TOWN TOPICS

A dance will be held in the Town Hall, Durham, Friday, Feb. 18th. Music by Noble orchestra. Admission 75c.

Found, in Knox Church, last fall, a pair of gold rimmed spectacles. Finder may have same by paying for this local. Apply at Review Office.

A meeting of Durham Horticultural Society will be held in the I.O.D.E. room, at rear of Standard Bank at 5 p.m. on Tuesday, Feb. 22nd. Mrs. Henderson will give the report of the Annual Provincial Convention in Toronto. All members are requested to attend.

Both A. P. Mewhinney and M. A. McCallum, Liberal and Progressive members respectively for North and South Bruce, where there are election protest pending, have taken their seats in the House. It is understood that an election trial cannot be held while the Assembly is sitting.

North Huron to be Contested

Sheldon Bricker, co-operative shipper of Fordwich, is the U.F.O. candidate in the North Huron by-election for the seat occupied by the late J. W. King in the Dominion Parliament. Mr. Bricker was an unsuccessful candidate in the 1923 provincial election and won the nomination on the third ballot.

Bought Former Grant Home

Mr. Chas. Mortley of Latona, last week purchased the former Grant home in Upper Town, owned for the last four years by Mr. Wm. Jack. Mr. Jack intends returning to his farm in Glenelg, while Mr. and Mrs. Mortley will move in about the 1st of March. We welcome them as citizens.

Death of Toronto Engineer

A notable figure in Toronto's business circles, Edgar A. James, passed away last week end. Mr. James was of the firm of James, Proctor and Redfern, consulting engineers, and it was this firm which Durham Council engaged a couple of years ago to test the water springs in and about Durham as a possible source of supply for water works.

Radio Sets Must be Licensed

Durhamites who possess radio sets and who are not owners of licenses had better see to it that they secure the same if they do not want to pay a stiff fine. Warnings have been sent out by the Dominion Gov't that their inspectors are out on a drive and are going to make sure that all who have radio sets and are operating them must secure a license. The maximum fine is \$50 and costs, but the usual fine for the first offense is \$5 and costs, which means a total of \$8 or \$9.

Death of John McLaren

Word was received this week by Mr. J. F. Hunter of the death of his only surviving uncle, John McLaren, of Ridgewood, near Preston. He was about ninety years old and passed away on Sunday, interment taking place Tuesday at his home there. The deceased's wife was Mary Hunter, who died in Toronto twenty years ago. Two sons, Bryce in New York and Dan on the home farm and one daughter Lizzie, Mrs. J. K. Munro, survive him. The deceased was formerly in the hardware business in Mt. Forest. Mrs. J. H. Hunter is now the only surviving aunt or uncle of the Hunter brothers here.

Reception tendered Bridal Couple

A reception on Tuesday night, was tendered a bride and groom of last week, Mr and Mrs. Wes. Noble, at the home of her parents in Upper Town. Mr and Mrs. Dave Ritchie, when about 40 friends gathered to personally wish the young couple much joy and happiness in their new relationship. Dancing was enjoyed by those present to splendid music by a number of violinists—eleven in all, who if necessary could all do their share in supplying music for tripping feet. The violinists who did perform were Geo. Wiggins, Jno. Dunsmoor, Noble brothers and sister, Davey Burns, Joe Garrity, Mr. Harry Simpson in fine voices, also contributed some vocal numbers. A tasty lunch was served at the close.

Knox Church W. M. S. Meet

The W. M. S. of Knox United Church, met at the home of Mrs. T. E. Brown on Thursday, Feb. 10th, the President, Mrs. John Bell in the chair. After the opening devotional exercises, the Bible reading was given by Mrs. Thos. Allan and several ladies led in prayer. Some important business matters were discussed and the visitors' report—a very good

The "B" section of the Ladies' Aid of the Presbyterian Church, will hold a St. Patrick's six o'clock Supper in the basement of the church on Friday, March 18th. Admission 40c. Everybody welcome.

