This year the committee in charge have engaged Bob Wilson, of Toronto, comedian, who with his assistant, will put on the entire program. The garden party was originally planned for July 7, but as Mr. Wilson could not be secured for July 7th and his nearest open date was July 5th, he has been secured for that date. All are cordially invited.

Allan Park Picnic
Quite a large crowd attended Allan Park U.F.O. picnic held last Friday in Clark Torry's bush, a mile south of Mulock. Fine weather prevailed and the program was first given with Auctioneer J. Aitken in the chair. Some disappointment was felt that all talent expected was not present, still there was a fine program. Addresses were given by Miss MacPhail M. P. and F. R. Oliver M. P. P., Rev. Mr. Crickington and Reeve D. J. McDonald: instrumental music by Mr. and Mrs. R. Lawson, songs by J. Aitken and Jas. Langrish, recitations by F. Schmitt and Irvine Sharp. After supper had been served two good baseball games were pulled off. In hardball Hutton Hill defeated S. Bentinck 7-0 and in softball between mixed teams, Knox, Normanby overcame Ebenezer by 8-6. A dancing platform provided the later evening enjoyment.

Heirs to Billions!
The following item is from a London paper of this week: "That the Edwards estate would be settled in the near future by J. Pressel, Port Huron genealogist, was indicated at a meeting of the heirs held Saturday in Foresters' Hall, London, when a unanimous vote of confidence in the former was taken. Heirs were present from Sarnia, Galt, Guelph, Toronto and London, under the chairmanship of J. McGuire president of the Toronto Association Edwards heirs. Howard Lett, president of the Sarnia Association, dwelt at length on the difficult work in tracing family trees. He illustrated his remarks with reference to a very long family tree some 30 feet in length which he had present for observation. Mr. Paynter of Guelph also spoke."
Mr. H. A. Falconer and sisters, Mrs. Joe. Moore and Mrs. John H. Moore, who are among the heirs of the Edwards estate, which, it is alleged, runs into billions, were unable to attend above meeting on account of the serious illness of Mr. Falconer. Here's hoping the illness will be of short duration and that their share of the estate may be generous.

Anniversary Services at Knox Largely Attended

Large congregations in Knox United Church on Sunday last greeted the distinguished preacher of the day, Rev. Wm. T. Gunn, D.D., Editor of the "United Church Record and Missionary Review." Of Missionary conditions in foreign fields he speaks with first hand knowledge, having just recently mixed with Indian missionaries and converts in "India's coral strand."

In the morning he pictured the conditions the missionaries had to face: illustrating by graphic touches the terrible bondage of mind the natives live under on account of the influence of the caste system. An instance he narrated we never heard before: at a drinking fountain there were three separate taps, labelled "For Hindus," "For Mohammedans," "For Europeans," and the two former classes would consider it sacrilege to drink from any but their own tap. Notwithstanding all difficulties the gospel cause is making progress owing to the earnest, self-denying spirit and teaching of the missionary.

In the evening, he based his remarks on "The Lord hath done great things for us, whereof we are glad." (Ps. 126: 3.) He applied the saying to the position of the United Church at this time, pointing out the many blessings that had followed the union giving abundant reason to be "glad." He pictured the position in home fields, especially in outlying portions of our own country. In the foreign fields progress was also the watchword and though occasional difficulties had been met with, these were gradually cleared away.

Both services were scholarly presentations and coming from the former Congregational head, were much appreciated.

A very important part of the anniversary function was the musical selections provided by the choir, who were out full strength and rendered spirited anthems morning and evening. At the evening service, Mrs. W. Lawrence rendered as well a fine solo. The choir also at this service, had as supporters, Messrs. Cotton and Robertson, tenor and baritone soloists from Penetang. They were prevented from being at the morning service by the downpour of rain early that morning. Mr. Robertson delighted the audience with his rich, deep bass in the solo "I heard the voice of Jesus say." Also in a duet, "Watchman, what of the Night" did the visiting soloists earn the appreciation of their audience.

