Chesley Wins Round from Holstein, 4-2

And the right to Meet K'burn in the Semi Finals

CHESLEY 2, HOLSTEIN 2

Chesley got away to a good start in their game at Chesley, scoring twice in the first 15 min. Holstein was having as much of the play but were being outplayed on shooting. A few minutes before half time Red Pinder shot a wicked shot from right wing that glanced off the goal post for the first goal. It was a beautiful shot.

In the second half the play was faster with the defense time after time breaking up nice combination plays after the forwards had worked well in. Eccles evaded the count on a throw-in from Red Pinder when he dribbled the ball well before shooting.

CHESLEY 2, HOLSTEIN 0

Chesley won in Holstein and also the round and the right to meet K'burn in the semi-finals. Holstein did not play the game they have been playing, tho' they were robbed of several goals by the splendid work of the Chesley goalie. On the other hand Chesley played well together, and on the night's play deserved to win. Chesley pressed from the start and for the first 5 min. kept the ball in Holstein territory. Holstein then got some nice combination plays and worked well in and were unlucky in not scoring in the first 10 min. After 15 min. Chesley scored on a hard drive from left wing. Holstein made a determined effort to tie up the score but the Chesley goalie was getting in front of every shot.

In the second half, Holstein pressed almost continually but Chesley were lucky to break through and put them two up. Even against these odds Holstein would have evened the score had they had any luck. Clements made through and hit the cross bar, the goalie clearing on the rebound. Eccles and Calder both shot over the cross bar. Eccles was in close, only to have a hard drive hit one of the backs. From a free kick

Clements put in a wicked shot that the goalie was lucky to stop. Red Pinder came up left wing time after time and dropped in pretty passes, but Holstein couldn't do the right thing. Clements received a nice pass in front of the goal, but got off his balance as he went to shoot and missed the goal. To sum up the game, Holstein lost the round by not being able to take advantage of openings when in close.

Referee—Jas. Neath, Owen Sound. Holstein line-up: B. McKenzie, Gibson, Blyth, H. Pinder, Long, McKenzie, R. Pinder, Eccles, Clements, S. McKenzie, Calder.

Program by four Institutes at Annual Picnic

The Holstein Branch of the Women's Institute held their annual picnic at the home of Mrs W. H. Rogers, on Thursday, July 21st. A most interesting program was given by four of the visiting branches, Durham, Dromore, Ayton and Aberdeen. Durham's contribution was a full and interesting address on "Confederation", given by Miss Elizabeth Scott; Mrs S. Mead gave a fine solo, while Dromore's famous quartette lived up to their reputation. An excellent paper on "A Swarm of B's" was contributed by Miss Florence Renwick.

Rev. F. G. Purnell of Dromore, favored us with an address on "The Women's work in Nova Scotia and Prince Edward Island. Ayton contributed a pleasing duet which was tributed by an instructive and thoughtful address on the influence of music in life. At the close of the program they also initiated the visitors into a new game, which passed off with vim.

Aberdeen though a young branch, showed signs of vigorous life. Their contribution was a club-swinging number, beautifully done by Miss Mary Lamb. A paper on how a woman by neatness of dress and system in the home may be a blessing to herself and all around her was given by Miss Ruby Heslip.

A bountiful lunch followed the program and at the close a vote of thanks was tendered the Holstein branch for their hospitality and everyone went home happy before the rain.

NORTH EGREMENT

Mrs James Tucker who has spent the past year out West, is visiting her old neighbors around here at present.

Mrs Wm Bone and Miss Blanche of Minnesota, are visitors at Isaac M. Hooper's.

A number of football sports took Holstein's closing game in Holstein Tuesday evening and witnessed a fast, snappy game. Chesley fans had a big brass drum along with them to help out but we didn't hear them play "The Protestant Boys."

We intend holding over to next week our write up of the golden wedding of Mr and Mrs Ed. Wells, when we expect to have a snapshot of the couple.

The Girls' meeting of the Women's Institute will be held Wednesday afternoon, Aug. 2, at the home of Mr. John Hill at 3 p.m. The main theme of the program will be a debate: "Resolved: It is easier to live with a good natured slouch than a clean crank." The affirmative will be upheld by Misses Thelma Wilson and Ethel Hill and the negative by Misses Tena Merchant and Marian Henderson. A reading will be given by Miss Doris Purnell. Good music will also be provided by the girls. Be sure and not miss this most interesting of meetings.

Miss Mildred Scott, Toronto, is holidaying at her home here for a couple of weeks.

