(This week's budget) Our last week's budget to the Review must have gone astray. Mrs Ray who attended the funeral of her brother, the late Chas McInnes, remained to visit relatives before returning to Toronto. Miss Balf, Chicago, is visiting her sisters, Mr and Mrs Munro, Hamilton, Mr Webster, Lions Head and Miss Mary Lancaster, Toronto, have returned to their respective homes. Mrs W.M. Groat, Mt Forest, spent a few days last week visiting her former neighbors and friends here. Mrs J.A. Mather had the misfortune to fall down stairs early Sunday morning. Fortunately no bones were broken but she received many bruises and will be confined to her bed for a few days. Mrs Morrison, Oshawa, has been enjoying a visit with her cousin, Mrs Bruce. Mrs Urquhart returned to Owen Sound after a fortnight's visit with her daughter. Mrs D. Eccles is home again after a delightful visit with her niece in Cleveland, Ohio. Mrs C. Withrow and baby Elmor, spent a few days last week in her parental home. Mr and Mrs P. Conish visited at N. Horsburg's the beginning of this week. Mr and Mrs W. Haas and Miss Catherine, Mt Forest, were recent guests here in the home of her brother. Arthur Haas spent Sunday with his cousins in Mt Forest. A number of friends and neighbors attended the reception, last Wednesday evening, given by Mr and Mrs W. H. Rogers in honor of daughter Mildred. She and her husband, L. Sweet, accompanied Mr and Mrs F. Watson to Toronto on Sunday, expecting to leave to-day for their home in Portage La Prairie. Arrived too late for last week. We extend sympathy to the widow and family and other relatives of the late Charles McInnes, whose funeral takes place to-day. After many weary months of confinement to his home since he suffered the paralytic stroke and where he was so lovingly cared for, he passed away Saturday morning after a brief illness with pneumonia. We regret the demise of another of our pioneers—a grand old man, much respected. He spent nearly all his long life in this vicinity serving his church and community faithfully, taking a very active interest in Educational and Municipal affairs, having taught a number of years in various offices as Reeve, etc. As Justice of the Peace his advice was reliable and much sought after. We are sorry to see the staunch old settlers leaving us as there are so few of them left. No 10 school is closed on account of mumps. Mr and Mrs W. H. Rogers and Clifton were in Toronto over the week end, attending the wedding of their daughter Mildred and Dr F. Watson, L. P. Sweet of Portage La Prairie, Man. The ceremony took place Saturday at 3 p.m. in Carlton Street United Church, Toronto. Dr Ernest Crosley Hunter, officiating. The bridesmaid was Miss Flo Turner, Toronto, while the groom was supported by Dr Elliot of Hamilton. A reception was held later in Sherbourne Club. They are expected here after a trip to Tilsonburg and Detroit, before proceeding to their western home. We join Mildred's many friends around her old home in wishing her bon voyage on life's matrimonial sea—many years of happiness and prosperity. At our U.P.O. first meeting in their new club house last Wednesday evening, Miss A.C. McPhail, M.P., F. R. Oliver and J. Crutchley of Durham, were present and gave splendid addresses. There was a good attendance. At the regular meeting they expect to have Mr R.L. Atchison of Chatsworth to speak on Co-operative shipping. Mrs Elmer Parrish, Lucknow visited with her sister, Mrs Long and new baby niece last week. Mrs Brunkard, Drayton and Miss Annie Keith, Toronto, are guests of friends at home. Mrs Geo. Troup spent the week end with her Arthur friends. Mrs J. McLean, Bentinck, is this week visiting in her parental home. Mr Geo. Alles' are enjoying their new house these chilly days. Mr Milford Bilton's are also living in their new home and are this week moving the kitchen over. The fine Anniversary Services in Holstein Presbyterian Church were enjoyed on Sunday—also the fowl supper and program last night. After the business meeting of our beef ring last Friday evening at V. Alles', we had an impromptu program of music and readings followed by lunch. We would especially mention the interesting talk given by Miss Floyd on her trip up the lakes. Next Friday evening, the 12th con. beef ring intend holding their social evening at R. Sim's.