Feed Scarce in Sask.

In renewing his Review for 1927, Mr. Jas. Edge of Elbow, Sask. says that they have had a cold winter since Nov 15th and is still cold. There is a lot of snow and feed for stock is scarce. Quite a number of carloads of oats have been shipped in and some hay oats are selling at 62c.

The Baptist Choir, numbering about twenty in all, held an enjoyable tobogganing party Tuesday night on the hills of the Stone and Sand Co., south of the plant. There was no doubt in the minds of any that the sport was a grand appetite maker, and the lunch provided by Mr and Mrs. Pust at their home near by, was a welcome sight. The choir appreciate the hospitality of Mr and Mrs. Pust.

Bentick Farms Change Owners

A notable real estate deal was completed Monday of this week, when Wm. A. Livingstone sold his 110 acre farm at Livingstone's corner, on Durham Road, Bentick, to his neighbor, Chas. H. Reay. Mr. Reay already had 50 acres to the east of it, so now has 160 altogether. The latter sold his present farm on north side of Durham Road to Mr. Rex Lawrence and both get possession about the middle of March.

The Livingstone farm is one of the best in the locality and both buildings and land are in splendid shape. Since the primeval forest was cleared, it has always been in the possession of the Livingstone family and the present occupant has farmed there for thirty seven years, or all his married life. Mr. Livingstone has been a successful farmer too, having gone extensively into thoroughbred sheep raising, which Mr. Reay intends to continue. He is selling all stock, implements and furniture on March 1st.

It is with deep regret the Livingstones will leave their home: they are the last of the name now in that locality, but their family are now all away doing for themselves at Hamilton, Chicago, North Bay and elsewhere. The parents have decided to take life a little easier henceforth, and will spend the spring and summer visiting the members of their family and among other friends, and thence purpose to take up residence in either Durham or Hanover.

Mrs. Chas. Saunders Laid to Rest last Friday

The respect and love held by the late Mrs. Chas. Saunders was amply testified in the large gathering at her late home in lower town on Friday last, to see the last of one, who in her lifetime proved such a friend to others. Rev. J. E. Peters had charge of the services and from his comforting discourse the mourners drew much solace. Rev. W. H. Smith was also present and led in prayer.

Relatives and friends present from a distance were Walter Ball, Windsor; Mr and Mrs. M. Bigham, Mt. Forest; Mr and Mrs. W. Ball, of Durham; Mr and Mrs. R. J. Irwin, Toronto; Mr and Mrs. Wm. Burnett, Durham. V. reaths came from Miss Mary Saunders' fellow employees of the finishing room of Durham Furniture Co.; Mr and Mrs. R. E. Richardson, Mt. Forest; Mr and Mrs. John Thompson and family, Normanby.

The pall bearers that conveyed the remains to the last resting place were Messrs. Robt. McLean, R. E. Richardson, John Marshall, John Tobin, J. Long, Jas. Saunders.

The floral tributes were beautiful and besides a family pillow were sprays from Mrs. J. J. Thomson, Toronto; Mr and Mrs. M. Bigham, Mt. Forest; Mr and Mrs. Wes. Ball, of Durham; Mr and Mrs. R. J. Irwin, Toronto; Mr and Mrs. Wm. Burnett, Durham. V. reaths came from Miss Mary Saunders' fellow employees of the finishing room of Durham Furniture Co.; Mr and Mrs. R. E. Richardson, Mt. Forest; Mr and Mrs. John Thompson and family, Normanby.

CARD OF THANKS

Mr. Chas. Saunders and daughter Mary, wish through the medium of the Review, to express their warm thanks to all neighbors, friends and relatives who in any way showed sympathy, help and kindness in the death of our beloved wife and mother

7-0 Win in Wingham Pats Durham in N.H.L. Finals

In a game which was featured by good hockey throughout, Durham won the right to enter the finals of the Northern Hockey League. Although Durham had suffered a 5-4 reverse at home, they went over to win and with them were about sixty supporters. With the vocal and moral support given by such a body of rooters, it is doubtful if any team could fail to bring out a win.

