Bunessan Won 2nd Debate

Bunessan school was filled Wednesday evening last when most of the people of the section and a goodly number of young folk from Varney and nearby Clubs, were present to hear a very interesting debate between Varney and Bunessan Clubs, the subject being "Resolved that it is on the whole a greater advantage to the farmer to purchase his goods

from the local dealer rather than

from the dept. store through the mail

order system." Miss Velma Carter and Pat. Mac-Millan spoke very convincingly for the negative side, while Miss Florence McIlvride and Cecil Barber effectively brought out many good points for the local dealers. All speakers are to be congratulated on their platform presentation, Miss Carter doing exceptionally well. The judges -Miss E. MacCuaig, Messrs Harold McKechnie and Hector MacDonald, gave their decision in favor of the negative, which puts Bunessan against No. 7, Normanby, in the third round of debates.

A good program was listened to with rapt attention, consisting et community singing, violin and organ selections by Messrs Weppler, Mac-Keown and Macfarlane, a very pleasing duet and encore by Misses Petty, humorous readings by Margaret Wat son and Annabelle MacArthur, and a cornet solo by Mr James Leeson. short dialogue entitled "Mind your own business" was put on by eight members of the Bunessan Club. The program being over, tickets were then distributed for lunch, and a social balf-hour spent while everyone found their partners. After lunch was served, rousing cheers for both Clubs, and the National Anthem brought very enjoyable evening to a close.
