Will Freeman shows Large Lemon

A large lemon, measuring 12½ inches by 13½ inches and weighing 1

pound and 2 ounces, has been on dis-

play in Mr Freeman's window for the

past few days. This isn't the kind

that W. J. is able to secure from

Bordi, but it is a sample that is

grown in Culross. It is off a tree

owned by Mr A Barker of the Salem

parsonage, and the potted tree was

on display at the fall fair in October.

Last week the lemon was removed

from the tree as it had attained its

full growth and was getting ripe. The

bush was purchased in London and

has been in Mr Barker's possession

for about four years. It has thrived

in Waterford, Belleville, Cambro and

the best of all in Bruce, as Mr Bark-

er has moved it around with him.

The perfume of the lemon blossoms

is wonderful and would repay any-

one for the little attention they re-

quire.—Teeswater News.
