

# Distribute the Risk!

Dominion Government Bonds.

Provincial Government Bonds.

Municipal Bonds.

First Mortgages.

An Investment Trust distributes the risk.

Distribution of risk for investors is the bedrock of Investment Trust policy.

THE NATIONAL DEBENTURE CORPORATION, LIMITED, is an Investment Trust—among the first Investment Trusts of Canada.

THE NATIONAL DEBENTURE CORPORATION, LIMITED, has adapted British Investment Trust methods to Canadian requirements.

National Debenture Series "A" bonds are now being offered to the public in denominations of \$100, \$500 and \$1,000. The price is 100 and the interest is 5 1/2 per cent., payable twice a year.

The securities behind these bonds are four of the safest and best varieties—Dominion Government, Provincial Government and Municipal securities and approved first mortgages. It is expressly stipulated that the par value of such securities must always be \$105 for every \$100

worth of National Debenture Series "A" bonds issued. Of this \$105 at least \$55 par value must be in Government and Municipal securities. Up to \$50, but no more, may be in approved first mortgages.

Further, it is provided that all these securities must be deposited with a Trustee, The Trusts and Guarantee Co., Limited, Toronto, whose duty it is to examine and scrutinize them and see that the required proportions are constantly maintained.

Could anything be made more secure? First, there are three kinds of first class bonds, and then first mortgages. Secondly, there is the double assurance of Trustee supervision and examination. Thirdly, there is distribution of risk.

National Debenture Bonds yield 5 1/2 per cent.—a high yield and absolute safety for your investment. National Debenture Bonds combine the four securities named.

There are other attractive features in connection with this series "A" offering which will be glad to explain.

Write to-day for our new booklet, "The Investment Trust". It will provide you with interesting details. It is free.

For forty-three years, no bond recommended and sold by our organization has failed to pay principal and interest.

### A SOLID "DRY" CORNER

Have you noticed that South Grey is the centre of an area returning candidates against the Ferguson proposals? Well it is. Just look! Dufferin and West Simcoe, North and South Grey, North and South Bruce, North and South Huron, North Wellington. If it were not for North Perth, which is Conservative, another such area would be continued south west through South Perth, two Middlesexes and East Lambton.

### NO BYE ELECTIONS

None of the ministers who were elected at the recent elections, and no member of the legislature chosen for cabinet position within three months of the recent contest, needs to go to his constituents for reelection as used to be the case. An amendment to the Legislative Assembly Act, made at the last session of the Legislature and approved of generally, obviates this. There is no necessity, therefore, for fixing election dates unless an error is made by Dr. Jamieson is made, a— all departments of the government may go ahead without any concern as to that formality.

### THE FIGHT MUST GO ON

(The following lines were written by the editor of the Mt. Forest Confederate on election day, under the heading, "What will Ontario do?")  
"In good clear Mount Forest water here's to the frustration and downfall of those who would increase the use and sale of intoxicating beverages and make the citizens their own liquor vendors.  
Whatever the outcome the long struggle will have to be continued. The cause of prohibition will not lie down under defeat, nor be unduly elated with victory."

### SUMS UP MISS Mac PHAIL

(Petrolia Advertiser-Topic)  
Miss Agnes MacPhail, Canada's only woman member of Parliament, was given a splendid reception when she appeared in Petrolia for the first time on Monday night. Many attended to see what she would look like; others to hear what she had to say. The former found that she looked just like any other mortal, but it was when she gets into action that her personality shows itself. Miss MacPhail is an individualist. She cares nothing for party. She is witty, cynical, an idealist, sarcastic, and has a keen sense of humor. She is a crusader of a new idea—the elimination of partisanship from politics—and champions her cause with every weapon she can command. Her ideas are as pure as the snow, and soon they will be world wide. She herself says it may be in ten, twenty, perhaps fifty years, but the bald fact cannot be overlooked that we still live in a world impregnated with materialism and that instead of rivings ourselves up wholly to dreaming we must meet conditions as they exist. Evolution is a slow process and many brave hearts are broken before the seed of the pioneer bears fruit. When the world reaches the goal set by Miss MacPhail, selfishness will have disappeared from the face of the earth, men will delight in helping his brother man, service will be the watchword, and faith, hope and charity will have a new meaning.

## Here and There

Of the 20,000 harvesters who went west this summer over Canadian Pacific lines, 14,000 are known to have returned east, according to C. B. Foster, Passenger Traffic Manager, Canadian Pacific Railway, and it is thought that many others have returned, while several thousand are believed to have accepted positions in the west for the winter.

An indication of the increase in the value of effects being brought into Canada by settlers from the United States is shown in the latest report to the Department of Trade and Commerce. From April 1 to September 30, effects so classified were valued at \$3,129,333, as compared with \$2,666,467 in the same period last year, an increase of \$462,872.

A feature which will add greatly to the attractions of Vancouver, B.C., as a winter resort, to say nothing of increasing its summer allurements, will be the new golf course to be laid out there at a cost of \$120,000, exclusive of land. Work on the course will commence next spring. Fees will be merely nominal, fifty cents being charged for an 18-hole round, \$2.50 for a month's play and \$20 for a year. Play will be open to any member of the public.

