The bye-election in North Huron of

Monday elected H. B. Spotton, the

Conservative candidate, by nearly

O, man was a bad third.

A Visit to Two Out-

Mrs Christine McGillivray Campbell of Bentinck, has an interesting last week relating to the "Highways and Byways in Grey". More particularly she writes up H. W. Hunt of Vickers, as a result of a recent visit ially interested in that plantation, because most farmers are quite a ware that they have enough to do without undertaking anything else, whatever: yet it is the farmers who have vision enough to do some exfarming does not seem to have sur fered in any respect, because Mr and planting trees. The corn behind the barn is thick and tall, the dairy herd of jet black cows is 'rolling' fat (and neidentally, all their cream, summer and winter, is churned at home and the special brand of dairy butter eagerly bought by private customers) slackened by tree-planting.

EMULSION

remarked Mr Hunt, coming in from the garden. Naturally we had to see standing Bentinck Farms the oaks. There was a garden row of thriving secdlings, grown from acorns put in last fall. These, together with the windbreak trees supplied by the Ontario Gov't, will benefit by the richness of garden soil and the help of garden cultivation till they have reached a size when they may be safely set out to take care of their own growth in hedges and windbreaks Of these latter, there are several windbreaks already well-grown that protect the buildings and barnvard, while thick neatly-trimmed cedfield, a large part of which was reforested two years ago, at least me ambitious pine has grown as tall as its owner These trees were hoed in over areas where grass and weeds are given the right of way. Last have become heated in their ship ping crate, Mr Hunt informed us, and many of them died. Besides his planting efforts. Mr Hunt is allowing
