'Pets' Won 19-18 and Now Lead League

It was a thrilling encounter Tuesday night in Durham Softball League when the Pets shoved the winning run across the plate in the 8th and last inning with one out, thereby defeating the Night Hawks 19-18. The Hawks did not exhibit the snappy fielding and vim of their last contest and missed Agent Sparring from their lineup, who is away on holidays. Erwin twirled for the Pets and McIntyre for the Hawks.

Every Saturday evening the Owen Sound Transportation's Str. "Manitoulin" leaves Owen Sound on a week-end trip of 275 miles to Manitoulin and return. The steamer calls at Killarney, then on among the islands to Little Current and returns

275 MILE WEEK END TRIP ONLY \$12.00

Every Saturday evening the Owen Sound Transportation's Str. "Manitoulin" leaves Owen Sound on a week-end trip of 275 miles to Manitoulin and return. The steamer calls at Killarney, then on among the islands to Little Current and returns

ing calls at Manitoulin and Killarney. She arrives in Owen Sound on Monday morning. This short trip provides a fine opportunity for a week-end on the water, without loss of time.

The fare for this 275 mile week-end, including meals and berth is \$12.00.

The Str. "Manitoulin" leaves after the arrival of evening C, P. and C. N. trains at Owen Sound and arrives in time for morning South-bound trains. The motor roads are good to Owen Sound.

This trip is an added service to the Str. "Manitoulin's" weekly five day trip to Mackinaw Island, on which she leaves every Monday evening.

WILL BE HEARD AT FALL ASSIZES IN BRUCE

Dan Kingston and James Clements two well known farmers of near Dobbinton, who are out on \$5000 bail, on a charge of stealing sheep on the Bruce peninsula, were arraigned before Magistrate McCartney at Warton for trial. Clements admitted the offence and gave evidence implicating Kingston with him. Kingston however entered a plea of not guilty, and as the court did not have made a quiet investigation. Clements then entered a plea that his case should be tried in this court, but the magistrate took the view that both should be sent to the higher court, and they will appear at the Fall Assizes.

The farmers of Bruce peninsula had missed a number of sheep last year which was attributed to bears or other marauders, but when it continued again this year, Samuel Watson and several other Albemarle farmers reported the loss of sheep to Chief McCrevis of Warton, who began a quiet investigation. Later on a clue was placed in his hands when Samuel Adams observed a couple of men in his field chasing sheep. Finding themselves discovered they disappeared into the woods but their automobile had been left on the roadside and Mr Adams took the license number which he handed to Chief McCrevis and the ownership traced to James Clements of Dobbinton, who when charged with the offence admitted his guilt and returned the sheep in his possession to the owners and at the same time implicating Kingston who is protesting his innocence. The bonds for their appearance at the trial was renewed before the court closed and the accused were permitted to return to their homes.

Mr Jas Brebner of Ingersoll, is spending a couple of weeks with his brother, Bert Brebner.

Rev and Mrs Jay left this week to spend a month's holidays with relatives at St Annes and Smithville.

Ross and Irma Rife are spending part of their vacation with relatives in Detroit.

Miss Stevenson who has been visiting the past month with relatives in Ridgeway, returned to her home this week.

Mr Andrew Hunter who was kicked by a horse on the left side close to the heart as he was unhooking the mower, is doing quite nicely, tho' still confined to bed.

Mr and Mrs Arthur Kerr of Toronto, who were wed in Toronto last week, are spending part of their honeymoon with his sister, Mrs. Butler.

Mr and Mrs Jno. Leith spent the week end with Mrs Thos Knox, near Guelph.

Mr and Mrs R. J. Arnill and family left Tuesday to attend the McLachlan-Marlow reunion at Blackstock. Miss Laura Bailey who has been visiting with the Arnill family for the past month, accompanied them to their home in Blackstock.

Mt Forest Welcomes her Sons and Daughters Home

Mount Forest is celebrating this week the return of many of her old boys and girls, and large numbers from surrounding towns and country as well as are taking in the sports held each day.

Sunday, the pulpits of the town were occupied by former ministers. On Monday, the parade and softball tournaments were the features. The parade was a crackerjack, with 40 or 50 cars in the procession, many beautifully decorated, interspersed with clowns and several hard-looking outfits. Among the finest of the decorated cars were Flett the florist's, Bond with fruit display, Mt. Forest Hospital, and Levine's.

