 Who for the third time has been the successful candidate in South-East Grey.

## 1722 Majority for Miss Agnes C. MacPhail; Liberals will Form New Government

The election on Tuesday was one of the keenest in many years. The Conservative leaders made a strenuous effort to defeat Miss MacPhail, they brought Meighen into the riding, sent Hon. Hugh Guthrie to Hanover and Peversham, and some party hangers-on with unwise zeal tried a whispering campaign, that recoiled on their own heads. Miss MacPhail will, we think, consider this her greatest victory, considering the odds against her. She has won the hearts as well as the heads of the people of South-East Grey.

Mr. Edwards himself, conducted a clean campaign but has reason to think "save me from my friends" in a number of cases. His friends in Durham were enthusiastic to a degree, cars were running all day in his interest, and a majority of 467 in the town for Mr. Edwards, while a compliment to him, compels the thought that there is shown a lack of gratitude to the lady who fought and won a grant for Durham Post Office. A year ago Miss MacPhail got 208 votes in Durham, this time 246; Edwards in Hanover had 100 votes fewer than Dr. Campbell. There were small decreases in a few places but increase was the rule. Figures elsewhere will tell the story.

Great interest was shown as returns came in. The Conservative Committee rooms was a busy spot, so was the telephone office till at last the Town Hall was secured and there the winners of the day assembled filling the hall even to standing room. Miss MacPhail was seated for and until she came an impromptu program was conducted. Mr. W. H. Hunter of Egremont as chairman, Messrs Stewart McArthur and Wm. Ramage conducted some community singing. Arch Clark, Dromore, gave a couple of good recitations and at intervals returns from the Country were received. Mr. John Whiteford, brimful of gratitude and thankfulness, made a brief address.

At last the well known figure of Miss MacPhail appeared in the doorway and as she with some difficulty made her way to the front, tremendous applause greeted her, continued as she stood before them, the victor of the day.

She acknowledged in happiest phraseology their warm reception, and congratulated them on the victory, stressing the point that it was their victory, and disclaiming her own personality. Between few candidates and their supporters are such telepathic feelings as exist between S. Grey's member and her friends.

Mr. Farquhar Oliver was called upon for a speech and responded briefly, congratulating everybody on the success of the day. As is well known he was Miss MacPhail's chief platform ally in the campaign and is becoming a speaker of note.

The huge assembly were waiting to hear Miss MacPhail again when the chairman announced she had gone by request to speak to a crowd before the Hahn House balcony. She had intended to come back to the Hall but the announcement had the effect of sending everybody outdoors to swell the already crowded street to listen to the heroine of the day.

Miss MacPhail stated it was not her victory but that of her many loyal supporters throughout the riding.

She could not have achieved victory of the keenest in many years. The Conservative leaders made a strenuous effort to defeat Miss MacPhail, they brought Meighen into the riding, sent Hon. Hugh Guthrie to Hanover and Peversham, and some party hangers-on with unwise zeal tried a whispering campaign, that recoiled on their own heads. Miss MacPhail will, we think, consider this her greatest victory, considering the odds against her. She has won the hearts as well as the heads of the people of South-East Grey.

**HON. J. A. ROBB**  
 Minister of Finance

Whose famous "Robb" budget of this year, had much to do with the return of the King Government.

Now we wonder if Premier Ferguson will stage another election this fall?

## Congested High School

No fewer than 119 pupils are enrolled in Durham High School for the fall term and all four rooms are used as class rooms. One of these rooms is intended for a Science room, where chemistry, light, heat, etc., is taught, and it is giving neither teacher nor pupils a fair chance when this room has to be utilized as a class room. Form I has to be divided into A and B groups owing to numbers—and this condition is likely to continue if Principal Graham of the Public School continues to turn out Entrance candidates in such numbers as he has been doing. One sees now the folly that marked the clamor that compelled the Trustees of a former day to contract their plans from a three story building to a two story one.

The congested condition may result in lessening the grants we receive for equipment and the town as well as the Trustees should have vision enough to avert this by providing adequate accommodation as soon as possible.

