Bad Chimney Fire
Mr. Robert Milne's cottage in Upper Town was never nearer destruction by fire than it was Monday night, when a chimney fire had made considerable headway before noticed. Had the night not been wet, there would likely have been another story to tell. Mr. Thos Young's barn could be seen by the reflection of the blaze.

High School Hold 'Lit'
One of the best 'Lits' of the season was put on by the High School students on Friday afternoon last. Among the present enrollment there is exceptional talent, only waiting to be developed, and as a means to an end, the 'Lit' is an excellent avenue of approach. Mr. 'Bill' Wilson was chairman for the afternoon and appears quite at home in that role. The H. S. boasts of a snappy orchestra with Messrs Jack Lawson and J. D. McAniff as violinists, Roy Wiggins and John Dunsmoor on guitar and Norma Gagnon at piano. They gave two numbers and were loudly encored. Miss Elsie Kearney rendered a pleasing piano solo, while Miss Elsie Willis supplied an amusing recitation. The minutes of the last 'Lit' were read by Seaman Havens, and a comical sketch was given with George Hahn as speller, where an imaginary trip was taken by several of the students on a tour of the public buildings and sky scrapers of Durham. Durham is some town according to the publicity that George gave it. The chief item however of the afternoon was a debate "Resolved that reading books is more beneficial than attending the theatre." The affirmative was upheld by Misses Mary Beaton and Reggie Arnett, while Misses Grace Baird and Mary Brown championed the negative side of the argument. The affirmative proved to be winners by a narrow margin. Judges: Misses J. M. Weir A. M. Ramage. Critic, Mr. McQueen, teacher.

D. C. Town has now official C.N.R. town agency. Secure your railway tickets at Jewelry store.

Mr Earl McLeod, son of Wm McLeod, Priceville, was operated upon Tuesday in Durham Hospital for internal trouble.

Durham Road Bridge Open Soon.
The large new steel bridge across the Saugeen this side of Durhamcentery is rapidly nearing completion. Two solid cement abutments, each four feet thick, with wings flanking them, form a substantial base, upon which the steel work was recently completed in about three weeks' time. Today, Wednesday, a wooden flooring was begun and will be finished by Saturday. Upon this a wire network is laid and covered with cement. Given three fine days next week Mr. Keyes, the contractor, says they can complete the paving and in two weeks' time, or less if good weather, the bridge and highway will be thrown open for traffic. This would mean a detour to the 20th to 27th November, when all will be grateful that the South Line detour will be a thing of the past. The new bridge is 120 feet in length, 3 or 4 feet wider and about 3 feet higher than the one demolished by last spring's flood.

Presbyterian W. M. S.
The W. M. S. of the Presbyterian Church held their monthly meeting at the home of Mrs John Morrison, with a large attendance. The President was in the chair and opened the meeting by singing and prayer. Mrs Dr. Grant took the bible reading; the roll call was answered by a verse on "Thanksgiving." We were very fortunate in having with us Miss Sinclair of Harrison who gave a very interesting and instructive address on our missionaries and their work, and pointed out to us, the opportunity and privilege that is ours to help our missionaries not only with the things of this world, but with our prayers. Mrs. Lauder and Mrs Harding sang a beautiful duet, after which singing and prayer brought the meeting to a close. Mrs. Morrison served a dainty lunch.—Con.

How will Durham Vote on December 1st?
Durham has been dry for over twenty years and the sentiment for it to continue dry is as strong or stronger today than it was when the vote on local option was taken here in January, 1906. The poll on that occasion gave 297 drys and 179 wets. The local option law to banish liquor sale within the town thus carried by 28 more than the necessary three-fifths majority. In 1916 the O. T. A. was enacted by the Hearst Government. The only effect this had on Durham was that it closed Hanover, Toronto, and other centres to which one thirsty citizen made frequent trips. But after 8 years under O.T.A. and 18 years since hard liquor was legally sold in this town, the people on the 1924 plebiscite voted overwhelmingly dry, or in favor of the O. T. A., by a vote of 665 to 244. Every evidence that the dry sentiment was stronger than ever. But on both these occasions politics were not mixed up as they will confront the voters in the coming election.

Durham on party lines would give the Conservative Candidate five to seven hundred or better majority, but voters to-day are not taking their politics as seriously as formerly and what do we find? The party affiliations will be broken in this election probably as never before, not alone by one party, but by them all. Temperance Conservatives will not vote for a Ferguson candidate and on the other side the Liberals are going to vote Tory for the first time in their lives. There will be a large silent vote for this reason it is impossible to forecast the ultimate result.

