Fine Selection of Greeting Cards  
The Review is showing a line of attractive Christmas greeting cards. These, including the printing of your name and address and form of greeting, are available as low as \$2.00 a dozen. We invite your inspection. Our representative with samples will wait upon you, if desired.

Men's Club of Knox Meet  
The first regular meeting of the Men's Club of Knox United Church was a decided success, both from the point of attendance and enthusiasm. A sing song was followed by a very excellent address by Rev. W. H. Smith on "Secrets of Success." At the next meeting it was decided to have a debate on an interesting subject affecting this locality.

What of Durham Old Boys' Reunion?  
An Old Boys and Girls' Reunion in Durham was under discussion a couple of months ago and practically decided upon for next summer, but nothing further has been done. Owen Sound is holding an Old Home Week next year from July 1st to 9th and the Provisional Committee there has appointed Evan T. Macdonald, as permanent Secretary. The first week in July would be a most suitable time for Durham also as it is the 60th anniversary of Confederation and being quite close to Owen Sound one reunion should help the other.

Aberdeen Women's Institute  
The November meeting of the Aberdeen Women's Institute was held on Friday afternoon at the home of Miss McCormack, with an attendance of 21 members and visitors present. Mrs. J. P. McLean, the president, conducted the meeting. The program consisted of community singing; Mrs. Lamb gave a splendid paper on "Courtship"; Mrs. Herb Hopkins a helpful paper on "Character Building"; Miss Audrey Noble gave several selections on the violin. At the conclusion of the program, lunch was served by the hostess, assisted by several of the ladies present. The next meeting will be held on Dec. 17th, at 2 p.m., at the home of Mrs. Hugh McLean, when all are cordially invited.

Presbyterian W. M. S.  
The W. M. S. of the Presbyterian Church, held their regular meeting at the home of Mrs. J. H. Harding on Thursday last week with a large attendance. The meeting was opened by singing and prayer after which Mrs. W. J. McFadden took the Bible-reading. The minutes of last meeting were read and approved and the roll call answered by a verse on "Trust." Mrs. (Rev.) Armstrong took the topic on "Prayer," showing the wonderful power of prayer. To pray for our missionaries should be our main thought, and after ourselves and friends. Mrs. A. Derby spoke a few words about the value of our missionary paper "The Glad Tidings" and how every Presbyterian should read it to keep in touch with the missionaries and their work. Singing and all repeating the Lord's Prayer brought this successful meeting to a close.

Let no elector be deceived. A vote for Jamieson is a vote for Ferguson and Government sale of liquor.

Christmas Rates, Now On—15 photos for the dozen. Studio open every day till Christmas. F. W. KELSEY

Rev. Andrew Thomson, missionary home on furlough from North China, will speak in Knox Church, Sunday, Dec. 5th, at the morning service.

Trinity Church ladies will hold their annual bazaar on Saturday, Dec. 11th, of fancy work, as well as home made baking candy, etc. in the A. Y. P. A. rooms. Bazaar opens at 3 p.m. Afternoon tea will also be served.

Amongst the list of speakers for Dr. Jamieson in South Grey is the redoubtable Thos. H. Binns, who apparently is finding rest for the weary in his political feet in the atmosphere of Conservatism. Having now tried all three parties he will be an authority on their qualities, good and indifferent.

Prof. Katz is coming again on his rounds on Tuesday, Nov. 30th at the Hahn House, Durham. Dizziness, pain in the back of the neck, defective vision, cross eyes, relieved thru proper fitted glasses, advised thru Prof. Katz with cream trimmings and experienced opticians of today. He can help even when others fail.

Attractive New Home  
Mr. and Mrs. Howard Skales, (nee Jean Crawford), Mt. Forest, have moved into a pretty new home in that town. The house is built of red brick with cream trimmings and has a very attractive and modern appearance, with many windows and sun room. The grounds have been laid out attractively, and the whole property is a decided asset to Mt. Forest.

Women's Institute, Dec. 2nd  
The regular meeting of the Women's Institute will be held at the home of Mrs. J. A. Graham, Thursday, Dec. 2nd. Mrs. Thos. McGirr will give a talk on "Pioneer Days"; Mrs. S. Patterson on "Housekeeping events 50 years ago and at present." Exhibit of candies and cookies with recipes. Report of Provincial convention. Music by the choir. Everybody invited to attend.

