Egremont Old Boys' and Girls' Picnic in Toronto JUNE 25th, 1927 Egremont Old Boys' and Girls' held their sixth annual picnic in High Park Grounds this year again in Area 12, on the afternoon of Saturday, June 25th next. Over 250 picnickers were in attendance last year and enjoyed a social reunion, as well as good program of sports and an excellent supper. We expect all interested to take this announcement as an invitation to come to meet old friends again and help spend a pleasant afternoon. Keep the date, June 25th open. Enter from Bloor St. and follow the eastern driveway to grounds. "No Holstein Women will bob their hair" reads a heading in a local daily. We were stunned and at once interested in learning why and wherefore, only to discover it was Holstein, Germany and not Ontario. It had reference to. It says: "The north German state of Holstein holds a unique record in that there is not a bobbed head to be found among its native women. The Holstein women, who are famous for their beauty, pride themselves on their thick blond or brown tresses. Even the girls of school age wear long braids and object to cutting off what they are taught is woman's crowning glory. The women are up to the minute in other fashions, such as short skirts and silk stockings, and they subscribe to fashion journals as avidly as do their sisters in rest of Germany."

HOLSTEIN 2, AYTON 0  
Holstein won their return game with Ayton in Ayton last Friday evening by the score of 2-0 and strengthened their chance of second place. They still need one point in their remaining two games, to clinch second place and qualify them to enter the intermediate play-offs. The game was witnessed by a good sized crowd and was stubbornly fought by both teams. The first score of the evening came in the last period with 6 min. to go when Clements scored on a beautiful shot from a pass from Eccles. At the start of play Holstein pressed continually for the first 5 min. but were unable to score. Szembre making some fine stops. From then on the play ranged from goal to goal. Sturzback was in close for Ayton but kicked over the bar. Seim grazed the

YEOVIL The longest day of 1927! and now we enter the summer season! How quickly the days slip by and the year rolls round! Our enthusiastic W. I. members are entertaining today at their District Annual in Holstein. Mrs Jas. Wilson is the guest of her daughter, Mrs Watson, Woodbridge. Miss Willa Hockridge, Toronto, is visiting her friend, Miss Katherine McLean. Those from our vicinity who attended the laying of the corner stone of Our United Church, speak with appreciation of the afternoon's service and ceremony. Mr H. Reid recently visited his granddaughter, Mrs A. McVicar, of Hopeville. Rev Mr McCulloch, Toronto, and Dr. T. Urquhart, who is home from South America for his holidays, are visiting the latter's sister, Mrs F. Reid. Mr and Mrs T. Welpshire and son recently visited at W. J. Reid's. Mr and Mrs L. Chapman of Oakville, have returned home after visiting Mr H. Reid, Mrs T. Ellis and other relatives. Miss Edna Fernley returned to Toronto on Saturday after spending three weeks with her friend, Miss Mabel Hopkins. Mr Chas. Haas and Miss Kurtz accompanied Mr and Mrs Oswald from Hillman, Mich., and spent part of last week with relatives here.

NORTH EGREMONT Mr Wallace Hooper, employed with the Massey Harris Company, Toronto, spent over the week end at his home here. Mr and Mrs Jos. Patterson are now staying for awhile with their son Palmer. Mr Patterson is improving very slowly. Mr W. W. Ramage spent over the week end with relatives in Harrisonville. The celebration of the Battle of the Boyne will be held in Markdale, on the 12th July. Let's go. Mrs Elizabeth Teft and son Ivan of Toronto, motored up last week to Mr David Hooper's. Mrs Teft will remain for a couple of weeks. Master Elnore Scott, son of Mr F. Scott, has been quite sick and under the Dr's care the past week. Mr Thos. Daly, agent for the Watkins products for Egremont and Proton, intends starting out this week. We advise Tom to keep one eye on the dogs while up around Swinton Park, or have an extra pair of eyes on hand. At a combined meeting of Amos and Knox, Normandy congregations, on Monday evening, they decided to extend a call to Rev. Mr Purnell.

The Logical Choice of the Two-Car Family THERE are many reasons for the choice of Chevrolet in the two-car home — its dependability in all weathers and under all conditions — its quick response, ease in handling, and its irresistible beauty appealing to the finer tastes. The many improvements first introduced in low-priced cars by Chevrolet and the striking beauty of design and color make it a car worthy of service to those who also own the costliest of cars. More and more the owners of big cars are now turning to Chevrolet for a second car. History with its Fisher-built Body—its Duo color system of mechanical refinements including oil filter, air cleaner and many others — is selling at new, low prices, the lowest for which Chevrolet has ever been sold in Canada.
