# South East Grey:

Once more South Grey has stood the acid test, upholding Temperance and Sobriety and recognizing the right of a rural riding to direct representation in the Legislature.

It was truly a great victory in which the people of all political affiliations forgot their party and voted for principle. The townships | did magnificently. The stormy day, the long polling hours and rough roads made the work very

The Conservatives all over the Riding, especially in towns and eastern townships demonstrated that they valued principle above party. Recognizing that I have been

elected by all shades of political opinion, my course in the Legislature shall be independent of parties and the toice of my constituency shall be my guiding star. Yours in Appreciation,

F. R. Oliver