Loss of Prominent Citizen  
One of Chesley's oldest and best known business men, passed away on Friday last week, in the person of M. A. Halliday. He has been an invalid for the past year or more, but in the days of health conducted a most successful conveying business. He was a member of the General Council of the United Church, and for 39 years was superintendent of Geneva Ch. Presbyterian Sunday School. He leaves a wife, a son, Dr. A. Halliday, Toronto and two daughters, Misses Alma and Fern, to mourn.

### THE ROLL CALL

WM. HAZLETT

On Sunday afternoon, Nov. 21st, about 3 p.m., there passed away in Allan Park, aged 52 years. The shock has come with cruel suddenness to the family, as his illness has been of short duration. Only on Saturday night, he was operated upon in Hanover Hospital, the trouble being an advanced case of pneumonia.

Deceased was born on the homestead which he occupied, and has lived there continuously. Some years ago he married Miss Freda Mahn, who with her three children, survive and mourn the loss of a kind husband and father. Also three sisters, morn, viz: Mrs. Wm. Adam, Mrs. Joe Ben Sharp and Mrs. Andrew Wilson, Durham. Another sister, Mrs. Alfred Redford of Durham, passed away recently.

The funeral took place Tuesday, from his late residence to Hanover cemetery.

### JOHN HARBOTTLE

Word came Monday to Mr. James Harbottle of town, that Mr. John Harbottle of Sault Ste. Marie, but formerly of Durham, had passed away. Deceased was about 70 years of age, and only this past summer, with his wife, enjoyed a two month trip to Durham and district, renewing old friendships. It is thought he died at the home of his son in Winnipeg, as only last week word was received by Mrs. Ab. Noble, from her sister, Mrs. Geo. Harbottle, that he had been paying them a visit. The sickness has evidently been of short duration.

Fourteen years ago last June, the family left Durham to reside at Sault Ste. Marie, and where all have prospered. He is survived by his wife, who was a Miss Falkingham of Durham, and four children, viz: George and Charles of Winnipeg; Lottie, Mrs. Harry McCoy and Ida, Mrs. McLeod, both of Sault Ste. Marie. A son John died five or six years ago.

When the Ferguson Gov't Control policy was announced, brewery and distillery stocks jumped several points. Now who expects to benefit?

F. R. OLIVER  
Temperance candidate in South Grey, opposing Dr. D. Jamieson, Conservative.

### To the Electors of South Grey:

At the Nominating in Markdale on Nov. 20th, the Hon. Dr. Jamieson argued that the Government did not propose to do away with the O. T. A. Hon. G. Howard Ferguson, leader of the same Government, said a few days ago: "If the O. T. A. remains on the statute books I don't want to be Premier of Ontario." From Ferguson's own words we must conclude he wants to do away with the O. T. A.

He further argued that since Prohibition in Dominion and Province was not perfect, we must cure the ills by abolishing it entirely, rather than moving forward by legislation to a perfect Prohibition. Reduced to common terms—if your roof leaks, take it off and keep it dry.

In the four Western provinces the people asked the Government to carry out their wishes, rather than the Government asking the people to approve of their policy. Dr. Jamieson inferred that these provinces went wet at the desire of the Government.

Great Credit was taken for the administration of the following: The Dept. of Health, Discovery of Serums; Mothers' Allowances; Cheaper Credit and the Agricultural Inquiry Committee. The Dept. of Health goes on Government to Government—each Government serving the people in the same way. Health didn't descend on us suddenly when Ferguson came into power. The Government didn't discover Serums. The Drury Gov't drafted the Mothers' Allowance Act. The Ferguson Gov't has but carried it on.

The Drury Government established Provincial Banks, paying 4 per cent on deposits with the purpose of creating a strong financial institution able to serve the people with long term loans at lower rates of interest. The Bankers' Association protested but the Government withstood them. Since Ferguson came to power the interest on deposits has been reduced from 4 per cent to 3 per cent and the whole scheme has been crippled. To lure the people into thinking that they, and not the Bankers' Association were being served, the wily Government reduced the interest on long term loans from 6 per cent to 5 1/2 per cent. The Ferguson Gov't has courted its own defeat and it shrinks from the inevitable verdict of rural voters by setting the election date when the roads are in the worst possible condition. December 1st may be stormy and the roads bad, but by careful organization every vote can be polled. Let us organize carefully that we may truly serve Ontario on Dec. 1st.

