LET'S GO ON TO WINNIPEG Only 507 Miles

This sign erected by the Winnipeg Tourist Bureau in Northern Minnesota, has been of great value it is claimed, in inducing many tourists, passing on the main highways of Minnesota to turn north and pay this city a visit.

In the parlance of the mining promoter the phrase "It's another Hollinger" is being varied with "It's another Noranda."

"Lord Nelson" at Halifax Among Dominion's Finest

Upper—Two scenes in the Public Gardens, where the new hotel is to be located. Lower—At the "Lord Nelson" will appear when completed.

Wide interest has been created by the recent announcement that Halifax is to be provided with one of the finest hotels in the Dominion. The project met with instant approval and financial backing, those materially interested realizing the city's need for such a institution in view of Nova Scotia's historic, scenic and recreational advantages.

That the new "Lord Nelson Hotel," as it will be known, is solidly supported on a business basis, as well as on grounds of civic pride, is shown by the fact that the Canadian Pacific Railway has secured over a half interest in the project, which Company's hotels are established among the leading chains.

The new hotel will be in keeping with the historical charm of Nova Scotia, the name itself recalling an episode of British history. The building, from an architectural standpoint, will be carried out in Georgian style, the work of architecture

prevalent in Lord Nelson's time. Trafalgar Day, October 21st, saw the first sod in its construction turned and work begun on a building that will be in keeping with the importance of Nova Scotia's capital. The location of the "Lord Nelson" is one of the outstanding features of the famous Public Gardens, the pride of the residents of Halifax. These Gardens cover many acres and are located in the heart of the city at the corner of Spring Garden Road and South Park Street. Around this paradise of flowers, radiate the North West Arm with the celebrated

COLLINGWOOD TOWNSHIP (1840)

And fare thee well, George Collingwood. Since fate has put us down; If thou and I have lost our lives, King James has lost his crown.

This township, at first called Alta, or Alba, and on the map of 1836 Atlas, was renamed in honor of Cuthbert, Lord Collingwood, born 1750, died 1810. He went to sea at the age of 11, with his uncle Captain, afterwards Admiral Boscawen, who commanded the Shannon frigate. On the day of the Battle of Bunker's Hill, he received his commission as Lieutenant and at Jamaica station renewed his friendship with Nelson, whom he succeeded on the Badger and the Hinchinbroke. He served through the war, returning to England in 1786, where he married Miss Sarah Blackett of Newcastle. When war broke out with France in 1793, Captain Collingwood took command of the Prince, Rear Admiral Boscawen's flag ship. He was on the excellent at the victory of Cape St. Vincent, of which he wrote a thrilling description to his wife, Captain Collingwood was second in command at Trafalgar. His ship, the Royal Sovereign, was the first to attack and break the enemy's line and upon the death of Nelson, Collingwood finished the victory and continued in command of the fleet. For his services on that occasion he was raised to the peerage and granted a pension of 2000 pounds.

THE ESTIMATES

The estimates were brought down at Ottawa last week and no usual millions are flung round with an abandon that proves Canada is getting to be a big boy. The total amounts to \$373,796,856 and when the supplementary estimates are made out, there will be some millions more.

Of the above large sum Ontario gets for Public Works \$2,444,240, making the sum for Durham's little Post Office look like a fly in the ointment. For harbors, piers, dredging, wharfs, etc. there is set aside a above sum \$1,243,300. For public buildings \$1,200,940. Toronto gets \$500,000.00 for a new Customs House; Port Colborne \$100,000 for harbor works; "Durham Public building, \$4000.00"; Owen Sound \$50,000; Collingwood \$54,900.

The debate on the address on the reply to the speech from the throne, closed sharp and sudden, having taken only a day less than two weeks, much shorter than usual. There will now be sparring over the estimates and new business.

First reading has been given to a bill to make railway tickets interchangeable where lines operate between the same terminals. It is alleged railways don't like this.

