A large Guelph car, belonging to a Mr. Hays of that city ran amuck at a telegraph pole below Varney on Sunday, which resulted in a severe shaking up for all the occupants. Succeeds R. B. Burns

Mr J. H. McQuarrie of Toronto, formerly of Haliburton, is in town this week being installed into the office and duties formerly held by R. B. Burns. We wish him all success, in this, to him, new sphere. He comes with several years experience and is well spoken of.

Splendid Edition

The Owen Sound Sun Times published an "Old Home Week" edition of great merit both as to illustrations and reading matter. The Mt. Forest Confederate and Flesherston Advance indulged in an illustrated cover in addition to Jubilee matter. The Confederation is celebrating its Silver Jubilee with much reminiscent matter of 1867 and since.

A Death of Refreshments

The scorching heat of last week resulted in some of the local restaurants in completely selling out their stock of pop, cold drinks, ice cream, etc. To make matters worse, they were unable to add to the supply on Friday for several hours, as all refreshments were shipped through to places holding celebrations in order to cool the blood of the celebrants.

Exciting Games of Ball

The final baseball game of the six team league—Rocky, Edge Hill, Welbeck, Ebenezer, No. 7, Normanby and Dornoch.—was staged at Ebenezer on Tuesday night and much excitement reigned. The game was between Dornoch and Ebenezer and as the score stood Dornoch 15, Ebenezer 16, there was cause for excitement. But at the previous game between these teams on Saturday night at Dornoch, Dornoch won out by 4 runs, so they are ahead on the round and play off in the finals at the Farm Youth Rally in Flesherston on Friday, July 8th.

The regular monthly and social work meeting of the Y.W.A. of Knox Church, was held at the home of Miss Margaret Edge, Monday evening, July 4th, when a large number of the members were present. At an appropriate time in the evening the secretary gave a short address, stating that the girls having wished to show their appreciation of the usefulness and untiring efforts on the part of their President, to whom a large amount of credit for the success of the organization was due, wished her to accept a Life Membership. Miss Margaret Edge then presented Mrs. Catton with the certificate and brooch. Mrs. Catton who was taken entirely by surprise made a fitting reply. At the close of the meeting Miss Edge served lunch.

Union Services in United Churches

For two months union services will be held in Knox and Queen St. United churches. Rev. H. S. Fiddis, who preached his opening sermons in Queen St. Sunday, left this week with his family to holiday for a month at Lake Erie. He will return August 4th. Rev. W. H. Smith will preach the next four Sundays in July, next Sunday a. m. in Knox Church and p. m. in Queen St. Rev. Mr. Fiddis will be in charge in August.

Tropical Heat

For three days last week the thermometer was reaching for the 90's, and humans simply wilted. By Sunday however a welcome drop took place to nearly 40 and frost was just avoided. It has been fine since and getting a little warmer and a steadier temperature.

Showered in London

In compliment to Miss Christine McKinnon of Priceville, whose marriage takes place shortly, Miss Edith Chatti, John S., London, entertained recently at a miscellaneous shower. The guest of honor was the recipient of many pretty gifts presented in novel fashion. Dainty refreshments were served by the hostess at a table centred with a wedding cake and miniature bride.

Rocky Garden Party

Burns Presbyterian Church, Rocky Saugeen held their annual garden party on the grounds of Mr Donald Stewart, 2nd con, Bentinck, on Tuesday evening last, July 5th. The weather while fine overhead, was also of that cold brand that does not find favor with garden party people, and hot tea rather than ice cream was the popular refreshment. There was a good crowd present to hear the two entertainers the committee had provided—"Bob" Wilson, comedian and Miss Grace Bonnick, monologue artist. Both are experienced performers on the road and their numbers were well received. A splendid supper served and provided by the ladies of the church greeted all on coming into the grounds and at the close of program, many again took advantage of the superb dance of eats. \$120 was made at the gate.

Three New Teachers on Staff

Three Durham girls have been engaged by Durham Public School Board to fill vacancies on the staff, commencing duties in September. These are Miss Kathleen Firth, recently teacher at Rocky Saugeen, who takes the Third Book class room, vacated by Miss Sadie McDonald; Miss Daisy Mather, recently of S. S. No. 1, Normanby and Miss Florence Kress, recently of Mulock, who take the places of Misses Edna Browning and Donald McEachern. All have been successful teachers in rural schools and hold Normal certificates. The other five of the staff—Principal Graham, Misses M. Morton, C. McCrae, J. Withun and L. Schaefer have all been re-engaged. The staff from Mr. Graham down have been doing excellent work as evidenced by the large Entrance honor and pass list and few failures in room to room promotions.

