The amazing way that the Gilson "Magic" Furnace gives a greater volume of warm moist air from a smaller quantity of fuel is the heating wonder of the age. Built on entirely different principles, the Gilson Magic brings new comfort to the home and cuts fuel bills one-third to one-half.

Easy Payments-Saves \$50.00 in Fuel-Burns Any Fuel-No Joints-Can't Leak Gas.

BURNS HARD OR SOFT COAL, COKE OR WOOD The Gilson Magic burns any fuel equally well. It heats three times faster. The one-piece, heavy steel plate body, special cone - shaped grates, booster flues, electrically arc welded joints, which permanently prevent gas and dust from leaking, all contribute to make the Gilson "Magic" the most satisfactory

and economical furnace. WRITE FOR EASY PAYMENT PLAN Learn all the fact about this new and sensationally priced

The butcher passes this on to his produce merchants, buying largely from the farmer, passes this ten dollars back to the farmer, from whom it originally Thus is has, in its ramblings among the home town people, served many useful purposes and yet it is still in the community to again serve.
