Rocky Club Entertains Edge Hill
A real old-time Halloween Social took place at Rocky School Thursday night last, when the spirit of witchcraft hovered over the school, and when the goblins and sprites held the premier place in the evening's program. It was also the annual meeting of the U.F.Y.P.O. which re-election of officers first took place. This social was arranged as a compliment to the Edge Hill Club whom they entertained that evening and about 50 in all were present. Mrs. Thos. Turnbull as Young People's Director, presided over the business meeting and the following were elected for the ensuing year: President, Mr. Joe Crutchley; Vice Pres., Miss Corinne Lawrence; Sec'y Treas., Miss Kathleen Firth; Program Convener, Miss Islay McKechnie.
After this procedure, the new President took the chair and extended a welcome to all. The school was in semi darkness all evening and the proper spirit descended on all to enjoy the evening. Community singing was indulged in and as well as the "witch scene" from Shakespeare's "Macbeth" was enacted by Misses I. McKechnie, Catharine McLean, Kathleen Firth and Harold and George McKechnie. Mr. Peter McQuarrie recited a suitable number and Miss Corinne Lawrence rendered a solo, "The Haunted House." The President of the Edge Hill Club, Mr. Howard Ritchie, added a few words of appreciation and games and contests of a Halloween nature closed the program. We were told that a "scrumpious" lunch of pork and beans was the last item on the program. Whatever that term conveys in the minds of our readers, will best explain the word.

We have assembled here to-night to spend a few social hours with you ere you leave for your new home—Toronto, where you will be relieved from the pains and work of the farm. During the past 8 years in our neighborhood we have always found both of you kind and obliging neighbors, always willing to assist in any good cause and lend a helping hand when we were in trouble or difficulty, and we can assure you that it is with no passing regret that we are bidding you adieu. We wish to express in some tangible manner our appreciation of your residence among us, we ask you to accept of this token of our esteem and expression of our desire for your future success and prosperity. Signed on behalf of neighborhood Mrs. Wm. Fulton, Sec'y.

Miss Mary McGillivray read the scripture lesson and led in prayer. The monthly report of the Sec'y's report and other business, after which Mrs. Dunn, who is leaving for Toronto, was presented with the following address and gifts:
We, as members of Mulock Ladies' Aid, receive very deeply your removal from our midst. We realize we are losing a true friend and member of the ladies' aid and a willing worker. To show our esteem other than words we ask you to accept these candle holders and a dish and Miss Ritchie this shower of handkerchiefs from the Ladies' Aid, Mulock. The beef ring meeting was held at Fred Schriener's last Friday when a large crowd was present and every thing passed off like clock work. ENSURE A PLEASANT TRIP TRAVEL VANCOUVER EXPRESS
From Oct. 1st until the opening of the next Tourist Season, the "Vancouver Express" will have the distinction of being the most direct link between Toronto and Vancouver, until May of 1928, when the super "Trans-Canada" resumes service, the ever popular "Number Three" as she is more familiarly known, carries on alone.
The comfort and service found on this excellent transcontinental train, have earned for it an enviable reputation with experienced travellers, in fact many of her patrons use her services the year round, always enjoying the same accommodation they would in a favorite hotel. They come to know the waiters and porters and look for them when they go aboard. There are more than a hundred men who do this and it speaks well for the "Vancouver Express".
The "Vancouver Express" is Canadian Pacific and she leaves Toronto Union Station every evening at 9. Reservations, tickets and all travel information from Robert MacFarlane, ticket agent, Durham.

RURAL MAIL CARRIERS TO GET A HEARING
It is probable that at the next session of parliament something will be heard on the floor of the House—proposals will be made by the government—in regard to revising and modernizing the conditions under which rural mail carrying is handled, contracted for and paid for.

On several occasions during the past three or four years this subject has been seriously in need of government attention. As a rule the men who do the rural mail carrying are badly underpaid, and the system whereby inspectors are sent out to serenade the tightest bargain procurable from those who are renewing their mail contracts or dig up somebody else who will do the work for a dollar and a half a year less than the regular man asks for the job is a bad one and a reproach to the country. The man who drives mail twenty miles every lawful day in the year, wet or dry, stormy or fair, is, says the Toronto Star, doing a work for which there should be a known, a right and just wage. And the man who does the work should get it. He should not be talked out of it by high pressure contract makers sent out by the government of the country.

In the United States the same state of affairs used to exist as here, but some years ago the system was modernized so that now rural mail carrying is paid for on the basis of mileage served. Under this plan the service costs more, as it should, because the men are at present underpaid. But money is not wasted that is justly spent on an equitable plan of fair payment for reliable service.

The regular meeting of the W. M. S. of the Presbyterian Church, was held at the home of Mrs McCannel, on Oct. 29. There was a good attendance. Mrs A. Derby, Pres., opened the meeting with devotional exercises. The meeting was a special Thanksgiving one and the text, "Let us give thanks unto the Lord" was the thought of all present, brought to mind by the hymn, scripture and prayer. The reports of various committees were received and new business discussed. Mrs Wm. Keller took the topic "Moses women" the chapter this month showing how gradually under the influence of the Christian religion these heathen women are giving up their veil and taking the place side by side with men. Mrs Hepburn read a letter from Mrs Goforth. After singing hymn and prayer, Mrs McCannel served lunch and a pleasant hour was spent.

PARALYSED
Could Not Walk, but Restored with Natural Herbs
Elmwood, May 15th, 1927
Mr. R. J. Murfin,
Dear Sir:—
I must write and let you know how our son, who had creeping paralysis, is improving. He had taken your medicine about a week only when he could walk and in three weeks had gained 13 lbs. He helped his father with seedling and is working every day and is feeling fine. Our daughter is also making an improvement, is gaining nicely, but is still taking your medicine. We certainly cannot praise your medicine too highly for what it has done for us all.
We do not think there is any medicine sold on the market so effective in building up a run-down system as Mr. Murfin's Natural Herb Medicine and we highly recommend it to our neighbors and friends.
Hoping to see you soon, we remain,
Sincerely yours,
Mr. and Mrs. Wm. Liefso
