Many of our readers who remember Mary Naismith, Holstein, and an ex-teacher of No. 9, will be much interested in the following clipping.

Mrs Nellie McClung a favorite authoress, pays tribute to the Redcliffe poetess. Mrs McClung writes to the Calgary Albertan: "The many admirers of Mrs R. N. Matheson's poems which have appeared from time to time in the local papers and elsewhere, will be pleased to see that a signal honor has been conferred upon her in having poem selected by the poetry editor of the Literary Digest for publication in the issue of Oct. 29. Mrs R. N. Matheson who is the wife of Rev. R. N. Matheson, United Church minister at Redcliffe, Alberta, is a graduate of Queen's University and came to the West a bride about 15 year ago. In her busy life as lady of the manse, and as the mother of a family, she has not had much leisure, but in spite of her many activities, or perhaps because of them, she has written some vital and appealing poems, which not only please the ear but stir the heart as well. Most of her poems are devoted to the beauties of Nature, summer gardens, mountain paths, winter sunsets and the lyric quality of these things through the readers mind like he lit of a song. She is a philosopher as well. She looks with seeing eyes at the world around her and in nearly all of her work voices the larger hope. The changing seasons, the beauty of the hills and the peace of the valley are not merely natural phenomena to her. Through them she hears a still small voice and with her gifts and feeling and her artistry with words she makes us hear it too."

Since Mrs McClung wrote this, one of Mrs Matheson's poems has appeared in "Public Opinion," London, England, which is said to be about the "top" for writing. We heartily congratulate her on her well deserved success. During her three years with us, her naivete, originality and deep earnestness, bound her to us and we rejoice with her. Even while teaching she had booklets of poems printed for gifts.

In a letter we received from her recently she tells of a delightful visit they had with the novelist, Frederick Niven at Nelson.

A GREAT FAVORITE.

People often wonder how it is that almost in every home they visit in any part of the Dominion they will find the Family Herald and Weekly Star of Montreal is the favorite paper of the household. But when one thinks of the make-up of that great publication at the extremely low price of one dollar a year, it ceases to be a wonder. The Family Herald and Weekly Star is undoubtedly Canada's favorite and Canadian are justly proud of it. It is a wonderful combination - newspaper, agricultural journal and family magazine - all three in one at a cost of two cents per week. Readers can make no mistake by giving it a trial.

Instead of writing that weekly letter to distant friends, why not have the Review tell them the news of the district. Save yourself the trouble of worrying over what to say each week for \$2.00 for a whole year.

ALLAN'S CORNERS

The funeral of the late Mrs Jane McLean took place Saturday afternoon at 2 p.m. from the residence of Mr. Jas. Eden. Deceased was 85 years of age and in fairly good health until a few weeks before her death, which was due to heart and kidney trouble.

She had a brother James who passed away some years ago, also one sister, Miss Mary Ann, who resides in Durham with her sister-in-law, Mrs. J. McLaughlan. She was formerly married to Mr. Geo. Lamb and latterly to Chas. McLean, who has also predeceased her. The marriage resulted in one son, Herbert, who passed away a number of years ago and a daughter, Martha, her whereabouts not known.

The funeral was conducted by Rev. Ernest Hayes, Durham and in the charge of Colin McMillan, Holstein. The pall bearers were Messrs Wm. Allan, David Davis, John Queen, Wm. Nelson, Robt. Barbour and Lorne Allan.

He also dealt briefly with the sheep-breeding industry and stated that he would make a fuller report in writing.

County Council feels \$13000 too much to spend on Annex. - T. S. Cooper Addresses Council and states bigger things are planned for School Fairs next year.

Addition Needed at House of Refuge

A letter was read to the County Council from the office of the Prov'l Secretary regarding condition of the Grey County home for the Aged and infirm and intimation was given that in view of the fact that so far as the province of Ontario was concerned, nothing had yet been done with regard to Old Age Pensions and therefore necessary that more accommodation should be provided at this institution. It was thought that \$13,000 was too much for the county to spend on an annex, a less pretentious building might be erected, but the matter was important enough to receive immediate attention. The letter was referred to the House of Refuge Com.

Lieu. Col. T. J. Rutherford and Major Ferguson of the Grey Reg't, addressed a letter to the Council, pointing out that there was a deficit of about \$250 in connection with the military camp held in O. Sound in July and asking the Council to assume \$200 of it. Many details were given of how the money was spent, and the matter was referred to the Finance Com.

T. S. Cooper, Ag'l Representative, for Grey Co., gave a brief summary of his work in the county during the year dealing first of all with the fact that while he was speaking four junior farmers from Grey were at Toronto taking part in the big inter-county judging competition at the Royal Winter Fair, remarking that one of these boys from Grey was a member of the Bruce team, Russell McKee being the young man and he had been the silver cup winner here last year. He also pointed out that 10 boys from Grey were at the Fair in