ALLAN'S CORNERS

The annual Thanksgiving services of St Pauls church, Egremont, on Sunday and Monday, were certainly a decided success, both in point of attendance and the offerings, the latter being \$126.00. The services afternoon and evening on Sunday drew a full house on each occasion and excellent sermons were delivered by a former pastor, Rev. F. G. Hardy of Brantford and were much appreciated. The fowl supper Monday evening drew the usual full house, being about 9 o'clock when the last tableful was served. As is usual with this congregation, there was plenty and to spare, taking a tremendous amount of good things provided by the ladies to fill the multitude. Following the supper a fine program was given in the auditorium of the church, the talent being the following: an anthem by St Pauls' choir; solos by Mrs E. Hildyard, Mrs Ince, Greenwood and Mr Stedman; readings by Miss Ruby Morrison, Mr. Padfield, Miss Amanda and Master John Matthews; a pleasing and pro-

stable address by Rev. Jay of Holstein and a quartette from Zion was much appreciated. The chairman of the evening was Rev. E. Hayes, who fittingly did his duty. Both services Sunday and the social gathering Monday were an inspiration to minister and congregation and hope that the attendance and enthusiasm shown gives promise of future success. Mrs Hawkins, Owen Sound, is visiting at the home of Milford Matthews and Mrs Queen and Carnan. Mr and Mrs Queen and Carnan, spent an enjoyable evening at the home of Mrs John Brown Sr of Holstein, where a large number of guests were royally entertained by playing progressive euchre. Rev and Mrs Hardy were the guests of Mr and Mrs Jas Mack Sunday. Mr and Mrs Reg. Rooney, Mt Forest, spent the first of the week at the home of Wesley Andrews. Mr Valentine Alles was engaged for a few days last week filling slots in the neighboring locality. Mr Earl Mead who spent the past two months with his parents, Mr and Mrs R. Mead, of Unity, Sask., has returned home again. Mr and Mrs Albert Marshall of Knox Corners, visited Sunday at the home of Thos. Wilson. Mr and Mrs Nelson McGuire of Holstein, spent Sunday at the home of J. C. Queen and attended St Pauls Anniversary services. Mrs Wm Allan, Durham, visited on Monday at the home of her sister, Mrs Walter Ferguson. Messrs Farr Lawrence and Wm. Morrison shipped a carload of lambs to Toronto Tuesday. NORTH EGREMENT

Mr and Mrs W. H. Wells, also Mr and Mrs Thos. Daly, spent Sunday at Eugenia Falls. Mr David Hooper, Jr. celebrated his birthday by having a number to a dance Friday evening last. Don't forget the play "His Uncle's Niece" in Russell Hall, Dromore, this Friday evening under the auspices of the Egremont Plowmen's Association. We are pleased to have in the Review this week a photo of five generations of the Hooper family. Mr. Kelsey of Durham informs us this is the first five generation picture he has taken since coming to Durham. Mr David Hooper lost a valuable two year old steer with black leg last week. Dave had the rest of the young cattle inoculated. Quite a few from this vicinity took part in the Ploughing Match Saturday last. As this event is financed by what the money the directors receive from the farmers of the Township and a few others, we had some experience this fall in helping to collect some and was disappointed with the small amount we received. We would like to see the farmers loosen up a little and try out the old saying, "It's more blessed to give than to receive." We know of no better way to encourage better plowing in the Township than the annual Ploughing Match. Master Clarence Moore was a very sick boy last week with the mumps. Glad to say he is able to be up again. Miss Gladys Firth spent last week at Mr Harold Lawrence's. Mr and Mrs Leon Trebert and son Junior, of Detroit, spent over the week end at Mr David McKelvie's. Mr and Mrs Harold Atchison, Toronto, spent Sunday at Mr Will Eccles'. Mr Alex. Henderson, also Mr Peterman and the latter's mother, motored from Detroit Saturday last to W.A. Lawrence's and accompanied by Mr and Mrs Lawrence and Miss Gerie, spent Sunday with friends at Eugenia Falls and Collingwood. Everybody busy as usual in this locality. In fact one chap told us he was too busy to go and see his girl. Miss Mae Andrews went to Toronto this Tuesday for the winter months. Mr Reggie and Miss Grace Ramage spent Sunday with relatives at Hariston. Mrs Thos. Atchison, Durham, visited last week at Isaac M. Hooper's. Mr Geo. Hargrave, Detroit, is over on a visit at present. Mr John Scott had a driving shed erected last week. Mr Thos Renwick the framer. The Dromore Women's Institute will meet at the home of Mrs Alex. Milne on Wednesday, Nov. 2nd, at 3 p.m. The program will be as follows: Roll call, "Home made remedy for man or beast"; "Hospitality—the old and new"; Mrs Jno. Hill; Reading, Mrs Jas. Bunston; Music, Mrs McNaulty. A shower of fruit and pickles will be held at this meeting for Durham Red Cross Hospital. All ladies are cordially invited.

