The property of the late Sarah Craig was sold at the sale on Saturday to Mr. John Aldred, the consideration being \$500. Her effects also came under the hammer of Auctioneer O'Neil, who is a whirlwind at the business.

Disturbed Meeting
For disturbing a religious meeting conducted by Mr. Jackson the evangelist, at Proton Station, on Saturday July 9th, Mr. John Hutchison, appeared before Magistrate Laidlaw on Saturday last in Durham Town Hall and was fined \$5 and costs.

Don't forget August 9th, as the date of the Red Cross Monster Garden Party in the Rink. There will be a midway and other attractions. Durham Citizens' Band will be in attendance, as well as other good talent.

Monday evening a garden party will be held on Watson's school grounds for which a good program is being prepared. A lunch will be served on the grounds. A ball game will be played in the evening. Admission 25c and 15c.

Contract let for raising 'Nancy'
Mr. Rolstin Large, son of Mr. John Large of Shelburne, was the successful tenderer for the contract of raising and housing the historical ship 'Nancy' at Wasaga Beach. The cost of the work will be about \$5000. Mr. Large has already commenced the work which will be rather a ticklish job to handle, the boat being so deeply embedded in mud. The Ontario Gov't is assisting financially in the work.

Remembered ere Leaving School
Miss Jeanette Kerr, daughter of Mr. John Kerr, Varney, and for the past four years teacher in S. S. No. 12, Carrick, was made on leaving the school section, the recipient of an address and a valuable Pompeian decorated glass cheese and cracker dish, by the residents of the section. The Moltke Band was out in full force and the occasion was made a memorable one.

Corbett boy to Travel
Real honor has come to T. S. R. Broughton, an ex-student of Dundalk High School, in his being sent by a prominent University in the States, to Europe to try to unearth knowledge of the Roman occupation in Northern Africa. He will study in London, England, Paris, France and in Rome, Italy, prior to going to the actual scene where he hopes to collect much interesting data. Bob arrived in Glasgow last week and will be away at least three years.

Aberdeen Women's Institute
A goodly number of members of the Aberdeen branch of Women's Institute, attended the monthly meeting held at the home of Mrs. Fred Cuff on Friday afternoon. After opening exercises, Mrs. D. Lamb read the scripture lesson; the roll call was answered by helpful hints. Letters of appreciation were read from Mrs. West, Noble and Miss Annie Smith for flowers received. The Branch decided to send \$5 to help place a doctor at Tobernomy. Miss Catharine McLean gave a splendid paper on 'Canada's Diamond Jubilee' and Miss Mary McCracken also gave an excellent one 'Our flag and what it stands for.' The National Anthem closed the meeting. Lunch was served by the hostess, assisted by a few of the ladies. The next meeting will be held at Mrs. Wm. Noble's on Aug. 19, at 2 p. m. All ladies are cordially invited.

Miss Dorothy Lawrence, daughter of Mr. Robt. Lawrence, Glenelg, and Miss Margaret Barker, Toronto, a niece of Mrs. Thos. Cook, were operated on in Durham Hospital on Tuesday for the removal of tonsils.

Word was received by the McGowan family in Durham Wednesday of the death in Oshawa of Mr. Herd, son-in-law of Mrs. Tonkin, after two operations for appendicitis. Mrs. Tonkin is a sister to Messrs John and W. A. McGowan.

Anniversary Services
Glenelg Centre Baptist Church will hold Anniversary Services Sunday, July 31st, at 11 a. m. and 7.30 p. m. Rev. Mr. Farmer of Owen Sound, will have charge of the services. On Monday evening an address will be given by Mr. Farmer and a good musical program will also be provided. Lunch served at the close. Admission 25c and 15c.

On Tuesday about 11 a. m., Mr. John McGowan was turning in at his gate at the lot which he owns on Corktown hill, with his Chevrolet sedan. At the same time along came a car southbound and rams against the side of Mr. McGowan's Chevrolet, breaking the fender, wheel and axle. Fortunately no one was hurt or glass broken. Both appear to have been somewhat at fault and doubtless no case will arise out of the collision.