### Oliver Speaks in Durham Next Tuesday Night

The final gun in the campaign will be fired next Tuesday night in Durham Town Hall when F. R. Oliver, Temperance candidate in South Grey, will speak at 8 p.m. Everyone come. Musical selections.

If necessary for an overflow meeting, the lower hall will be seated.

### South Grey Papers Outspoken for the O. T. A.

An encouraging feature of the South Grey election campaign is the manner in which local newspapers in this riding, that are independent of Conservative leanings, are putting principle before party and coming out strongly against the Government sale of liquor policy advocated by Premier Ferguson and Dr. Jamieson. All honor to these journalists, let all true temperance workers, regardless of party affiliations, follow their example on Dec. 1st and vote against the present autocratic, unstable premier.

### The Markdale Standard Says:

"The liquor interests made use of by the politicians to eliminate Sir William Hearst, the father of the O. T. A., in 1919, and now they are making use of other politicians in an attempt to eliminate the O. T. A. The present movement is the direct result of the defeat of Sir William Hearst and his government in 1919. The Act has accomplished much good for the people of Ontario and should be continued in force. It's up to the supporters of the O. T. A. to see that it is sustained, and in so doing they must take the lead instead of following the lead of politicians."

### The Flesherton Advance says:

"You cannot decrease the sale of intoxicants, or put down bootlegging, by having the government establish liquor shops all over the land, thereby becoming partners of the brewers and distillers and vastly increasing the opportunities to provide drunkenness. As Hon. Mr. Nieke, who resigned from the Ferguson Gov't, because he could not stomach its surrender to the liquor makers, says: "The repeal of the Ontario Temperance Act and the establishment of government sale of liquors to all and sundry, would set back the progress of temperance for many years, which would be years of misery and degradation."

Let no one be misled. There can be no government control. Wherever the sale and distribution of intoxicants is established, there will come the evils of the traffic as night follows day, and the traffic requires to be fed by the sacrifice of the young as well as the old, otherwise there will be no profit in it. At what sacrifice to the welfare of a Province would a system of government sale be carried on?"

### The Dundalk Herald Says:

"Ferguson asks Ontario to go forward by backing up."  
"Oliver and Slack stand for better citizenship. They are not with the brewers and distillers. You know where to find them always."  
"The premier thinks he heads the real temperance party! Isn't it peculiar the brewers and distillers are thinking with him."

Gas in the auto tank and red rum in the driver's tank, will the government take the responsibility of the results? Spell red rum backwards and you have it!"

"What this country needs more than anything else is men that can reach conclusions based on intelligence and knowledge, not on ignorance and prejudice. Canada needs men that cannot be caught and held by the spider web of partyism nor blocked by the wall of selfishness and stupid precedent."

The Review repeats: "Let no one be misled! A vote for Jamieson is a vote for Ferguson and Government sale of liquor, with all its attendant evils, vastly in excess of those under the O. T. A."

Mark your ballot for Oliver, the only Temperance candidate in South Grey.

### PERSONAL MENTION

Mrs. J. H. Harding is in Chatsworth this Thursday examining Women's Institute work.

We are pleased to learn that Mrs. Thos. Moffatt has so improved, that she was taken to Owen Sound Saturday from Hamilton Hospital. Mr. and Mrs. Moffatt expect to leave shortly to spend the winter with their daughter in Wainwright, Alta.

In the list of Toronto voters who are opposed to the Ferguson Gov't, in the coming election, the name of A. A. Cattan will appear. In a letter to the Review, he says: "I am disgusted with the Ferguson Gov't and four votes from this house will be cast against his policy."

### CENTRAL TELEPHONE CLOSING AT 6 P.M. ELECTION NIGHT

The public are hereby notified that on election night, Dec. 1st, the Central Telephone Office will be closed at 6 p.m. In the past the crush on election night has hindered business and it is hoped the public will see the necessity of this move. If phone connection is wanted, the public pay stations are the proper channels to receive such.

