Picking Raspberries on Oct. 26: October must be awarded the palm for giving us the most unexpected good weather of any month in the year. Not infrequently in past years have dashes of snow appeared before this date, but none has fallen so far and very little frost. The mild season has brought second crops of various fruits and vegetables up to Oct. 26th, have been enjoying meals of raspberries plucked in the family garden, and still more promising. Here's hoping the fine weather continues for a month yet.

St. Columba's Anniversary: Anniversary Services of St. Columba United Church, Pricville, will be held at Thanksgiving time, Nov. 6th and 7th. On Monday night a fowl supper and entertainment will be given, beginning at 6 o'clock. The program will be in charge of St. John's Dramatic Club of Flesherton and will include the play "A Rough Diamond" and musical selections.

Anniversary at Rocky Saugeen: Burns Church, Rocky Saugeen, was nearly filled for the Anniversary service on Sunday afternoon, in charge of Rev. Dr. Forbes of Teeswater. The ideal October weather favored the event, which attracted numbers from Durham and Dornoch congregations on each side. Dr. Forbes took Psalm 116: 12 as the text of an earnest discourse. God expects us to recognize His benefits, what He has done for us. We should give thanks to Him, showing by our outward actions that we have the right spirit. He expects us to look after our own welfare in a plain way, but expects us to give a goodly portion of our possessions as if it were our own. We will give our personal service as well. "Any community not interested in home and foreign missions will be come as dead as a doornail," was a pertinent remark. The choir of Durham Presbyterian Church, sixteen strong, rendered two fine anthems.

Aberdeen Women's Institute: The Aberdeen Branch of Women's Institute held their monthly meeting on Oct. 21, at the home of Mrs. Donald Stewart, with 24 members and three visitors present. Mrs. Stewart read the scripture and two interesting and helpful papers were given, one by Mrs. Dan McLean on "Thanksgiving" and one by Mrs. D. McQuarrie on "Cheery People." The roll call was answered by silver collection and there was also a question drawer. Mrs. D. McQuarrie was appointed to go to the Institute Convention in Toronto in November. Three letters of thanks and appreciation were read. At the close of the meeting a quilt was quilted and two boxes of fruit packed for hospitals. The Branch intend putting on a box social in the near future. A dainty lunch was served at the close of the meeting. The next meeting will be held at the home of Mrs. Jas. Evans on Nov. 18th at 2 p.m. All ladies are cordially invited.

Pricville Presbyterian Church will hold a Fowl Supper and concert in McKinnon Hall, Pricville, on Friday, Nov. 4th. Admission, 50c; children 25c.

is it a Durham boy?

The schoolmaster wrote on the back of a boy's monthly report: "A good worker, but talks too much." The father, signed the report and then wrote under the remark of the schoolmaster: "You should meet his mother."

Passed his 85th Birthday

Best wishes to our venerable Town Clerk, W. B. Vollet, who on Monday last, observed his 85th birthday by settling down to his duties again after a pleasant two weeks' vacation. Mr. Vollet is still hale and hearty and looks good to hold down his office for another fifteen years. He is numbered among Durham's oldest citizens, but has yet five years to go to catch Mr. James Burt, who recently celebrated his 90th anniversary. Mr. Vollet, with his daughter Miss Sarah, returned Saturday from a holiday with the Anderson family in Hamilton and his nephew, Mr. Munro Sutherland in Toronto, who gave them a wonderful time.

Hanover Won Athletic Meet with 3 Points Lead

Walkerton, Hanover, Chesley and Durham Schools Competing

After holding the shield for three consecutive years, emblematic of the championship of Grey and Bruce Inter-scholastic Association, Durham High School was beaten the fourth year by the close margin of three points. In vain for several years past had the athletes of Hanover, Walkerton and Chesley Schools, all larger than Durham, endeavored to lower the Durham colors. This year Durham beat out Chesley and Walkerton again, but Hanover with star sprinters in the Senior boys, added up a total score of 48 points, while Durham counted 45. Chesley scored 39 points and Walkerton 21.

The Athletic Meet took place last Thursday on Durham Show Grounds, and every event was keenly contested from start to finish. It was an ideal day for the sports, several of the events being run off in the morning. In the afternoon, quite a number of citizens, as well as over 150 students of the four High Schools, were in attendance and all greatly enjoyed the excitement of the various races, jumps, etc. created.

It was Hanover's star Senior boy athletes who won the day for them. They secured a total of 24, or half of all Hanover's points. Ramsay of Walkerton, with 12½ points was second champion. Ellis of Hanover scored with 11½ points. In Junior Boys J. Grabb of Chesley grabbed off highest points of the day with 17. (Continued on page 5)

Peace River Missionary Spoke at Pres. Anniversary

Under the most favorable weather conditions the Anniversary Services of the new Presbyterian congregation here, on Sunday and Monday, were most successful. Rev. Dr. Forbes of Teeswater, a pioneer missionary of the Peace River District of Northern Alberta, was the preacher of the day, and his earnest messages were cordially heard by large congregations at night fill the church to capacity. The choir had special music at both services.

On Monday night over three hundred attended, the main attractions being a sumptuous fowl supper, St. Andrew's Male Quartette of Owen Sound and an address by Dr. Forbes on his north west experiences. The church was again filled to the doors, carloads coming from Owen Sound, and others from Chesley, Hanover, Teeswater, Mt. Forest and Dornoch.

While eighty at each sitting were enjoying the chicken and other delicacies in the basement, others awaited their turn in the auditorium of the church and it was 8.30 before the fourth and last sitting, almost a full quota also, had finished their part and the program commenced.