Knox W. M. S.
The July meeting of Knox United W. M. S. was held in the schoolroom of the church on Wednesday afternoon, 13th inst. The meeting opened with a hymn and prayer, led by the President, Mrs. Mather. The program then followed the Canadian Jubilee outline. After a short introduction on choosing the name, 'Dominion for Canada, Mrs. Bourne read the scripture lesson, the 72nd Psalm: 8, from which our country received its name. The Mission Band then gave a patriotic chorus followed by a short sketch of the growth of the work of the Women's Missionary Society in each province since Confederation, given by several members of the Young Women's Auxiliary. Mrs. J. J. Smith gave a paper entitled 'Canada, the Land of Dreams,' showing the progress made in nation building in the past 60 years. Miss Reta Wilson then read a paper on 'Citizens of To-Morrow.' If the hope of the nation is in the children, then surely the work of the W. M. S. through the school homes, etc., is the foundation work of the people. At the close of the meeting, the ladies entertained the Y. W. A. and Mission Band to tea and a social half hour.

THE ROLL CALL

MRS. JAMES GLASS
There died at the home of her son Edwin, in Windsor, on Sunday, 17th inst. Mrs. Jas. Glass, at the age of 72 years. Deceased lady has spent the last winter in Florida with her sister, Mrs. Barber and only a few weeks ago came to Windsor where most of her family reside. For some time back she has been troubled with high blood pressure and last week suffered a stroke of paralysis. She appeared to rally, but it was evident her days were numbered for she passed away as above stated on Sunday.

The late Mrs. Glass was a woman of many fine qualities of head and heart and her passing leaves a big gap in the family circle for all were devoted to her. With her husband and family of three sons and two daughters, they came to Durham many years ago and in their time of residence here, earned the high respect of all. The sons are Will A., of Durham; Fred and Edwin, of Windsor; Mrs. Furlong (May) of Windsor and Mrs. (Dr.) Watson (Birdie) of Georgetown.

The remains were brought to Georgetown for interment, on Tuesday, at which Mr. and Mrs. Will Glass and family of town were in attendance.

While a resident of Durham, the late Mrs. Glass was an active worker of the Methodist Church and the memories that linger will always be of the kindest nature.

Rob Roy Elevator Goes up in Flames

Illumination wonderful and reflection Seen in Sky for many Miles

From some unknown cause, fire broke out in the large elevator of Rob Roy Mills here on Tuesday night about 8 o'clock and when first noticed dense smoke was exuding from the structure. By 11.30 the elevator and the brick section of the oatmeal mill adjoining, which was saved from the flames in the big fire nearly three years ago, was a mass of ruins. The factory whistle sounded the general alarm and the chemical engine quickly on the scene, but could make no effective work in staving the progress of the flames. The large wooden elevator, about 80 feet high, which was timed over, contained a carload of wheat (about 1250 bushels) and many valuable machines including grinders, motors, etc. It was doomed almost from the start and the firemen, when the steam engine had been placed in action, directed one stream over the mill and another on the roofs of nearby houses, which were several times endangered by large red cinders or embers falling upon them. These were carried quite a distance in a south westerly direction but through the efforts of the fire brigade and men upon roofs, no residences were damaged. Trinity church rectory, Mrs. W. Parks, Mrs. Whelan's, W. H. Lauder's and R. Campbell's were in the greatest danger.

The flames from 8.30 to 10.30 p. m. lit up that section of the town brightly and were visible for miles around. The burning wheat and other grain stored there, with large beams, created an intense heat and at the height of the fire, about 9 to 10, the streams had little effect upon it. A small portion of brick wall fell in, but the main south wall of mill is yet standing though not in a safe condition.

An immense crowd gathered in the vicinity in early evening and most remained until about 11 p. m. when it was dying out, though some of the firemen remained on duty all night.

The loss is a heavy one to the Rob Roy Mills. The lower frame-work of the elevator was the old Spaulding elevator at C. N. B. station, and complete it was valued at \$12,000 to \$14,000, while the brick section of the mill destroyed is estimated at approximately \$9000 more. About \$15000 of machinery was also destroyed besides the grain. The books were secured and a few bags removed but nothing of great value. The loss is partially covered by insurance.

I.O.O.F. Decoration Service

On Sunday afternoon the annual decoration service of the brethren of Grey Lodge I.O.O.F., at Durham cemetery was observed in an impressive manner. It is usually held at 3 p. m. but to have Rev. E. Hayes, his new Trinity Church rector give his address before his afternoon service at St. Paul's, the hour was set for 2 p. m. However shortly before two o'clock a heavy downpour took place, which prevented the brethren gathering in time to commence the service at two and Rev. Mr. Hayes could not then be present.

