

A Lady Wins Long Service Emblem

Long service records in modern industrial life are usually held by men. But Miss M. I. Phillips of Quebec City is not far behind the service record-holders of the telephone business.

Phillips was the operator who "set-up" the first call. For close upon forty years she has been at the service of the telephone users of the ancient Capital, and has seen the city's system grow from less than 500 telephones to the present 20,000. Quebec's telephone using public, now served from two imposing exchange buildings—one of them housing "Automatic" equipment—appreciate the kindly, helpful service which it has been the life-work of Miss Phillips to provide. She was recently the recipient of a Service Emblem from her company symbolizing her long and exemplary record.

Red Cross Garden Party We'll Patronize

Seven or eight hundred people attended the Red Cross garden party in the rink last Thursday, and passed a few pleasant hours amid the bright lights. Guelph Jazz Band was the big attraction and they rendered some peppy numbers. All were in fancy or clown costume, and a blind pianist was a wonderful accompanist. They played for the dancing until it broke up about two a.m. About \$50 was realized from this and over \$100 from the main booth, while other booths and tables were also well patronized. A minstrel show in charge of Jos. Rainford had some snappy musical numbers, and its five shows took in \$42. At the entrance was an amusing baby show, conducted by Mrs. D. B. Jamieson, which realized \$23. With a gate of \$270, over \$600 was taken in all, of which about \$350 will be clear for hospital building funds.

Dornoch Won Local Ball Tournament

It was hoped to have six mixed teams from district surrounding Durham competing in the Red Cross softball tournament Thursday afternoon, on the High School grounds, but only four entered, thus requiring three games to determine a winner. The first two, Durham vs. Knox, Normanby and Dornoch vs. Glenora, were too one-sided to be exciting but the final between Dornoch and Knox was keenly contested, though Dornoch batted out a safe lead in the closing innings and won the game and lay 10-5.

Knox first defeated Durham 26-15 in six innings. The visitors played consistently but Durham men couldn't get going properly and the girls grew impatient. Knox: Norman Marshall, Janet Marshall, Harold Watson, Myrtle Marshall, Kenneth Kerr, Charlotte Patterson, Carlyle Smith, Margaret Watson, Ronald Smith, Jessie Marshall.

Durham: Lizzie Hind, Guy Kearney, Florence McDonald, Jas McLaughlin, Grace Baird, D. C. Towa, Daisy Mather, R. L. Saunders, Mary Brown, Allan Bell.

Dornoch and Glenora next met but Dornoch held the edge both in fielding and hitting and won 17 to 3. Dornoch: Joe Sullivan, s. s.; Rita McIntosh, c.; Ganap? McLean, 1st; Stella Davidson, 2d; C. Schilder, 3d; L. C. Jean Ledingham, 2d; Stanley Ledingham, r. f.; Ethel Byers, c. f.; A. D. McIntyre, p.; Lizzie Hind, c. s.

Glenora: Kenneth Dunsmoor, Lena Bell, Howard Ritchie, Alice Boyd, Jack Boyd, Maud Boyd (pitcher) Red Dunsmoor, Margaret Boyd, Jim Peart, Blanche McKechnie.

The final was won by Dornoch over Knox 10 to 5 in 7 innings. Knox held it close until the 5th when Dornoch batted three runs around. The two catchers, R. McIntosh for Dornoch and Janet Marshall for Knox, played strongly in both games. Line-up same as preceding games.

Umpires, first two games—H. Huggill at plate, C. McLaughlin on bases, Final—Royden Burnett, plate; C. McLaughlin, bases.

Letter to the Editor

Hanover, August 15, 1927. Mr. Ramage, Editor Durham Review, Durham Dear Sir:

A week ago yesterday evening the writer and his family drove to Mount Forest, per auto after supper. In going through Durham, I drove very slowly and carefully, but unfortunately did not come to a dead stop at the Middaugh House, before entering on the Gararaxa Road. When a traffic officer called to me I stopped, and went back to him, explaining that a car had been parked in front of the stop sign, obstructing my view.

On Saturday afternoon, immediately upon receiving my summons, I drove over to your town, and paid the imposed fine, \$5.00, to your magistrate, and stated that I would never enter your town again with my car. For your information I might say that I have been driving a car for thirteen years, have been driving in the following cities: Detroit, Toledo, Cleveland, Buffalo, Tonawanda, Niagara Falls, Hamilton and Toronto, and many other smaller places, and never was fined for reckless driving.

It appears to me that your town fathers are making a mistake by allowing your traffic officer to punish outsiders for such a trifling offence, and not place your own town people. It is the means of driving trade away from your town.

