## PRICEVILLE AND VICINITY

### HOPEVILLE

The monthly meeting of Women's Institute, will be held Wed., Dec. 8th, at the home of Mrs. Will Donald. The program will consist of reports of Toronto Convention by delegates, Miss Marie Wolsey and Mrs. Douglas Mitchell. Roll call--a Christmas recipe.

The annual meeting of Hopeville United W. M. S., was held at the home of Mrs. Sam Crawford, Dec. 2, with 22 ladies in attendance. Miss Lydia Spence is home from Toronto.

Miss Tena Christie went to Toronto last week to take a position. Mr. and Mrs. Art Scott are now settled on the old homestead where they intend to farm.

Mr. Alex McPhail spent a few days in Toronto a couple of weeks ago. Mrs. Saphrona Mathews returned home after spending a few weeks in Toronto.

Mrs. Frank McLean was operated upon for appendicitis last week and Nurse Russell is in attendance. Owing to the extreme cold Sunday, our church services were very sparsely attended.

Mrs. J. D. Storms and boys are visiting in Toronto. Mr. and Mrs. Jno. Sinclair recently visited her sister, Mrs. Robt. Renwick of Dromore.

Mr. Elmer Schmidt has returned to Port Loring for the winter. Practising for Christmas Trees is the occupation of the younger generation.

### SWINTON PARK

Everything is dry and cold around the Park since the election, as one would expect on account of the dry vote in those northern counties, Huron, Bruce, Dufferin and Grey. This will no doubt be a bootlegger's paradise and the pessimists tell us that Ontario is to be flooded with whiskey next summer. But it will surely do us no harm if we keep our mouth shut and that will be easy enough for the men. However South Grey is on the map in attractive colors for good as in September we elected for the third time the only lady M. P. in the Dominion. Then on Dec. 1st the trick was repeated by electing the boy. Very striking that both belong to the one school section, also both members of the Holdfast Club. The people of Artemesia are no doubt feeling very proud.

But in Proton there is also some rejoicing as Miss MacPhail started life in Proton and Mr. Oliver just across the townline--both descendants of pioneer stock. Now we hear that

the U.F.O. in Artemesia, owing to poor crops the past season, are talking of co-operating and making a specialty of raising M.P.s. We hope they make stick to the dry kind.

Wm Watson is this week going to Detroit, where he expects to spend the winter.

Gordon McLeod is assisting J. H. Richardson getting out logs. A good many are preparing for next year by having a supply of wood and coal on hand, while the evenings are spent as of yore around the old school stoves, when practice is going on for school entertainments--Boothville on the 14th and Swinton Park on the 17th, which will be in the form of a box social and held in the Orange Hall.

The following week a Christmas Tree entertainment will be held in both Salem and Swinton Park churches.

### ARTEMESIA SOUTH

Now that the smoke of battle has cleared away and we can look calmly at the results, we are bound to admit Ferguson certainly fooled the people. Another deduction one can make is that if there were more Greys and Bruce's, the temperance forces could have held the line.

No one can look at the South Grey vote and say that our people place party before principle. But rather when principle is in danger party ties are broken which is all as it should be.

Mr. Jas. Turner has gone to Toronto on a business trip.

School concerts and entertainments of various kinds are now in the process of making and soon the youthful performers will unfold their talents to audiences of relatives and friends.

Santa Claus is reported ill. A speedy recovery echo the voices of children everywhere.

Dominion House of Commons opens this week and the political eye of Canada will centre on the deliberations of her representatives.

King Winter has this country in his grip with the mercury below zero and a cold November wind blowing.

The newspapers of South Grey, deserve no small praise for last Wednesday's victory for the 'drys' in Grey County.

## IN DAYS OF YORE

### 25 YEARS AGO

From Review file, Dec. 5, 1901

Sunday last the seating in the Baptist Church was quite inadequate to accommodate the large number who were to hear the farewell sermon of Rev. W. McGregor.

The Furniture Factory on Monday last began using a hoarse steamboat whistle which at 5.45 awakes all but the soundest sleepers to life's activity.

The county council last week unanimously appointed a committee to secure all information as to cost of building, equipping and running a House of Refuge, they to report at the January session. From this unanimity and the Report of the Grand Jurors of late, the indications are that we are a measurable distance of having this benevolent institution established in our county.

The following officers were appointed by Grey Co. Old Boys at the organization meeting in Toronto recently:

Hon. Pres., Hon. D. Creighton, ex-M.P.; Hon. Jas. McRae, President--W. J. McFarland, Hon. Graham, J. H. McKnight, Dr. Gerald Hall, Thos. Wright, Rev. Alex Gilray; President--Seymour Corley; Vice Presidents, North Grey, Jackson L. Little; South Grey, F. S. Mearns; East Grey, Jas. A. Ellis; Secretary--W. Chadwick; Treasurer--Jas. McBride; Historian--Jas. A. Tucker; Director of Ceremonies--Lieut. Hildray York.

15 YEARS AGO  
From Review file, Dec. 7, 1911

Bob Scott of Durham, after disposing of "Paddy McKinley" purchased a good green pacer in "Maggie B." by Hal B. and local horsemen are hoping that he brings the race to Toronto Driving Club next Christmas week--Mail & Empire.

At the Methodist Parsonage, Durham, on Nov. 29th, 1911, by Rev. R. W. Vaiter Wright, B.D., Mr. Wm. Jacques to Miss Catherine Ritchie, both of Glenelg.

Mr. Jno. McAuliffe and family moved into their new home, the old Woodland home property this week.

Mr. Wells Whitaker of Owen Sound Collegiate came to town to see his brother Ted and his bride, recently of Yarna before they left to reside in Vancouver.

Mrs. Burnet and her daughters left last week for Toronto, having sold her property, and for the first time in almost 40 years, there is no Burnett in Upper Town, Durham. The business will still be carried on by the new proprietor, Mr. David McAuliffe.

A little over 30 years ago a young divinity student, Neil Campbell by name, long since ordained, was sent to supply for a small Presbyterian community on the borders of Egremont and Proton, and with a fine sense of the fitness of things, the members of St. Andrew's Church, of Swinton Park, decided to bring the past and present together, by inviting the one time student to preach the opening services in the new edifice and this was accomplished on Sunday last.

Dromore corr.: Mrs. Wm. Renwick, and family have left to take up their abode at Niagara Falls with their daughter Jean.

Holstein - Yeovil - Dromore staze changed hands Dec. 1st, when Mr. P. Serne, who has been on the route 29 years retired owing to failing health. His successor is Mr. Thos. Garson of Dromore.

The municipal pot is beginning to simmer in Egremont Tp. and an interesting election is promised. Dep. Reeve Philip, will we hear, oppose Reeve McArthur for the latter's seat which would give a close race. Presumably has been brought to bear upon Mr. Geo. Lothian to allow his name for deputy and should he so decide, his election could almost be ensured.
