No fun in being Famous

According to the Alliston Herald, Alex. Hodgie finds that being a hero is not all fun. In fact he is getting quite "fed up" with the whole business. Too many people have been visiting his farm. Two weeks ago a Toronto transportation company ran a whole bus load of people up from the city, arriving about nine in the evening and staying for an hour and a half. Hundreds of private cars came even yet on Sunday. "Nearly everything movable," says Mr Hodgie "has been taken away." There is not a knob left on one of the doors, inside or outside. All the silver knives and forks, given him by his friends in Scotland have been carried away and every plate, cup and saucer contained in the pantry where he hid his money before going to his room, when he was confronted by Dan Forsythe, has been carried off. From the walls the paper has been pretty well stripped in all the rooms and his toilet articles such as he had not removed, when he came to stay with Mr Weatherup, are now serving as souvenirs. Apparently Mr. Hodgie conquered one robber and fell into the hands of many.

Wawanekas were Winners

Owen Sound Wawanekas and Galt Swastikas, two crack girls' ball teams played Int. semi final at Mt Forest last Saturday. It was the best girls' game staged in this part of the province and surprised the natives. Owen Sound won 4 to 3 by a thrilling last inning finish when a homer by Owen Sound's star pitcher, Wilda Plante, brought in 2 runs and a game that appeared lost. O. S. had the edge in their battery, but Galt excelled in the field, losing by lack of timely hitting. About 15 Durhamites attended and rooted for the Wawas. They now meet Nationals of Toronto in the finals.

Study Meeting of Knox Auxiliary

The monthly study meeting of the Y. W. A. of Knox United Church, was held in the schoolroom of the church on Tuesday ev'g, Sept. 27th, with the President in the chair. The meeting was opened with singing and prayer, after which the business was taken up. As the meeting was of a jubilee nature, the President opened the subject and Mrs Henderson read the story of our first settlers, the Indians. Miss Mary McKechnie read the scripture lesson bearing on the topic and Miss Margaret Edge the prayer of the immigrant. The responsive meeting led by the president was answered by the following members: Ukrainian—Mary Brown; Italian—Myrtle Koch; Finlander—Jean McKay; Greek—Margaret McFadden; Dane—Violet McClummet; Icelandic—Mary McKechnie; Norwegian—Mrs Catton; Swede—Barbara Ritchie; Pole—Caroline Mitchell; Bulgarian—Mrs Duffield; Czech Slovaks—Mary Morton; Hebrew—Daisy Mather; Armenian—Myrtle Koch; Chinese and Japanese—Olive Middleton. The questions and replies to these different nationalities entering Canada, show the matchless opportunity offered us to do service for the ages to come. The meeting closed with the repeating of the class text and the Lord's Prayer in unison.

C. N. R. TRAIN CHANGES

Commencing Monday of this week, the motor coach out in morning and returning at night on C.N.R. has been replaced by a steam train. The time of departure from Durham station is unchanged—7.05 a.m. also its arrival 9.05 p.m. Now, however, a through service to Toronto is provided on this train without change at Palmerston or Guelph. The noon train arrives now at 12.55 instead of 12.20 and leaves at 2.35 p.m. as formerly.

The through train to and from Toronto morning and night means that three or four families of the operating crew will be resident in Durham. These men are endeavoring to rent or buy homes here, a difficult matter with the present scarcity of suitable houses.

Durham to Receive Peony Bulbs from Prince

Mr J. N. Murdoch, Mayor of Durham, has received a letter from H. W. Britton, Manager of the Bank of Montreal, to the effect that this Bank has undertaken the distribution of the many thousand peony bulbs to the many towns and cities in Canada which are being donated by His Royal Highness, the Prince of Wales in commemoration of his Canadian visit in Diamond Jubilee Year. The bulbs are being distributed from each branch of the Bank of Montreal and where there is no local branch in the town, will be shipped from the nearest point, which will be Hanover. They are to arrive in plenty of time for fall planting. We would suggest that the peonies be called the "Eddie" brand, after the popular Prince. At least he could have chosen no better way than to show his appreciation. "Say it with flowers"

Anniversary of Queen St. Church a Splendid Affair

Rev. H. S. Fiddes, pastor, also the Special Speaker and addressed large audiences both services.

