HOLSTEIN 1, SWINTON PARK 0

Holstein won their second game of the season Friday evening of last week when they defeated Swinton Park 1-0 in a closely contested game at the latter place. Holstein now are in second place but need to win their remaining games to hold it. The night was cold and a strong west wind blowing, nevertheless it was a good exhibition of soccer with both teams working the ball toward their opponent's goal by means of clever combination. The wind made the shooting erratic and many good tries went wide or high.

Swinton Park won the toss, Holstein having to play up against the wind and the sun in their eyes, which was a big disadvantage. But even against these odds they more than held their own and the forwards led by Captain Clements worked in time after time for shots on goal. The only goal of the game was scored in the first 10 min. by S. McKenzie on a shot that McMillan misjudged the ball bouncing over his head into the goal. Urged on by their success the forwards kept pressing and each one had shot on goal but McMillan made some brilliant saves.

Sw. Park were in close on several occasions but their attempts were broken up by the veterans Blyth and Gibson who played well together. Sw. Park played better football in the 2nd half and were unlucky not to tie up the score. At the other end

A number from here took in the Football match at S. Park last Friday and witnessed a close game. It was rather exciting when some of Holstein lads started to mix things with Murray Small, one of Swinton's husky half backs. Three to four may seem fair to a county constable but somehow or other it looked yellow to us.

A little girl arrived at the home of Mr. and Mrs. Harold Lawrence Sunday last.

Mrs. Martha Stephenson is improving slowly after her accident last week and expects to get up and around a little by the last of this week.

Mr. and Mrs. Jas. Geddes are spending this week with relatives in Durham.

There was a large crowd at the Softball game in Wm Leith's field on Monday evening. Holstein starting off at a fast clip and it appeared they would clean up again, but the locals improved and won out, the score being 19-20 in their favor. Holstein has a hard hitting team. All they lack is a good catcher. Why not give Jim a chance? Varney will play here next Tuesday ev'g, June 21st.

Mr. Jas. Lethian, disposed of his Ford and now drives a Durant. Jim goes to Owen Sound this week on the jury.

Mr. and Mrs. Thos Daly were at Pike Lake last week at a shower held for Mr. and Mrs. Page.

Mr. Robt. Davis who spent the past two months at the home of Thos. Moore, has returned home being rather indisposed and under the Dr's care, but is at present recuperating.

The friends and neighbors of Wm. Hunter spent an enjoyable evening at his home Friday.

HAMPDEN

An enjoyable gathering of ladies met at 'Bonnie View Farm' the home of Mrs. M. W. Byers, it being the monthly meeting of the Allan Park Women's Institute last Wednesday afternoon. About 30—both members and guests listened to an instructive program after the business part was over. A paper was read by Miss Vera Reay on the growing of lettuce, the 'King of salads' a duet by two of our musical young ladies from Allan Park and a recitation from Miss E. McLean. Then a bean guessing contest in which Miss Isabel Marshall won last prize, guessing about the exact number. The meeting closed with the national anthem and a social time was held while lunch was disposed of. Later all gathered on the spacious lawn to have a few snaps taken.

Despite the inclemency of the weather Thursday, a goodly number of ladies gathered at the church to meet the ladies from Hanover of the United church at their missionary meeting. An interesting talk and address was given by Mrs. Staples and with duets and solos a pleasant afternoon passed away and at the closing lunch was served in the basement.

Mr. and Miss M. Geddes spent a pleasant evening with Mr. and Mrs. G. Smith the end of last week. Mr. and Mrs. Noah Schenk were the guests of Mr. Albert McLaughlin early in the week. We were pleased to have members of the Whiteford family of Detroit among us again. They are calling on old friends and neighbors and taking in the wedding of Miss Elizabeth Hughes to Mr. Albert McDonald on Wednesday of this week. Mr. and Mrs. Menno Brusso visited with Mr. and Mrs. Wm. Seim recently. Mr. and Mrs. Albert Gerhardt and family spent the week end in Kitchener.

Graham of Campania, Arranarth Tp. and their daughter, Mrs. Geo. Beatty of the same township met their death. Three others, Wm. Graham, Jr. Mrs. Thos Burnside and Mrs. Beattie's 9 year old daughter Allen were more or less seriously injured.

Who wouldn't be a small-town merchant?

Buying only small stocks enables the small-town merchant to try out the novelties and new styles people are looking for — on which the margin of profit is greater than on staple lines. Hand-to-mouth buying keeps down the capital investment, and additional quantities or odd sizes can always be ordered by Long Distance.

Thanks to this method of conducting business retailers have never been able to show as many up-to-date styles as now.

By using Long Distance a small-town merchant with his low overhead expense can make his store the buying headquarters for a large surrounding territory.
