which would you rather do -CHOP WOOD or STRIKE A MATCH

It's men like the Kaiser that chop wood for the fun of it. Striking a match is so much easier! Kindling wood days are over for every man once he buys his wife a Perfection Oil Cook Stove. His biggest job in helping her to get the meal after that is to strike the match.

At the touch of a match to the wick the cooking begins. No sitting around, waiting for it to burn up. Meals are prepared in no time, and there's no waste of fuel!

Every good wife deserves a Perfection. New models now showing - moderate prices \$9.00 to \$170.00. Distributed in Canada by