Softball occupied part of the morning and all afternoon. Holstein men's team played a top-notch game in the forenoon, when they defeated Drayton 4-0, but met their Waterloo in afternoon, when a Guelph team won by 11-2. The Guelph pitcher had blinding speed and the first half of game, Holstein could not connect with his delivery. Guelph beat the Pickets of Mount Forest in finals.

There were many girls' teams—Alma, Harriston, Drew, Goldstone, Mt. Forest, Drayton and Clifford. In the semi-finals, Goldstone beat Harriston 6-5, and Clifford beat Drayton 11-0, then in the finals Clifford won out from Goldstone 19-8.

With the 48th Highlanders Band of Toronto supplying music, Lottridge's Midway attractions, dancing afternoon and evening, and concert each night, there's something doing all the time. Horse races Tuesday and Thursday and athletic events Wednesday are the big events of those days.

It should only be a short time now before the whole of Canada's mountain world is opened up to the motorist. From Golden to Revelstoke is the last uncompleted link of the first great transcontinental motor road. The distance in all is ninety miles, but short perfect roads have already been built from town to town on the route. There is an old railway grade available for a distance of about ten miles. It is estimated that there is only fifty-seven miles of road remaining to complete direct connection across Canada.

Golden Wedding Celebrated in N. Egremont

(By our N. Egremont correspondent)

Friday evening, July 22nd, Mr and Mrs Edwin Wells celebrated their Golden Wedding Anniversary. A sumptuous supper with a three story wedding cake adorning the table was served to members of the family at 6.30 o'clock. Afterwards a number of neighbors and friends gathered and spent an enjoyable time in chat, followed by a dance good music being supplied by Messrs David and George Hooper on violins and Mrs. Thos Moore with auto harp.

This venerable couple were married on July 23, 1877, at Fergus, Ont by Rev. J. L. Wilkinson. Mrs Wells was formerly a daughter of Mr and Mrs John Leask, Egremont Tp.

In the fall of that year the newly weds took up farming on the 20th con of Egremont and have since resided here, respected residents of the community.

The family consists of three daughters and five sons as follows: (Mary Jane) Mrs Geo. Young of Buffalo; John Edwin, killed in saw accident, May 1915; Wm. H. (Annie) Mrs. Abe Hooper; Arthur, Reuben, (Minnie), Mrs W. G. Wilson; Murray. There are also 28 grandchildren and one great grandchild.

Reuben who is Manager of a branch of the Bank of Montreal in Sask. was unable to be present.

Mr and Mrs Wells are still quite active and in good health and here's hoping they will be able to celebrate their Diamond Wedding.

They were the recipients of many beautiful and useful gifts on this historic occasion.

The beef ring is giving good satisfaction this year, so far 16 beefs having been put in. They weighed 627 pounds, making an average of 423 lbs. The next 16 beefs will be lighter we expect.

Mrs Wm Lawrence Durham, visited on Sunday last with her brother, Wm Moore.

There will be no service Sunday next at Amos Church.

Mrs Vernon Nott and children of Detroit are at present on a visit to her father, Mr David McKelvey.

Mr and Mrs John Wood spent Sunday at Wm J. Wilson's.

Mr and Mrs Fleming and baby, also Mr and Mrs J. M. Findlay of Toronto were recent visitors to John Scott's.

Mrs Jos. Moore is spending a few days at Mono Road and Toronto this week.

YEOVIL

We have greatly enjoyed the first two days of the Mt Forest re-union. Yesterday morning, Dr Gardner's sermon on the text "Oh that I knew where I might find Him" was surely "a feast of fat things, a feast of wines on the lees, of fat things full of marrow, of wines on the lees well refined." To-day, great pleasure was derived in greeting old school mates and friends, some having motored many hundred miles to be present.

Last Wednesday was a fine day and over 200 guests from various directions gathered at Thos Ellis' home and participated in the Ellis-MacDonald reunion.

Mr and Mrs Robt. MacArthur, Mr and Mrs Dan Keith and son, daughter and grandchild, of Scottville, Mich., are guests of Thos Keith, Jno. MacArthur and other friends.

Mr and Mrs Wm Ellis, formerly of Yevovil and Holstein, but now residing in Edmonton, are also visiting T. Keith, A. Ross and other friends in this locality.

Mrs Todd (nee Charlotte Horsburgh) of Hamiota, Man. is the guest of her mother, brothers and sisters. We are glad to hear Mrs Horsburgh, Sr. is able to be around again.