Went over Financial Objective

The Anniversary Services last Sunday of Queen St. United Church, were very successful, good congregations at both services. In the evening especially, every available space was utilized and chairs in the aisles. Knox United had cancelled her evening service to attend it and all enjoyed the able discourses of Mr Fiddes and the musical part of the services.

They had assisting them Mrs Henry of Hanover, a former Welsh choir member. She sang two solos at the morning service with great acceptance, the choir also contributing two anthems.

Mr. Fiddes preached from Judges 7: 4, showing how God raised up three hundred men to be deliverers of Israel under Gideon.

At the evening service, Mr Fiddes gave a splendid discourse from Hebrews 11: 24, 25, which tells of the momentous decision of Moses, choosing rather to suffer affliction with the people of God than to enjoy the pleasures of sin in Egypt. There are great decisions that effect the world's history; Caesar's when he decided to cross the Rubicon; Pilate's when he had the choice to free Jesus or to deliver him to the Jews to be crucified. 'Twas but a step from Moses' decision to the decision required of every Christian and he earnestly placed before the people the choice between evil and good. The choir rendered two anthems in good style; a trio by Mrs E. McDonald and sisters Misses Smith and duet by Mrs. McDonald and Mr Benson made up a fine program of music.

Monday evening the Ladies' Aid completed the Anniversary services by giving a splendid supper and concert, which was a success financially as well, \$80 having been the door receipts. After opening services, Rev. Mr Fiddes in the chair, the orchestra comprising Mr and Mrs Earl McDonald, Bert Saunders and W. Benson gave good selections. Mrs Henry sang three times in a clear contralto voice, some fine selections with encores. Readings by Geo. Hay and R. Padfield were well received. Misses Lawrence sang "Lead Kindly Light" with fine effect while Mrs. Padfield's piano solo was strongly endorsed. A duet by Mr Benson and Mrs E. McDonald was well rendered as was a solo by Mr Benson. A cornet and trombone duet by Messrs C. Buschlen and Phipps was vigorously endorsed.

As the chairman's address, Mr Fiddes gave some historic notes of Queen St. Church, taking them back to 1852, to the union of Methodism in 1874. He had also words of appreciation for his church workers and choir. He had no need to beg or preach Christian stewardship—they lived up to their profession. The Board had sent out letters to members asking them for \$400 and \$265 was given in the morning and all the \$400, less \$32 was made up in the evening offering. The concert had gone over the \$400 mark.

Operations at Hospital

Mrs Jas. McDonald of the 6th con. Bentinck, was operated upon in Durham hospital Wednesday for appendicitis. On Tuesday in the same building, Mr Oliver McCaslin underwent the surgeon's knife.

Change in Barber Business

Mr James Allan has disposed of his barbering business and fittings, located in north front of Hastie's pool room, to Mr Robert Whitmore, who took possession Tuesday morning and is at work there. He intends removing the equipment to his own shop now occupied by Mr William McDonnell and with whom Bob has recently been employed. Mac is looking up a new place of business in town. Mr Allen and family will remove from town, but have not yet settled on a location.

An Exciting Runaway

While delivering milk up town on Wednesday morning, Frank Lake, who drives McDonald's wagon, could not control the horse, and it broke away from him and tore down the hill. Passing through the business part of town past Garatara bridge, it narrowly missed several parked cars and when Geo. Gray attempted to halt it at Hahn House corner, the good swerved onto the sidewalk between Brigham's store and hydro pole in front, where it slipped and fell and its wild dash was thwarted. Two wheels of wagon and front axle were broken while there was a drop in milk as well, a number of the bottles being broken. The same animal had a previous runaway record.

Farewell Evening in Baptist Church for Rev. Mr Taylor

Presented with Purse and complimentary address by congregation.