The game was in charge of Dot Reid of Seaford and was very capably handled. The game was kept clean throughout by strict enforcement of the hockey code.

The first period opened at a fast pace. About 7 min. had elapsed when Elvidge went around Wingham's net and shoved the rubber post McGee. The second goal came when Wilson batted in Elvidge's rebound.

The second period saw Durham score four goals and thus saw up the old game. Buschlen slammed in a rebound for the third goal. Elvidge made it four when he lifted one over the prostrate McGee. Wilson got the fifth and McGirr flipped the sixth one shortly before the period ended.

The third period began with Wingham playing a four man offensive to get a goal. Durham's defence was too good however, and while they held Wingham scoreless, Elvidge took advantage of an opportunity and made the score 7-0.

For Durham there were no stars. Every man worked together to win and the score shows the result. Wingham's best man seemed to be McGee in goal. He handled dozens of shots from every angle and was only beaten from close in by the Durham puck-carriers. Myers and Howson looked good too but they failed to get their short passing game working properly. It was this attack which netted Wingham's five goals here.

The Durham players were extremely well pleased with the way they were treated by Wingham fans and players. The Wingham round, won by a score of 11-5, or a 6 goal lead, places Durham team's right in the final for the N.H.L. Senior championship. There are only four districts and Durham has already captured two of them. Listowel are now playing off home and home games with Paisley for the championship of their district and as Listowel won in Paisley Tuesday by 7 to 6, they are the probable district leaders.

Tavistock took the other district and they must play one semi final round with either Listowel or Paisley to be on an even footing with Durham. Tavistock is considered here to be the strongest team of the three, and thus Durham's most probable opponents in the two final games. Whether Durham will have the first game away or at home, is not yet decided, but the opening final will likely be next Friday, Feb. 25th.

Wingham Won the First Semi Final from Durham

Durham hockey team and fans were handed a rude jolt last Thursday night when Wingham team outscored and captured the first N. H. L. semi final by one goal, 5 to 1. In their district, Wingham had beaten out Kincardine and Ripley, but in O. H. A. games, they had taken second place to Palmerston and Listowel. As the Durham team and fans believe they are the equal of these latter towns in playing strength, they anticipated gaining the verdict over Wingham also.

The visitors however displayed as good hockey as they have shown this season, according to their manager, while Durham had an off night and couldn't get going properly except for the first half of the final period when they smothered the Wingham defence but could get only two shots past McGee in the nets. All the game Durham had the better of the play, but their shots almost invariably struck McGee's pads, and the locals were scarcely alert enough to be caught by stemming the rebounds. By actual count, Durham had 44 direct shots on the nets blocked by McGee, while Kress in Durham nets had but 11. McGee stopped 11 in 1st period, 12 in 2nd, and 21 in 3rd, while Kress turned aside 3 in 1st, 2 in 2nd and 6 in 3rd. Though five shots beat him, Kress played a strong game in Durham nets and was not responsible for the loss. All five were scored from close in shots or from scrambles in front of the nets, where he had slim chances to save.

Neither the local forward line nor defence played their usual game, but it was admitted Wingham attacked closely and gave them few op-

portunities to break away. Wingham had the trip developed to a nicety, to save sure goals. Buschlen was the chief victim in this regard, as Lockridge tumbled him twice and Armstrong boarded him when he had clear shots. Referee Ward of Harrison gave only 1 min. penalties for it, instead of the usual 2. The visitors were handed 5 penalties to Durham's 1, but Ward was lax in not benching more. His inefficiency cost Durham the game, as the visitors scored their 4th goal on an offside, and their last by a man who had been loafing when he took the pass. Brown was the visitors most dangerous man, but Lockridge and Howson were also strong, while McGee was a charmer in the nets, as almost every shot was directly at him and he turned aside dozens with little effort.