Will Vote on \$25,000 Addition to High School

Deputation Approach Council presenting Needs of Extension to present Building

The necessity of increased High School accommodation was urgently pressed upon the Town Council at their November session on Monday evening by a deputation from Durham High School Board, consisting of Messrs John Morrison, chairman; Jno. Smith, C. Ramage, D. C. Town, H. McCrae and Sec'y J. F. Grant, the latter and Mr Morrison being spokesmen.

In opening the matter, Mr Morrison stated that a deputation had waited upon the Board at a recent meeting, to ask for more accommodation, as no Fourth Form work could now be undertaken. The Board had gone into the subject and believed that to hold their own ground, more room was urgent. They had accordingly secured architects plans and figures for an addition to the north of the present school, and asked the Council to submit a By-law for \$25,000 to cover its cost, for the sanction of the ratepayers at the January election.

Sec'y Dr. Grant explained the situation in detail to the Council. The High School revenue comes from Provincial and County grants and from town treasury, and the more we can secure in Provincial and Co.

Liberal Candidate Magnanimously Withdraws

Dr. Fortune Out of the Field

It will come as a surprise to many to learn that Dr. R. H. Fortune, the Liberal Candidate in South Grey, has withdrawn from the contest. His reason for this action does him honor. He sees in the U.F.O. candidate a champion of temperance principles no less pronounced than he is himself, and to avoid splitting the temperance vote, thus endangering the retention of the O.T.A., he leaves the field to the U.F.O. candidate.

It is to be hoped this generous action will be appreciated in every quarter. It is no light thing to do. Dr. Fortune was first in the field and can scarcely be blamed for thinking it was not up to him to retire, yet for the sake of a principle, he does so. His self-abnegation will not be forgotten.

Men's Club Organized in Knox Church

For some time there has been felt the need of a Men's organization for Knox United Church, that would have partly for its object the development of the youth of the church, so as to deepen interest and give responsibilities that cannot but result in an improved manhood. On Wednesday night, Nov. 3rd, an organization meeting was held, when good attendance was present. Rev. W. H. Smith addressed the gathering, outlining the men's work in the church. An outline of plan of program for the winter months, has not yet been decided upon, election of officers being the chief work for the opening night. They are as follows:

President, Dr. B. Jamieson
Vice President, Harold McKechnie
Secretary, Walter Porter
Treasurer, Dr. A. M. Bell
Convener of Program com., W. R. Alder
Convener of Musical com., Jack McKechnie
Convener of Social com., Dr. J. F. Grant.

Passing of David Hopkins

There died on Tuesday night at Durham Hospital, Mr David Hopkins at the age of 90 years. Deceased has been a patient there since 9th of April, 1924, and here the old gentleman had excellent care and attention from matron and staff. He was given liberties around the building and he was a familiar figure on the streets in summer with his snowy hair and long beard. His best days were spent in the Township of Bentinck, where he was a successful farmer. His wife passed away many years ago and there was no family. Two nieces, Mrs Metcalfe of town, and Mrs Wm Picken, Bentinck, are among the chief mourners.

The funeral takes place to-day, from the home of his nephew, Wm. Hopkins, to Hutton Hill cemetery.

Will Organize for Hockey

A public meeting of Durham Hockey fans is called for Wednesday night, Nov. 10th, in the Hahn House, to plan for another big winter of hockey in town. Though Schutz has gone to Montreal, there is yet plenty of material for a first-class team and the encouragement and attendance of everyone is asked, beginning next Wednesday night.

Miner Pranks on Halloween

Owing to Oct. 31st falling on Sunday, Halloween was celebrated Saturday night by the youthful element in town and maskers were numerous. The most serious prank was stringing fence wire from the hardware stores along both sides of Garafaxa St. south of the Hahn corner. A conglomerate pile occupied the main corner, and outside of windows a conglomerate pile occupied the main corner, and outside of windows soaped and signs misplaced. Little other mischief was done.

Death of Mrs Don. McDonald

There died at her home on the 2nd of Bentinck, on Thursday night last, Mrs Annie McDonald, widow of the late Donald McDonald who passed away about twelve years ago. Deceased lady was 60 years of age, and for her the last call proved very sudden. Her son Carlyle lives across the road from the homestead, and while the mother occupied her own home, she was at her son's the evening of her death. She had occasion to go over to her home for some fruit and not returning shortly after, the daughter-in-law became anxious and on investigating found Mrs McDonald in her last sleep in her own home. It is thought a severe paralytic stroke brought in instant death.

