BLYTH'S CORNERS

'Tis exceedingly mild weather and pleasant getting around and "Carry me back to Old Virginia" is entirely an off number.

The sacrament of the Lord's Supper was dispensed in Knox Church on Sunday last.

Mr Henry Damm is among the latest in having a radio installed last week by Smith Bros. You should see week by week around his shores now keeping time to the jazz music.

CALIFORNIA'S GOLD.

Mammy songs and the Mason-Dixie Line have all melted it seems, before the sun in the orange groves of California. And there's a reason. The praise is going to the worthy. If there are cloudy days in California, one never hears of them, and it is reasonable to suppose that one should if there were. A million people each winter follow the steps of the conquistador of whom, perhaps, they have never heard. They search for gold--the gold of the beach, of the groves, of the sunset over warm Pacific waters. And there is a mine there for you; a real mine of health and a wealth of sport and recreation activities for you to exploit at will.

R. MacFarlane, Canadian Pacific Agent, will gladly supply information regarding fares, routes, etc., upon request.

UNIVERSAL OPINION

The Family Herald and Weekly Star of Montreal has, for some weeks been publishing in each issue, letters from subscribers in all parts of the Dominion, in which the opinion is unanimous that the Family Herald is the greatest value at one dollar of a similar nature. It is safe to say no other paper in Canada could reproduce so many letters of a similar nature. Some are readers for ten, twenty and even forty years' duration. The Family Herald deserves its success. It has been the motto of the paper to improve and give greater value year after year. Today it is a newspaper covering all parts of the world, a family magazine that provides clean, wholesome reading for old and young, and an exciting cultural journal, excellent anything of the kind on the Continent. All these three are in one big paper of 72 pages, and for one dollar a year. It is a credit to Canadian journalism.