Council session to be one of the slackest ever held.

The Co. rate had been raised from 7 1/2 to 8 mills. 3 mills was for general rate and 3 for County Good Roads. This year Durham receives \$787.50 back in urban grant. He desired paying preparations commenced this year on Lambton St. by the County, but no grant is returned to town in any year paving is proceeding. At November session, an agreement to start this paving next spring will in all likelihood be drawn up. When pavement is completed, any amount of grant returned which is not required for maintenance of paved highway, may be used in keeping streets leading to paved road in repair.

Mrs. Jas. Matthews Passes at Good Age

At one o'clock Saturday morning, July 2, the last call came to Mrs Jas Matthews, north Countess St., Durham, from a heart weakness that for 14 months has kept her in indifferent health, though generally able to be around the house. Four weeks ago she was taken to the hospital here, but skilled attention and loving friends failed to ward off the fatal stroke and she died as above. Deceased had reached her 86th year, born in 1842, in Fermanagh Co., Ireland. At the age of ten years she came with her family to Canada, settling in Egremont, where in young womanhood she met and married James Matthews, who predeceased her by about five years.

To this couple were born four sons and four daughters, of whom Robert, the eldest son died about four years ago and Wm. who died suddenly in the West not long before. A daughter, Manda, Mrs Wm Merchants, died 20 years ago. The survivors are: James, for many years afflicted with blindness, who has bene her mother's constant companion and guardian angel; Jas. M., near Markdale; Earl, in Egremont; Ellen Margaret, (Mrs Schenk), Egremont; Sarah Ann, (Mrs Matt Hooper), Egremont. Mrs Matthews was formerly Miss Margaret Morrison, one of a large family. Mrs Geo Hepburn in town is a sister, as is Mrs Geo. Neil, of Regina. Brothers are Richard, at Barber's Corners, Wm and James, in Grenfell, Sask.; Geo. in Medicine Hat.

Fourteen years ago they moved to Durham and were ever respected citizens. Much sympathy is felt for the mourners, especially for Jane, who has lost her best friend and companion. Service was held in the Anglican Church of which she was a member, on Monday last, the new rector, Rev. Mr. Hayes, conducting appropriate services. Interment took place to the family plot in Maplewood cemetery, the pall bearers being James M. and Earl Matthews; sons-in-law M. Hooper, A. Merchant, Henry Schenk; grandson Milford Matthews.

CLARENCE STAPLES

There passed away on Monday, July 4th, at Gravenhurst Sanatorium, Clarence Staples, youngest son of the late James and Mrs. Staples of Markdale and formerly of Edge Hill. Deceased has been a patient in this institution for the past three years, and while at times he appeared to rally, the inroads of the disease had gained too strong a hold and he passed away at 3 p. m. on above date. Previous to going to Gravenhurst, he was employed at the C. N. R. station at Smiths Falls. It was in this town where he met his wife, Miss Bertha Snow, and who passed away shortly after his going to the Sanatorium. Two young sons were left behind, one surviving and living with his grandmother at Smiths Falls. There are also two brothers and two sisters left to mourn, viz: Fred, of Edge Hill; Annie, Mrs Alton; George of Calgary; Ada, Mrs Burnside, North Bay.

Clarence was a native of Edge Hill

where his boyhood was spent and his passing calls forth much regret from his schoolmates and friends in that section and sympathize with his mother in Markdale, herself in a poor state of health. The remains were taken to Smiths Falls where on Thursday interment will be made in cemetery there beside his wife.

Hanover Won Exhibition

The scheduled league lacrosse game between Hanover and Durham Midlets played in Hanover last Friday morning in the sweltering heat was won by the homesters 8-2. As Hanover played boys over age, including one chap of 18 summers, the game is being thrown out, and will not be replayed unless it effects the standing at close of season. Durham lads held the home bunch well the first half, the score being 2-2 at quarter and 3-2 at half time, but they blew up in the third frame.

Emergencies can be immediately met by the bank account that has been consistently developed. Your investment, as such, yields regular returns in interest. Your investment as a bank account yields constant satisfaction and peace of mind in the fact that it is always ready for other uses without the trouble of converting into cash.