OBITUARY

MRS. JOHN KINNEE

There passed away on Tuesday, at the home of her step son C. P. Kinnee, Mrs. John Kinnee, at the advanced age of 87 years. Few attain unto these years and retain their mentality as did Mrs. Kinnee and in the closing of her life chapter there can be said of her that she "fought the good fight and kept the faith to the end. She has been going down hill the past two years and the past two months bedfast. During this time she has had the best of care and attention from Mr. and Mrs. Kinnee.

Deceased's maiden name was Mary Anderson and was born in Armow, in Ireland, but emigrated to Canada when 2 years of age. The family settled near Minto, but as deceased grew up went to New York to reside with her brother who was in business there. 41 years ago she was married to Mr. Kinnee who predeceased her a number of years ago. Five step children survive her and will mourn the loss of a good mother—Mrs. Chas. Leavens, B. C.; Oscar, St. Catharines; Emerson, B. C.; Mrs. Young (Ethel) of Toronto and C. P., the well known harness maker in Durham. Also a half sister, Mrs. Speers of Schomberg will mourn.

Rev. Jas. Taylor of the Baptist Church conducted service at the son's house Wednesday evening and on Thursday morning the remains were taken to Elora where deceased will rest beside her husband. In the days of health and strength, deceased will be remembered as a splendid neighbor and friend and her passing breaks another link with early days and conditions.

JOHN A. McKECHNIE

There passed away last week end, in St. Joseph's Hospital, Port Arthur, John A. McKechnie, aged 47 years, son of the late Donald and Mrs. McKechnie of Priceville. Deceased has been sometime a sufferer from anaemia. The body was brought to Priceville for interment which took place on Tuesday. Messrs. Victor Smart and Hugh McKechnie (brother) accompanied the remains east. Mr. and Mrs. John A. Graham also attended the funeral. As we are promised a fuller write-up next week, we are merely giving space to the fact.

Inquest into Death of Alex. McDonald

Verdict "Accidental Death"

"We, your jury, find Alex McDonald came to his death through a collision between his own car and an 'Arrow' Motor bus on the afternoon of June 8th inst. We find the death accidental."

Such was the verdict rendered by the jury, composed of Dan McLean, Foreman; Wm. Brigham, John Snell, Ed. McClocklin, Arthur McClocklin, John Murdoch, Wm. Hill, Bert Willis, S. P. Saunders, Ab. Noble, at the inquest held on Tuesday over the death of Alex McDonald, near Varney, on the 8th inst.

Dr. D. B. Jamieson was the Coroner presiding. County Crown Attorney Dyer of Owen Sound, represented the Crown, while Mr. A. C. Pennington of Toronto, represented the inquest held on Tuesday over the death of Alex McDonald, near Varney, on the 8th inst.

The jury retired for about 15 minutes and brought in the verdict given above.

Amos and Knox, Normanby Extend Call to Pastor

Monday evening last at Dromore, the joint congregations of Amos and Knox, Normanby, met for the purpose of calling a pastor, after nearly 2 years' vacancy in the pulpit. A few other names were mentioned in connection with the call, but it appeared that almost a unanimous choice went to Rev. Mr. Purnell, who for the past five years has been pastor at Brooklyn, east of Toronto.

Rev. Mr. Purnell on three different occasions has preached at Amos and Knox with great acceptance and the congregations are looking forward to a settled pastorate. We understand Mr. Purnell is a Congregationalist in faith but due to the scarcity of ministerial supply in the Presbyterian Church at present, the General Assembly has given their consent to this procedure. A testimonial was read at the congregational meeting from a former charge of Mr. Purnell, testifying to his good work and also of Mrs. Purnell, who proved herself to be an indefatigable church worker. Their family is a daughter of about 20 years and a son of five. If the call is accepted, which in all likelihood it will, the induction ceremonies will take place early in July.