Immigrants entering Canada during the 12 months ending October 31, 1924, totalled 134,189, as compared with 126,744 in the corresponding period of 1922-1923, according to the Department of Immigration and Colonization. These figures are more encouraging in view of the fact that the number of Canadians emigrating to the United States has to some extent decreased, while the number returning from the United States is on the increase, according to the department.

On November 29th, Hon. Marguerite Shaughnessy, daughter of the late Lord Shaughnessy, chairman of the Canadian Pacific Railway, performed the launching and christening ceremony at the Clydebank yards of John Brown and Co. when the new Canadian Pacific S.S. Princess Marguerite, named in her honor, was slipped into the water. The Princess Marguerite is the second of the two vessels recently ordered by the Canadian Pacific for the company's British Columbia coastal service.

Annie Miller, both of Dorking, England. He was the third son of a family of fifteen children, eight boys and seven girls. There is also one half brother. Of this number one sister and three brothers are yet living. While still in his teens he entered the cabinet trade in Washington village and when 21, he moved to Elma Township, Perth Co. There soon grew up where he settled a little village at first called Eldorado, but later Trowbridge, five miles from Listowel, now one of the finest towns in Western Ontario, but at that time only about four houses with a little post office, then called Mapleton.

Mr Cogens for several years followed his trade as a cabinet maker, undertaker and carpenter, but later branched into general storekeeping. He continued in Trowbridge as general merchant and postmaster till 1920, a period of 63 years. He was a good musician and singer and for years in the early days taught old-fashioned singing schools in villages and school houses. He was always prominent in church work. Before the days of organs he was precentor and later choir leader. He was a class leader, trustee and recording steward for many years and a Sunday School superintendent for 50 years without a break, and all of this in the same church, viz. Trowbridge United Church, formerly Methodist. In early manhood he married Elizabeth Mann, of Elma Tp., now deceased 15 years. They had a family of five girls and one son, Rev. T. W. Cogens, of London, Ont. They all survive, excepting one daughter, Jennie, who died in 1920. They are all very proud of their father and some of them will join the paragon folk here in the celebration of his birthday this week.

Mr Cogens is wonderfully preserved in health. His hearing is not as keen as formerly and lately his memory is failing, but he still can read easily and goes regularly to church twice every Sunday and to prayer-meeting on Wednesday, a life-long habit. He can be seen every day on the streets at Wheatley taking his constitutional walks. He still enjoys life, is cheerful, bright and happy and hopes to see a hundred.

## MULOCK

The first meeting of our young people's society, was held Tuesday evening of last week, when the attendance was very gratifying. A well arranged program was listened to with much interest and enjoyment. After the devotional exercises, minutes read and roll called, all answering to a read of scripture, Mr Clifford Adams read an interesting paper, dealing with a phase of Billy Sunday's Bible stories. Miss Catherine McLean gave an interesting and detailed account of the life of Jacob. Miss McLean's paper was followed by a character sketch of Joseph, given by Mr Geo. Brown. These papers were well given and as well as interesting, were educative and inspiring. Mr Harold Dunn favored the audience with a splendid recitation. Judging from the attendance at this meeting the attendance in the near future promises to be well worth while.

A twelve pound baby boy arrived at the home of Mr and Mrs Reginald Sharpe Wednesday of last week to help share the joys and sorrows of this life. Congratulations were given by Mr and Mrs Aaron Jacklin and family, with Mr Thos Oswald and family, were guests at the home of Mr and Mrs Geo. Brown Monday of this week.

We were pleased to have with us again Sunday, Mr Knechtel of Hanover, taking the services in the absence of Rev. H. Crickington. He was accompanied by Mr and Mrs. Weiber of the same town.

We were pleased to see Masters Cameron and Eddie McDougall back to school again after an absence of three weeks.

Mrs Ben Sharpe of Durham, is this week visiting her sister Mrs Will Adlam, and son Reginald Sharpe, here. Mrs Sarah McKechnie of Hamilton, is at present visiting her many friends here.

## WHY NOT THINK?

It's just a little thing to do.  
Just to think.  
Anyone, no matter who,  
Ought to think.  
Take a little time each day  
From the minutes thrown away.  
Spare it from your work or play.  
Stop and think.  
You will find that those who fail  
Do not think.  
Those who find themselves in jail  
Do not think.  
Half the trouble that we see,  
Trouble brewed for you and me,  
Probably would never be  
If we'd think!

### CRAWFORD

Christmas Tree, Tuesday, Dec. 21.  
Mr Dan Stinson, employee at Ball's Furniture Factory in Hanover, spent Sunday with his parents here.  
Mrs Sarah McKechnie of Hamilton is visiting at present with her many Crawford friends.  
Miss Edna McDougall is spending a few days holiday at the home of her brother Harry in Durham.  
Mr and Mrs Edgar Boyce and Beverly, spent a day recently with Mr. Russel Fiddis and sisters of Brant.  
Mrs Richard Boyce is staying at Mr Cliff Howell's, Durham, at present. We hope Mrs Howell, who recently underwent an operation in Durham Hospital will soon be well again.  
It is now Mr Farquhar R. Oliver, M.P.P., youngest member of the Legislature. His many supporters in this community wish to heartily congratulate him on his success and also the many electors in the Riding who put party aside and placed principle first.  
A number from here attended the Nomination held at Lamlash on Monday, Nov. 29th. By all reports the 1926 council gave a fine account of their work for the past year and all were returned to office by acclamation. Congratulations.
