"Business is just as good as we make it" is the answer of business leaders. And it is worth while to note that most big businesses owe much of their success and prestige to the steady use of Advertising.

How's Business?

ADVERTISING in the Review would help you to promote your business. It would attract new customers, retain the good will of old ones and increase public confidence in your store and service

ADVERTISING is simply salesmanship in the mass. It is an efficient, low-priced salesman. Investigate its merits.