### Sudden Death of Archie MacFarlane

Painful news reached the members of the MacFarlane family here last week that their youngest brother Archie had been called by death in Chicago. The following wire and letter from Mr. A. M. Whitmore was received on Friday last and it tells the sad story: "Your brother Archie died suddenly in hospital last night."

A letter since received from Mr. Whitmore says: "I had a nice chat with him in the bank shortly after lunch when he left for his residence. He felt sick, but his way there, but was able to reach home and went directly to his room. He grew worse during the afternoon when friends near called the hospital ambulance about 7 p.m. He was taken there but passed away at 9 p.m. same evening."

Deceased was a Durham boy, the youngest son of the late Robert MacFarlane, and was born here Jan. 4th, 1873. Here he received his education and entered the Standard Bank here under Mr. Kelly. He became a proficient in this business and served as Manager at Orono, Cannington and Brussels for a number of years.

His wife was Miss Mabel Edwards of Cannington. She died suddenly during the war, while he was overseas serving as paymaster in the 116th Battalion. He was five years in this service and one of the years in hospital in France and England.

Two daughters of this union survive as chief mourners: Marion, who expects to graduate from Queen's University next spring and Jean, Kindergarten teacher in Toronto. Others who mourn are his brothers, George of Toronto and Robert of Durham; sisters, Mrs. J. P. Hunter and Mrs. A. H. Jackson, both in Durham.

The family are deeply grateful to Mr. Whitmore and to Messrs W. K. and Geo. Young, (all Durham boys), who gave kindly ministrations and did all in their power to lighten his last hours.

The remains were sent to Cannington, where on Tuesday they were laid to rest beside his wife. The Review joins in the sympathy being extended to mourners here.

### Rink Co. Had Good Year

The annual meeting of the Durham Amusement Co. Limited, was held in the Rink last Thursday night, when owing to disagreeable weather, but a small crowd was present. The meeting adopted the financial report, showing 1925-1926 to have been the best of recent years. With the long winter and winning hockey team, the Company had record receipts for both skating and hockey, though with no curling, there was no revenue from this source.

The newly elected Board of Management is: President, Mayor J. N. Murdoch; Vice President, Ed Kress; Sec'y, W. S. Hunter; Treasurer, P. Ramage; Committee—H. J. Snell, E. D. McClocklin, Thos. Henderson, Jno. McGowan, J. A. Rowland, W. A. McGowan, W. J. McFadden.

### Weekly Papers a Unit in Support of O. T. A.

The Fergus News-Record editorially remarks:

"As the date of the election draws nearer, we are more and more gratified (and surprised) to see how nearly unanimous the weekly papers are in support of the O. T. A. We see a good many of them and there are Conservative journals among them, of course, as well as Independent. In no case have we seen a paper from a one-paper town openly support the policy of government sale of liquor. The Orangeville Sun remains the only one that strongly favors Ferguson's policy."

Not the only one, Bro. Templin. There's another—the Durham Chronicle—the only paper in South Grey, or Grey Co., which openly supports Jamieson, Ferguson and government sale of liquor.

### HEAR ELECTION RESULTS IN TOWN HALL

The U.F.O. Political Association have engaged the Town Hall for Election night, Wednesday, Dec. 1st, when the Provincial returns will be heard over a radio installed there. The South Grey returns will also be announced. Musical program. Admission 15c.

### Defend Government Control

Mrs. Emily Urquhart and Dr. L. G. Campbell, Markdale, assist Dr. D. Jamieson at Durham Meeting

A crowded Town Hall greeted the above speakers Wednesday night, when for nearly three hours splendid order prevailed to hear the pros and cons of the O. T. A. system versus the Government Control system of dispensing liquor.

We would like to go into detail as to statements given and remarks made but this late date forbids. Dr. Jamieson stated he thought this was the first time in his political experience that he held a political meeting in Durham to advance his own interests. He went into figures as to incomes and expenditures of the Ferguson Gov't and also of his work as chairman of the Agricultural Com.

Mrs. Urquhart, better known to Durhams as Emily Whelan, spoke for an hour, proving herself a pleasing speaker, though in several of her statements were loopholes, left open for attack.

Dr. Campbell said he has now spoken several times for the Dr. and declares that the Dr. has copied some of his speeches!

The Douglas family of Artemesia, were present and had an attentive hearing as they sang old time part songs.
