## TOWN TOPICS

We wonder if there is more than mere chance in the fact that the word "mate" rhymes with "25."

### Pleased with Town Hall

Judge Sutherland before opening Division Court proceedings Tuesday last, expressed his pleasure at entering the beautifully finished and renovated Town Hall, a credit to town and workmen as well as community. Thanks, Your Honor.

### Back Ploughing where he Started

It is a long backward look to 60 years ago last December, but that was the time Mr David Hamilton, of Glenelg, commenced ploughing on his then home farm when but a lad of twelve. The farm is lot 5 con 22. Egrement, now owned by his son-in-law, Mr Farr Lawrence. His days behind the plough have covered a long period, for last month, just 60 years later, he ploughed a furrow in the same field in which he first learned to turn the sod. We believe there are very few agriculturists who can claim such a unique experience.

### Two Chesley Doctors fined

Dr's Dawson and Mair of Chesley, two medical men who provided liquor for Chas. Shewell, on the strength of his wife's illness, and to pay rather dearly for accommodating their customer and who is now serving a four month sentence met out to him at Chesley on Dec 22. Mr Mickle spoke highly of both the accused and stated that he believed the doctors had acted in ignorance of the law. Though Magistrate Walker appeared to feel the accused had been taken in, by Shewell's story, nevertheless the section of the Act had been violated and he fined them \$100 and costs each.

### Burned in face from anti freeze

Mr W R Scott, 355 17th St, Owen Sound, has had a painful experience, resulting from an unusual accident. He was severely burned about the face when anti freeze, which he was putting in the radiator of his car caught fire. Mr Scott was trying to find out how far the liquid was from the top of the radiator and in doing so lit a match. Holding it close to the opening, the liquid immediately caught fire and the flame blew right into his face. His eyes were badly burned, particularly the right eye, and his face still shows the effects of the burns. Mr Scott's experience, says the Sun Times, should be a warning to others. The greatest care should be taken in handling anti-freeze.

The Young Women's Auxiliary, of Knox Church, met for their regular study meeting in the schoolroom of the church Monday ev'g, Jan. 9, and the President, Mrs Catton in the chair. The meeting opened with singing and prayer, after which various items of business were brought before the Society. The annual reports of the Sec'y and Treas. were received and adopted. During the past nine months the Auxiliary has raised \$185.28. The scripture lesson was read by Miss Mary McKechnie. An excellent paper on "Missions and Race Attitude" from our study book, was given by Miss Lane, which dealt with our attitude towards Oriental races, the need for study of race relations, and interracial fellowship and the church. The meeting closed in the usual way by repeating in unison the class text and the Lord's Prayer.

**Annual Meeting Queen St Ladies Aid**  
This Society held their annual meeting in the church basement on Tuesday with a large attendance for general business and election of officers for the coming year. The minutes of December meeting were read and adopted. Mrs McCrae led in prayer and the reading of the 90th Psalm by Mrs A. C. Kinnee. The Treasurer's Report showed receipts amounting to \$300.73, with a balance in bank of \$117.53. Mrs Twanley closed with prayer. Officers for the coming year were elected by acclamation as follows: President, Mrs P. Gagnon; Vice president, Mrs W. A. Glines; Sec'y, Mrs Geo Yrns; Treas. Mrs C. Moore, Jr.; Sacramental com. Mrs Aljoe and Mrs Twanley; Drapery Com. Mrs D. M. Saunders and Mrs R. Lawrence; Flower com. Mrs Roy Lawrence and Mrs E. McDonald; Parsonage com. The basement was nicely decorated for the occasion. The ladies enjoyed several games, followed by an excellent lunch and all returned home, feeling a most profitable evening had been spent.

