We see that W. H. Arrowsmith has retired from the collectorship of ward 1, Glenelg, as he very faithfully served his 21 years in the business and deserves much praise for the manner in which he always attended to his duties. Arch. is one of those young men who have the style of the gentlemen about them and some of the good old highland ladies red acres, be the same more or less, will be more apt to mistake him for the parish clergyman than the ward tax gatherer.-Priceville corresp.