Turning Point in Canadian West's History

Forty years ago, Winnipeg church bells were ringing wildly and the few steam whistles in the city were screaming with joy. On that day a new and shrill note was added to the tumult. It was the sound of the first locomotive whistle to shatter the peace and quiet of the little prairie city. The day marked the occasion of the arrival of the engine now known as the "Countess of Dufferin," brought to Winnipeg in connection with the construction of the Canadian Pacific Railway. And the event celebrated by the entire population, following the issue of an extra edition of the only daily paper, announcing the coming, was termed "A Historic Happening," one of the greatest importance to the North-West. The first engine, forerunner of hundreds of others, did not enter Winnipeg mounted on rail. Though steam was up in order that the whistle might swell the chorus of welcome the wheels of the engine rested on a barge that was towed up the Red River by the steamer "Selkirk." The barge and steamer were gaily decorated with flags and bunting, and the engine itself was polished and gaily decked with ribbons. The "Countess," considered half a century ago a feat of mechanical accomplishment, was due to arrive in Winnipeg early on the morning of October 9, 1877. A pretty Autumn wedding was solemnized Saturday at Carlton Street United Church, Toronto, when Mildred Mae, daughter of Mr and Mrs Wm. H. Rogers of Holstein, became the bride of Dr. Theo. L. P. Sweet, son of Mr and Mrs R. H. Sweet of Portage La Prairie. Rev. Ernest Crosley Hunter officiated. The bride who was given in marriage by her father, wore a bouffante frock of softly sheer georgette, shading from palest pink into rich rose, a charming choker of velvet ribbon centred the luster of the hip line. Her broad capeline hat was in rose velvet, and her stockings and shoes of velvet were in the same lovely shade. Her bridal shower was of sunset roses. Miss Florence Turner attended as bridesmaid. Dr. Harry B. Elliott assisted the groom. Mr Forsythe played the bridal music and the bridal hymn was sung by Miss Grace M. Kent. Immediately following the ceremony a reception was held at Sherbourne House Club, when Mr. and Mrs Rogers received. Later in the afternoon Dr. and Mrs Sweet left for their honeymoon, the bride looking lovely in a frock of beige crepe with matching beige coat, swathed in bleached seal. Her chic little hat was in the same smart shade. On their return they will reside in Portage La Prairie. We have now entered the "shortest day" period. A Scotsman was entertaining a guest for the night. The evening was spent in weighty conversation, no offer of liquid refreshments being made. About 10.30 p.m. the host suddenly said "Now, how about a wee deoch-an-doris eh?" The guest rubbed his hands and chuckled, "Splendid!" So the host smiling rose, rose and put on Harry Lauder's celebrated song record on the gramophone.