Durham Midgets Captured First Clash

Durham lads drew first blood in their opening O.A.L. lacrosse game here last Thursday, when Walkerton went under by an 8-3 score. The local lads, except for part of the third period, had the edge on the play, running in the first six goals. Then Walkerton took their three, making it closer, and Durham got the final two tallies. The Durham boys, though some were slightly nervous in their first game, showed the benefits of good coaching by Manager Ernest McDonald, who has been untiring in drilling the remnants of the game. There are several comers in the bunch and they should keep Durham in the forefront this season and in future years. In goal, Vank McKechnie performed like a professional, while Fred Murdoch was the class of the field. McElraith, Jamieson, Dean and J. D. Murdoch also put up a brilliant game, while Dicker was most effective around the nets scoring 3 of Durham's 8. The teams from goal out:

Durham: Earl McKechnie, B. D. Murdoch, Kenneth Wilson, Fred Murdoch, Norman McElraith, Dean Bolger, Becker. Subs—Hind, Goodchild.

Walkerton: Myer, Kaufman, Schurr, Benninger, Weiler, R. Bruder, W. Bruder, McCue, Reith, Dentinger, Subs—Disch, Crozier, Whalley. Referee: R. L. Saunders, Durham. Durham at Hanover at 10:30 a. m. July 1st, is the next scheduled contest.

Last Touches to big Rink Pageant June 28

Costumes alone worth Admission fee

The Senior Editor had the privilege of seeing a rehearsal of the big Diamond Jubilee Pageant in Durham Rink on Tuesday night. He was impressed with its broad scope. While it chiefly deals with the past 60 years it goes back to the Mound Builders, the Indian occupation and the French and early British periods as well. Mrs. (Dr.) Farewell, as a trainer is brilliant, and the costumes and decorations, which of course we did not see will on Tuesday night next make the Rink a bad place to stay away from. Why, it will be worth the money to see Queen Victoria graciously receiving the grand charter from Sir John A. McDonald, and witness the dignity that can sit on Durham's young citizens while an old man represents the Fathers of Confederation. Over 150 characters before the people, as well as the singing by the massed school children.

You will be sorry once and that will be all the time if the biggest patriotic endeavor Durham has ever seen, will not find you as one of the audience.

Honor the Day! Honor the I. O. D. E.! They do not hope to gain financially by this Pageant, but rather mark this occasion in Canada's history, in such a manner that it will stand as a beacon light and milestone in Canada's pathway of progress.

Presentation and Kindly Words to Retiring Pastor

The annual meeting of Queen St. United Church was held on Tuesday evening, with a good attendance. The pastor, Rev. J. E. Peters, of his Ministry during his four years now being completed here.

On behalf of the Board and congregation, Mr. Arthur McClocklin presented Mr. Peters with a well-filled wallet and a number of other mementoes of appreciation. Lunch was served by the ladies, closing a most harmonious farewell gathering.

Rev. Mr. Peters will preach his farewell services next Sunday, and on Wednesday leaves for his new charge at Meaford. The evening service next Sunday in Knox Church, and pastor might attend the farewell service in the sister Queen Street Church.

Beneficent action of Arrow Coach Lines Co.

At the inquest Tuesday, regarding the death of Alex McDonald, the jury exonerated the driver of the Arrow Coach Lines Ltd. motor coach, and brought in the verdict of accidental death. Barrister Pennington representing the Arrow Co. however, that evening visited Mrs. McDonald and explained that while they were not held liable, one of their coaches was indirectly responsible for her husband's death which had brought upon her and other relatives much sorrow and suffering. While they could do little to alleviate this, they desired to show some tangible sympathy and enquired as to the amount of expense his death and burial had caused. Mrs. McDonald suggested it might be \$300 or \$400, whereupon Mr. Pennington wrote out and presented her with a check for \$300.00, on behalf of the Arrow Coach Lines.

Saturday last, Chas. Schafer Jr. of Dornoch underwent at Durham Hospital an operation for appendicitis. On Wednesday of this week, daughters of Geo. Lewis, Normanby and Mr. Pedlar, Flesherton, had their tonsils removed at hospital by Dr. D. B. Jamieson.

Passing of John Ray, Well Known Glen's Reside it

About 1:45 p. m. Saturday afternoon last the summons came to Mr. John Ray, who resided on the 2nd east, Glenelg, east of Dornoch. He had been afflicted with heart trouble for years, but being always an active man, he was around at work until February of this year, when he was bedfast for a month. Three weeks ago his condition again became critical, drowsy having set in and he died in his 79th year.