A TWO LANGUAGE COUNTRY

The discovery appears to be made that even on the purely commercial side the existence of the French language in Canada is an asset of very considerable value. The Canadian Pacific Railway which has for many years devoted much of the skill of its publicity department to capitalizing the picturesque aspects (almost entirely French) of life in the province of Quebec, has now embarked upon a most promising campaign of spreading all over the continent a knowledge and appreciation of that unique and delightful artistic revival, the French Canadian folk song. We note with interest also that in the tourist advertising this railway in foreign periodicals the name of the province of Quebec is beginning to be spelled with an acute accent upon the first e—an interesting and suggestive recognition of its linguistic history.

If this sort of thing goes on it may become possible to discuss without too much stirring up of racial fervor, the question whether the second of the nation's two official languages might not appropriately be given some recognition upon its postage stamps and its national currency. The idea has been too long current among us that the recognition of two languages is a source of weakness. Whether it is or not depends entirely upon the nation that we are aiming at. If we are aiming at a national character of monotonous and mechanical uniformity from Cape Breton to Prince Rupert, then the duality of language is an obstacle and an evil. But there is good reason to suppose that Canadians are rapidly learning not only the futility but the baseness of any such idea.—Financial Times.

WHAT TIME WILL DO

Just 15 years ago on the 21st of this month, a big Reform Convention was held in Durham, when Hon. Hugh Guthrie, K. C. M. P. of Guelph, and the late H. H. Miller, M. P. of Hanover, were the main speakers at the Convention. Hon. Hugh has travelled far since. He has since sworn allegiance to the Conservative party, been their temporary leader, ran for the permanent leadership in Winnipeg last October and now is a common M. P. again. How times do change!

FRIGHTFUL FATAL ACCIDENT AT HOLLINGER GOLD MINE

Friday last in some way not yet accounted for, five took place in the famous gold mine and out of about 50 men trapped in the depths, only a dozen were saved. Heroic efforts were made by their comrades who were the effort to save them. Three men, experts, were rushed from Pittsburg with special appliances to fight asphyxiation, but the dozen saved are all.

Intense grief exists of course in the stricken homes and sympathy aid help is being extended. How true it is "Men must work and women must weep."

HICKMAN PRONOUNCED GUILTY

It took the jury only 44 minutes to reach a verdict in the trial of Hickman for the kidnapping and murder of the girl Marian Parker at Los Angeles. The verdict was that he was sane and therefore responsible for the horrible deed. Hickman's counsel talk of appealing for a new trial, but if this man escapes there will be an outcry of the best citizens of United States against the looseness and uselessness of the law.

SALARIES OF INSPECTORS

In the session of the Ontario Legislature of 1927 the following change was made in the Public Schools Act in regard to Inspectors' salaries: "Every county Inspector in office on the first day of May 1926, shall be paid a salary at the rate of \$3200 per annum as from the 1st day of November 1925, for the fiscal year ending on the 31st day of Oct. 1926 to the 31st day of Oct. 1927 and thereafter at the rate of \$3,600 per annum. Every county inspector appointed after the first day of May 1926 shall be paid for the first year of service at the rate of \$3000 per annum and for each subsequent year's service at the rate of \$200 shall be payable as from the 1st day of November of the year following that in which the Inspector receives his appointment." The County Councils pay half the Inspectors' salaries besides the travelling expenses.

DEATH OF LORD PASQUICH

A great ex-Premier passed away yesterday at his home in England, the Earl of Oxford and Asquith, better known in the days of the great War as Lord Asquith. He held the confidence of the great mass of the Liberal party, but stepped aside during the war to allow the more vigorous Lloyd George to take the helm. The split in the Liberal party caused by these two men will likely be healed now, unless Lloyd George by some untoward action aggravates the Asquith faction.