## Jury Case in Division Court Won by A. Noble

Thursday last there were five suits listed for His Honor, Judge Sutherland to deal with and as many Judgment Summons. Great interest was taken in the day's activities, about 300 spectators made almost a full hall and keen attention was given to the proceedings.  
Most of the afternoon was taken up with the suit of Arnold Noble vs. Frank Murdock. Barrister A. E. Henry was counsel for Noble, Barrister Klein for defendant Mr Murdock. The plaintiff Noble made a claim of \$185.75 for breach of contract made with the defendant Murdock for the purchase of 15 cattle. Mr. Murdock claims there was no contract, hence was not responsible for loss of gain or commission on his cattle. Mr Noble had called at Mr. Murdock's place on March 4th, and looked over his cattle and had offered him 7c a lb which was Murdock's price, if taken right away, but on learning that the buyer expected he would keep them "till the grass comes" about end of May, Murdock declared the deal all off, he had not sold the cattle, and he said "if I was selling the cattle I would sell by the dollar".  
He, Murdock, told of seeing the buyer handling money and inadvertently dropped a \$20 bill which Murdock picked up and handed to him. Noble said "Never mind, keep it" as he owed him \$120 anyway on a previous sale of hogs, and was expecting to secure another lot soon. With the \$20 bill in his hand, Murdock went to the house to get change and coming out again was surprised to see Noble driving off, and the interview that day was over. He came.

## Youthful War Veteran Passes

**JOSEPH CAIN**  
After an illness of several years, from lung trouble, caused by being gassed while serving overseas, Joseph Cain slept away last Thursday morning, in his thirty second year, at his home on Garafax St., opposite the Ford garage. Three or four weeks ago he was taken to Christie St. Hospital, Toronto, for treatment, but little could be done for him, and not being satisfied there, his wife brought him home after a day or two. Throat trouble was the immediate cause of death.  
Joe was the only son of Mr and Mrs John J. Cain, was born at Maple Hill, near Walkerton, and spent his school days there. When 16 years of age he came to Durham, and took a position as clerk at the C. P. R. station. After a couple years employment here, he enlisted early in 1915 and saw four years' service overseas, some of the time in front line trenches. He was sick quite a bit when in France and never completely recovered from being gassed there. Returning home in 1919, he was married in November of that year to a Durham girl, Miss Margaret McLaughlin, who survives him with three small children, Ross, Jack and Lorna, aged 6, 4 and 2 years, will deeply miss husband and father. The unable to work for several years, he was able to be up and around at times, until last summer, and has not been outside since Labor Day.  
Deceased's mother who was a sister of Mr Robt. Lindsay of Glenelg, died four years ago and his father from Walkerton and one sister, Miss Matilda, in Detroit, are also left to mourn his loss. The latter was unable to be present for the funeral.  
In the absence of his pastor, Rev. B. D. Armstrong, Rev. E. Hayes of Trinity Church, conducted private mortuary services on Saturday afternoon. The pall bearers were eight overseas comrades: Lance McGillr, D. M. Saunders, Alex Hastie, Frank McIlraith, Arch King, Jas. Lloyd, S. Pinder, J. L. Stedman.  
Beautiful floral offerings surrounded the casket and were a wreath from overseas comrades; sprays from father, wife and children; from his sister in Detroit; Mr and Mrs Thos. Henderson; Mr and Mrs D. M. Saunders; Mr and Mrs Alex Hastie; CPR staff. Interment took place in Durham cemetery.

