Lady Bowler's Visit Walkerton

Three rinks of Durham lady bowlers bowled to Walkerton on Thursday morning last to participate in a ladies' tournament arranged by the lady bowlers of that town. There were 17 rinks in all and as well as home teams, they came from Holstein, Lucknow, Wingham, Arthur, Teeswater and Palmerston. The play was most enjoyable and the local rinks have the kindest things to say of the good sportsmanship of the Walkerton ladies. Two of the Durham rinks succeeded in coming into the finals and brought home trophies of their skill. The rink skipped by Mrs. Morlock and comprising Mrs. MacFarlane and Misses Mary McKechnie and Margaret Hunter came second place in the 1st event and landed championship plates. In the 2nd event, Mrs. W. H. Smith's rink, comprising Miss Elsie Hunter as skip and Mesdames McDonnell and Pickering, came second place also, and each brought home with them a pyrex pie plate.

Queen St. W. M. S.

The July meeting of the W. M. S. of Queen St. United Church was held on Thursday, 21st inst., at the home of Mrs. Geo. Viers. Mrs. Robt. Smith was in charge of the devotional and study exercises and opened the meeting with singing "O Canada." Mrs. Smith led in prayer, after which Mrs. Knechtel and Mrs. Hay sang a duet entitled "He knows it all." The scripture lesson from John 5: 1-15 was read by Mrs. Wiggins and Mrs. Smith gave a reading on "Faith and Moods." The moods of spirits and even our faith vary at times from the heights of ecstasy to the depths of despair. We must strive to anchor our faith on the rock of God. In observance of Canada's Diamond Jubilee, a review of our Home Missions was taken by nine of the ladies. Mrs. McCrae read our national verse Psalm 72: 8. "He shall have dominion from sea to sea and from the river unto the ends of the earth." Good reports were given by the previous meeting were read and adopted. Garments for our missionary box were brought in. In closing, one minute silent prayer was offered for our missionary, Miss Harris, followed by the "Mizpah," repeated in unison.

Important Game in Hanover

Durham Magnet lacrosse team have a crucial game in Hanover Thursday afternoon. Crucial for Hanover at least, for the home team must win to have a chance for district honors. A Durham victory means the group championship for Durham and a playoff in the finals with the Toronto Matildas.

Prof. Katz, the well known optical specialist, is coming again to the Hahn House on Tuesday, August 2nd. He can relieve headache, dizziness, twitching eye, pain in the back of neck. Defective vision relieved through properly fitted glasses. He can help you if others fail. Remember the date. \$12 glasses for \$7.50.

Sheep Stealing

Sheep disappearing in Bruce County somewhat frequently led to Bruin being blamed, till one day a farmer saw two men chasing his sheep in a secluded field. The men when seen took to the bush but the number of their car was taken and it was found a Dobbinton man was the thief. A search warrant was the means of securing seven sheep which were returned to their owners and the two men meantime are in the clutches of the law.

Knox United Church Choir go a-Picnicking

Knox United Church choir were fortunate in two things for their annual picnic this year—the place and the day. The pretty and romantic little village of Leith, five miles north of Owen Sound on the Georgian Bay was the locality visited and Monday, 25th July, the date chosen. The day was ideal for a picnic and four cars left Durham shortly after 1 p. m. to while away a few pleasant hours in summer diversions. The district surrounding Leith is full of rural charm and quiet country life and an ideal spot to have lost health and vigor restored should it be so unfortunate as to be necessary.

Shortly after arriving a snappy game of ball was arranged and the "Babe Ruths" and the "Ty. Cobbs" had the summer citizens of Leith for an audience. There were no limitations set to the bounds of the ball field so the sphere smashed through an upper window in an unoccupied home and the horse was securely fastened against intruders, did not prevent the ball from getting back to its proper owners. Some striking hits and more striking runs were made and the game closed with the score ending 26-23 in favor of the "Babe Ruths."

The water was also a popular attraction and while the beach is not as fine as Wasaga for non swimmers yet the water was the right temperature and for a time the fish in the locality received a bad scare. At 6 p. m. the gathering sat down to a real picnic supper, the number being pleased to have with them, Mr. and Mrs. C. C. Middlebro of Owen Sound, the latter a former member of the choir.

At 7:30 p. m., the Georgian Recreation Rooms, Owen Sound, was the next scene of the day's sport, where at five pin bowling the choir enjoyed themselves for three hours. That some of the choir members can bowl as well as sing was quite evident and the elimination games were splendid to watch. Small favors were given to the high lady and gentleman scorer, who proved to be Mrs. G. Kearney and Mr. Kenneth Kerr. The party reached Durham at midnight and voted the day one of the best of the many fine outings they have had.