Mrs Donald Watson who spent a couple of weeks visiting relatives in London, returned home last week accompanied by Mr and Mrs Con. Zuber.

Good men are scarce this haying, but Bob Keith sure had a good one, as Rev. Mr Purnell helped him out for awhile.

Congratulations to Mr and Mrs Jas Hargrave on the arrival of a boy recently.

YEovil

This week and next many will be coming back to their beloved old home town, Mt Forest, where a warm welcome awaits them from friends of bygone days. We hope one and all will thoroughly enjoy the days of the reunion.

The annual Ellis reunion is to be held to-morrow at the home of Thos Ellis and they are hoping for favorable weather.

Last Thursday was an ideal day for the Women's Institute picnic on W. H. Roger's lawn. Nearly 200 gathered—Aberdeen, Ayton, Durham Dromore and Holstein being represented. A good program was provided by the visiting friends. Besties the melodious musical selections from the different branches, there was club swinging by Miss Mary Lamb, Aberdeen.

Miss Elizabeth Scott, Durham, one of our ex-teachers, gave an excellent talk on C.R. federation; Mrs Widmeyer, Ayton, an interesting paper on "What is Music" and Rev. Mr Purnell Dromore, a fine address on "Women's work in Newfoundland." Ayton supplied a comical alphabet game. After partaking of the appetizing bountiful lunch and owing to the threatening clouds the group dispersed earlier than in previous years after an enjoyable social afternoon.

Mesdames McCaw and Lyons of Arthur and Mesdames Geddes and Lamont of Mt Forest also enjoyed the picnic.

Mesdames Reid, Holstein; McLellan, Montreal and Starling of Hamilton were recent guests in the homes of their brothers, V. and G. Alles—also calling on other relatives. Mrs Starling has returned home but Mrs McLellan is expecting Mr McLellan and family to motor over for the Mt. Forest reunion.

Miss Smith, Collingwood and Miss Dadds, Woodland, nurses in training in Durham hospital and both out on sick leave, visited Mrs A. Nicholson last week.

Mr and Mrs Witherow Sr; Mr and Mrs C. Witherow and baby Elmer, visited their friends here the beginning of the week.

Mr and Mrs McCabe, Varney, Mrs Llewellyn, Windsor and Mrs Brownlee, Winnipeg, recently visited at D. Long's. Mrs B. and two daughters remained a few days with her cousin Mrs Long, who with John, accompanied them to Paisley. Mrs Gordon Long was also back for a few days.

Mr and Mrs W. Miller, Avenol, Sask. were week end guests at W. H. Rogers.

Miss Turnbull has resigned S. E. No. 10 and Miss Agnes Orchard, Mt Forest, has been engaged for the coming year. We understand Miss Turnbull has accepted a school near her home.

Ontario's Many Summer Resorts Afford Varied Pleasures. ON A BEAUTIFUL GEORGIAN BAY. COZY FRENCH RIVER BUNGALOW. Every summer tens of thousands of visitors seek rest and recreation, health and happiness in the fascinating hinterland of Ontario, where woods and waters abound on every hand, each with its special charm. A fascinating retreat for fishermen in this part of Ontario, is the French River district. Since the erection of a comfortable, commodious bungalow camp which opened in 1923, visitors have flocked there in numbers that have taxed its capacity. Fighting bass, grown strong in the swift waters of the river, and huge muskellunge are caught in large numbers. Other species are plentiful too. Most of the Ontario places are easily reached from Toronto. The Muskoka and Kawartha chains of lakes are the annual haven of many visiting families who occupy cottages, camps and hotels of varying degrees of comfort and luxury. All enjoy the dry, pine-scented air that is a sure remedy for hay fever. Many vacationists are ardent fishermen; others delight in sailing and paddling canoes. The summers are all too brief to satisfy these lovers of Ontario's out-of-doors. Camps hidden miles deep, away from the railway lines, yield exceptionally good fishing and wholesome food. Such a one is Billy Burke's log camp on Trout Lake, reached by an 8-mile launch ride from Paget station. Ka-Wig-A-Mog Lodge, hidden away from civilization, is about 8 miles from Pakesley, and transportation is via the Key Valley Railway, owned by a Milwaukee lumber concern, which operates a railway bus, mounted on railway car trucks, and fitted with a Ford motor for power. At the sawmill town, this mode of locomotion is exchanged for a motor launch that carries guests to Ka-Wig-A-Mog Lodge, an attractive structure devoted to dining and social affairs. In addition to the Lodge, there are a number of cottages built about an eighth of a mile apart, on both sides of the long, narrow lake, thus insuring privacy. Mixed fishing is good here and in