## Salaried Council for Durham; Town Hall Rentals Raised

Voting themselves a salary of \$2.00 each per meeting, and the passing of a by-law raising Town Hall rentals to double the old figures, were the chief items of business at the opening session of 1928 Town Council.  
All members were present. On one side of Council table, Clerk Vollet, Councillors Arnold Noble, Thos. Henderson, A. McClocklin, keep their former seats, while on the other side are Councillors P. J. McLean, the new man who takes Alb. Noble's chair, Robt. McLean and Alb. Noble, who takes O. S. Hunter's former seat.  
The Standing Committees of the Council were struck as follows, the first named being chairman of Com.: Finance—A. Bell, A. McClocklin, Alb. Noble.  
Board of Works—J. N. Murdoch, Alb. Noble, P. J. McLean.  
Property—T. Henderson, Robt. McLean, A. Bell.  
Fire and Light—Alb. Noble, Arnold Noble, P. J. McLean.  
Charity—J. N. Murdoch, P. J. McLean, T. Henderson.  
Industries—A. Bell, Arnold Noble, A. McClocklin, Dr. Jamieson, E. Limin.  
Court of Revision—A. Bell, J. N. Murdoch, P. McLean, T. Henderson, Arnold Noble.  
Board of Health—J. N. Murdoch, Dr. Bell, J. H. McQuarrie, W. B. Vollet.  
Communications—were read from Sick Children's Hospital, soliciting a grant, and from Ont. Good Roads Association. Accounts totalling \$731.97 were passed. The Treasurer's report showed \$2756.66 of unpaid 1927 taxes, somewhat less than last year. Reeve Bell thought all tax delinquents should be forced to pay now. Coun. R. McLean advocated three days of grace in December and a good deal of this amount, forgotten for a day or two, would have been paid.

By-laws 82482 were given several readings and passed. P. F. McIlraith was appointed assessor at a salary of \$125; last year's auditors Dr. J. F. Grant and Prin. Robb were re-appointed at salary of \$50 and Ham. Allen was re-appointed constable, sanitary inspector, caretaker town hall and fire hall and utility man at same salary, \$60 a month. Dr Bell was reappointed M.O.H. at \$100 salary, and G. Ryan, pound keeper at salary of \$5. Fence viewers are: North Ward—Wm Moffat; East—T. Daniel; West—John Henry.

Walkerton won by 6-2 in first Sr. Northern Game  
A stalwart octette from the Bruce County capital invaded Durham Wednesday and lowered Durham's hockey standard in the locals first engagement of the season. It was Walkerton's third game and the final count was 6-2 for the visitors. The ice was soft and the going heavy, the Durhams had only two practices and are not yet in condition, but no other alibis are necessary. It was a good clean game, well handled by referee R. L. Saunders and on the night's play the best team won. Walkerton has an excellent goal-tender in Kramp, a strong defence and speedy forward line, who are improving every game and will make every team step from now on. The period scores were 3-1, 3-2, 6-2, all in Walkerton's favor. The teams:  

DURHAM	WALKERTON
McDonald	goal Kramp
Clements	defence Kunkel
Wilson	Wilson
McGirr	centre Reybold
Elvidge	wings Bluhm
Buschlen	Walker
Kress	subs. McCartney
Rowe	Sauer

**JUNIOR NORTHERN SCHEDULE**  
Only two teams, Durham and Mt. Forest, comprise the local Jr. Northern group and a single schedule will be played.  
Jan. 18—Mt Forest at Durham  
Jan. 23—Durham at Mt. Forest  
Durham's home game will be next Wednesday night and local hockey fans should rally strongly to the support of our speedy Juniors. Mt. Forest are real opposition, being last winter's Junior champions. Come and cheer for the blue and white.

**REV. B. D. ARMSTRONG ILL.; STUDENT PASTOR ON SUNDAY**  
The Review regrets to learn of the illness of Rev. Mr Armstrong, who has been a patient in the Private Patient's Pavilion of Toronto General Hospital. While not home to Durham yet, he is thought to be making satisfactory progress. The service next Sabbath in Durham and at Rocky Sauguen will be taken by a student from Knox College, Toronto.

## LISTOWEL HERE TUESDAY NEXT

Durham's old rivals Listowel (with Kelly, Rucker, Kemp and other old faces, will meet Durham here next Tuesday night in the first home Int. O.H.A. league match. It's always a tight and tidy battle whenever Durham and Listowel clash, and next Tuesday will be no exception. Durham will be in much better shape for this game and would dearly love to take a fall out of their old rivals. Come and see them try it.