A farewell to Rev. Jas. Taylor who is leaving for Grimsby, was given by the congregation of the Baptist church last Thursday, when the respect and esteem in which he was held, was exemplified in a marked degree. Rev. H. Crickington, Mulock; Rev. R. Richards, Hanover Baptist Ch.; Rev. H. Crickington, Mulock; Rev. Farmer, Owen Sound Wollencroft of Leith, were present to give their testimony to his worth.

After a fine supper in the schoolroom, the congregation assembled in the church, W. H. Moffat, presiding deacon, in the chair. He called upon Rev. Mr Crickington to open proceedings in which the latter praised Mr. Taylor for his earnestness and splendid pulpit ability and hoped they would soon have another pastor to take his place, which would be hard to fill.

Rev. Mr Smith was glad to have an opportunity to express his appreciation of Mr Taylor. It was good to have an occasion once a year for the officials to tell how they appreciated their minister. Mr Taylor often asked his advice on various matters but would not do so concerning one to run his home for him! They never had a finer minister in this congregation, a diligent student and scholar, conscientious in his work, and would grow to be one of the outstanding preachers in the Baptist Church. He hoped he would often come back to visit us and wished him even greater success in his ministry at Grimsby.

Here an interesting break took place when Mr John Ritchie read an address, expressive of their respect and esteem, Mr Duncan McLean presenting him with a purse of money, as a tangible token of appreciation of his labors among them.

In replying, Mr Taylor said it was the hardest thing he had to do to say good bye and in spite of all differences had enjoyed his stay. He thanked them all for making him feel so much at home—the deacons, board of management choir and Y. P. Society; their hearty cooperation had been good to him. He would like to repay some of Mr Smith's compliments, for ever since he came to Durham, Mr Smith had been a great help in his work and any measure of success in the pulpit, he attributed.

Coupe and Truck Collided

At the corner at the foot of Durham hill Saturday afternoon a collision occurred when the delivery truck of the National Grocers of O. Sound, was struck by a Ford coupe, driven by Eddie McQueen of town. Both were travelling north past Garatara St. bridge, the truck a little ahead. Eddie stepped on the gas to make speed to climb Durham hill, expecting to pass the truck, when it suddenly turned to the left at corner at foot of hill, and the crash followed. The radiator and fenders of the coupe were damaged, but the only injury to truck was the tail light being broken off.

Priceville Presbyterians Call a Minister

A congregational meeting of Priceville Presbyterians, was called for in McKinnon Hall, Priceville, on Wednesday, Sept. 28th, to select a pastor from the number they have heard in the past few weeks. Two or three names were mentioned, but when it was noted the majority were in favour of Rev B. Innes, all present made their wish unanimous that he be given the call. Next week we will most likely be able to state as to his acceptance of this call and in the mean time the congregation are hoping that his way is clear to do so. Mr Innes is a man of middle age and impressed all with his earnestness and fervor when he preached in Priceville about a month ago.

BARBER — WORTS

A very pretty wedding was solemnized at the Manse, Inwood, Wednesday, Sept. 7th, at 1.30 p.m., when Edith Violetta, daughter of Mr and Mrs Alfred Worts, became the bride of Mr. Percy A. Barber, son of Mr and Mrs Richard Barber, Durham. Miss Etta M Worts, sister of the bride, acted as bridesmaid and Mr Bert Barber, brother of the groom, of Durham, as best man. Rev. Mr Hagelestein, their pastor, officiated. The bride was most attractively attired in a peach tulle gown, with blonde shoes and hose to match, and carried a bouquet of roses and maiden hair fern and wore a becoming picture hat. The bridesmaid was gowned in a maize, gorsgette dress, with shoes and hose to match and white hat. She carried a bouquet. The groom's gift to the bride was a rope of indestructible pearls; to the bridesmaid a gold compact, and to the groomsmen a silver cigarette case.

Immediately after the ceremony, the happy couple returned to the bride's home where a dainty wedding dinner was served to about thirty guests.