Deceased was a daughter of the late Philip McIntosh, for many years Dornoch's postmaster, and has spent practically all her life in its vicinity. She was married about 27 years ago to her late husband and since her marriage, has occupied the same home. To them were born four children, one of the sons, John Ross, dying in 1910. The surviving children are: Daniel Carlyle, near home; Philip at Mulock and Miss Gladys, a milliner at Cornwall.

The late Mrs McDonald will be remembered for her kindness and neighborliness, and was a splendid housekeeper and manager. She was a member of the Mennonite church, which held services at Dornoch for a number of years.

The funeral was held on Sunday to Durham cemetery, many old friends and neighbors paying the last tribute of respect. Rev. Mr. Crickington of Mulock Baptist church had charge of the services at house and grave. The pall bearers were Messrs Donald McDonald, Sandy McDonald, Doug. McDonald, Donald McKechnie, Duncan McArthur, Angus McIntosh.

Those present from a distance at the funeral were: Miss Colena Campbell, Rockwood; Mrs Thos Campbell, Mrs Pollock, Mrs Blackey, all of Toronto; Mrs Fallaise, O. Sound; Mr Hugh McIntosh, Mrs John McIntosh and Mr and Mrs Bleach, all of Owen Sound.

A beautiful pillow of flowers from the family adorned the casket as did a spray from her grand daughter Hazel and other floral tributes from friends.

LEST WE FORGET

IN FLANDERS' FIELDS

By Colonel John McCrae

In Flanders' fields the poppies blow
Between the crosses, row on row,
That mark our place and in the sky
The larks still bravely singing fly,
Scarce heard amidst the guns below,
We are the dead, short days ago,
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders' Fields.

Take up our quarrel with the foe,
To you from falling hands we throw
The Torch—be yours to hold it high;
If ye break faith with us who die,
We shall not sleep the poppies grow
In Flanders' Fields.

I. O. D. E. Hold a Masquerade Party

"Double, Double, toil and trouble, Fire burn and cauldron bubble." The cauldron hung in place ready to bubble, but the toil and trouble end of the evening was conspicuous by its absence. Such was the joyous atmosphere that pervaded the home of Mrs Gilbert McKechnie on Friday evening last. The occasion was a Halloween festival put on by Mrs McKechnie and her committee of I. O. D. E. members, and which was one of the best planned and thought out events that has been in Durham for some time.

Of course it was ladies' night and the stunts and contests that were put through found the ladies ardent workers of the mystical. The ghost was in evidence at different times throughout the evening, and the cauldron and witch which are a necessary adjunct to any function saving oring of the hobgoblin variety, were also there, as was a teacup which who revealed uncanny revelations.

The spacious rooms were decorated in the Halloween colors, yellow and black, and the eerie lights and silent audience created an atmosphere that was apt to send chills along the spine of the timid.

But the costumes! Who were there? They came from all classes and phases of life: a French courtier of Louis XIV time; "Sarah Gamp," a link with the Dickensian times; full dress Indian maidens; the proverbial school girl; "Uncle Sam"; English court ladies; "Daffodil"; Klu Klux Klan; Sambo; clowns as well as several gentlemen? in sport and other costumes. A contest was arranged whereby each was to guess the identity of the other, and in this, Mrs J. H. Harding won the laurels for naming correctly 29 of the some 45 odd costumes.

Mrs W. H. Lauder as a clown, won a small favor as the most appropriate costume of the evening. A grand march of the characters was staged during the evening, at which the costumes were shown to the best advantage.

Lunch was served as the last stunt of the evening and in which all the characters knew how to participate.

Durham to Walkerton New Provincial Highway

In a speech at Watford last week, Hon. Geo. S. Henry, Minister of Highways, announced the taking over of 523 miles of County roads in Ontario as Provincial Highways. Among these is the 16 1/2 mile stretch from Durham to Walkerton and the 70 miles between Owen Sound and Barrie, via Collingwood.

The Ferguson government are strong promoters, offering reduced taxes, lower auto fees and more highways when an election is immediately ahead. We heard little of this during their three years in power, but it is now a campaign to attempt to overcome the opposition in towns and rural districts to the unpopular main plan of the Ferguson platform which he would force upon Ontario—Government Control or sale of liquor.

In this announcing that I will not be a candidate in South Grey in the general election on Dec. 1st next, I wish to sincerely thank all my friends in the riding who had given me warm assurance of support.

Very truly yours,
R. H. FORTUNE