Deceased was born at Eldon, Victoria County and was one of a family of ten children born to the late Mr. and Mrs. Colin Ray, of whom only two now survive: Donald and Mrs. Conlon (Flora) in Toronto. When John was five years of age, the family removed to Egremont Township, near Cedarville. Forty three years ago in Mt. Forest, he wedded Jessie Campbell, who survives him and they first resided at Aurora, north of Toronto. Thence they removed to Proton, near Sinton Park, and the past 25 years have lived near Dornoch, eight years on the Gravel Road and seventeen at the present home on the 2nd east, Glenelg. To them were born five children, four surviving: Isabel, in Durham; Colin on the farm south of Dornoch; Donald, near Paisley and John on the home farm in Glenelg. Another son Donald died in infancy.

The deceased in his younger days was an expert axeman and for some time worked on the building of the C. P. R. transcontinental railroad, near Port Arthur. In his home life, he was most devoted to his family, and was a valued neighbor and friend in whatever locality he resided. In religion he was a Presbyterian, being a member of Latona Church, Dornoch.

His pastor, Rev. Mr. McWilliam had charge of the funeral service on Monday, a very large number of old friends and neighbors being present to pay the last tribute. A beautiful pillow from the family reposed on the casket. The remains were laid to rest in Latona cemetery. Those from a distance attending the funeral were: Mrs. Conlon and Donald Ray, Toronto, sister and bro-

ther; Duncan Campbell and two sons Lions Head; Dugald Campbell and daughter Mrs. Jack and husband and Mr. Ellis, Hopeville; Roy and Mrs. MacNalty, Alex. and Mrs. Richardson and son, Sinton Park; Mr. and Mrs. James Hooper and David Jr., Dromore; Mr. and Mrs. James Wilson of Boothville; Mr. and Mrs. Alex. Campbell, Mr. and Mrs. Thos. Snath, Mr. and Mrs. Heber Jackson, Chesley; Mr. and Mrs. Donald Ray and Mrs. Luttrell, Paisley; besides many from in and around Durham.

To the bereaved widow and family the sincere sympathy of the community is extended.

Noted Musician, Wm. Konold Passes at Advanced Age

There passed away on Thursday, 16th June, a noted personage, William Konold, one of the best known men in South Grey, Mount Forest, Arthur and other places. He had reached the great age of nearly 95 years and was bedfast only about 10 days, being tenderly cared for by son Otto and grand daughter, Mrs. John Stonehouse.

"Professor Konold" as he was generally known, was born in Germany, was, we believe, educated for the church, but in young manhood left for the new world, conditions in his native country at the time not appealing to the well educated young man. Over 60 years ago he lived for a time in Egremont Tp. but for nearly 50 years his home has been on the gravel road, Glenelg, 3 1/2 miles west of Priceville.

His wife died many years ago. To them were born eight sons and one daughter: William, Alfred, Rudolph, Gustave, Victor, Armina, Daniel, Otto. The daughter Elia, became Mrs. Stevens and lives in Vancouver. The others are in the West except Otto, at whose home he died. Alfred wife and son, were home from Colorado for the funeral Tuesday.

All who knew deceased, think of him first as a musician. He was intensely musical in his part of his early training had been broad and thorough. Before coming to Ontario he had taught and led bands in Montreal and some parts of the States. He taught Durham band for a few years, and gave private lessons on piano and violin in hundreds of homes in South Grey and North Wellington. He was an authority in music, was steeped in the subject, in theory and practice, and by this will be remembered.

He was more than musician however—he was intelligent to a degree, and it was a treat to hear him give his opinions on political matters at home and abroad. He was an admirer of the Socialist party in Germany, but was ever a loyal British subject.

Interment took place on Saturday last to Ebenezer cemetery. Rev. A. and of Dundalk, conducted mortuary services, and the pall-bearers were Malcolm McInnis, Thos. McKeown, Ford garage, will sell this, and it D. Smellie, John McKechnie, Duncan desired, my own residence adjacent Sinclair, Thos. Tucker, all old neighbors, all reasonably. Apply W. D.
