the whole thing with it and worse, twisted and broke a number of the pipes and tubing, just installed for the new sprinkler system.

Messrs. Hugh McDonald and George Kreas have been awarded the contract for the building of the Carnegie Library in town.

That time has gone! Out of 110 recent advertisements asking for public school teachers, 43 include the words "state salary." It is abundantly clear in the light of recent experience in the Province that this is a mistake. Qualified teachers are beginning to avoid such advertisements.

There was a time when teachers were so plentiful that they engaged in a sort of Dutch Auction for every vacant school, the lowest tenderer being accepted by a Canny Board of Trustees. That time has gone.

The death occurred on 10th con. Glenelg, of John Wilson, who passed away after a lingering illness, extending over four years.

27 western ponies from the prairies were brought to Durham last week and sold at auction at the Knapp hotel in town. They were small, some of them scraggy and looked 'tough' after their long ride. Prices ranged from \$15 to \$40 and quite a number of our townsmen invested in the 'bloods.'

Through Beautiful Ontario

Ye Editor on a motor hike to southern part of the Province, finds every thing lovely and Prosperous looking

The Editor had the pleasure last week of a drive across the Province from Grey Co. to Lake Erie and is more than ever convinced that we do not appreciate as we should our beautiful country. Fields of luscious green speak of healthy crops, with here and there others of golden yellow, ready for the reaper and indeed in a few places stocks were seen ready for the thrasher.

The hay crop, almost completed, is by general consent better than expected, roots are coming on and recent hot weather is making corn smile after the cold weather it met with in the start. So much for a crop survey.

When one has seen fifty years of change and progress, it is easy to be reminiscent and we found ourselves contrasting modern travel with old conditions. Horse drawn vehicles have disappeared, the "taverns" at one time holding out welcome every few miles have long since gone. In their place and in some places almost as numerous, are "Service Stations" to meet the needs of the motorists in oil or gas, and one wonders if the number of these stations seen in the towns we pass through, can all be doing a good business.

From the numbers of autos and trucks on the road, some expensive ones too, it is easy to guess where the money goes and to understand the cry of hard times. The world on wheels explains it.

Of the urban centres we saw Port Colborne seemed to be the busiest, and we were assured there was little unemployment there. The great work in connection with the new canal is on a large scale and two or three years will elapse before completed. Then there are steel and nickel plants of large dimensions and not far off a cement plant, all great employers of labor. Its population numbers about 6000 and growing so fast that predictions are made that it will soon equal Welland.

The drive from Hamilton through Grimsby, Winona, Beamsville, etc. is always a treat and cherries and other fruits were taking attention as we passed and the clean and orderly lay out of orchards, etc. is always a delightful feature.

Niagara, its gorge, its falls, are of perennial interest. Since we saw it last some breaks have occurred in the "Horse shoe Falls" suggesting a danger of its scenic beauty being destroyed. It is getting less and less like a horseshoe. A commission of experts are to consider means of preserving it.

Every night as darkness falls, strong beams of colored lights are flashed on the Falls from enormous "flashlights" placed on top of a building. It certainly is a beautiful sight as the colors mix and mingle with the falling water. This new innovation has been the means of greatly increasing the number of night visitors to our "World Wonder."

USE IT Are you building? Shall you be building this year? If so, profit by the experience of those who save money when building. Even on a small job you'll probably be surprised to find how using Long Distance enables you to get lowest prices. "We bought all the material for a \$75,000 building by Long Distance—it is the cheapest way"—writes a contractor in a medium-sized town. "We use Long Distance to get prices on materials before making estimates or contracts"—writes another. The leaders in every branch of industry know. They've proved it, as you can.
