WALKERTON EDITOR SIZES UP THE LADY BOWLERS

Nineteen rinks, including several quartettes in which grandmas and others with silver threads among the gold, battled for supremacy in the gold, battled for supremacy in the Trophy, Association and Consolation events at the second annual Tournament staged by the Walkerton Ladies' Bowling Club at the Army green here.

Hands that rocked the cradle a generation ago were now hurling bowls with an adeptness and agility that made some of the younger fry take a back seat and show a respect for gray hairs that they never dreamed of when they left home with their hats on. It was a pleasure to see some of those who could remember when "Mother Machree" was the latest hit and "When you and I were young Maggie" was just new on the job: it was a pleasure, we repeat, to see those children of an ancient day, doing their stuff and doing it well, alongside the eligible beauties of today. As nearly all competitors wore skirts as short as a kilie regiment, and had their hair bobbed like Samson when he lost all his strength, it was not just the easiest distinguishing who were the older and who were the younger competitors on the grounds. In fact age so mingled with youth that he sure knew his onions who could tell them apart.

For any mere man to coach that aggregation and tell the ladies how to bowl, was just like giving government dope on "How to keep the farm" and the best way of making our Court Judges take good care of themselves and not work too hard. In other words it was like painting the lily, which, as Shakespeare would say, needed it less than any other weed on earth.—Bruce Herald Times

ROYALTY AND BRITISH PRIME MINISTER IN CANADA

Saturday last the Prince of Wales, his youngest brother, Prince George, Stanley Baldwin, Prime Minister of Britain and Mrs Baldwin, arrived at Quebec and were received with great enthusiasm. Later at Montreal and

Ottawa similar demonstrations, enough to turn their heads, were given with the certainty that they will be continued at Toronto and other points. The Prince of Wales makes tiny little speeches and at Ottawa roused his audience to white heat by announcing that his father intended to replace some famous paintings that were destroyed by fire in the Parliament Buildings. Baldwin's speeches make splendid reading and he is making warm friends by his simple earnest manner and kindly spirit. It was warm at Montreal and he was applauded as he doffed his coat and spoke in his shirt sleeves!

Glencel Centre Baptists Hear Rev. Mr. Farmer

The members and adherents of Glencel Centre Baptist Church were fortunate in having splendid weather for their Anniversary Services. As special speaker for the occasion, they were also fortunate in securing Rev. Mr. Farmer, pastor of Owen Sound Baptist Church and his messages morning and evening were earnest and inspiring, leaving an impression on his audiences for renewed zeal in Christian warfare. Special music by the choir, with Miss Winnie Binnie at the organ, was also appreciated. Miss J. Taylor, was in the choir, but his duties proved to be light. Mr. Geo. Binnie also added a few words, while the address of the evening was again from Mr. Farmer. "A Successful Church" was the foundation of his remarks and block by block built the structure, which was only possible through the united efforts of the members and adherents. The steps in order were: (1) A "living" church; (2) a "laboring" church; (3) a "loyal" church; (4) a "thriving" church. That a church might flourish and not possess these qualities, is difficult to imagine or visu-

alize. The address was brimful of good advice and judgment and struck by his masterly summing up a responsive chord in all. Splendid musical numbers were all so heard from Mr. Phipps in both cornet and vocal solos; duet by Mrs. W. Thompson and Miss Eva Redford; quartette from Zion viz: Mr. and Mrs. T. Glencross, Mrs. J. O. Greenwood and Mr. J. Robson; solo, Mrs. Will Lawrence. An instrumental number on violins was given by Messrs Allan McInnis and Joe McParlane and recitations by Miss K. May Firth, Zion; Duncan McLean and Jean and Gordon McGillivray. Lunch was served at the close of program. \$32 was taken in at the door.

MULOCK

We extend true and heartfelt sympathy to the bereaved friends of the late Edward Milton, a former mail carrier of Route 4 for the past 6 or 7 years. Elmwood has lost one of its finest citizens and R.R. 4 one of its best mail carriers. He was of a sunny cheery disposition, a friend always ready to oblige. The sterling character and the straight forward principles of deceased in life were characteristic traits. The esteem in which Mr Milton was held as mail carrier, was shown by the large number who attended his funeral on Saturday and the beautiful floral tributes placed on his casket and donation in money left over. Mrs H. Dunn and sister, Mrs Vine Toronto, accompanied by Mr Ford, Toronto, and other friends from Guelph, spent the holiday at the former's home here. IN MEMORIAM

In loving memory of our dear husband, son and brother, John McKechnie, who passed away one year ago, Aug 9th, 1926, in his 26th year. Deep in our hearts lies a picture Of a loved one bid to rest; In Memory's frame we will keep it Because he was one of the best Our lips cannot speak how we loved him. Our hearts cannot tell what to say God only knows how we miss him. In lives that are lonesome to-day, "Jack dear," we think of you, And think of you how you died: To think you could not say good-bye Before you entered home, How we miss your kindness and willing hand, Your fond and earnest care; Your loving smile and gentle voice.—Dear Jack, we miss you everywhere. Sadly missed by his lonely wife, father and sister.

Miss Widmeyer of Neustadt was through this way Monday looking for a suitable boarding place as she takes charge of the pupils of this section for the coming year. Mr Seiberl has secured his home school and sent his resignation in a few weeks ago.

We presume Hampden must be somewhat of a summer resort for the people from the cities, tho' we have heard of no real camping ground. We do not begrudge them wanting to see our wonderful country, the "land flowing with milk and honey" as the saying is. We had visitors come in truckloads from New Hamburg, Toronto, Goderich, Hanover, Lamlash and Kitchener to visit their friends over the holiday.