In the interest of both staff and pupils increased accommodation is necessary. At least three of the rooms have more than the maximum number of pupils now and this may bring adverse comment if nothing more, from the Inspector.

**Division Court Light**  
 Division Court was light on Tuesday. The suit of Connor vs. Vickers was transferred to Orillia court by request of Defendants Counsel. Konold vs. Pinkerton was settled by mutual agreement. The suit of Bryan's repair shop vs. Reuben C. Watson was postponed to November court by request of Council of both parties.

**Death of Hugh McDonald**  
 Mr. Chas McDonald of the 10th con. Bruce, has received word of the death of his brother, Hugh, which occurred on Aug. 17th, at Harland, Wisconsin. The remains were buried at Pewaukee, Wis. He was 50 years of age and was born in Bentinck Township. He left the township 50 years ago and went to United States. Mr. Chas. McDonald of Paisley Dist. is the only brother now living. Their parents were the first settlers in Bentinck Tp. Their home was on lot 9, con 2.

## HYMENEAL

**BELL — HUTH**  
 A wedding of much interest to Durhambites and surrounding vicinity, took place in Knox College chapel, Toronto, on Wednesday, Sept. 15th, when Durham's popular medic, Dr. Alex. M. Bell, eldest son of Mrs. John Bell, was united in marriage to Miss M. Irene Huth, B.A. of St. Mary's only daughter of Mr. John Huth and the late Mrs. Huth. Rev. Dr. G. C. Pidgeon, was the officiating clergyman.

The marriage is the culmination of a college romance begun in Toronto, and the good wishes of the Review are joined to that of many others in extending to them best wishes for a life full of health, happiness and prosperity. After a short motor wedding trip to Niagara Falls through New York State to Montreal and home Canadian side, which will be of a week's duration. On return, they will take up residence on Garfield St. the former Joseph Brown home, and where Dr. Bell has already moved his office.

**ALEXANDER — SCHEURMAN**  
 On Tuesday of last week, Mr. Robt. James Alexander, the well known proprietor of the express and freight delivery in town, was quietly wedded in Toronto to Miss Clara Scheurman, daughter of Mr. and Mrs. Geo. Scheurman of Glenora, east of Rocky camp grounds. The ceremony was performed at the Manse by Rev. R. Saunders, pastor of Birch Cliffe Heights United Church, East Toronto at 2 p. m. His brother, Wm. John Alexander and his wife, attended them. They are residing at the Hahn House, where the bride has been an employee. We extend hearty congratulations.

Now we wonder if Premier Ferguson will stage another election this fall?

Mr and Mrs Robert MacFarlane spent over the week end in the city. Mr and Mrs Robt. **Mrs Aldred Entertains W. M. S.**  
 The monthly meeting of the W. M. S. of Knox church was held at the home of Mrs John Aldred on Wed. Sept. 8th, with Mrs John Bell presiding. The meeting was opened by prayer and singing after which the Bible reading was taken by Mrs Jno. Smith. Some matters of business were then discussed, among them being the disposal of three fine quilts which the ladies of the Society have made. An invitation from the United Society of Dornoch had been received and it was hoped that as many as possible would accept. Mrs Wm Derby, Sr. read the introductory chapter of our new study book, "New days in Old India," after which the topic, which had been prepared by Miss Belle McGirr, was read by Miss Margaret McGirr. This paper which dealt with some of the new conditions of India, was both enlightening and inspiring. The roll call was answered by a verse on "Faith" and after singing, the meeting closed. Refreshments were served by Mrs Aldred and her daughters and this enjoyable meeting was brought to a close.

**No New Outside Sidewalk**  
 No sidewalk will now be laid beyond east side of the Girafraux St. bridge, now being repaired. This was originally the intention, thus having sidewalk run straight through and allowing a wider road space on bridge, but the cost has been found prohibitive, the stringers, freight, etc. costing another \$1000. The new abutment is now built and the bridge will soon be completed, with the sidewalk along east side of it as formerly.