Pastor Rev. B. D. Armstrong acted as chairman. The choir opened with a well rendered anthem "O Worship the King," after which St. Andrew's Quartette, Messrs Boorman, Dedrick, Kellough and Kellough supplied the musical part of the program. Two of the quartette, Messrs Boorman and Kellough sang here previously and in their quartette work, the audience enjoyed a musical feast. The harmony, blending and shelling was pronounced and they were forced to respond with several encores. Popular quartette numbers were "Kentucky Babe," "Swing Low," "Story of a Babe," and the finale "Steal Away, Tack," and the finale "Steal Away, Tack," by Mr. Boorman; "Bells of the Sea" by Mr. Kellough and a duet by these two.

Rev. Dr. Forbes, in opening, congratulated the congregation upon their substantial church. A first-rate pastor, Rev. Armstrong, he honored the pioneers, one of whom before him, Mr. Gilbert McKechnie, he mentioned as having called the organization meeting to bring a railway to Durham. He stated the late George Jackson had named this town Durham, after Durham, England, his native place, narrated the origin of Teeswater, his home town, and disclosed his native home as Aberdeen, Scotland, the city of granite.

When a little fellow, he said, he had a strong impression to be a for- eign missionary. After graduation in Canada, he met in with Dr. Robert Armstrong of Western Canada, who sent him to Fort Saskatchewan, Alberta. He landed in Edmonton in 1894, went to the Fort, built a new church and in a few years a fine congregation. Then with population going further north into the Peace River country, he drove 1500 miles to Grand Prairie and back with

Might Have Been Fatally Burned

Little four year old Jean Town, daughter of Mr and Mrs D. C. Town, was happily rescued from being severely burned Tuesday morning, when Leonard McComb grabbed her in his arms and smothered the flames enveloping her.

Playing in the rear of McComb's drug store, some small children made a bon fire there and she must have approached too close to the flames. Jean's clothes, mainly of cotton material, quickly caught and she ran screaming on the street. Her mother happened to be in C.ant's dental parlor and seeing her in flames through the window, rushed out, but Leonard McComb when in front of the drug store, heard her screams, reached her at the same time and picking her up, rapidly smothered out the flames. The parents are very grateful for Leonard's prompt and timely aid. The little girl was wearing a woollen sweater which did not catch, fortunately preventing the flames reaching her face and hair. Her lower limbs and hands as it is, were badly burned, her clothes below the sweater being burned off. She was bathed in oil and suffered much pain for a day or two after. However the burns will quickly heal and in a week she should be completely recovered.

Successful Euchre Party

A successful progressive euchre was held last Thursday evening by the A.Y.P.A. of Trinity Church in their rooms. Sixteen tables were in play and the final was the Nobles on top. Mrs. Vic Noble won the ladies' prize—a cut glass dish and Mr. Arnold Noble the gent's—a deck of cards. Over \$30 was realized.

Another car Mix-up

The Review had almost decided there was no car accident of any nature to report this week when we learned Wednesday of a collision that morning in town at the corner of Albert and Saddler Streets, a block east of Ford garage. George Lavelle was coming south on Albert in a Ford sedan while Neil Livingstone was driving east on Saddler in a Ford touring. The high bank on north west corner obstructed the view and neither saw the other till at close quarters. Lavelle's car overturned Livingstone in his bus but while the top was smashed and other damage done, Neil luckily escaped unharmed. Geo. also was unharmed, though his Henry was added to the casualty list.

Miss Ball Speaks at Thankoffering

The Young Ladies' Auxiliary of Knox Church, held their Thankoffering meeting on Tuesday night, with Miss Elma Ball, Hanover, as the special speaker. Miss Ball has been doing mission work for the past few years at Walsart and Kolarceoka in Alberta, but owing to the serious illness of her father R. J. Ball, ex-M.P., she is remaining home this year. The speaker gave an interesting story of conditions in these mission homes, where most of the pupils are of Ukrainian blood. They adapt themselves wonderfully to Canadian influences for good or evil and she stressed the point that we do our utmost at the home base in prayers and financial need to reinforce the workers at these distant points. Miss Ball was accorded a hearty vote of thanks at the close for her illuminating address. Mrs. Porter rendered a solo sweetly, and Misses Winnie Blyth and Jessie Bell a duet. Over \$30 was realized in the collection.

Post Office Walls Completed

The new post office is rapidly being built, and it is hoped to have it ready for occupancy by New Year's. Last Thursday the masons and bricklayers finished their part of the work and the building now appears at its full height. The roofers are at work this week and the hot water heating system will soon be installed. With present summer weather prevailing it looks as though all exterior work will be completed before the first snow flies.

Thanksgiving Day Service

The ministers of the town have made arrangements to hold morning service as in past years on Thanksgiving Day. This year the service will be held in Knox Church at 11 a.m. Monday, Nov. 7th. Rev. B. D. Armstrong B.A. will give the address, the other ministers taking the rest of the service. The offering will be given for soldiers' comforts at the Christie Street Hospital, Toronto. It is hoped there will be a large attendance of church members and people of the community.

To Organize for Hockey

A meeting of all Hockey players and enthusiasts is called for next Tuesday, Nov. 1st, at 8 p.m. in the Hahn House to discuss the hockey situation and organize for one or more teams this winter. Let's have a full house—and on time.

With the summer brand of weather now prevailing, one might imagine it, but there is no doubt winter is not far around the corner.
