IN DAYS OF YORE

15 YEARS AGO

From Review file, Feb. 20, 1913 Mr W. Calden, Pres. of the National Portland Cement Co. has issued a writ against A. McCabe for \$10,000 for libelous statements contained in a circular which he had recently issued to shareholders of the Co.

This winter is witnessing many changes in farm property, the owners in most cases going west. Mr D. McCrie has sold the property so long associated with the name to Mr T. Grady and goes West in March. The Jackson farm in the Glen has been sold to Mr McEwen, Don McCormack's farm has been bought by Mr Walter Ewing. Adam Pettigrew, down Orchard way has also sold and takes with him to the West the last of the Pettigrew name around here.

Hugh Guthrie, K. C. M. P. will be the chief speaker at the big Liberal Convention in the Town Hall on 21st of February.

Miss Jean Brown has accepted a position as head milliner for a firm in Peterborough.

Another barometer of the state of Western Canada's agricultural progress is the sale of school lands in the Prairie Provinces which in 1927 were the best on record. In all 480,408 acres were disposed of for a total of \$8,933,967, representing an average of \$18.70 per acre. The lowest price obtained was \$7 per acre and the highest \$79.

Appointment was announced recently of R. F. Angus to be assistant superintendent of the C.P.R. Montreal Terminals. Mr. Angus, who joined the Canadian Pacific Railway as a clerk in 1919, is the grandson of R. B. Angus, one of the creators of the system and nephew of Sir Vincent Meredith, chairman of the Bank of Montreal.

Ten-year-old John Wylie Barbour travelled recently alone from his aunt in Los Angeles to his father in Glasgow, a distance of about seven thousand miles, in care of C.P.R. train and boat officials from Chicago on. John thought the climate here was little different to California and wore no overcoat or had left it packed in his trunk, but he changed his mind at Montreal where he struck sub-zero weather. He arrived safe and sound, and will come back in the spring.

A paradise for the outside camper will be ready next summer when the government finishes the new camp ground in the Rocky Mountains Park within half a mile of Banff, on Tunnel Mountain. The camp, which on its old site last July accommodated 11,653 persons, is especially popular among prairie farmers between seeding time and harvest. Charge is only a dollar for a party for three weeks, and running water, garbage removal, dinner shelters, electric light and even pay telephones are provided for campers.

Proton's Financing in Olden Times

By the courtesy of Mr Geo. Campbell, R. R. 2, Priceville, we had left with us two relics of Financial Statements of Proton Township, for the years 1865 and 1867.

The Clerk in 1865 was John Vert, whose salary was \$100. The total receipts for 1865 were \$2228.35 of which Carley Johnston as collector passed in \$1499.11, while about \$150 came from the Receiver General, 'Improvement Fund'. Cash from Improvement Fund, 'got by Geo. Jackson' \$161.48, the balance made up of individual payments by over twenty individuals and one item reflecting the disturbed state of American coinage reads 'Cash percentage on \$625 silver at 4 per cent \$25.00.'

The Expenditure for same year totalled \$2149.40, so there was a nice balance on hand. Three of the Returning Officers got \$3 each, the other two only \$1.50 each. Road-making jobs, ditching, &c., were all moderate sums ranging from \$1 to \$6. The Assessor, John Abbot got \$30; Joseph McArdie and John Abbot each got \$5 as auditors. County Assessment \$318.25. Curious items are 'paid Dundalk Post Office \$2.37; Cedarville \$3.94; Ronaldsday \$3.40' Councilors services \$11.00 and so on. Assets amounts to \$12090.10 Liabilities amounts to \$5670.03

Amongst the Assets are non-resident Land Fund \$7759.41; and Clergy Reserve Fund \$30. This sheet was printed by White & Johnston, Durham, who call themselves 'Cheap Printers.'

The 1867 Statement printed in January or February 1868, has special interest for the writer, as it was printed in Priceville in the 'Courier' Office, where we were one of two 'devils' who were 'sticking type' in that far off day under the foremanship of S. L. M. Luke. The sight of this printed sheet of which we did much of the setting calls up a flood of memories.

Proton Receipts had now mounted to 3038.92, while the Expenditure was \$3079.17, leaving a balance of \$40.25 due the treasurer, John Vert. Councilors fees had now risen to \$126.00; county rate to \$1506.00, quite a rise from \$818.25 two years before. Amongst the Assets are Non-Resident Land Funds \$7566.00; 'Defaulters' Roll' over \$200.00. The Liabilities show 'Due County Treas. \$5843.60' and various 'School Equivalent' for nine schools \$859.83, and a number of other small items, leaving a balance due Treasurer of \$40.24%.

Wm Dunn and Robt. Patton, the Auditors certify they have found the accounts correct 'to the best of our judgment'. Then follows the imprint 'Priceville Courier Print.'