About fifty brethren assembled, Bro. A. Bell being marshal and Noble Grand J. R. Snell in charge. There are now seventeen deceased brethren. Thirteen of these lie in Durham cemetery and two in Trinity Church cemetery and over their graves beautiful baskets of flowers were hung—Bros. John Moodie, Harry Kress, Jno. McLean, James McFarlane, Jas. Colville, Ben Warner, Dan Campbell, Geo. Wilson, Wellington Fairman, Arthur Smith, John H. Rose, J. G. Hutton, Adam Robertson, Wm. Irwin, Ronald Giles, Wm. J. Firth. Bro. J. Levine's remains were interred in Chicago.

Three hymns were sung "Blest be the tie that binds," "From Greenland's icy Mountains" and "Abide With Me." Chaplain Allan Bell led in prayer and Past Grand E. D. McClocklin delivered the Oddfellows' address most impressively.

The afternoon turned out fine after the heavy showers earlier in the day, which prevented many from attending. However quite a large concourse was present to worship with the brethren who were lovingly paying tribute to the memory of the departed.

High School Plans Accepted

When Durham High School Board, a few weeks ago, forwarded the plans drawn for the new High School addition to the Department of Education, it was some two weeks before they were returned accepted by the Department. Tenders were then called for, but all were considerably higher than the amount voted for the purpose, so the plans had to be modified that the tenders might come within the estimated cost. Rather than lose another two weeks getting these new plans accepted by the Department, Sec'y Dr. Grant and Chairman John Morrison went to Toronto in person with them Monday and had the satisfaction of having them accepted that day. After one or two minor alterations have been made by the architect, tenders will immediately be called and it is hoped to have the contract let and construction started early in August. It will scarcely be possible to have new addition ready in October but it is expected to be available before winter sets in.

From Durham Schools and district, 57 pupils passed the Entrance this summer and of these it may safely be estimated 40 or 45 will be First Form students in September next. This means two First Forms and it requires no prophet to foresee a congested school this fall, which may force the Board to secure another room elsewhere until the new structure is available.

Durham Won First Game in United Church League

DURHAM WON 1ST LEAGUE GAME

By 20 runs to 14, Durham girls defeated Hanover in Hanover on Wednesday night. After spotting Hanover 13 runs, Durham United made a whirlwind finish the last three innings and shut the home team out. Elizabeth Hind and Christine McCulloch were an excellent battery; other Durhams were: Ellen Hay, Florence MacDonald, Daisy Mather, V. J. Mervyn, Grace Baird, Sarah McCulloch, Mary Brown, Hanover—V. Pepler, M. Koenig, V. Wendorf, N. Moore, F. Brunt, M. Peppier, M. Mills, V. Booth, F. Wright.

Varney Garden Party

The annual Garden Party of Varney United Church was held on the lawn of Mr. J. J. Wilton on Tuesday evening last. Such counter attractions on as a big fire in an adjacent town would decrease the gate receipts of any garden party and they are to be commended that they carried on at all. The night was rather cool but splendid for softball, Varney and Knox, Normanby, teams were trying conclusions in Wilton's field previous to darkness and at close of play, Varney was up by two runs, 12 to 10. Rev. C. Jay, pastor, presided over the program which was a worthy one. It consisted of choruses by the young people, music by Ritchie orchestra of Edge Hill, recitations by Ruby Morrison and Ethel Hunt; solos by Miss Florence Kerr, Mrs. Nichol Bell of Elora and Chas. Lang and a duet by Miss Minnie Lennox and Mrs. Wm Freeman of Teeswater. The gate receipts were \$35.

Midgets Beat Hanover 4-1, and Lead District

When they trimmed Hanover 4-1 last Thursday, Durham Midget lacrosse team downed their hardest opposition and got away to a good lead in the district race. It was a well-played game, for new teams and the local lads deserve credit for the game struggle they put up, when a little let-up might have cost them the game. Murdock scored first for Durham, then the visitors got their lone counter and Dean again bulged the nets, making it 2 to 1 for Durham at end of first spasm. Both teams worked sternly in 2nd and 3rd in an endeavor to score, but the defence was too strong. In the last frame, Durham scored twice and put the game on ice. McKechnie was great in the local nets, but all the boys gave their best. Maligni starred for the visitors.
