No Woman as Reeve in Grey

At the municipal elections Monday last no municipality in Grey, followed the example set by Tisdale Township, where a woman has been elected as Reeve. She is the first of her sex so honored in Ontario. However as women are serving in all sorts of offices from M.P. down, it may not be long before some of Grey Co's enterprising and public-spirited ladies find their way to the County Council.

Grey Co. boys win over \$20

Grey Co. boys demonstrated their ability to judge hogs in Toronto, by winning over \$20 in the competitions at the Educational Courses in Swine, held at the Union Stock Yards, Toronto. A report from T. S. Laid to rest on Friday

The last rites were said over all that was mortal of Mrs. Andrew Scott on Friday last from her late home. In the absence of deceased's pastor, Rev. J. E. Peters, Rev. W. H. Smith of Knox, spoke comforting words to the sorrowing daughter and relatives and the "falling asleep" of one, who in waking hours, had been a true follower of her Master, was a beautiful sentiment to retain in one's memory. The pall bearers were tried and true friends, viz: Thos. Ritchie, W. R. Watson, Wm. Nichol, John McGirr, Dr. Wolfe, Wm. Vollett, A. nephew of deceased lady, Mr. O. Duncan of Windsor, was present at funeral, as was also the grandson, Wm. Buchanan and wife of Holland Centre. Floral tributes spoke love for the departed and sympathy for the mourners, and came from a niece, Mrs. (Col.) G. C. Naismith and her daughter, Toronto; Wm and Mrs. McGirr; Wm and Mrs. Vollett; and the Ladies' Aid of Queen St. Church and a beautiful pillow "mother" from daughter and grandson, Mr. Buchanan. Messages of condolence also came from deceased's niece Ruby in Cleveland and from a cousin in Teeswater.

Improving the Herd

Mr. Wm. Bogle, south of town, last week, purchased in Owen Sound, a fine pure bred accredited Jersey cow to add to his dairy stock, as he now supplies milk for the McDonald dairy in town. He has now only five animals in his herd not pure bred. It is his intention to have his herd all registered stock, and later to secure the Provincial Inspector and have the herd accredited. It is comprised mainly of Holsteins and Jerseys.

Paisley Won

Opening O. H. A. Game

The first league hockey game of the season last Thursday night in Paisley, resulted in victory for the home team over Durham by 4 to 3. It was a hard game to lose, especially when two of the Paisley goals were accidentally scored by Durham sticks. The night and roads were fine and consequently about three dozen fans motored over with the team, to witness the first meet ever of these two towns on the ice.

Paisley has a real team, already in good condition and are probably as classy opponents as Durham will encounter in league games this season. Last week they trimmed Owen Sound Juniors 4-1 on Owen Sound ice. They work well together and have an outstanding defence in McArthur and G. Grant. The latter latter played with Weston last year and is as smooth a performer as any in these parts. On the whole, Durham, however, had a slight margin on the play and Paisley can thank J. McArthur, their 18 year old goalie, that they were not overwhelmed. With Elvidge of Durham, he was the star of the night, as he stopped 'em speedy and slow, high and low from all angles. Durham had three shots on net to Paisley's one, and Irving Elvidge, the local right winger, peppered most of them dead on the nets. He scored the first 1 min. after play opened on a long shot from near centre, which the goalie did not see and the last just before time, when he eluded the defence and fooled McArthur at close quarters. Bill Wilson, a Junior, made good in his first game in Senior ranks in place of Schutz and is a comer while the rest of the team also went well against their strongest rivals. Both teams played cleanly, the period scores being 1-1, 2-2, 4-3. Johnston of Palmerston refereed.

Durham: goal—E. McDonald; defence—A. Clements, W. Wilson; centre—C. McGirr; wings—C. Buschlen, I. Elvidge; subs—W. Snell, S. Rowe.

Paisley: goal—J. McArthur; defence—H. McArthur, G. Grant; centre—Prickard; wings—H. Grant, Marshall; subs—Cottrell, McKenzie.

Durham will be right into the building this year with a new Post Office and High School addition. Now if only an appropriation would come along from some benefactor for a new Town Hall.

High Sch. Addition by-Law Carried by 140 Majority

J. N. Murdock Remains Mayor

The municipal elections are over for another year and the Council slate will be as follows: Mayor—John M. Murdock; Reeve—Allan Bell (accl.); Council: Oliver Hunter, A. McClocklin, Robt. McLean, Thos. Henderson, Albert Noble, Arnold Noble—a likely looking bunch to guide the town through 1927 successfully.

The Public School Board Trustees elected were: Dr. D. B. Jamieson, Harvey Wilson, Robt. Aljoe. Elsewhere will be found the details of the voting and the others who also ran. The interest in the officials we believe was exceeded by the interest in the fate of the By-law for the High School addition. It carried by the handsome majority of 140, we believe more than its advocates expected. We frankly are pleased the town endorsed this move for more accommodation and hope every citizen will lend aid and influence to get it a-going as soon as possible.