GREEN GROVE

Miss Ethel Hargrave has taken a position in Toronto. Mr David Hamilton spent last week with his daughter, Mrs Murray Ritchie. Mr and Mrs Thos Atchison of town spent Sunday with Mr and Mrs John McGirr. Mr and Mrs John Hamilton took in the dance at Mr Jas Hargrave's last Friday night. ROCKY SAUGEEN

Miss Olive Middleton, Durham, is spending a few days with her friend, Miss Margaret McLean. Sorry to hear Mrs Jerry Allord was unfortunate in falling and breaking her left arm near the wrist. The UFWO met at the home of Mrs L. McLean last Friday. The day was all that could be desired and a large crowd was in attendance. The meeting was opened with 'The Maple Leaf' after which the Women's Creed was repeated. Mrs Lamb gave a splendid paper entitled 'Friendship, which was well received. Mrs Stewart McArthur gave a humorous reciting which proved a nice change in our program. The Club members have made and quitted three quilts since our last meeting, one being given to Durham Hospital and two to the business part of the meeting was finished, the National Anthem was sung and lunch served. The next meeting will be held at the home of Mrs Jas. Lawrence. Mr and Mrs Wm Bourne and two daughters, Durham, spent Sunday with Mr and Mrs L. McLean. The UFYO spent a merry time at their sleigh riding party on Friday night. Mr Joe Crutchley made a business trip to Toronto Saturday. Mr and Mrs Jack Caswell were visitors this week with Mr and Mrs Jas. Miller.

Golden Wedding of Mr. and Mrs. Hugh McKechnie

On Sunday, the 29th day of January, the sons and daughter, also some of the grandchildren of Mr and Mrs Hugh McKechnie, of Bethune, Sask., gathered at their home to honor them on the occasion of their golden wedding anniversary.

Mr and Mrs McKechnie were both born and spent the greater part of their lives near Durham, Ontario, coming West from there in the year 1906, and settling at Bethune, Sask., where they have since resided.

The family presented the couple with an easy chair each, also flowers. All the members of the family were home that being: Mr and Mrs John McKechnie of Regina, Mr and Mrs Dan McKechnie, Mr and Mrs Geo. Jahnke and Earl McKechnie of Bethune, Mrs Ledingham of Colgate, Saskatchewan. The grandchildren were Myrtle, Jean Robert and Clarence McKechnie and Elden Jahnke of Bethune. Mr McKechnie is in his 78th year, and his wife in her 71st. They are both enjoying the best of health.

So far—and yet so near!

"I must call John by Long Distance and let him know I got here all right. Then neither of us will be worrying. It's wonderful to be able to wait you like this, and yet keep as close touch with home as if I were there. What must it have been like in the old days, before Long Distance made it possible?"

"I'll place the call for you while you are taking off your wraps."

"That will be fine. Just ask for our number, 124, so I'll get the cheaper Station-to-Station rate. In a couple of days I'll call up again, in the evening, so I can have a few words with the children, too. The Evening Rate after 8:30 is really very low."

"Every Bell Telephone is a Long Distance Station."

DORNOCH

The Women's Institute was held at the home of Mrs Jas Crutchley, Feb. 5th, when 12 members were present, with one visitor. The meeting was opened by singing the Institute Ode, followed by the Lord's Prayer. Minutes of last meeting were read and carried. It was decided that Dornoch and Williamsford entertain the speaker in the Hall at Williamsford this year, the same as last. There will be a short program before the speaking. Congratulations to Mr and Mrs Robert Mortley on the arrival of a daughter.

Mrs E. Dargavel spent a few days with her daughter, Mrs A. McIntosh, and took in the social time which was held in Williamsford Hall on Tuesday night. Williamsford is noted for its social evenings while Dornoch is noted for nothing but its quiet evenings. The radio is the only thing in our town that draws the people together. There were 11 gathered Saturday night at the home of Mr E. B. Dargavel to hear the radio. Mrs Henderson spent Sunday with Mrs Dargavel.

We are pleased to hear that Mrs John Ray, Sr. is much better and able to go round once more.