Mr and Mrs Hart, Allan and Miss Nadine and Miss Addie Haas visited at A. Haas'—joining the Toronto contingent to-day.

Mr and Mrs J. H. Stithes and Miss Dorothy, Inglewood, were week end guests of their cousins, remaining to enjoy the day in town.

Mr Bert Brown, Toronto, is also home for the festivities.

Messdames Burns and Ludwick with their little daughters, Helen and Audrey, of Buffalo, have spent the week with their brother, Harry Skales, at W. J. Philip's home.

Miss Edna Fernley, a week end guest of her friend, Miss Mable Hopkins, returned to Toronto from Mt Forest to-day.

Miss T. Wilson, Toronto, and Mrs. Watson and baby, Woodbridge, are enjoying a holiday at the parental home.

The Right Helpmeet
After splendid tributes had been paid to Jack Miner by the citizens of his home town, Kingsville, where he delivered an address on "Canada, and our present needs as I see it", and turning to the ladies present, he said: "Jack Miner gets credit for a lot of things but I would give a hundred dollars to know just how far Jack Miner would have gotten and what he would have accomplished, providing he had married a high-kicking meat-axe instead of a home-balancing wheel. Ladies, I wish you knew your power."

Three Diets to get Thin

Do you want to become slim and have that pleasingly curved waistline that is so much to be desired at the present time. You may have it and only by a little simple self denial in food reduction and intelligently understanding the needs of the body.

A reduction diet must meet the following requirements:
First, it must supply the body with protein, to build new tissue and repair the old tissue. Milk, meat, fish, eggs, and cheese are excellent protein foods.

Second, it must furnish sufficient bulk to establish a normal bowel movement every day.

Third, it must supply the body with sufficient minerals and vitamins.

Fourth, it must supply the body with an adequate quantity of water. It is not wise to lose too rapidly. One or two pounds a week is fast enough. Therefore begin with Diet No. 1, which will supply the body with 1500 calories and 88 grains of protein. If you are losing too slowly, use Diet No. II or Diet No. III. It is never advisable to go below 1000 calories. The diet need not become monotonous for any vegetable or fruit of similar type may be substituted for those listed:

Tea or coffee may be used in moderate quantities—not over one cupful of either at each meal.

DIET NO. 1—1000 Calories
Breakfast

Another Link in Transcontinental Highway

The opening of the Field-Golden Highway this summer will mark another great step in the completion of the all-Canadian highway from coast to coast. The continuation of the motor road, which last year was extended from Lake Louise to Field, has been carried on this winter by the Parks Department, and penetrates fifteen miles farther into the mountains to the western boundary of Yoho National Park, where it joins the new seventeen-mile extension from Golden.

The new road winds through one of the most picturesque sections of the Park—filled with associations of Palliser, of Hector, of memories of empire builders and pioneers. Dark canyons, silvery falls, green-white rivers beckon.

Winding out of Field, the C.P.R. station for Emerald Lake, where the traveller turns his watch back an hour, and over the Kicking Horse river, the road follows the Emerald Lake trail for some miles while a wonderful view of the valley unfolds. It passes deserted cabins, Indian graves and an old German internecine camp. After leaving Ottentail on the Canadian Pacific Railway it continues around the foot of Mount Vaux and finally reaches Leaschell. Here a branching road of a mile or so reveals the Kicking Horse Falls, a fisherman's paradise in a setting of beautiful rugged peaks. The road winds on through the deep

pass of the Kicking Horse to Golden on the banks of the Columbia river. The construction of the Field-Golden Highway presented some very difficult engineering problems on account of the steepness of the slopes of the side hills. A good deal of excavation had to be done in solid rock. The probable cost of the new highway on account of the difficult topography encountered is estimated at \$24,000 per mile.

There will be inaugurated this summer a three-day circle tour from Banff and Lake Louise, covering the first day the most picturesque section of the Banff-Windermere road, the second, the section between Radium Hot Springs to Emerald Lake by way of Golden and Leaschell, and returning the third day to Banff and Lake Louise.

It should only be a short time now before the whole of Canada's mountain world is opened up to the motorist. From Golden to Revelstoke is the last uncompleted link of the first great transcontinental motor road. The distance in all is ninety miles, but short perfect roads have already been built from town to town on the route. There is an old railway grade available for a distance of about ten miles. It is estimated that there is only fifty-seven miles of road remaining to complete direct connection across Canada.