No knockers now. Oliver Hunter a second time headed the poll with three figures in every ward. Mayor Murdock has the largest majority ever recorded in town—341, and we are sure he will take this compliment in appreciative spirit. Figures will tell the rest of the story.

HOME OF OVER 50 YEARS NOW STANDING BROKEN UP

The removal of a worthy family from any town at any time is a regrettable occurrence but when the home has been broken up through the intervention of Death, and a name that has been synonymous with honor and respect for over 50 years, has passed out of the town's civic life, the loss is more than momentary.

Such a loss came to Durham this week when the C. L. Grant homestead on Queen Street, is being taken over by W. R. Alder, Div. Road Supt. of the Good Roads Department for this district. While retaining the property, the Misses Grant have leased the home to the above gentleman indefinitely, feeling that in doing so, it will be for the general welfare of the property.

The Misses Grant left this Monday to return again to teaching duties in Toronto, while their sister, Mrs. Ralph Hayes (Kathleen) who has occupied the home all fall, also leaves this week to join her husband in Amory, Mississippi, U. S., where he has a successful chiropractic practice.

Thus as we have said, a link with the past has been broken in this new order of things and to the older generation more especially, is this link regrettable. Dr. J. F. Grant, the son, is however a worthy representative of the family in town, and we think we may safely add that his attachment for Durham and its people can be returned in full measure to him.

Rev. Caleb Harris, B.A., pastor of Hanover Baptist church for the past seven years, has accepted a call to Wentworth Baptist Church, Hamilton, and the resignation will take effect about the middle of January.

REEVE—Allan Bell (acclamation.)

ELECTION NOTES

Mayor Murdock is the "Tommy Church" of Durham, as regards the hold he has on its citizens.

We inadvertently omitted last week the name of Thos. Henderson in the list of councillors nominated and which we regretted. However we are glad he got there and all goes to show that "you can't keep a good man down."

Reeve Bell receiving the reeve ship by acclamation, has lost a lot of fun in not having a runner up.

Durham Council for 1927 is surely well assorted as to occupations, there being no "two of a kind" and are as follows: lumber merchant, undertaker, hardware merchant, carpenter, baker, garage man, cattle drover. The churches represented this year on the council board are only two: three Baptist and five United church.

Durham will be right into the building this year with a new Post Office and High School addition. Now if only an appropriation would come along from some benefactor for a new Town Hall.

\$25,000 Grant Passed for Durham's New Postoffice

We learn from Miss A. MacPhail, M.P., that the estimates for Durham Post Office, along with other appropriations, were passed through parliament on block. It will be remembered these were blocked last year by the hectic doings of Parliament and sudden adjournment. Now we hope it will be possible to get High School addition and Post Office going to make 1927 a busy summer. In both cases it will not be before they are needed.

Rocky Club make Presentation to F. R. Oliver, M.P.P.

A gala night in U.F.O. circles was held at the home of Mr Angus McArthur, north of town, Wednesday, when the Rocky U.F.Y.P.O. arranged a social night for the two members, and at which they presented F. R. Oliver, M.P.P. with a Parker Duofold pen and pencil. The crowd was large, somewhat over 100—and a real evening was on. Mr. Chas. Wepler, as President of the local Club announced the object of the gathering and called upon Miss Margaret McLean to read an address to the member elect, while Miss Dorcen Lawrence made the presentation. Mr. Oliver fittingly acknowledged the gift and with Miss MacPhail, who also spoke, expressed the gratification and pleasure they had and felt at the recent U.F.O. convention in Toronto, at seeing Rocky Club so active in debate and signally honored in having Mr Harold McKechnie chosen President. The Presidents of the three clubs of the district added a few words, as did Reeve Weir of Glenelg. The remainder of the evening was spent in dancing when many splinters were made from the back kitchen floor of the McArthur home.

Wiped Away from Hanover, 11-1

Hanover hockey team did not give the locals any serious argument on Monday night, Durham taking an easy 11-1 victory, in the first Senior Northern League game. Durham scored 3 in first period, 3 in second and Blum scored Hanover's lone counter at start of third, a shot McDonald wasn't prepared for. Then Durham followed with five more, Buschlen getting 3 of them in 4 min. It was Buschlen's night—he ran wild, scoring five goals and had other (Continued on Page 8)

Doubling the Arguments for Saving

ALL that can be said in favor of opening a savings account in the Standard Bank may be repeated with greater emphasis as regards a joint savings account. Joint accounts are primary for convenience of depositors, but where two people are bound together by common interests, the moral as well as the practical value of working together, planning their financial betterment with the aid of a joint bank account is clearly evident. The Standard Bank solicits your joint savings account.