Contract let for the New Post Office

Postmaster Smith has informed us of the above fact and no doubt preparations for construction are already under way. It is to be a one-story structure with basement dimensions 40 feet by 40 feet and height above ground 22 feet. The contract is let to the Britnell Construction Co. of Toronto who, we understand, had contracts on Government Roads in this vicinity. The amount of the tender is \$17001, and the balance of the \$25,000 will be applied to interior equipment.

The building is to be of rug brick, stone facing for doors and windows, one doorway with granite steps and the promise is made that it will be ready for occupancy by December 1st next. Here's hoping this will be accomplished to allow Postmaster and staff to enjoy the Christmas rush in the new building.

Before the Police Magistrate

Saturday last Police Magistrate Laidlaw had before him Wm. Morrison of Normandy, charged by Oscar Hahn with careless or reckless driving. Traffic Officer Culpé conducted the case for Plaintiff Hahn. Mr. Robertson of Walkerton for Defendant Morrison. The accident or impact took place later on the same day of the bus accident by which Alex. McDonald met his death.

Oscar Hahn said he saw the car coming, alleged it was "wobbling," he was on his right side and the car (Morrison's) ran into him on his left side having given no warning. The car went 50 or 60 feet after striking him. Admitted he was going 30 to 35 miles an hour. To Mr. Robertson, Oscar declared he slowed up when he saw the car coming and insisted that the car, a Ford truck, struck him and not he the car.

George Hahn, son of Oscar, said that just as they were opposite Morrison's gate, the car swerved in on them. Morrison had given no warning either by horn or sign nor had he, but he had applied the brakes. Had had no conversation with Morrison.

Wesley Hauck, driver of the bus, was one of Hahn's passengers being taken south. Considered himself a judge of speed being an "expert chauffeur." Saw the car coming and without warning turned to the left. He too insisted Morrison hit Hahn. Wm. Morrison testified that he was coming about 15 miles an hour, that he had blown his horn when at the

Presbyterian Garden Party Ran against Wet Night

The Presbyterian congregation for the first time in recent years, encountered bad weather for an outdoor function. This time, in the case of the Garden Party last Thursday evening at Mr. Robert Lawson's, it might have been much worse. The lowering clouds which hovered over Durham from 4 p. m. on, did not release their weight of watery vapour till nine p. m., and by this time a large gathering was present. The management as on previous occasions ensured the most favorable financial success by writing out rain insurance, but as their gate receipts were over and above that necessary to be made before benefitting, they were not the losers. \$6.00 above that of last year was taken at the gate which was something over \$300. Of course the refreshment and candy booth receipts fell down somewhat but considering the deluge of rain which came on that night and for two successive nights, they were fortunate people after all.

The Brunswick Trio were on hand again and ready with an all new program, but only had a number or two in, when they had to give way to the onslaught of rain. Also secured as extras, were Miss Mary Bishop, character dancer; Miss Jessie Butt, contralto soloist and Miss Jean Walker, elocutionist. These all were heard and seen once or twice ere the retreat began.

The crowd were loath to leave the grounds and despite the ever-increasing drops, dodged the drops under trees or invaded the Lawson home, in the hope of it being a joke and there would soon be a rift in the lute. But the weather plumber had completely gone on strike and eventually the grounds became deserted. To the credit of the Brunswick artists they deducted \$25 of their usual fee.

There was also an autograph quilt—the work of the Ladies' Aid—to be put up for auction that evening, but this also was held over for another time. Later—This handsome quilt has been sold to Mr. Lochie McKinnon of Calgary for the sum of \$10.

Miss Agnes MacPhail, M. P., was one of the audience, having returned the day previous from a speaking tour through Saskatchewan.

Rocky Defeated Onward

With softball so prevalent, hardball games are now an unusual event in this locality. A good exhibition of the latter took place last Wednesday at J. W. McKechnie's, north of town, when Rocky Saugeen boys won by 4 to 3 over "Onward" of South Ardenia. Unfortunately only five innings could be played before darkness intervened.

Peddling Liquor no Crime?

Three young men in a car, giving their address as Niagara Falls, have been operating in liquor between Dundalk, Flesherton, and Markdale. Constable Johnson of the latter place got suspicious, made a search and found the liquor. He had then brought before Magistrate Creaser, who fined them \$100 and costs, not for peddling the liquor, which it seems the new law allows but for keeping it in a stable which is not their "home." The Standard says: "If the Control Act permits this kind of thing then it's not what the people were led to believe it would be and is not what the people want."