Yours truly, B. F. Ahrens

Barn and Contents Went up in Flames

(By our Mulock correspondent.) Mr George Brown, Bentinck's general ex-reeve, sustained a heavy loss last Friday noon, when his large barn and contents went up in flames. It was first noticed by the men threshing across the road at his next neighbor's, Doug. McDonald, and but for their help, and they rushed at once to the scene, it would have been impossible to save either the house or the other barn. The cause of the conflagration is unknown, unless it arose from heated grain or hay. In an hour the large structure was a heap of ruins, so rapidly did the fire demon do his work. Telephone and cars brought hundreds of people there in a short time, many of whom assisted in preventing the flames from destroying other buildings.

The barn was 45 by 60 feet, with L 24 by 60, and contained a large amount of hay and grain, etc. which proved fine fuel for the flames. Between 8 and 10 loads of new wheat, about 600 bus. old wheat, 125 bus. of oats, 35 tons of hay, and two tons of fertilizer, which had been brought into the barn just half an hour before the fire, were totally destroyed. The large driving shed, and hen house, with about 200 hens and chickens, implements as well were almost a total loss, as only the binder could be saved. Two cutters, buggy, wagons, manure spreader, and many other articles were lost in the all-devouring element. The loss will reach several thousand dollars, and the insurance carried will recoup Mr Brown only about half the amount. However he is grateful that such timely and willing help was available in saving the house and other property, which caught fire different times, and which to warmly thank all who lent valuable aid in staying the flames.

Splendid Program at Allan Park Garden Party

The Allan Park branch of Women's Institute struck an ideal night last Friday for their garden party, which was held on the fine grounds of Mr. Harry Reay, Ebenezer. There was a fair crowd present, who first partook of an excellent supper, the tables being set on one side of the house front. The verandah made a good platform, and directly in front, the audience was seated, where they listened to as bright and varied a program as has been given at any similar function in these parts this summer. Mr Michael Byers was chairman, but with the lengthy program before him, he made his opening remarks brief.

There were no other addresses but abundance of music. Mighton brothers gave two fine instrumentals, and the older lad, a song; there was a violin and guitar duet by Messrs Rahn and John Park; vocal duet by Miss Lillian Hamel of Hanover and Mr. Drinkwater; also a solo by each. Three Henderson children sang: a trio, Mrs. Wise and Miss Rota Bailey a duet, and P. Ramage of Durham, a solo. Jim Park, the local Harry Lauder, made a big hit when he sang in costume "He was very kind to me." He is the equal of several of these Toronto comedians.

The Sailor's Hornpipe dance was prettily executed in costume by Miss Armstrong of Hutton Hill. Miss Pearl Wilson, former teacher, was called upon and in a few words expressed her pleasure in being present to meet and greet old friends.

Nor was the eloquent side of the program neglected. The opening number was a recitation "My mother-in-law" by Fritz Smith; Miss Nettie Byers and Gordon Mervyn also gave much enjoyed selections, while the latter, with his sister, Edith Mervyn, contributed an amusing dialogue. A lengthy paper brimming with witty sallies and hits on residents of the locality, was read by Miss Mary Kennedy, in a fine, clear voice. Nearly every one was remembered, especially the young fellows, and some were the target for several hits. The Institute is to be congratulated upon the excellent program they had prepared, almost entirely contributed by local talent. The proceeds of the evening were over \$70.00.

GIRL BUGGY PASSENGER KILLED BY MOTOR CAR A disastrous accident occurred 11 miles west of Walkerton on Thursday last when a car driven by Joseph Lippert, collided with a buggy and Miss Evelyn O'Hagan, aged 23 was fatally injured and died shortly after being taken to her sister's home.

Her sister Marjory, 17, is in the hospital at Teeswater in a precarious condition due to wounds in the head. Maurice O'Hagan, 21, their brother, driving the horse, had his collar bone broken and a few ribs fractured. Lippert is being held in the County jail in Walkerton on the nominal charge of reckless driving. Shortly after midnight a jury was empaneled at the home of Mr and Mrs John O'Hagan, parents of the dead and injured by Dr. M. H. Gillies of Teeswater. After viewing the body, the inquest was adjourned until Wednesday afternoon of next week in Teeswater. The late Miss O'Hagan and her sister reside in St Catharines. At home on a visit, they were on their way to Riverside to attend a barbecue when the accident occurred. The collision took place opposite the farm of John Cassidy, where Lippert, who works in Detroit, was visiting. According to reports, the Lippert car cut the horse from a considerable distance, carrying with it the two young ladies and their brother.