## Bowes', Chatsworth Weather Prophet, Forecasts for 1928

These forecasts are for any part of the northern hemisphere located in the same relative position between the equator and the pole as North America and are not to be applied to countries or areas which receive their heat from the torrid or ocean currents, such as Gt. Britain or Columbia coast. Mr Bowes is very proud of his record of past years notwithstanding the many criticisms which have been levelled at him and he is prepared, he says, to stand back of any predictions he makes, admitting that no person can make a perfect forecast of weather conditions for a year. Following are his forecasts:  
January—First ten days very cold; strong winds, heavy snow falls; balance very mild and calm.  
February—First 15 days quite mild and calm; about 17th, cold and unsettled; 24th, strong winds, rain, snow and quite cold.  
March—First few days the finish of the February storm, then real mild and dry to about the 24th, then cold and windy and wet.  
April—About the 6th a very decided storm of wind, rain and heavy snow, very cold. This will be followed by very mild and dry weather for the balance of the month.  
May—First week very strong and cold winds, rains and a very probable snow storm with some frost.  
June—First few days mild. About the 6th very strong winds, heavy rains and frosts in northern districts.  
July—First week strong winds and heavy rains, balance very warm, calm and dry, conditions conducive to thunder storms.  
August—First half average temperature and quite dry; strong winds with rain about the 16th to 22nd, with balance mild.  
September—Average temperature calm and dry to about the 26th, then cool winds with rain.  
October—About average temperature, calm and dry about the 26th, then very strong persistent winds, heavy rains and a very decided snow storm will fill in the last ten days of the month.  
November—First few days will see the finish of the October storm; balance very decidedly warm and dry.  
December—First 10 days quite dry; warm and calm; next 15 days will have a very decided storm of strong, persistent wind, rain and snow; decidedly cold; last few days milder.  
Jan. 1929—First three weeks very mild.  
Feb. 1929—Quite mild.  
The strongest winds over the whole globe will be in the first week in Jan. and the following dates:  
Feb. 22rd; March 24; April 6; May 3; June 6 and 29; July 1; Aug. 16; Sept. 28; Oct. 24 and 28; Dec. 13, 18 and 21.  
With regard to 1927 he admits he was a little bit off in the Spring predictions, but that taken as a whole, his forecast of a fairly dry season came true. A glance of the 1928 forecasts goes to show that there is not a great deal of change from that of the past year, and that the coming year is going to be another dry one, although he does not think that it is going to be dry enough to be at all harmful to the farm crops.

**Brown-Smith Nuptials**  
A quiet but pretty wedding was solemnized at the home of Mr and Mrs Wm. Smith, Dornoch, on Wednesday, Jan. 4th, when their eldest daughter, Ruby Ethel, was united in holy bonds of matrimony to the man of her choice, Mr Charles Wilfred Brown, son of Mr and Mrs James Brown, Bunnison.  
At twelve o'clock, the groom took his place beneath an arch of evergreens, beautifully decorated with white paper and bells, and the bride entered the parlor leaning on the arm of her father, to the strains of the wedding march played by Miss Gladys Corlett.  
Rev. James Fraser Smith, uncle of the bride, performed the marriage ceremony in the presence of the two immediate families.  
After the ceremony, the guests were seated to a sumptuous three course wedding dinner. The table was adorned by a beautiful four-story wedding cake, the work of the bride's mother, and the dinner was served by two girl friends of the bride, Misses Annie Morrison and Gladys Corlett.  
The bride, who was unattended was gown in navy blue georgette with black satin shoes and gray stockings and wore a long rope of pearls. Her travelling dress was of brown flat crepe with brown coat and hat to

The District meeting of the L. O. L. comprising six lodges, viz: Allan Park, Louise, Durham, Varney, Glenelg, and Victoria Lodge, Dornoch, was held on Tuesday in the Oddfellows' Hall. The court case on in the Town Hall was a counter attraction, and the attendance was lessened as a result. The meeting had received invitations from Galt and O. Sound, to celebrate with them on the 12th of July and it was decided to attend at the latter place. The officers for the coming year are Dist. Grand Master, W. R. Watson; Dist. Deputy Master, John McGillr; Chaplain, S. Chapman; Rec. Sec'y, W. J. Ritchie; Fin. Sec'y and Treas., Thos. Whitmore; Marshall, Geo Noble; Lecturers, Jas. Leeson and Farr Lawrence.