Wingham counted first when Brown batted in the puck in front of the net getting a pass from rear of nets. The prettiest goal of the night was the culmination of fast team play, Elvidge to Buschlen, to Elvidge in front of net and the score was tied. Patterson again put Wingham ahead, but Buschlen again tied it with a swift side shot. Armstrong put Wingham ahead 3-2, at (Continued on Page 4)

Knox St. Valentine Social a Pleasant Affair

The school room of Knox Church carried a festive air on Monday evening last, when St. Valentine was the honored saint in a social evening put on by the Ladies' Aid. The pasting seasons have placed a halo over the old saint's head that he did not wear in lifetime, and today there are few communities that do not in some way honor the 14th of February. To many traditions is everything, and today the exchange of heart tokens has made a recognized business of the manufacturers of these Valentine paperies.

Streamers of red hearts festooned the school room and as well a warm, heartlike atmosphere prevailed. Miss Margaret Hunter, as President of the Ladies' Aid, officiated as chairlady in the absence of Rev. Mr. Smith and if any comment might be made, acted as if to her, it were an every day affair. Community singing opened the evening's program, followed by a story of the origin of St. Valentine, by Miss Jean Hepburn. The Ritchie orchestra of Edge Hill supplied fine instrumental music on violins and guitar, as did also Messrs D. C. Town, B. Morlock, A. Clements and Mrs. Town on mandolin, guitar, ukulele and piano respectively. Two new soloists were Dr. Bell and Mrs. Will Lawrence who were warmly applauded while Misses Jessie Bell and Winnie Blyth and Mrs. W. Porter and Miss B. Stonehouse appeared in duet form. There was a folk dance by four girls under the tutelage of Miss F. Nichol, B. A. and this completed the first section of the program.

Valentine contests were arranged—one with Dr. Phillander (Chas. Lang) and his x-ray machine, which exposed the heart tendencies of his victims and so powerful was the machine that these tendencies ran from triplets to diamond rings!

Another contest was "The Battle of the Hearts" and of the five hearts to be shot at—Broken Heart, Faint Heart, Cold Heart, Warm Heart and Sweetheart, the latter proved the popular shot and was well riddled with bullets. Mr. Douglas Ewen was the top notch shooter for the latter event, Miss S. McDonald the low shot.

For the lunch period the men were secreted behind a curtain, showing only hands and feet and auctioned off by Dr. D. B. Jamieson, the ladies proving ready buyers. This was a great mirth producer, many of the men not realizing that such a high valuation was placed upon their heads.

The whole affair was well managed and the Ladies' Aid account is enriched by \$35 more.

New Electric car on C.N.R.

One of the new Diesell cars was put into use for the first time last Wednesday on the Durham-Kincardine run of the C.N.R. Crude oil is the fuel and both in fuel and labor costs it is much cheaper to operate than the steam trains, as a crew of only two is required. The new train leaves Durham in morning and returns at night, and will greatly reduce operating costs.

Motoring in February

Not in the memory of the oldest inhabitant in other years, would it have been possible to get through the snow drifts by motor car, in the early part of February, in this part of the country. However good main roads and little snow this winter have combined to allow cars to run freely from Durham west to Walkerton and on the Garafra to Mt. Forest and Owen Sound right along up until today, Wednesday, when the heavy snow fall will curb the traffic. On Tuesday night about fifteen cars got through safely with the hockey team to Wingham and back, via Walkerton and Teeswater, but Durham team and fans were fortunate it was not one night later. This has been an exceptional winter for freedom from storms and continued severe weather, and this month bids fair to go down in history as one of the mildest and calmest Februaries on record.

The Millinery Class under the auspices of Durham Women's Institute, is meeting in the I.O.D.E. room, and away to a good start with twenty ladies enrolled to become proficient in the art of trimming a hat. Mrs. Allan of Toronto is in charge.
